12. Where after considering all objections and representations duly made and not withdrawn a council intends to adopt proposals to make or alter a scheme without material modifications, when it complies with regulation 11 it must at the same time—

- (a) give notice by local advertisement in Form 3 that it intends to adopt its proposals; and
- (b) serve a notice to the same effect on any person who has duly made and not withdrawn an objection or representation with respect to the proposals, and on any other person whom it considers should be notified.

Procedure for modification of proposals

13.—(1) Where after considering objections and representations with respect to its proposals, the council proposes to modify proposals to make or alter a scheme (whether to comply with a direction by the Department under paragraph 5(3) of Schedule 1 or otherwise), unless it is satisfied that the proposed modifications will not materially affect the content of the scheme or the alterations, the council must—

17.—(1) The Department must send to the council a list of any modifications it may propose by virtue of paragraph 6 of Schedule 1 to a proposed scheme or alterations submitted for its approval by virtue of paragraph 6 of Schedule 1, unless the Department is satisfied that its proposed modifications will not materially affect the content of the council's proposals; and the council must comply with sub-paragraphs (a) and (d) of regulation 13(1) as if the council was proposing the modifications, except that the notice to be published by local advertisement must be in Form 6.

(2) Where under paragraph 7(4)(a) of Schedule 1 the Department causes an independent examination to be held for the purpose of considering objections to proposals submitted as mentioned in paragraph (1), or to modifications the Department proposes, and the views of the council and of such other persons as the Department thinks fit, it must give such notice and notification as is mentioned in regulation 8(2)(a) and (b), as appropriate.

Documents to be sent to the Department

19.—(1) A council must send to the Department a copy of every notice published by the council in accordance with these Regulations at the same time as the notice is first published by local advertisement together with copies of documents specified in paragraph (2).

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Planning Act (Northern Ireland) 2011 empowers a council to make simplified planning zone schemes. Such a scheme provides planning permission within the area covered by the scheme for development in accordance with the scheme without the need for specific application.

These Regulations are concerned with the procedure for making and altering such schemes. They are made under, and supplement the provision made by, Schedule 1 to the 2011 Act.

They make provision in respect of consultation and notification before depositing proposals (regulation 3), set out in regulation 4 the requirement for a title to the scheme, procedure after deposit of proposals (regulation 5), for making objections and representations (regulation 6), for consideration of objections by a council (regulations 8, 9, 10 and 11) and for modification of proposals (regulations 13 and 14).

They also specify the content or form of certain notices to be given by the council (regulations 5, 6, 7, 11, 12, 13, 15 and 16) and by the Department (regulation 17).

They also make provision for the Department to call-in proposals (regulation 17) and to give certain directions (regulation 18).

Regulation 22 revokes the Planning (Simplified Planning Zones) Regulations 1990.

A regulatory impact assessment has been prepared in relation to these Regulations. A copy may be obtained from the Department of the Environment, Causeway Exchange, 1-7 Bedford Street, Belfast, BT2 7EG. Telephone (028 90 823536) or accessed at www.doeni.gov.uk
