- (b) where selection of an application would have that result, place the application on a reserve list in the same rank.

(3) In exercising their powers under sub-paragraphs (1)(e) or (2) the Ministers shall have regard to—

- (a) the benefit likely to be derived from, and value for money represented by, the bid;

 - (i) Commission Decision [98/124/EC](#) of 16 December 1997 approving the multiannual guidance programme for the fishing fleet of the United Kingdom for the period from 1 January 1997 to 31 December 2001⁽⁹⁾;
 - (ii) Council Decision [97/413/EC](#) relating to the objectives and detailed rules for restructuring the Community fisheries sector over the period 1st January 1997 to 31st December 2001 with a view to achieving a lasting balance between the resources and their exploitation⁽¹⁰⁾; and

(6) Subject to sub-paragraph (7), the Ministers may revoke an approval where they have reasonable grounds for suspecting that there has been any fixing or adjustment of the amount of a bid by, under or in accordance with any agreement (whether legally binding or not) or arrangement with another person.

(7) Paragraph 16(3) shall apply to revocation under sub-paragraph (6) as it applies to revocation under paragraph 16.

Eligibility and claims for payment of grant

7.—(1) Subject to sub-paragraph (2) and paragraph 16, applicants whose applications have been approved under paragraph 6 shall be eligible for payment of grant in accordance with paragraph 11.

(2) The vessel shall not be decommissioned until the method of decommissioning notified under sub-paragraph (1) has been approved by the Ministers.

(3) The vessel shall be decommissioned—

EXPLANATORY NOTE

(This note is not part of the Scheme)

This Scheme provides for the making of grants by the Scottish Ministers, in respect of the decommissioning of fishing vessels.

Applications for grant will be considered in respect of vessels meeting the requirements set out in paragraph 3 of the Scheme. These include a requirement that to be eligible a vessel must be over 10 metres in length and licensed with a Category A licence, other than a Category A (Pelagic Pursuer), a Category A (Pelagic Freezer) or a Category A (Pelagic Trawler) licence. The vessel must be a “Scottish based vessel” as defined in paragraph 3(5).

Paragraphs 4 to 6 of the Scheme lay down a procedure for the making, consideration and approval of applications. Applications must be in respect of one vessel only and include a bid by the applicant for the amount of grant for which the applicant offers to decommission and de-register the vessel and surrender all licences and claims to licences in respect of the vessel. Bids will be selected for approval in accordance with paragraph 5.

The Scottish Ministers are empowered from time to time to determine a date (“the appropriate decommissioning date”) by which a claim for grant in respect of an approved application must be lodged. In order for grant to be payable the Scottish Ministers must be satisfied that decommissioning (by a method having the prior approval of the Scottish Ministers) has taken place, that the vessel has been deregistered and licences and claims to licences have been surrendered (paragraphs 7, 8 and 9). In the event of substantial damage or destruction of the vessel the applicant is required to provide the Scottish Ministers with certain information (paragraph 10).

The amount of grant in respect of an approved application is the amount of the bid (paragraph 11) and provision is made concerning the method of payment of grant (paragraph 12). The Scottish Ministers may require a person whose application is approved to provide, or arrange for the provision of, undertakings (paragraph 13).

Applicants are required, on request, to give assistance to authorised officers of the Scottish Ministers, who are given powers of entry and inspection for specified purposes (paragraphs 14 to 15), and provision is made for the reduction, withholding and recovery of grant in certain circumstances and for the payment of interest on grant recovered (paragraphs 16 and 17).

Section 17 of the Fisheries Act 1981 creates offences in respect of the production of false statements or documents in purported compliance with any requirement imposed by the Scheme and wilful refusal to supply information, make returns or produce documents when required to do so by or under the Scheme.

This Scheme is made by virtue of Article 7 of Council Regulation (EC) No. 2792/99 laying down the criteria and arrangements regarding Community structural assistance in the fisheries and aquaculture sector and the processing and marketing of its products (O.J. No. L 337, 30.12.99, p.10), as corrected by Corrigenda, O.J. No. L 83, 04.04.00, p.35 and O.J. No. L 2, 05.01.01, p.41 and as read with—

- (b) Council Decision [97/413/EC](#) relating to the objectives and detailed rules for restructuring the Community fisheries sector over the period 1st January 1997 to 31st December 2001 with a view to achieving a lasting balance between the resources and their exploitation (O.J.
