2007 No. 1

The Products of Animal Origin (Third
Country Imports) (Scotland) Regulations 2007

PART 8

Products Returned from Third Countries

Meaning of “export certificate”

- 50.** In this Part, “export certificate”, in relation to a returned product, means a certificate—
- (a) issued by the authorities in the original country of export; and
 - (b) declaring that the returned product complies with the relevant animal or public health standards of the country of receipt to which the product was originally exported.
