EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Horse Passports (Scotland) Regulations 2005 (“the principal Regulations”).

These Regulations provide for a horse passport holder to apply for another passport or transfer a passport where a passport-issuing organisation ceases to exist (regulation 7). Regulation 5 of the principal Regulations is also amended to provide that the Scottish Ministers shall exercise specified powers and duties of passport-issuing organisations where another passport or a transfer is applied for and until that application is determined or the transfer is made (regulation 5). Provision is also made in regulation 16 of the principal Regulations for an application for a replacement passport to be made to any passport issuing organisation where a passport-issuing organisation is no longer recognised or registered or in existence (regulation 6). Regulations 3, 4, 8 and 9 make minor changes and corrections to the principal Regulations.

A Regulatory Impact Assessment has not been prepared for these Regulations.
