## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made under sections 63(1), 64(2), 72(1), 72(2)(a) and (d), 97(1) and 100(2) of the Protection of Vulnerable Groups (Scotland) Act 2007 ([asp 14](#)) (“the Act”).

Regulation 3 prescribes the manner and place for the taking of fingerprints under section 63 of the Act. In terms of the manner and place prescribed by regulation 3—

- individuals must, within 28 days of being notified of the requirement to have fingerprints taken, notify Scottish Ministers whether they consent to the taking of their fingerprints (special provision is made for the obtaining of consent of those aged under 16 years) and if so, which police station they wish to attend to have their fingerprints taken. Failure to do so may be regarded as failure to comply with a requirement under section 63 of the Act (failure to comply with a requirement under section 63 means that the Scottish Ministers need not consider the application or request made by the individual);
- the Scottish Ministers may require the individual to attend an alternative police station to the station nominated by the individual in such circumstances as they consider appropriate (specified police station); and
- fingerprints may be taken by any constable of the nominated police station (or specified police station) at a date and time notified to the individual.

Regulation 4 prescribes the General Register Office for Scotland, the UK Border Agency and Driver and Vehicle Licensing Northern Ireland as personal data holders. Scottish Ministers may use information given to them by the General Register Office for Scotland, the UK Border Agency and Driver and Vehicle Licensing Northern Ireland to check evidence of identity given to them for the purposes of section 62 of the Act (evidence of identity given by an individual making an application to join, or be removed from, the scheme, a request to correct a scheme record, or a disclosure request).
