## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made under section 72(1) of the [Protection of Vulnerable Groups \(Scotland\) Act 2007 \(asp 14\)](#) (“the Act”) and make provision about the administration of the Scheme established by section 44 of the Act, under which information about individuals who do, or wish to do, regulated work with children or protected adults is collated and disclosed. Section 72(1) allows the Scottish Ministers to make such further provision about the administration of the Scheme as they see fit. These Regulations make provision in relation to notification of certain changes by scheme members and introduce a time limit for requests to correct vetting information.

Section 50 of the Act requires scheme members to notify the Scottish Ministers of certain changes (a change of name or issue of a full gender recognition certificate). The Scottish Ministers may require scheme members to provide documents in support of a notice of change of name (regulation 3(1)) or may require scheme members to provide a full gender recognition certificate in support of a notice of change of gender (regulation 3(2)).

Regulation 4 imposes a time limit of 3 months for scheme members who wish to request a correction of vetting information which they consider to be inaccurate in terms of section 51 of the Act. The time limit applies only to requests to correct vetting information and does not affect other requests to correct scheme records. The Scottish Ministers may extend the period of 3 months as they think appropriate.
