EXPLANATORY NOTE

(This note is not part of the Regulations)

Section 4 of the Tobacco and Primary Medical Services (Scotland) Act 2010 (“the Act”) provides that it is an offence to sell a tobacco product or cigarette papers to a person under the age of 18.

Section 4(2) to (4) of the Act makes provision in relation to a defence to such a charge. The defence is that the accused believed the customer to be over 18 and had been shown a valid passport, EU photo driving licence or other prescribed document and that the document shown would have convinced a reasonable person as to the customer’s age.

These Regulations prescribe a photographic identity card bearing the national Proof of Age Standards Scheme hologram as an additional form of acceptable identification (regulation 2).
