EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes provision in respect of the quantities (“specified quantities”) in which beer, cider and wine sold in the glass from which it is to be drunk. It makes related provision in respect of capacity measures and quantity indications. In addition, the Order removes specified quantities relating to unwrapped loaves of bread, subject in certain cases to quantity indication requirements.

Article 4 amends the Weights and Measures (Intoxicating Liquor) Order 1988 so as to permit retail sales of 2/3 pint of draught beer or cider, to permit wines (other than fortified wines) sold in a quantity of less than 75 ml to be sold in any quantity without quantity indications and to provide for the sale of fortified wines only in specified quantities of 50 ml or 70 ml or a multiple of either of those quantities with quantity indications.

Articles 2 and 5 make related amendments to Schedule 3 to the Weights and Measures Act 1985 and to Schedule 3 to the Measuring Instruments (Capacity Serving Measures) Regulations 2006 (“the 2006 Regulations”) to permit the use for trade of capacity measures of 2/3 pint and to ensure that the 2006 Regulations, which regulate the placing on the market, putting into use and use for trade of capacity serving measures, apply to 2/3 pint measures.

Article 3 amends article 6 of the Weights and Measures (Miscellaneous Foods) Order 1988 (“the 1988 Order”) so as to remove specified quantities relating to unwrapped loaves of bread and to introduce quantity indication requirements applicable to such loaves, when weighing more than 300 g and sold otherwise than in traditional quantities (400 g or a multiple) or in bulk. In addition, it revokes now redundant exemptions from specified quantities relating to unwrapped loaves of bread in Schedule 1 to the 1988 Order.
