- (1) For the purpose of giving relief from double taxation in relation to capital gains tax and tax on chargeable gains charged under the law of any country outside the United Kingdom, in Chapters I and II of Part XVIII of the Taxes Act, as they apply for the purposes of income tax, for references to income there shall be substituted references to capital gains and for references to income tax there shall be substituted references to capital gains tax meaning, as the context may require, tax charged under the law of the United Kingdom or tax charged under the law of a country outside the United Kingdom.
- (2) Any arrangements set out in an order made under section 347 of the Income Tax Act 1952 before 5th August 1965 (the date of the passing of the Finance Act 1965) shall so far as they provide (in whatever terms) for relief from tax chargeable in the United Kingdom on capital gains have effect in relation to capital gains tax.
- (3) So far as by virtue of this section capital gains tax charged under the law of a country outside the United Kingdom may be brought into account under the said Chapters I and II as applied by this section, that tax, whether relief is given by virtue of this section in respect of it or not, shall not be taken into account for the purposes of those Chapters as they apply apart from this section.
- (4) Section 518 of the Taxes Act (disclosure of information for purposes of double taxation) shall apply in relation to capital gains tax as it applies in relation to income tax.

11 Allowance for foreign tax

Subject to section 10 above, the tax chargeable under the law of any country outside the United Kingdom on the disposal of an asset which is borne by the person making the disposal shall be allowable as a deduction in the computation under Chapter II of Part II of this Act.

12 Non-resident with United Kingdom branch or agency

- (1) Subject to any exceptions provided by this Act, a person shall be chargeable to capital gains tax in respect of chargeable gains accruing to him in a year of assessment in which he is not resident and not ordinarily resident in the United Kingdom but is carrying on a trade in the United Kingdom through a branch or agency, and shall be so chargeable on chargeable gains accruing on the disposal—
- (a) of assets situated in the United Kingdom and used in or for the purposes of the trade at or before the time when the capital gain accrued, or
- (b) of assets situated in the United Kingdom and used or held for the purposes of the branch or agency at or before that time, or assets acquired for use by or for the purposes of the branch or agency.

- (2) This section shall not apply to a person who, by virtue of Part XVIII of the Taxes Act (double taxation agreements), is exempt from income tax chargeable for the year of assessment in respect of the profits or gains of the branch or agency.
- (3) In this Act, unless the context otherwise requires, “branch or agency ” means any factorship, agency, receivership, branch or management, but does not include any person within the exemptions in section 82 of the Taxes Management Act 1970 (general agents and brokers).

13 Foreign assets: delayed remittances

- (1) Subsection (2) below applies where—
 - (a) chargeable gains accrue from the disposal of assets situated outside the United Kingdom, and
 - (b) the person charged or chargeable makes a claim and shows that the conditions set out in subsection (3) below are, so far as applicable, satisfied as respects those gains (“the qualifying gains ”).
- (2) For the purposes of capital gains tax—
 - (a) the amount of the qualifying gains shall be deducted from the amounts on which the claimant is assessed to capital gains tax for the year in which the qualifying gains accrued to the claimant, but
 - (b) the amount so deducted shall be assessed to capital gains tax on the claimant (or his personal representatives) as if it were an amount of chargeable gains accruing in the year of assessment in which the conditions set out in subsection (3) below cease to be satisfied.
- (3) The said conditions are—
 - (a) that the claimant was unable to transfer the qualifying gains to the United Kingdom, and
 - (b) that that inability was due to the laws of the territory where the income arose, or to the executive action of its government, or to the impossibility of obtaining foreign currency in that territory, and
 - (c) that the inability was not due to any want of reasonable endeavours on the part of the claimant.
- (4) Where under an agreement entered into under arrangements made by the Secretary of State in pursuance of section 1 of the Overseas Investment and Export Guarantees Act 1972 or section 11 of the Export Guarantees and Overseas Investment Act 1978 any payment is made by the Exports Credits Guarantee Department in respect of any gains which cannot be transferred to the United Kingdom, then, to the extent of the payment, the gains shall be treated as gains with respect to which the conditions mentioned in subsection (3) above are not satisfied (and accordingly cannot cease to be satisfied).
- (5) No claim under this section shall be made in respect of any chargeable gain more than six years after the end of the year of assessment in which that gain accrues.
- (6) The personal representatives of a deceased person may make any claim which he might have made under this section if he had not died.

14 Foreign assets of person with foreign domicile

- (1) In the case of individuals resident or ordinarily resident but not domiciled in the United Kingdom, capital gains tax shall not be charged in respect of gains accruing to them from the disposal of assets situated outside the United Kingdom (that is chargeable gains accruing in the year 1965-66 or a later year of assessment) except that the tax shall be charged on the amounts (if any) received in the United Kingdom in respect of those chargeable gains, any such amounts being treated as gains accruing when they are received in the United Kingdom.
- (2) For the purposes of this section there shall be treated as received in the United Kingdom in respect of any gain all amounts paid, used or enjoyed in or in any manner or form transmitted or brought to the United Kingdom, and subsections (4) to (7) of section 122 of the Taxes Act (under which income applied outside the United Kingdom in payment of debts is, in certain cases, treated as received in the United Kingdom) shall apply as they would apply for the purposes of subsection (3) of the said section 122 if the gain were income arising from possessions out of the United Kingdom.

15 Non-resident company

- (1) This section applies as respects chargeable gains accruing to a company—
 - (a) which is not resident in the United Kingdom, and
 - (b) which would be a close company if it were resident in the United Kingdom.
- (2) Subject to this section, every person who at the time when the chargeable gain accrues to the company is resident or ordinarily resident in the United Kingdom, who, if an individual, is domiciled in the United Kingdom, and who holds shares in the company, shall be treated for the purposes of this Act as if a part of the chargeable gain had accrued to him.
- (3) That part shall be equal to the proportion of the assets of the company to which that person would be entitled on a liquidation of the company at the time when the chargeable gain accrues to the company.
- (4) If the part of a chargeable gain attributable to a person under subsection (2) above is less than one-twentieth, the said subsection (2) shall not apply to that person.
- (5) This section shall not apply in relation to—
 - (a) any amount in respect of the chargeable gain which is distributed, whether by way of dividend or distribution of capital or on the dissolution of the company, to persons holding shares in the company, or creditors of the company, within two years from the time when the chargeable gain accrued to the company, or
 - (b) a chargeable gain accruing on the disposal of assets, being tangible property, whether movable or immovable, or a lease of such property, where the property was used, and used only, for the purposes of a trade carried on by the company wholly outside the United Kingdom, or
 - (c) a chargeable gain accruing on the disposal of currency or of a debt within section 135(1) below (foreign currency bank accounts), where the currency or debt is or represents money in use for the purposes of a trade carried on by the company wholly outside the United Kingdom, or
 - (d) to a chargeable gain in respect of which the company is chargeable to tax by virtue of section 246(2)(b) of the Taxes Act (gains corresponding to those charged under section 12 above).

Status: This is the original version (as it was originally enacted).

- (6) Subsection (5)(a) above shall not prevent the making of an assessment in pursuance of this section but if, by virtue of that paragraph, this section is excluded all such adjustments, whether by way of repayment or discharge of tax or otherwise, shall be made as will give effect to the provisions of that paragraph.
- (7) The amount of capital gains tax paid by a person in pursuance of subsection (2) above (so far as not reimbursed by the company) shall be allowable as a deduction in the computation under this Act of a gain accruing on the disposal by him of the shares by reference to which the tax was paid.
- (8) So far as it would go to reduce or extinguish chargeable gains accruing by virtue of this section to a person in a year of assessment this section shall apply in relation to a loss accruing to the company on the disposal of an asset in that year of assessment as it would apply if a gain instead of a loss had accrued to the company on the disposal, but shall only so apply in relation to that person; and subject to the preceding provisions of this subsection this section shall not apply in relation to a loss accruing to the company.
- (9) If the person owning any of the shares in the company at the time when the chargeable gain accrues to the company is itself a company which is not resident in the United Kingdom but which would be a close company if it were resident in the United Kingdom, an amount equal to the amount apportioned under subsection (3) above out of the chargeable gain to the shares so owned shall be apportioned among the issued shares of the second-mentioned company, and the holders of those shares shall be treated in accordance with subsection (2) above, and so on through any number of companies.
- (10) If any tax payable by any person by virtue of subsection (2) above is paid by the company to which the chargeable gain accrues, or in a case under subsection (9) above is paid by any such other company, the amount so paid shall not for the purposes of income tax, capital gains tax or corporation tax be regarded as a payment to the person by whom the tax was originally payable.

16 Non-resident group of companies

- (1) This section has effect for the purposes of section 15 above.
- (2) Sections 273 to 275 and 276 (1) of the Taxes Act shall apply in relation to non-resident companies which are members of a non-resident group of companies, as they apply in relation to companies resident in the United Kingdom which are members of a group of companies.
- (3) Sections 278 and 279 of the Taxes Act shall apply for the said purposes as if for any reference therein to a group of companies there were substituted a reference to a non-resident group of companies, and as if references to companies were references to companies not resident in the United Kingdom.
- (4) For the purposes of this section—
 - (a) a “non-resident group” of companies—
 - (i) in the case of a group, none of the members of which are resident in the United Kingdom, means that group, and
 - (ii) in the case of a group, two or more members of which are not resident in the United Kingdom means the members which are not resident in the United Kingdom;

- (b) “group ” shall be construed in accordance with subsections (1) (without paragraph (a)), (3) and (4) of section 272 of the Taxes Act.

17 Non-resident trust

- (1) This section applies as respects chargeable gains accruing to the trustees of a settlement if the trustees are not resident and not ordinarily resident in the United Kingdom, and if the settlor, or one of the settlors, is domiciled and either resident or ordinarily resident in the United Kingdom, or was domiciled and either resident or ordinarily resident in the United Kingdom when he made his settlement.
- (2) Any beneficiary under the settlement who is domiciled and either resident or ordinarily resident in the United Kingdom during any year of assesment shall be treated for the purposes of this Act as if an apportioned part of the amount, if any, on which the trustees would have been chargeable to capital gains tax under section 4(1) above, if domiciled and either resident or ordinarily resident in the United Kingdom in that year of assesment, had been chargeable gains accruing to the beneficiary in that year of assesment; and for the purposes of this section any such amount shall be apportioned in such manner as is just and reasonable between persons having interests in the settled property, whether the interest be a life interest or an interest in reversion, and so that the chargeable gain is apportioned, as near as may be, according to the respective values of those interests, disregarding in the case of a defeasible interest the possibility of defeasance.
- (3) For the purposes of this section—
- (a) if in any of the three years ending with that in which the chargeable gain accrues a person has received a payment or payments out of the income of the settled property made in exercise of a discretion he shall be regarded, in relation to that chargeable gain, as having an interest in the settled property of a value equal to that of an annuity of a yearly amount equal to one-third of the total of the payments so received by him in the said three years, and
- (b) if a person receives at any time after the chargeable gain accrues a capital payment made out of the settled property in exercise of a discretion, being a payment which represents the chargeable gain in whole or part then, except so far as any part of the gain has been attributed under this section to some other person who is domiciled and resident or ordinarily resident in the United Kingdom, that person shall, if domiciled and resident or ordinarily resident in the United Kingdom, be treated as if the chargeable gain, or as the case may be the part of the chargeable gain represented by the capital payment, had accrued to him at the time when he received the capital payment.
- (4) In the case of a settlement made before 6th April 1965—
- (a) subsection (2) above shall not apply to a beneficiary whose interest is solely in the income of the settled property, and who cannot, by means of the exercise of any power of appointment or power of revocation or otherwise, obtain for himself, whether with or without the consent of any other person, any part of the capital represented by the settled property, and
- (b) payment of capital gains tax chargeable on a gain apportioned to a beneficiary in respect of an interest in reversion in any part of the capital represented by the settled property may be postponed until that person becomes absolutely entitled to that part of the settled property, or disposes of the whole or any part of his interest, unless he can, by any means described in paragraph (a) above, obtain for himself any of it at any earlier time,

and for the purposes of this subsection, property added to a settlement after the settlement is made shall be regarded as property under a separate settlement made at the time when the property is so added.

- (5) In any case in which the amount of any capital gains tax payable by a beneficiary under a settlement in accordance with the provisions of this section is paid by the trustees of the settlement that amount shall not for the purposes of taxation be regarded as a payment to the beneficiary.
- (6) This section shall not apply in relation to a loss accruing to the trustees of the settlement.
- (7) In this section “settlement” and “settlor” have the meanings given by section 454(3) of the Taxes Act and “settled property” shall be construed accordingly.

- (3) Subject to section 12(1) above, an individual who is in the United Kingdom for some temporary purpose only and not with any view or intent to establish his residence in the United Kingdom shall be charged to capital gains tax on chargeable gains accruing in any year of assessment if and only if the period (or the sum of the periods) for which he is resident in the United Kingdom in that year of assessment exceeds six months.
- (4) For the purposes of this Act—
 - (a) the situation of rights or interests (otherwise than by way of security) in or over immovable property is that of the immovable property,

- (a) options, debts and incorporeal property generally, and
 - (b) any currency other than sterling, and
 - (c) any form of property created by the person disposing of it, or otherwise coming to be owned without being acquired.
- (2) For the purposes of this Act—
- (a) references to a disposal of an asset include, except where the context otherwise requires, references to a part disposal of an asset, and
 - (b) there is a part disposal of an asset where an interest or right in or over the asset is created by the disposal, as well as where it subsists before the disposal, and generally, there is a part disposal of an asset where, on a person making a disposal, any description of property derived from the asset remains undisposed of.
- (3) Subject to the provisions of this Act, a person's acquisition of an asset and the disposal of it to him shall for the purposes of this Act be deemed to be for a consideration equal to the market value of the asset—
- (a) where he acquires the asset otherwise than by way of a bargain made at arm's length and in particular where he acquires it by way of gift or by way of distribution from a company in respect of shares in the company, or
 - (b) where he acquires the asset wholly or partly for a consideration that cannot be valued, or in connection with his own or another's loss of office or employment or diminution of emoluments, or otherwise in consideration for or recognition of his or another's services or past services in any office or employment or of any other service rendered or to be rendered by him or another.
- (4) It is hereby declared that winnings from betting, including pool betting, or lotteries or games with prizes are not chargeable gains, and no chargeable gain or allowable loss shall accrue on the disposal of rights to winnings obtained by participating in any pool betting or lottery or game with prizes.
- (5) It is hereby declared that sums obtained by way of compensation or damages for any wrong or injury suffered by an individual in his person or in his profession or vocation are not chargeable gains.

20 Capital sums derived from assets

- (1) Subject to sections 21 and 23(1) below, and to any other exceptions in this Act, there is for the purposes of this Act a disposal of assets by their owner where any capital sum is derived from assets notwithstanding that no asset is acquired by the person paying the capital sum, and this subsection applies in particular to—
- (a) capital sums received by way of compensation for any kind of damage or injury to assets or for the loss, destruction or dissipation of assets or for any depreciation or risk of depreciation of an asset,
 - (b) capital sums received under a policy of insurance of the risk of any kind of damage or injury to, or the loss or depreciation of, assets,
 - (c) capital sums received in return for forfeiture or surrender of rights, or for refraining from exercising rights, and
 - (d) capital sums received as consideration for use or exploitation of assets.
- (2) In the case of a disposal within paragraph (a), (b), (c) or (d) of subsection (1) above the time of the disposal shall be the time when the capital sum is received as described in that subsection.
- (3) In this section “capital sum” means any money or money's worth which is not excluded from the consideration taken into account in the computation under Chapter II below.

21 Capital sums: compensation and insurance money

- (1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 20(1) above derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—
- (a) the capital sum is wholly applied in restoring the asset, or
 - (b) (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
 - (c) (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,

but, if the receipt is not treated as a disposal, all sums which would, if the receipt had been so treated, have been brought into account as consideration for that disposal in the computation under Chapter II below of a gain accruing on the disposal shall be deducted from any expenditure allowable under Chapter II below as a deduction in computing a gain on the subsequent disposal of the asset.

- (2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—
- (a) paragraphs (b) and (c) of subsection (1) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

In this subsection “allowable expenditure ” means expenditure which, immediately before the disposal, was attributable to the asset under paragraphs (a) and (b) of section 32(1) below.

- (3) If, in a case not falling within subsection (1)(b) above, a part of a capital sum within paragraph (a) or paragraph (b) of section 20(1) above derived from an asset which is not lost or destroyed is applied in restoring the asset, then if the recipient so claims, that part of the capital sum shall not be treated as consideration for the disposal deemed to be effected on receipt of the capital sum but shall be deducted from any expenditure allowable under Chapter II below as a deduction in computing a gain on the subsequent disposal of the asset.
- (4) If an asset is lost or destroyed and a capital sum received by way of compensation for the loss or destruction, or under a policy of insurance of the risk of the loss or destruction, is within one year of receipt, or such longer period as the inspector may allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the amount by which the gain is reduced under paragraph (a) of this subsection.
- (6) Subsections (4) and (5) above have effect subject to paragraph 18 of Schedule 5 to this Act (application to gain which in consequence of that Schedule is not all chargeable gain).
- (7) This section shall not apply in relation to a wasting asset.

22 Assets lost or destroyed, or whose value becomes negligible

- (1) Subject to the provisions of this Act and, in particular to section 137 below (options), the occasion of the entire loss, destruction, dissipation or extinction of an asset shall, for the purposes of this Act, constitute a disposal of the asset whether or not any capital sum by way of compensation or otherwise is received in respect of the destruction, dissipation or extinction of the asset.
- (2) If, on a claim by the owner of an asset, the inspector is satisfied that the value of an asset has become negligible, he may allow the claim and thereupon this Act shall have effect as if the claimant had sold, and immediately re-acquired, the asset for a consideration of an amount equal to the value specified in the claim.

- (3) For the purposes of subsections (1) and (2) above, a building and any permanent or semi-permanent structure in the nature of a building, may be regarded as an asset separate from the land on which it is situated, but where either of those subsections applies in accordance with this subsection, the person deemed to make the disposal of the building or structure shall be treated as if he had also sold, and immediately reacquired, the site of the building or structure (including in the site any land occupied for purposes ancillary to the use of the building or structure) for a consideration equal to its market value at that time.

23 Mortgages and charges

- (1) The conveyance or transfer by way of security of an asset or of an interest or right in or over it, or transfer of a subsisting interest or right by way of security in or over an asset (including a retransfer on redemption of the security), shall not be treated for the purposes of this Act as involving any acquisition or disposal of the asset.
- (2) Where a person entitled to an asset by way of security or to the benefit of a charge or incumbrance on an asset deals with the asset for the purpose of enforcing or giving effect to the security, charge or incumbrance his dealings with it shall be treated for the purposes of this Act as if they were done through him as nominee by the person entitled to it subject to the security, charge or incumbrance; and this subsection shall apply to the dealings of any person appointed to enforce or give effect to the security, charge or incumbrance as receiver and manager or judicial factor as it applies to the dealings of the person entitled as aforesaid.
- (3) An asset shall be treated as having been acquired free of any interest or right by way of security subsisting at the time of any acquisition of it, and as being disposed of free of any such interest or right subsisting at the time of the disposal; and where an asset is acquired subject to any such interest or right the full amount of the liability thereby assumed by the person acquiring the asset shall form part of the consideration for the acquisition and disposal in addition to any other consideration.

24 Hire-purchase

A hire-purchase or other transaction under which the use and enjoyment of an asset is obtained by a person for a period at the end of which the property in the asset will or may pass to that person shall be treated for the purposes of this Act, both in relation to that person and in relation to the person from whom he obtains the use and enjoyment of the asset, as if it amounted to an entire disposal of the asset to that person at the beginning of the period for which he obtains the use and enjoyment of the asset, but subject to such adjustments of tax, whether by way of repayment or discharge of tax or otherwise, as may be required where the period for which that person has the use and enjoyment of the asset terminates without the property in the asset passing to him.

25 Value shifting

- (1) Without prejudice to the generality of the provisions of this Act as to the transactions which are disposals of assets, any transaction which under the following subsections is to be treated as a disposal of an asset shall be so treated (with a corresponding acquisition of an interest in the asset) notwithstanding that there is no consideration and so far as, on the assumption that the parties to the transaction were at arm's length, the party making the disposal could have obtained consideration, or additional

Status: This is the original version (as it was originally enacted).

consideration, for the disposal the transaction shall be treated as not being at arm's length and the consideration so obtainable, or the additional consideration so obtainable added to the consideration actually passing, shall be treated as the market value of what is acquired.

- (2) If a person having control of a company exercises his control so that value passes out of shares in the company owned by him or a person with whom he is connected, or out of rights over the company exercisable by him or by a person with whom he is connected, and passes into other shares in or rights over the company, that shall be a disposal of the shares or rights out of which the value passes by the person by whom they were owned or exercisable.
- (3) A loss on the disposal of an asset shall not be an allowable loss to the extent to which it is attributable to value having passed out of other assets, being shares in or rights over a company which by virtue of the passing of value are treated as disposed of under subsection (2) above.
- (4) If, after a transaction which results in the owner of land or of any other description of property becoming the lessee of the property there is any adjustment of the rights and liabilities under the lease, whether or not involving the grant of a new lease, which is as a whole favourable to the lessor, that shall be a disposal by the lessee of an interest in the property.
- (5) If an asset is subject to any description of right or restriction the extinction or abrogation, in whole or in part, of the right or restriction by the person entitled to enforce it shall be a disposal by him of the right or restriction.

26 Value shifting: further provisions

- (1) This section has effect as respects the disposal of an asset if a scheme has been effected or arrangements have been made (whether before or after the disposal) whereby—
 - (a) the value of the asset has been materially reduced, and
 - (b) a tax-free benefit has been or will be conferred—
 - (i) on the person making the disposal or a person with whom he is connected, or
 - (ii) subject to subsection (3) below, on any other person.
- (2) For the purposes of subsection (1)(b) above a benefit is conferred on a person if he becomes entitled to any money or money's worth or the value of any asset in which he has an interest is increased or he is wholly or partly relieved from any liability to which he is subject; and a benefit is tax-free unless it is required, on the occasion on which it is conferred on the person in question, to be brought into account in computing his income, profits or gains for the purposes of income tax, capital gains tax or corporation tax.
- (3) This section shall not apply by virtue of subsection (1)(b)(ii) above if it is shown that avoidance of tax was not the main purpose or one of the main purposes of the scheme or arrangements in question.
- (4) Where this section has effect in relation to any disposal, any allowable loss or chargeable gain accruing on the disposal shall be calculated as if the consideration for the disposal were increased by such amount as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable having regard to the scheme or arrangements and the tax-free benefit in question.

Status: This is the original version (as it was originally enacted).

- (5) Where—
- (a) by virtue of subsection (4) above the consideration for the disposal of an asset has been treated as increased, and
 - (b) the benefit taken into account under subsection (1)(b) above was an increase in the value of another asset,
- any allowable loss or chargeable gain accruing on the first disposal of the other asset after the increase in its value shall be calculated as if the consideration for that disposal were reduced by such amount as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable having regard to the scheme or arrangements in question and the increase made in relation to the disposal mentioned in paragraph (a) above.
- (6) References in this section to a disposal do not include references to any disposal falling within—
- (a) section 44(1) below (disposals between husband and wife), or
 - (b) section 49(4) below (disposals by personal representatives to legatees), or
 - (c) section 273(1) of the Taxes Act (disposals within a group of companies).
- (7) In relation to the disposal by a company of an asset consisting of shares in another company the reference in subsection (1)(a) above to a reduction in the value of the asset does not include a reference to any reduction attributable to—
- (a) the payment of a dividend by the second company at a time when it and the first company are members of the same group of companies within the meaning of section 272 of the Taxes Act, or
 - (b) the disposal of any asset by the second company at such a time, being a disposal falling within section 273(1) of that Act.
- (8) In relation to a case in which the disposal of an asset precedes its acquisition the reference in subsection (1)(a) above to a reduction shall be read as including a reference to an increase.

27 Time of disposal and acquisition where asset disposed of under contract

- (1) Where an asset is disposed of and acquired under a contract the time at which the disposal and acquisition is made is the time the contract is made (and not, if different, the time at which the asset is conveyed or transferred).

This subsection has effect subject to section 20(2) above, and subsection (2) below.

- (2) If the contract is conditional (and in particular if it is conditional on the exercise of an option) the time at which the disposal and acquisition is made is the time when the condition is satisfied.

CHAPTER II

COMPUTATION

28 Chargeable gains

- (1) The amount of the gains accruing on the disposal of assets shall be computed in accordance with this Chapter, and subject to the other provisions of this Act.

- (2) Every gain shall, except as otherwise expressly provided, be a chargeable gain.
- (3) Schedule 5 to this Act (which restricts the amount of chargeable gains accruing on the disposal of assets owned on 6th April 1965) shall have effect.

29 Losses

- (1) Except as otherwise expressly provided, the amount of a loss accruing on a disposal of an asset shall be computed in the same way as the amount of a gain accruing on a disposal is computed.
- (2) Except as otherwise expressly provided, all the provisions of this Act which distinguish gains which are chargeable gains from those which are not, or which make part of a gain a chargeable gain, and part not, shall apply also to distinguish losses which are allowable losses from those which are not, and to make part of a loss an allowable loss, and part not; and references in this Act to an allowable loss shall be construed accordingly.
- (3) A loss accruing to a person in a year of assessment during no part of which he is resident or ordinarily resident in the United Kingdom shall not be an allowable loss for the purposes of this Act unless, under section 12 above (non-resident with U.K. branch or agency), he would be chargeable to capital gains tax in respect of a chargeable gain if there had been a gain instead of a loss on that occasion.
- (4) In accordance with section 14(1) above (foreign assets of person with foreign domicile), losses accruing on the disposal of assets situated outside the United Kingdom to an individual resident or ordinarily resident but not domiciled in the United Kingdom shall not be allowable losses.
- (5) Except as provided by section 49 below (death), an allowable loss accruing in a year of assessment shall not be allowable as a deduction from chargeable gains accruing in any earlier year of assessment, and relief shall not be given under this Act more than once in respect of any loss or part of a loss, and shall not be given under this Act if and so far as relief has been or may be given in respect of it under the Income Tax Acts.

Computation of gains

30 Introductory

The following provisions of this Chapter, and Schedule 5 to this Act, shall have effect for computing for the purposes of this Act the amount of a gain accruing on the disposal of an asset.

31 Consideration chargeable to tax on income

- (1) There shall be excluded from the consideration for a disposal of assets taken into account in the computation under this Chapter of the gain accruing on that disposal any money or money's worth charged to income tax as income of, or taken into account as a receipt in computing income or profits or gains or losses of, the person making the disposal for the purposes of the Income Tax Acts.
- (2) Subsection (1) above shall not be taken as excluding from the consideration so taken into account any money or money's worth which is taken into account in the making of

a balancing charge under the Capital Allowances Act 1968 (including the provisions of the Taxes Act which under that Act are to be treated as contained in the said Act of 1968).

- (3) This section shall not preclude the taking into account in a computation under this Chapter, as consideration for the disposal of an asset, of the capitalised value of a rentcharge (as in a case where a rentcharge is exchanged for some other asset) or of the capitalised value of a ground annual or feu duty, or of a right of any other description to income or to payments in the nature of income over a period, or to a series of payments in the nature of income.

32 Expenditure: general

- (1) Except as otherwise expressly provided, the sums allowable as a deduction from the consideration in the computation under this Chapter of the gain accruing to a person on the disposal of an asset shall be restricted to—
- (a) the amount or value of the consideration, in money or money's worth, given by him or on his behalf wholly and exclusively for the acquisition of the asset, together with the incidental costs to him of the acquisition or, if the asset was not acquired by him, any expenditure wholly and exclusively incurred by him in providing the asset,
 - (b) the amount of any expenditure wholly and exclusively incurred on the asset by him or on his behalf for the purpose of enhancing the value of the asset, being expenditure reflected in the state or nature of the asset at the time of the disposal, and any expenditure wholly and exclusively incurred by him in establishing, preserving or defending his title to, or to a right over, the asset,
 - (c) the incidental costs to him of making the disposal.
- (2) For the purposes of this section and for the purposes of all other provisions of this Act the incidental costs to the person making the disposal of the acquisition of the asset or of its disposal shall consist of expenditure wholly and exclusively incurred by him for the purposes of the acquisition or, as the case may be, the disposal, being fees, commission or remuneration paid for the professional services of any surveyor or valuer, or auctioneer, or accountant, or agent or legal adviser and costs of transfer or conveyance (including stamp duty) together—
- (a) in the case of the acquisition of an asset, with costs of advertising to find a seller, and
 - (b) in the case of a disposal, with costs of advertising to find a buyer and costs reasonably incurred in making any valuation or apportionment required for the purposes of the computation under this Chapter, including in particular expenses reasonably incurred in ascertaining market value where required by this Act.
- (3) Except as provided by section 269 of the Taxes Act (companies: interest charged to capital), no payment of interest shall be allowable under this section.
- (4) Any provision in this Act introducing the assumption that assets are sold and immediately re-acquired shall not imply that any expenditure is incurred as incidental to the sale or re-acquisition.

33 Exclusion of expenditure by reference to tax on income

- (1) There shall be excluded from the sums allowable under section 32 above as a deduction in the computation under this Chapter any expenditure allowable as a deduction in computing the profits or gains or losses of a trade, profession or vocation for the purposes of income tax or allowable as a deduction in computing any other income or profits or gains or losses for the purposes of the Income Tax Acts and any expenditure which, although not so allowable as a deduction in computing any losses, would be so allowable but for an insufficiency of income or profits or gains; and this subsection applies irrespective of whether effect is or would be given to the deduction in computing the amount of tax chargeable or by discharge or repayment of tax or in any other way.
- (2) Without prejudice to the provisions of subsection (1) above there shall be excluded from the sums allowable under section 32 above as a deduction in the computation under this Chapter any expenditure which, if the assets, or all the assets to which the computation relates, were, and had at all times been, held or used as part of the fixed capital of a trade the profits or gains of which were (irrespective of whether the person making the disposal is a company or not) chargeable to income tax would be allowable as a deduction in computing the profits or gains or losses of the trade for the purposes of income tax.

34 Restriction of losses by reference to capital allowances and renewals allowances

- (1) Section 33 above shall not require the exclusion from the sums allowable as a deduction in the computation under this Chapter of any expenditure as being expenditure in respect of which a capital allowance or renewals allowance is made, but the amount of any losses accruing on the disposal of an asset shall be restricted by reference to capital allowances and renewals allowances as follows.
- (2) In the computation under this Chapter of the amount of a loss accruing to the person making the disposal, there shall be excluded from the sums allowable as a deduction any expenditure to the extent to which any capital allowance or renewals allowance has been or may be made in respect of it.
- (3) If the person making the disposal acquired the asset—
 - (a) by a transfer by way of sale in relation to which an election under paragraph 4 of Schedule 7 to the Capital Allowances Act 1968 was made, or
 - (b) by a transfer to which section 35(2) to (4) or section 48(2) of that Act applies, (being enactments under which a transfer is treated for the purposes of capital allowances as being made at written down value), the preceding provisions of this section shall apply as if any capital allowance made to the transferor in respect of the asset had (except so far as any loss to the transferor was restricted under those provisions) been made to the person making the disposal (that is the transferee); and where the transferor acquired the asset by such a transfer, capital allowances which by virtue of this subsection can be taken into account in relation to the transferor shall also be taken into account in relation to the transferee (that is the person making the disposal), and so on for any series of transfers before the disposal.
- (4) In this section “capital allowance ” means—
 - (a) any allowance under the Capital Allowances Act 1968 (including the provisions of the Taxes Act which under that Act are to be treated as contained in the said Act of 1968) or under Chapter I of Part III of the Finance Act 1971,

Status: This is the original version (as it was originally enacted).

- other than an allowance under section 79(1) of the Taxes Act (relief for cost of maintenance of agricultural land),
- (b) any relief given under section 76 of the Taxes Act (expenditure on sea walls), and
 - (c) any deduction in computing profits or gains allowable under section 141 of the Taxes Act (cemeteries).
- (5) In this section “renewals allowance ” means a deduction allowable in computing the profits or gains of a trade, profession or vocation for the purpose of income tax by reference to the cost of acquiring an asset for the purposes of the trade, profession or vocation in replacement of another asset, and for the purposes of this Chapter a renewals allowance shall be regarded as a deduction allowable in respect of the expenditure incurred on the asset which is being replaced.
- (6) The amount of capital allowances to be taken into account under this section in relation to a disposal include any allowances falling to be made by reference to the event which is the disposal, and there shall be deducted from the amount of the allowances the amount of any balancing charge to which effect has been or is to be given by reference to the event which is the disposal, or any earlier event, and of any balancing charge to which effect might have been so given but for the making of an election under section 40 of the Capital Allowances Act 1968 (option in case of replacement of machinery or plant).
- (7) Where the disposal is of machinery or plant in relation to expenditure on which allowances or charges have been made under Chapter I of Part III of the Finance Act 1971, and neither paragraph 5 (assets used partly for trade purposes and partly for other purposes) nor paragraph 6 (wear and tear subsidies) of Schedule 8 to that Act applies, the capital allowances to be taken into account under this section are to be regarded as equal to the difference between the capital expenditure incurred, or treated as incurred, under that Chapter on the provision of the machinery or plant by the person making the disposal and the disposal value required to be brought into account in respect of the machinery or plant.

35 Part disposals

- (1) Where a person disposes of an interest or right in or over an asset, and generally wherever on the disposal of an asset any description of property derived from that asset remains undisposed of, the sums which under paragraphs (a) and (b) of section 32(1) above are attributable to the asset shall, both for the purposes of the computation under this chapter of the gain accruing on the disposal and for the purpose of applying this Chapter in relation to the property which remains undisposed of, be apportioned.
- (2) The apportionment shall be made by reference—
- (a) to the amount or value of the consideration for the disposal on the one hand (call that amount or value A), and
 - (b) to the market value of the property which remains undisposed of on the other hand (call that market value B),

and accordingly the fraction of the said sums allowable as a deduction in computing under this Chapter the amount of the gain accruing on the disposal shall be

$$\frac{A}{A+B}$$

, and the remainder shall be attributed to the property which remains undisposed of.

- (3) Any apportionment to be made in pursuance of this section shall be made before operating the provisions of section 34 above and if, after a part disposal, there is a subsequent disposal of an asset the capital allowances or renewals allowances to be taken into account in pursuance of that section in relation to the subsequent disposal shall, subject to subsection (4) below, be those referable to the sums which under paragraphs (a) and (b) of section 32(1) above are attributable to the asset whether before or after the part disposal, but those allowances shall be reduced by the amount (if any) by which the loss on the earlier disposal was restricted under the provisions of section 34 above.
- (4) This section shall not be taken as requiring the apportionment of any expenditure which, on the facts, is wholly attributable to what is disposed of, or wholly attributable to what remains undisposed of.
- (5) It is hereby declared that this section, and all other provisions for apportioning on a part disposal expenditure which is deductible in computing a gain, are to be operated before the operation of, and without regard to—
 - (a) section 44(1) below (disposals between husband and wife),
 - (b) sections 115 to 121 below (replacement of business assets), but without prejudice to the provisions of subsection (8) of the said section 115,
 - (c) section 273(1) of the Taxes Act (transfers within a group of companies), or
 - (d) any other enactment making an adjustment to secure that neither a gain nor a loss occurs on a disposal.

36 Assets derived from other assets

If and so far as, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the value of an asset is derived from any other asset in the same ownership, an appropriate proportion of the sums allowable as a deduction in a computation under this Chapter in respect of the other asset under paragraphs (a) and (b) of section 32(1) above shall, both for the purpose of the computation of a gain accruing on the disposal of the first-mentioned asset and, if the other asset remains in existence, on a disposal of that other asset, be attributed to the first-mentioned asset.

37 Wasting assets

- (1) In this Chapter “wasting asset ” means an asset with a predictable life not exceeding fifty years but so that—
 - (a) freehold land shall not be a wasting asset whatever its nature, and whatever the nature of the buildings or works on it,
 - (b) “life ”, in relation to any tangible movable property, means useful life, having regard to the purpose for which the tangible assets were acquired or provided by the person making the disposal,
 - (c) plant and machinery shall in every case be regarded as having a predictable life of less than fifty years, and in estimating that life it shall be assumed that its life will end when it is finally put out of use as being unfit for further use, and that it is going to be used in the normal manner and to the normal extent and is going to be so used throughout its life as so estimated,
 - (d) a life interest in settled property shall not be a wasting asset until the predictable expectation of life of the life tenant is fifty years or less, and the

Status: This is the original version (as it was originally enacted).

predictable life of life interests in settled property and of annuities shall be ascertained from actuarial tables approved by the Board.

- (2) In this Chapter “the residual or scrap value”, in relation to a wasting asset, means the predictable value, if any, which the wasting asset will have at the end of its predictable life as estimated in accordance with this section.
- (3) The question what is the predictable life of an asset, and the question what is its predictable residual or scrap value at the end of that life, if any, shall, so far as those questions are not immediately answered by the nature of the asset, be taken, in relation to any disposal of the asset, as they were known or ascertainable at the time when the asset was acquired or provided by the person making the disposal.

38 Wasting assets: straightline restriction of allowable expenditure

- (1) In the computation under this Chapter of the gain accruing on the disposal of a wasting asset it shall be assumed—
- (a) that any expenditure attributable to the asset under section 32(1)(a) above after deducting the residual or scrap value, if any of the asset, is written off at a uniform rate from its full amount at the time when the asset is acquired or provided to nothing at the end of its life, and
- (b) that any expenditure attributable to the asset under section 32(1)(b) above is written off from the full amount of that expenditure at the time when that expenditure is first reflected in the state or nature of the asset to nothing at the end of its life,

so that an equal daily amount is written off day by day.

- (2) Thus, calling the predictable life of a wasting asset at the time when it was acquired or provided by the person making the disposal L, the period from that time to the time of disposal T(1), and, in relation to any expenditure attributable to the asset under section 32(1)(b) above, the period from the time when that expenditure is first reflected in the state or nature of the asset to the said time of disposal T(2), there shall be excluded from the computation under this Chapter—

- (a) out of the expenditure attributable to the asset under section 32(1)(a) above a fraction

$$\frac{T(1)}{L}$$

of an amount equal to the amount of that expenditure minus the residual or scrap value, if any, of the asset, and

- (b) out of the expenditure attributable to the asset under section 32(1)(b) above a fraction

$$\frac{T(2)}{L - (T(1) - T(2))}$$

of the amount of the expenditure.

- (3) If any expenditure attributable to the asset under section 32(1)(b) above creates or increases a residual or scrap value of the asset, the provisions of subsection (1)(a) above shall be applied so as to take that into account.

39 Wasting assets qualifying for capital allowances

- (1) Section 38 above shall not apply in relation to a disposal of an asset—
 - (a) which, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, is used and used solely for the purposes of a trade, profession or vocation and in respect of which that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset under paragraph (a) or paragraph (b) of section 32(1) above, or
 - (b) on which the person making the disposal has incurred any expenditure which has otherwise qualified in full for any capital allowance.
- (2) In the case of the disposal of an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
 - (a) the consideration for the disposal, and any expenditure attributable to the asset by paragraph (a) or paragraph (b) of section 32(1) above shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation under this Chapter shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) section 38 above shall not apply for the purposes of the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances, and
 - (d) if an apportionment of the consideration for the disposal has been made for the purposes of making any capital allowance to the person making the disposal or for the purpose of making any balancing charge on him, that apportionment shall be employed for the purposes of this section, and
 - (e) subject to paragraph (d) above, the consideration for the disposal shall be apportioned for the purposes of this section in the same proportions as the expenditure attributable to the asset is apportioned under paragraph (a) above.

40 Consideration due after time of disposal

- (1) If the consideration, or part of the consideration, taken into account in the computation under this Chapter is payable by instalments over a period beginning not earlier than the time when the disposal is made, being a period exceeding eighteen months, then, if the person making the disposal satisfies the Board that he would otherwise suffer undue hardship, the tax on a chargeable gain accruing on the disposal may, at his option, be paid by such instalments as the Board may allow over a period not exceeding eight years and ending not later than the time at which the last of the first-mentioned instalments is payable.
- (2) In the computation under this Chapter consideration for the disposal shall be brought into account without any discount for postponement of the right to receive any part of it and, in the first instance, without regard to a risk of any part of the consideration being irrecoverable or to the right to receive any part of the consideration being contingent; and if any part of the consideration so brought into account is subsequently shown to the satisfaction of the inspector to be irrecoverable, such adjustment, whether by

Status: This is the original version (as it was originally enacted).

way of discharge or repayment of tax or otherwise, shall be made as is required in consequence.

41 Contingent liabilities

- (1) In the first instance no allowance shall be made in the computation under this Chapter—
 - (a) in the case of a disposal by way of assigning a lease of land or other property, for any liability remaining with, or assumed by, the person making the disposal by way of assigning the lease which is contingent on a default in respect of liabilities thereby or subsequently assumed by the assignee under the terms and conditions of the lease,
 - (b) for any contingent liability of the person making the disposal in respect of any covenant for quiet enjoyment or other obligation assumed as vendor of land, or of any estate or interest in land, or as a lessor,
 - (c) for any contingent liability in respect of a warranty or representation made on a disposal by way of sale or lease of any property other than land.
- (2) If it is subsequently shown to the satisfaction of the inspector that any such contingent liability has become enforceable, and is being or has been enforced, such adjustment, whether by way of discharge or repayment of tax or otherwise, shall be made as is required in consequence.

42 Expenditure reimbursed out of public money

There shall be excluded from the computation under this Chapter any expenditure which has been or is to be met directly or indirectly by the Crown or by any Government, public or local authority whether in the United Kingdom or elsewhere.

43 Supplemental

- (1) No deduction shall be allowable in a computation under this Chapter more than once from any sum or from more than one sum.
- (2) References in this Chapter to sums taken into account as receipts or as expenditure in computing profits or gains or losses for the purposes of income tax shall include references to sums which would be so taken into account but for the fact that any profits or gains of a trade, profession, employment or vocation are not chargeable to income tax or that losses are not allowable for those purposes.
- (3) In this Chapter references to income or profits charged or chargeable to tax include references to income or profits taxed or as the case may be taxable by deduction at source.
- (4) For the purposes of any computation under this Chapter any necessary apportionments shall be made of any consideration or of any expenditure and the method of apportionment adopted shall, subject to the express provisions of this Chapter, be such method as appears to the inspector or on appeal the Commissioners concerned to be just and reasonable.
- (5) In this Chapter “capital allowance” and “renewals allowance ” have the meanings given by subsections (4) and (5) of section 34 above.

- (1) If, in any year of assessment, and in the case of a woman who in that year of assessment is a married woman living with her husband, the man disposes of an asset to the wife, or the wife disposes of an asset to the man, both shall be treated as if the asset was acquired from the one making the disposal for a consideration of such amount as would secure that on the disposal neither a gain nor a loss would accrue to the one making the disposal.
- (2) This section shall not apply—
- (a) if until the disposal the asset formed part of trading stock of a trade carried on by the one making the disposal, or if the asset is acquired as trading stock for the purposes of a trade carried on by the one acquiring the asset, or
 - (b) if the disposal is by way of donatio mortis causa,
- but this section shall have effect notwithstanding the provisions of section 62 (transactions between connected persons) or section 122 (appropriations to and from stock in trade) below, or of any other provisions of this Act fixing the amount of the consideration deemed to be given on a disposal or acquisition.

- (a) a year of assessment, or
 - (b) any part of a year of assessment, being a part beginning with 6th April,
- during which she is a married woman living with her husband shall be assessed and charged on the husband and not otherwise but this subsection shall not affect the amount of capital gains tax chargeable on a man apart from this subsection nor result in the additional amount of capital gains tax charged on a man by virtue of this subsection being different from the amount which would otherwise have remained chargeable on the married woman.
- (2) Subsection (1) above shall not apply in relation to a husband and wife in any year of assessment if, before 6th July in the year next following that year of assessment, an application is made by either the husband or wife, and such an application duly made shall have effect not only as respects the year of assessment for which it is made but also for any subsequent year of assessment:

Provided that the applicant may give, for any subsequent year of assessment, a notice to withdraw that application and where such a notice is given the application shall not have effect with respect to the year for which the notice is given or any subsequent year.

A notice of withdrawal under this proviso shall not be valid unless it is given within the period for making, for the year for which the notice is given, an application similar to that to which the notice relates.

- (2) It is hereby declared that references in this Act to any asset held by a person as trustee for another person absolutely entitled as against the trustee are references to a case where that other person has the exclusive right, subject only to satisfying any outstanding charge, lien or other right of the trustees to resort to the asset for payment of duty, taxes, costs or other outgoings, to direct how that asset shall be dealt with.

 - (b) shall not be deemed to be disposed of by him on his death (whether or not they were the subject of a testamentary disposition).
- (2) Allowable losses sustained by an individual in the year of assessment in which he dies may, so far as they cannot be deducted from chargeable gains accruing in that year, be deducted from chargeable gains accruing to the deceased in the three years of assessment preceding the year of assessment in which the death occurs, taking chargeable gains accruing in a later year before those accruing in an earlier year.
- (3) In relation to property forming part of the estate of a deceased person the personal representatives shall for the purposes of this Act be treated as being a single and continuing body of persons (distinct from the persons who may from time to time be the personal representatives), and that body shall be treated as having the deceased's residence, ordinary residence, and domicile at the date of death.
- (4) On a person acquiring any asset as legatee (as defined in section 47 above)—

- (a) the variation or disclaimer shall not constitute a disposal for the purposes of this Act, and
 - (b) this section shall apply as if the variation had been effected by the deceased or, as the case may be, the disclaimed benefit had never been conferred.
- (7) Subsection (6) above does not apply to a variation unless the person or persons making the instrument so elect by written notice given to the Board within six months after the date of the instrument or such longer time as the Board may allow.
- (8) Subsection (6) above does not apply to a variation or disclaimer made for any consideration in money or money's worth other than consideration consisting of the making of a variation or disclaimer in respect of another of the dispositions.
- (9) Subsection (6) above applies whether or not the administration of the estate is complete or the property has been distributed in accordance with the original dispositions.
- (10) In this section references to assets of which a deceased person was competent to dispose are references to assets of the deceased which (otherwise than in right of a power of appointment or of the testamentary power conferred by statute to dispose of entailed interests) he could, if of full age and capacity, have disposed of by his will, assuming that all the assets were situated in England and, if he was not domiciled in the United Kingdom, that he was domiciled in England, and include references to his severable share in any assets to which, immediately before his death, he was beneficially entitled as a joint tenant

50 Death: application of law in Scotland

Settlements

51 Meaning of “settled property”

In this Act, unless the context otherwise requires, “settled property” means any property held in trust other than property to which section 46 above (nominees and bare trustees) applies.

This definition has effect subject to section 61(4) (insolvents' assets) and 93 (unit trusts) below.

52 Trustees of settlements

- (1) In relation to settled property, the trustees of the settlement shall for the purposes of this Act be treated as being a single and continuing body of persons (distinct from the persons who may from time to time be the trustees), and that body shall be treated as being resident and ordinarily resident in the United Kingdom unless the general administration of the trusts is ordinarily carried on outside the United Kingdom and the trustees or a majority of them for the time being are not resident or not ordinarily resident in the United Kingdom.
- (2) Notwithstanding subsection (1) above, a person carrying on a business which consists of or includes the management of trusts, and acting as trustee of a trust in the course of that business, shall be treated in relation to that trust as not resident in the United Kingdom if the whole of the settled property consists of or derives from property provided by a person not at the time (or, in the case of a trust arising under a testamentary disposition or on an intestacy or partial intestacy, at his death) domiciled, resident or ordinarily resident in the United Kingdom, and if in such a case the trustees or a majority of them are or are treated in relation to that trust as not resident in the United Kingdom, the general administration of the trust shall be treated as ordinarily carried on outside the United Kingdom.
- (3) For the purposes of this section, and of sections 54(1) and 55(1) below, where part of the property comprised in a settlement is vested in one trustee or set of trustees and part in another (and in particular where settled land within the meaning of the Settled Land Act 1925 is vested in the tenant for life and investments representing capital money are vested in the trustees of the settlement), they shall be treated as together constituting and, in so far as they act separately, as acting on behalf of a single body of trustees.
- (4) If tax assessed on the trustees, or any one trustee, of a settlement in respect of a chargeable gain accruing to the trustees is not paid within six months from the date when it becomes payable by the trustees or trustee, and before or after the expiration of that period of six months the asset in respect of which the chargeable gain accrued, or any part of the proceeds of sale of that asset, is transferred by the trustees to a person who as against the trustees is absolutely entitled to it, that person may at any time within two years from the time when the tax became payable be assessed and charged (in the name of the trustees) to an amount of capital gains tax not exceeding tax chargeable on an amount equal to the amount of the chargeable gain and, where part only of the asset or of the proceeds was transferred, not exceeding a proportionate part of that amount.

53 Gifts in settlement

A gift in settlement, whether revocable or irrevocable, is a disposal of the entire property thereby becoming settled property notwithstanding that the donor has some interest as a beneficiary under the settlement and notwithstanding that he is a trustee, or the sole trustee, of the settlement.

54 Person becoming absolutely entitled to settled property

- (1) On the occasion when a person becomes absolutely entitled to any settled property as against the trustee all the assets forming part of the settled property to which he becomes so entitled shall be deemed to have been disposed of by the trustee, and immediately reacquired by him in his capacity as a trustee within section 46(1) above, for a consideration equal to their market value.
- (2) On the occasion when a person becomes absolutely entitled to any settled property as against the trustee, any allowable loss which has accrued to the trustee in respect of property which is, or is represented by, the property to which that person so becomes entitled (including any allowable loss carried forward to the year of assessment in which that occasion falls), being a loss which cannot be deducted from chargeable gains accruing to the trustee in that year, but before that occasion, shall be treated as if it were an allowable loss accruing at that time to the person becoming so entitled, instead of to the trustee.

55 Termination of life interest etc.

- (1) On the termination at any time after 6th April 1965 of a life interest in possession in all or any part of settled property, the whole or a corresponding part of each of the assets forming part of the settled property and not ceasing at that time to be settled property shall be deemed for the purposes of this Act at that time to be disposed of and immediately reacquired by the trustee for a consideration equal to the whole or a corresponding part of the market value of the asset.

For the purposes of this subsection a life interest which is a right to part of the income of settled property shall be treated as a life interest in a corresponding part of the settled property.

- (2) Subsection (1) above shall not apply on the occasion of the termination of the trusts of the settlement as respects any part of the settled property by the exercise of a power for that purpose contained in the settlement or of a statutory power of advancement or by the surrender of a life interest in such a part for the purpose of advancement, if all the property as respects which the life interest terminates thereby ceases to be settled property under the settlement.
- (3) Subsection (1) above shall apply where the person entitled to a life interest in possession in all or any part of settled property dies (although the interest does not then terminate) as it applies on the termination of such a life interest.
- (4) In this section “life interest” in relation to a settlement—
 - (a) includes a right under the settlement to the income of, or the use or occupation of, settled property for the life of a person other than the person entitled to the right, or for lives,
 - (b) does not include any right which is contingent on the exercise of the discretion of the trustee or the discretion of some other person, and
 - (c) subject to subsection (5) below, does not include an annuity, notwithstanding that the annuity is payable out of or charged on settled property or the income of settled property.
- (5) In this section the expression “life interest” shall include entitlement to an annuity created by the settlement if—

- (a) some or all of the settled property is appropriated by the trustees as a fund out of which the annuity is payable, and
- (b) there is no right of recourse to settled property not so appropriated, or to the income of settled property not so appropriated,

and, without prejudice to subsection (6) below, the settled property so appropriated shall, while the annuity is payable, and on the occasion of the death of the annuitant, be treated for the purposes of this section as being settled property under a separate settlement.

- (6) If there is a life interest in a part of the settled property and, where that is a life interest in income, there is no right of recourse to, or to the income of, the remainder of the settled property, the part of the settled property in which the life interest subsists shall while it subsists be treated for the purposes of this section as being settled property under a separate settlement.

56 Death of life tenant: exclusion of chargeable gain

- (1) Where, by virtue of section 54(1) above, the assets forming part of any settled property are deemed to be disposed of and re-acquired by the trustee on the occasion when a person becomes absolutely entitled thereto as against the trustee, then, if that occasion is the termination of a life interest (within the meaning of section 55 above) by the death of the person entitled to that interest—
 - (a) no chargeable gain shall accrue on the disposal, and
 - (b) if on the death the property reverts to the disponent the disposal and re-acquisition under that subsection shall be deemed to be for such consideration as to secure that neither a gain nor a loss accrues to the trustee, and shall, if the trustee had first acquired the property at a date earlier than 6th April 1965, be deemed to be at that earlier date.
- (2) Where section 55(1) above applies on the death of the person entitled to the life interest referred to therein, no chargeable gain shall accrue on the disposal deemed to be made under that section.

57 Death of annuitant

Sections 54(1) and 55(1) above shall apply, where an annuity which is not a life interest is terminated by the death of the annuitant, as they apply on the termination of a life interest by the death of the person entitled thereto.

In this section “life interest” has the same meaning as in section 55 above.

58 Disposal of interests in settled property

- (1) No chargeable gain shall accrue on the disposal of an interest created by or arising under a settlement (including, in particular, an annuity or life interest, and the reversion to an annuity or life interest) by the person for whose benefit the interest was created by the terms of the settlement or by any other person except one who acquired, or derives his title from one who acquired, the interest for a consideration in money or money's worth, other than consideration consisting of another interest under the settlement.
- (2) Subject to subsection (1) above, where a person who has acquired an interest in settled property (including in particular the reversion to an annuity or life interest) becomes, as the holder of that interest, absolutely entitled as against the trustee to any settled

property, he shall be treated as disposing of the interest in consideration of obtaining that settled property (but without prejudice to any gain accruing to the trustee on the disposal of that property deemed to be effected by him under section 54(1) above).

Other cases

59 Gifts: recovery from donee

- (1) If in any year of assessment a chargeable gain accrues to any person on the disposal of an asset by way of gift and any amount of capital gains tax assessed on that person for that year of assessment is not paid within twelve months from the date when the tax becomes payable the donee may, by an assessment made not later than two years from the date when the tax became payable, be assessed and charged (in the name of the donor) to capital gains tax on an amount not exceeding the amount of the chargeable gain so accruing, and not exceeding the grossed up amount of that capital gains tax unpaid at the time when he is so assessed, grossing up at the marginal rate of tax, that is to say taking capital gains tax on a chargeable gain at the amount which would not have been chargeable but for that chargeable gain.
- (2) A person paying any amount of tax in pursuance of this section shall be entitled to recover a sum of that amount from the donor.
- (3) References in this section to a donor include, in the case of an individual who has died, references to his personal representatives.
- (4) In this section references to a gift include references to any transaction otherwise than by way of a bargain made at arm's length so far as money or money's worth passes under the transaction without full consideration in money or money's worth, and "donor" and "donee" shall be construed accordingly; and this section shall apply in relation to a gift made by two or more donors with the necessary modifications and subject to any necessary apportionments.

- (c) section 153(1)(2) of the Taxes Act (residence of partnerships) shall apply in relation to tax chargeable in pursuance of this Act as it applies in relation to income tax.

61 Insolvents' assets

- (1) In relation to assets held by a person as trustee or assignee in bankruptcy or under a deed of arrangement this Act shall apply as if the assets were vested in, and the acts of the trustee or assignee in relation to the assets were the acts of, the bankrupt or debtor (acquisitions from or disposals to him by the bankrupt or debtor being disregarded accordingly), and tax in respect of any chargeable gains which accrue to any such trustee or assignee shall be assessable on and recoverable from him.

- (2) Assets held by a trustee or assignee in bankruptcy or under a deed of arrangement at the death of the bankrupt or debtor shall for the purposes of this Act be regarded as held by a personal representative of the deceased and—
 - (a) subsection (1) above shall not apply after the death, and
 - (b) section 49(1) above (under which assets passing on a death are deemed to be acquired by the persons on whom they devolve) shall apply as if any assets held by a trustee or assignee in bankruptcy or under a deed of arrangement at the death of the bankrupt or debtor were assets of which the deceased was competent to dispose and which then devolved on the trustee or assignee as if he were a personal representative.
- (3) Assets vesting in a trustee in bankruptcy after the death of the bankrupt or debtor shall for the purposes of this Act be regarded as held by a personal representative of the deceased, and subsection (1) above shall not apply.

- (3) If on the disposal a loss accrues to the person making the disposal, it shall not be deductible except from a chargeable gain accruing to him on some other disposal of an asset to the person acquiring the asset mentioned in subsection (1) above, being a disposal made at a time when they are connected persons:

Provided that this subsection shall not apply to a disposal by way of gift in settlement if the gift and the income from it is wholly or primarily applicable for educational, cultural or recreational purposes, and the persons benefiting from the application for those purposes are confined to members of an association of persons for whose benefit the gift was made, not being persons all or most of whom are connected persons.
- (4) Where the asset mentioned in subsection (1) above is an option to enter into a sale or other transaction given by the person making the disposal a loss accruing to the person acquiring the asset shall not be an allowable loss unless it accrues on a disposal of the option at arm's length to a person who is not connected with him.
- (5) In a case where the asset mentioned in subsection (1) above is subject to any right or restriction enforceable by the person making the disposal, or by a person connected with him, then (the amount of the consideration for the acquisition being, in accordance with subsection (2) above, deemed to be equal to the market value of the asset) that market value shall be—

Status: This is the original version (as it was originally enacted).

- (a) what its market value would be if not subject to the right or restriction, minus—
- (b) the market value of the right or restriction or the amount by which its extinction would enhance the value of the asset to its owner, whichever is the less:

Provided that if the right or restriction is of such a nature that its enforcement would or might effectively destroy or substantially impair the value of the asset without bringing any countervailing advantage either to the person making the disposal or a person connected with him or is an option or other right to acquire the asset or, in the case of incorporeal property, is a right to extinguish the asset in the hands of the person giving the consideration by forfeiture or merger or otherwise, that market value of the asset shall be determined, and the amount of the gain accruing on the disposal shall be computed, as if the right or restriction did not exist.

- (6) Subsection (5) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

- (1) Where a person receives or becomes entitled to receive in respect of shares in a company any capital distribution from the company (other than a new holding as defined in section 77 below) he shall be treated as if he had in consideration of that capital distribution disposed of an interest in the shares.
- (2) If the inspector is satisfied that the amount distributed is small, as compared with the value of the shares in respect of which it is distributed, and so directs—

 - (b) the amount distributed shall be deducted from any expenditure allowable under this Act as a deduction in computing a gain or loss on the disposal of the shares by the person receiving or becoming entitled to receive the distribution of capital.

Status: This is the original version (as it was originally enacted).

- (3) A person who is dissatisfied with the refusal of the inspector to give a direction under this section may appeal to the Commissioners having jurisdiction on an appeal against an assessment to tax in respect of a gain accruing on the disposal.
- (4) Where the allowable expenditure is less than the amount distributed (or is nil)—

- (2) If under Schedule 5 to this Act it is to be assumed that, at a time after the creation of the rights and before their disposal, the said person sold and immediately re-acquired the shares in respect of which the rights were created, the same assumption shall be made as respect the rights.
- (3) This section shall apply in relation to rights obtained in respect of debentures of a company as it applies in relation to rights obtained in respect of shares in a company.

Close companies

74 Disposal of shares: relief in respect of income tax consequent on shortfall in distributions

- (1) If in pursuance of paragraph 5 of Schedule 16 to the Finance Act 1972 (consequences for income tax of apportionment of income etc. of close company) a person is assessed to income tax, then, in the computation under Chapter II of Part; II of this Act of the gain accruing on a disposal by him of any shares forming part of his interest in the company to which the relevant apportionment relates, the amount of the income tax paid by him, so far as attributable to those shares, shall be allowable as a deduction.

- (2) Subsection (1) above shall not apply in relation to tax charged in respect of undistributed income which has, before the disposal, been subsequently distributed and is then exempt from tax by virtue of sub-paragraph (6) of the said paragraph 5 or in relation to tax treated as having been paid by virtue of sub-paragraph (2Mb) of that paragraph.
- (3) For the purposes of this section the income assessed to tax shall be the highest part of the individual's income for the year of assessment in question, but so that if the highest part of the said income is taken into account under this section in relation to an assessment to tax the next highest part shall be taken into account in relation to any other relevant assessment, and so on.
- (4) For the purpose of identifying shares forming part of an interest in a company with shares subsequently disposed of which are of the same class, shares bought at an earlier time shall be deemed to have been disposed of before shares bought at a later time.
- (5) The provisions of this section shall be construed as if this section formed part of the said paragraph 5.

75 Shares in close company transferring assets at an undervalue

- (1) If after 6th April 1965 a company which is a close company transfers an asset to any person otherwise than by way of a bargain made at arm's length and for a consideration of an amount or value less than the market value of the asset an amount equal to the difference shall be apportioned among the issued shares of the company, and the holders of those shares shall be treated in accordance with the following provisions of this section.
- (2) For the purposes of the computation under Chapter II of Part II of this Act of a gain accruing on the disposal of any of those shares by the person owning them on the date of transfer an amount equal to the amount so apportioned to that share shall be excluded from the expenditure allowable as a deduction under section 32(1)(a) above from the consideration for the disposal.
- (3) If the person owning any of the said shares at the date of transfer is itself a close company an amount equal to the amount apportioned to the shares so owned under subsection (1) above to that close company shall be apportioned among the issued shares of that close company, and the holders of those shares shall be treated in accordance with subsection (2) above, and so on through any number of close companies.

CHAPTER II

REORGANISATION OF SHARE CAPITAL, CONVERSION OF SECURITIES, ETC

Reorganisation or reduction of share capital

77 Application of sections 78 to 81

- (1) For the purposes of this section and sections 78 to 81 below “reorganisation ” means a reorganisation or reduction of a company's share capital, and in relation to the reorganisation—
 - (a) “original shares ” means shares held before and concerned in the reorganisation,
 - (b) “new holding” means, in relation to any original shares, the shares in and debentures of the company which as a result of the reorganisation represent the original shares (including such, if any, of the original shares as remain).
- (2) The reference in subsection (1) above to the reorganisation of a company's share capital includes—
 - (a) any case where persons are, whether for payment or not, allotted shares in or debentures of the company in respect of and in proportion to (or as nearly as may be in proportion to) their holdings of shares in the company or of any class of shares in the company, and
 - (b) any case where there are more than one class of share and the rights attached to shares of any class are altered.
- (3) The reference in subsection (1) above to a reduction of share capital does not include the paying off of redeemable share capital, and where shares in a company are redeemed by the company otherwise than by the issue of shares or debentures (with or without other consideration) and otherwise than in a liquidation, the shareholder shall be treated as disposing of the shares at the time of the redemption.

78 Equation of original shares and new holding

Subject to sections 79 to 81 below, a reorganisation shall not be treated as involving any disposal of the original shares or any acquisition of the new holding or any part of it, but the original shares (taken as a single asset) and the new holding (taken as a single asset) shall be treated as the same asset acquired as the original shares were acquired.

79 Consideration given or received by holder

- (1) Where, on a reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it, that consideration shall in relation to any disposal of the new holding or any part of it be treated as having been given for the original shares, and if the new holding or part of it is disposed of with a liability attaching to it in respect of that consideration, the consideration given for the disposal shall be adjusted accordingly:

Provided that there shall not be treated as consideration given for the new holding or any part of it any surrender, cancellation or other alteration of the original shares or of the rights attached thereto, or any consideration consisting of any application, in

Status: This is the original version (as it was originally enacted).

paying up the new holding or any part of it, of assets of the company or of any dividend or other distribution declared out of those assets but not made.

- (2) Where on a reorganisation a person receives (or is deemed to receive), or becomes entitled to receive, any consideration, other than the new holding, for the disposal of an interest in the original shares, and in particular—

- (a) where under section 72 above he is to be treated as if he had in consideration of a capital distribution disposed of an interest in the original shares, or
- (b) where he receives (or is deemed to receive) consideration from other shareholders in respect of a surrender of rights derived from the original shares,

he shall be treated as if the new holding resulted from his having for that consideration disposed of an interest in the original shares (but without prejudice to the original shares and the new holding being treated in accordance with section 78 above as the same asset).

- (3) Where for the purpose of subsection (2) above it is necessary in computing the gain or loss accruing on the disposal of the interest in the original shares mentioned in subsection (2) above to apportion the cost of acquisition of the original shares between what is disposed of and what is retained, the apportionment shall be made in the like manner as under section 80(1) below.

80 Part disposal of new holding

- (1) Where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of any part of the new holding it is necessary to apportion the cost of acquisition of any of the original shares between what is disposed of and what is retained, the apportionment shall be made by reference to market value at the date of the disposal (with such adjustment of the market value of any part of the new holding as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).

- (2) This section has effect subject to section 81(2) below.

81 Composite new holdings

- (1) This section shall apply to a new holding—

- (a) if it consists of more than one class of shares in or debentures of the company and one or more of those classes is of shares or debentures which, at any time not later than the end of the period of three months beginning with the date on which the reorganisation took effect, or of such longer period as the Board may by notice in writing allow, had quoted market values on a recognised stock exchange in the United Kingdom or elsewhere, or
- (b) if it consists of more than one class of rights of unit holders and one or more of those classes is of rights the prices of which were published daily by the managers of the scheme at any time not later than the end of that period of three months (or longer if so allowed).

- (2) Where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of the whole or any part of any class of shares or debentures or rights of unit holders forming part of a new holding to which this section applies it is necessary to apportion costs of acquisition between what is disposed of and what is retained, the cost of acquisition of the new holding shall first be apportioned between

Status: This is the original version (as it was originally enacted).

the entire classes of shares or debentures or rights of which it consists by reference to market value on the first day (whether that day fell before the reorganisation took effect or later) on which market values or prices were quoted or published for the shares, debentures or rights as mentioned in subsection (1)(a) or (1)(b) above (with such adjustment of the market value of any class as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).

- (3) For the purposes of this section the day on which a reorganisation involving the allotment of shares or debentures or unit holders' rights takes effect is the day following the day on which the right to renounce any allotment expires.

Conversion of securities

82 Equation of converted securities and new holding

- (1) Sections 78 to 81 above shall apply with any necessary adaptations in relation to the conversion of securities as they apply in relation to a reorganisation (that is to say a reorganisation or reduction of a company's share capital).
- (2) This section has effect subject to sections 83 and 84 below.
- (3) For the purposes of this section and section 83 below—
- (a) “conversion of securities ” includes—
 - (i) a conversion of securities of a company into shares in the company, and
 - (ii) a conversion at the option of the holder of the securities converted as an alternative to the redemption of those securities for cash, and
 - (iii) any exchange of securities effected in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares or securities and the issue of securities or other securities instead,
 - (b) “security ” includes any loan stock or similar security whether of the Government of the United Kingdom or of any other government, or of any public or local authority in the United Kingdom or elsewhere, or of any company, and whether secured or unsecured.

83 Premiums on conversion of securities

- (1) This section applies where, on a conversion of securities, a person receives, or becomes entitled to receive, any sum of money (in this section called “the premium ”) which is by way of consideration (in addition to his new holding) for the disposal of the converted securities.
- (2) If the inspector is satisfied that the premium is small, as compared with the value of the converted securities, and so directs—
- (a) receipt of the premium shall not be treated for the purposes of this Act as a disposal of part of the converted securities, and
 - (b) the premium shall be deducted from any expenditure allowable under this Act as a deduction in computing a gain or loss on the disposal of the new holding by the person receiving or becoming entitled to receive the premium.

Status: This is the original version (as it was originally enacted).

- (3) A person who is dissatisfied with the refusal of the inspector to give a direction under subsection (2) above may appeal to the Commissioners having jurisdiction on an appeal against an assessment to tax in respect of a gain accruing to him on a disposal of the securities.
- (4) Where the allowable expenditure is less than the premium (or is nil)—
 - (a) subsections (2) and (3) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the premium shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the conversion, or on any subsequent occasion.
- (5) In subsection (4) above “allowable expenditure ” means expenditure which immediately before the conversion was attributable to the converted securities under paragraphs (a) and (b) of section 32(1) above.

84 Compensation stock

- (1) This section has effect where gilt-edged securities are exchanged for shares in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares and the issue of gilt-edged securities instead.
- (2) The exchange shall not constitute a conversion of securities within section 82 above and accordingly the gilt-edged securities shall not be treated as having been acquired on any date earlier than that on which they were issued or for any consideration other than the value of the shares as determined for the purposes of the exchange.
- (3) The exchange shall be treated as not involving any disposal of the shares by the person from whom they were compulsorily acquired but—
 - (a) there shall be calculated the gain or loss that would have accrued to him if he had then disposed of the shares for a consideration equal to the value mentioned in subsection (2) above, and
 - (b) on a subsequent disposal of the whole or part of the gilt-edged securities by the person to whom they were issued—
 - (i) there shall be deemed to accrue to him (in addition to any gain or loss that actually accrues) the whole or a corresponding part of the gain or loss mentioned in paragraph (a) above, and
 - (ii) if the disposal is within section 67(1) above (exemption for gilt-edged securities) that section shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss that is deemed to accrue as aforesaid.
- (4) Where a person to whom gilt-edged securities of any kind were issued as mentioned in subsection (1) above disposes of securities of that kind, the securities of which he disposes—
 - (a) shall, so far as possible, be identified with any securities of that kind which he has acquired otherwise than as mentioned in subsection (1) above within the twelve months preceding the disposal, and

Status: This is the original version (as it was originally enacted).

- (b) so far as they cannot be identified as aforesaid, shall be identified (without regard to sections 66, 68(3) and 69 above) with securities which were issued to him as mentioned in subsection (1) above, taking those issued earlier before those issued later.
- (5) Subsection (3)(b) above shall not apply to any disposal falling within the provisions of—
- (a) section 44(1) above (disposals between husband and wife),
 - (b) section 49(4) above (disposals by personal representatives to legatees), or
 - (c) section 273(1) of the Taxes Act (disposals within a group of companies);
- but a person who has acquired the securities on a disposal falling within those provisions (and without there having been a previous disposal not falling within those provisions or a devolution on death) shall be treated for the purposes of subsections (3)(b) and (4) above as if the securities had been issued to him.
- (6) Where the gilt-edged securities to be exchanged for any shares are not issued until after the date on which the shares are compulsorily acquired but on that date a right to the securities is granted, this section shall have effect as if the exchange had taken place on that date, as if references to the issue of the securities and the person to whom they were issued were references to the grant of the right and the person to whom it was granted and references to the disposal of the securities included references to disposals of the rights.
- (7) In this section “shares ” includes securities within the meaning of section 82 above.
- (8) This section has effect subject to section 54 of the Finance Act 1976 (compulsory acquisition from certain companies of aircraft and shipbuilding shares).

Company reconstructions and amalgamations

85 Exchange of securities for those in another company

- (1) Subsection (3) below has effect where a company (company A) issues shares or debentures to a person in exchange for shares in or debenture of another company (company B) and—
- (a) company A holds, or in consequence of the exchange will hold, more than one quarter of the ordinary share capital (as defined in section 526(5) of the Taxes Act) of company B, or
 - (b) company A issues the shares or debentures in exchange for shares as the result of a general offer—
 - (i) which is made to members of company B or any class of them (with or without exceptions for persons connected with company A), and
 - (ii) which is made in the first instance on a condition such that if it were satisfied company A would have control of company B.
- (2) Subsection (3) below also has effect where under section 86 below persons are to be treated as exchanging shares or debentures for shares or debentures held by them in consequence of the arrangement there mentioned.
- (3) Subject to the provisions of sections 87 and 88 below, sections 78 to 81 above shall apply with any necessary adaptations as if the two companies mentioned in subsection (1) above, or as the case may be in section 86 below, were the same company and the exchange were a reorganisation of its share capital.

86 Reconstruction or amalgamation involving issue of securities

(1) Where—

- (a) an arrangement between a company and the persons holding shares in or debentures of the company, or any class of such shares or debentures, is entered into for the purposes of or in connection with a scheme of reconstruction or amalgamation, and
- (b) under the arrangement another company issues shares or debentures to those persons in respect of and in proportion to (or as nearly as may be in proportion to) their holdings of shares in or debentures of the first-mentioned company, but the shares in or debentures of the first-mentioned company are either retained by those persons or cancelled,

then those persons shall be treated as exchanging the first-mentioned shares or debentures for those held by them in consequence of the arrangement (any shares or debentures retained being for this purpose regarded as if they had been cancelled and replaced by a new issue), and subsections (2) and (3) of section 85 above shall apply accordingly.

- (2) In this section “scheme of reconstruction or amalgamation ” means a scheme for the reconstruction of any company or companies or the amalgamation of any two or more companies, and references to shares or debentures being retained include their being retained with altered rights or in an altered form whether as the result of reduction, consolidation, division or otherwise.
- (3) This section, and section 85(2) above, shall apply in relation to a company which has no share capital as if references to shares in or debentures of a company included references to any interests in the company possessed by members of the company.

87 Restriction on application of sections 85 and 86

- (1) Subject to subsection (2) below, and section 88 below, neither section 85 nor section 86 above shall apply to any issue by a company of shares in or debentures of that company in exchange for or in respect of shares in or debentures of another company unless the exchange, reconstruction or amalgamation in question is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to capital gains tax or corporation tax.
- (2) Subsection (1) above shall not affect the operation of section 85 or 86 in any case where the person to whom the shares or debentures are issued does not hold more than 5 per cent. of, or of any class of, the shares in or debentures of the second company mentioned in subsection (1) above.
- (3) For the purposes of subsection (2) above shares or debentures held by persons connected with the person there mentioned shall be treated as held by him.
- (4) If any tax assessed on a person (the chargeable person) by virtue of subsection (1) above is not paid within six months from the date when it is payable, any other person who—
 - (a) holds all or any part of the shares or debentures that were issued to the chargeable person, and
 - (b) has acquired them without there having been, since their acquisition by the chargeable person, any disposal of them not falling within section 44(1) above

Status: This is the original version (as it was originally enacted).

or section 273 of the Taxes Act (disposals between spouses or members of a group of companies),

may, at any time within two years from the time when the tax became payable, be assessed and charged (in the name of the chargeable person) to all or, as the case may be, a corresponding part of the unpaid tax; and a person paying any amount of tax under this subsection shall be entitled to recover a sum of that amount from the chargeable person.

- (5) In this section references to shares or debentures include references to any interests or options to which this Chapter applies by virtue of section 86(3) above (interests in a company with no share capital) or section 139 below (quoted options).

88 Procedure for clearance in advance

- (1) Section 87 above shall not affect the operation of section 85 or 86 above in any case where, before the issue is made, the Board have, on the application of either company mentioned in section 87(1) above, notified the company that the Board are satisfied that the exchange, reconstruction or amalgamation will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as are mentioned in section 87(1) above.
- (2) Any application under subsection (1) above shall be in writing and shall contain particulars of the operations that are to be effected and the Board may, within thirty days of the receipt of the application or of any further particulars previously required under this subsection, by notice require the applicant to furnish further particulars for the purpose of enabling the Board to make their decision; and if any such notice is not complied with within thirty days or such longer period as the Board may allow, the Board need not proceed further on the application.
- (3) The Board shall notify their decision to the applicant within thirty days of receiving the application or, if they give a notice under subsection (2) above, within thirty days of the notice being complied with.
- (4) If the Board notify the applicant that they are not satisfied as mentioned in subsection (1) above or do not notify their decision to the applicant within the time required by subsection (3) above, the applicant may within thirty days of the notification or of that time require the Board to transmit the application, together with any notice given and further particulars furnished under subsection (2) above, to the Special Commissioners; and in that event any notification by the Special Commissioners shall have effect for the purposes of subsection (1) above as if it were a notification by the Board.
- (5) If any particulars furnished under this section do not fully and accurately disclose all facts and considerations material for the decision of the Board or the Special Commissioners, any resulting notification that the Board or Commissioners are satisfied as mentioned in subsection (1) above shall be void.

89 Stock dividends: consideration for new holding

reorganisation of the company's share capital, there shall be allowed, as consideration given for so much of the new holding as was issued as mentioned in—

- (a) subsection (4), (5) or (6) of the said section 34, or
- (b) paragraph 3(1) of Schedule 8 to that Act,

- (2) This section shall have effect notwithstanding the proviso to section 79(1) above.

90 Capital gains on certain stock dividends

93 Application of Act to unit trusts

This Act shall apply in relation to any unit trust scheme as if—

- (a) the scheme were a company,

- (c) in the case of an authorised unit trust, the company were resident and ordinarily resident in the United Kingdom.

General

94 Reduction of tax liability on disposal of units or shares

- (1) Subject to subsections (2) and (6) below, this section applies to disposals of shares in—
 - (a) authorised unit trusts,
 - (b) unit trust schemes to which section 97 below applies,
 - (c) investment trusts, and
 - (d) any court investment fund.
- (2) Paragraphs (a), (b) and (c) of subsection (1) above do not apply to any share of a class to which there would not be attributable in a liquidation of the trust the whole or a substantial part—
 - (a) of the assets of the trust representing gains on capital, or
 - (b) if those assets would be so attributable to two or more classes of shares, of a proportion of those assets corresponding to the proportion of all the issued shares of those classes represented by the issued shares of the class in question.

Where there are shares on which different amounts have been paid up the proportion mentioned in paragraph (b) above shall be calculated by reference to the amount paid up on the issued share capital of each class of shares.

- (3) Where gains accrue to a person in any year of assessment on any disposals to which this section applies, the capital gains tax to which he is chargeable for that year shall be reduced by a credit equal to whichever of the following amounts is the smallest—
 - (a) the amount of that tax,
 - (b) an amount equal to 10 per cent. of the total chargeable gains accruing to him in that year on disposals to which this section applies,
 - (c) an amount equal to 10 per cent. of the total amount of chargeable gains accruing to him in that year on which capital gains tax is chargeable.
- (4) Subsection (3) above shall have effect in relation to the corporation tax chargeable on a company for an accounting period in which gains accrue to it on any disposals to which this section applies as it has effect in relation to the capital gains tax chargeable on a person other than a company, and shall so have effect as if—
 - (a) references to a year of assessment were references to an accounting period, and

Status: This is the original version (as it was originally enacted).

- (b) for the total amount of chargeable gains mentioned in paragraph (c) of that subsection there were substituted the amount of gains charged to corporation tax for the accounting period in question increased, where subsection (5) below applies, in accordance with that subsection.

In this subsection “gains charged to corporation tax ” means the profits on which corporation tax falls finally to be borne after deducting the income charged to corporation tax as defined in section 85(6) of the Finance Act 1972 (read with section 110(4) of that Act) except that, in relation to an accounting period for which the company claims a credit for foreign tax, those gains shall be determined in accordance with section 100(5) of that Act.

- (5) In relation to an accounting period for which any reduction falls to be made under section 93 of the Finance Act 1972 in the amount to be included in respect of chargeable gains in the company's total profits, the gains mentioned in subsection (4) (b) above shall be increased by multiplying by the inverse of the fraction of that amount remaining after the reduction; and if under subsection (3) or (4) of the said section 93 the reduction falls to be made by reference to different portions of that amount, the increase under this subsection shall be made similarly, using the inverse of the fractions of those portions remaining after any reduction.
- (6) Where a person disposes of a share—
 - (a) which at the time of disposal is a qualifying share (that is to say, a share falling within subsection (1)(a), (b) or (c) above) but has not at all times while in the ownership of that person been a qualifying share, or
 - (b) which at the time of disposal is not a qualifying share but has previously while in his ownership been such a share,this section shall apply to the disposal, but for the purposes of subsection (3)(b) above the gain accruing on the disposal shall be treated as reduced in proportion to the time for which the share was in the ownership of that person without being a qualifying share.
- (7) Where under Chapter II above the share of which a person disposes falls to be identified with another asset or other assets previously held by him, subsection (6) above shall have effect as if—
 - (a) his period of ownership of the share disposed of included his period of ownership of the other asset or assets, and
 - (b) the share disposed of had or had not been a qualifying share at any time during that additional period according to whether or not the other asset or any of those other assets was a qualifying share at that time.
- (8) Where a person disposes of a share which at the time of disposal is a qualifying share and which he has received on a conversion of—
 - (a) a share other than a qualifying share, or
 - (b) loan stock,previously held by him, being a conversion pursuant to rights in that behalf attached to the share or stock previously held, subsections (6) and (7) above shall have effect as if that share or stock had been a qualifying share throughout any time for which the company by which it was issued was a body of the kind mentioned in paragraph (a), (b) or (c) of subsection (1) above.
- (9) Where the gain accruing on a disposal to which this section applies falls to be computed in accordance with paragraph 14(2)(b) of Schedule 5 to this Act (unquoted

Status: This is the original version (as it was originally enacted).

securities held before 6th April 1965 which are subsequently converted or exchanged)

- (a) the period of ownership of the share disposed of shall not be treated under subsection (7)(a) above as having begun before the time mentioned in the said paragraph 14(2)(b); and
 - (b) for the purposes of subsection (3)(b) above the gain shall be taken to be that mentioned in sub-paragraph (ii) of the said paragraph 14(2)(b) reduced, where applicable, in accordance with subsections (6) and (7) above.
- (10) For the purposes of subsections (6) to (8) above no account shall be taken of any period of ownership before 6th April 1965 ; and nothing in Chapter II above shall be construed as enabling any asset to be treated as having been a qualifying share at any time when it was not such in fact.
- (11) For the purposes of this section loan stock issued by an investment trust before 11th April 1972, being loan stock to which there would be attributable in a liquidation of the trust the whole of the assets of the trust representing gains on capital, shall be treated as shares in the trust falling within subsection (1) above.

Unit trusts

95 Valuation of assets and rights

Nothing in any trust deed executed before 1st September 1972 and regulating any authorised unit trust, or any unit trust scheme to which section 97 below applies, shall preclude the managers of the trust or the trustee, in valuing the assets of the trust at any time during an accounting period, from making a deduction for any tax for which the trust may become liable in respect of its net gains in that period up to that time.

In this section “net gains” means the excess, if any, of chargeable gains over the allowable losses deductible from those gains as those gains and losses are computed for the charge to tax on the trust.

96 Unit trusts for exempt unit holders

If throughout a year of assessment all the issued units in a unit trust scheme are assets such that any gain accruing if they were disposed of by the unit holder would be wholly exempt from capital gains tax or corporation tax (otherwise than by reason of residence) gains accruing to the unit trust scheme in that year of assessment shall not be chargeable gains.

97 Unit trusts for pension schemes

- (1) This section applies to a unit trust scheme for any year of assessment if throughout that year all the issued units in the unit trust scheme constitute investments to which section 208(2) of the Taxes Act or section 21(7) of the Finance Act 1970 (pension schemes) applies, each being an investment such that any gain accruing if it were disposed of by the unit holder would either be wholly exempt from capital gains tax or corporation tax, or be so exempt as to not less than 85 per cent.
- (2) Of all the gains accruing to the unit trust scheme in the year of assessment one-tenth (that is one-tenth of what would apart from this subsection be chargeable gains) shall be chargeable gains.

- (3) The rate of capital gains tax payable on chargeable gains accruing to a unit trust scheme to which this section applies in the year of assessment shall be 10 per cent.

98 Transfer of company's assets to unit trust which later comes within section 96 or 97

- (1) Where section 267 of the Taxes Act (roll-over for assets transferred on company reconstruction or amalgamation) has applied on the transfer of a company's business (in whole or in part) to a unit trust scheme to which at the time of the transfer neither section 96 nor section 97 applied, then if—
- (a) at any time after the transfer the unit trust scheme becomes in a year of assessment one to which either of those sections does apply, and
 - (b) at the beginning of that year of assessment the unit trust scheme still owns any of the assets of the business transferred,
- the unit trust scheme shall be treated for all the purposes of this Act as if immediately after the transfer it had sold, and immediately re-acquired, the assets referred to in paragraph (b) above at their market value at that time.
- (2) Notwithstanding any limitation on the time for making assessments, an assessment to corporation tax chargeable in consequence of subsection (1) above may be made at any time within six years after the end of the year of assessment referred to in subsection (1) above, and where under this section a unit trust scheme is to be treated as having disposed of, and reacquired, an asset of a business, all such recomputations of liability in respect of other disposals and all such adjustments of tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the provisions of this section shall be carried out.

Court investment funds etc.

99 Funds in court

- (1) For the purposes of section 46 above (nominees and bare trustees) funds in court held by the Accountant General shall be regarded as held by him as nominee for the persons entitled to or interested in the funds, or as the case may be for their trustees.
- (2) Where funds in court standing to an account are invested or, after investment, are realised the method by which the Accountant General effects the investment or the realisation of investments shall not affect the question whether there is for the purposes of this Act an acquisition, or as the case may be a disposal, of an asset representing funds in court standing to the account, and in particular there shall for those purposes be an acquisition or disposal of shares in a court investment fund notwithstanding that the investment in such shares of funds in court standing to an account, or the realisation of funds which have been so invested, is effected by setting off, in the Accountant General's accounts, investment in one account against realisation of investments in another.
- (3) In this section “funds in court” means—
- (a) money in the Supreme Court, money in county courts and statutory deposits described in section 14 of the Administration of Justice Act 1965, and
 - (b) any such moneys as are mentioned in section 30 of the said Act of 1965 (which relates to Northern Ireland) and money in a county court in Northern Ireland,

Status: This is the original version (as it was originally enacted).

and investments representing such money; and references in this section to the Accountant General are references to the Accountant General of the Supreme Court of Judicature in England and, in relation to money within paragraph (b) above and investments representing such money, include references to the Accountant General of the Supreme Court of Judicature of Northern Ireland or any other person by whom such funds are held.

100 Reduced rate of tax

The rate of capital gains tax payable on chargeable gains accruing to a court investment fund shall be 10 per cent.

PART V

LAND

Private residences

101 Relief on disposal of private residence

- (1) This section applies to a gain accruing to an individual so far as attributable to the disposal of, or of an interest in—
 - (a) a dwelling-house or part of a dwelling-house which is, or has at any time in his period of ownership been, his only or main residence, or
 - (b) land which he has for his own occupation and enjoyment with that residence as its garden or grounds up to the permitted area.
- (2) In this section “the permitted area” means, subject to subsections (3) and (4) below, an area (inclusive of the site of the dwelling-house) of one acre.
- (3) In any particular case the permitted area shall be such area, larger than one acre, as the Commissioners concerned may determine if satisfied that, regard being had to the size and character of the dwelling-house, that larger area is required for the reasonable enjoyment of it (or of the part in question) as a residence.
- (4) Where part of the land occupied with a residence is and part is not within subsection (1) above, then (up to the permitted area) that part shall be taken to be within subsection (1) above which, if the remainder were separately occupied, would be the most suitable for occupation and enjoyment with the residence.
- (5) So far as it is necessary for the purposes of this section to determine which of two or more residences is an individual's main residence for any period—
 - (a) the individual may conclude that question by notice in writing to the inspector given within two years from the beginning of that period, or given by the end of the year 1966-67, if that is later, but subject to a right to vary that notice by a further notice in writing to the inspector as respects any period beginning not earlier than two years before the giving of the further notice,
 - (b) subject to paragraph (a) above, the question shall be concluded by the determination of the inspector, which may be as respects either the whole or specified parts of the period of ownership in question,

and notice of any determination of the inspector under paragraph (b) above shall be given to the individual who may appeal to the General Commissioners or the Special Commissioners against that determination within thirty days of service of the notice.

- (6) In the case of a man and his wife living with him—
- (a) there can only be one residence or main residence for both, so long as living together, and, where a notice under subsection (5)(a) above affects both the husband and the wife, it must be given by both, and
 - (b) any notice under subsection (5)(b) above which affects a residence owned by the husband and a residence owned by the wife shall be given to each and either may appeal under that subsection.
- (7) In this section, and sections 102 to 105 below, “the period of ownership ” where the individual has had different interests at different times shall be taken to begin from the first acquisition taken into account in arriving at the expenditure which under Chapter II of Part II of this Act is allowable as a deduction in computing under that Chapter the amount of the gain to which this section applies, and in the case of a man and his wife living with him—
- (a) if the one disposes of, or of his or her interest in, the dwelling-house or part of a dwelling-house which is their only or main residence to the other, and in particular if it passes on death to the other as legatee, the other's period of ownership shall begin with the beginning of the period of ownership of the one making the disposal, and
 - (b) if paragraph (a) above applies, but the dwelling-house or part of a dwelling-house was not the only or main residence of both throughout the period of ownership of the one making the disposal, account shall be taken of any part of that period during which it was his only or main residence as if it was also that of the other.
- (8) If at any time (being a time after 30th July 1978) during an individual's period of ownership of a dwelling-house or part of a dwelling-house he—
- (a) resides in living accommodation which is for him job-related within the meaning of paragraph 4A of Schedule 1 to the Finance Act 1974, and
 - (b) intends in due course to occupy the dwelling-house or part of a dwelling-house as his only or main residence,
- this section, and sections 102 to 105 below, shall apply as if the dwelling-house or part of a dwelling-house were at that time occupied by him as a residence.
- (9) Apportionments of consideration shall be made wherever required by this section or sections 102 to 105 below and, in particular, where a person disposes of a dwelling-house only part of which is his only or main residence.

102 Amount of relief

- (1) No part of a gain to which section 101 above applies shall be a chargeable gain if the dwelling-house or part of a dwelling-house has been the individual's only or main residence throughout the period of ownership, or throughout the period of ownership except for all or any part of the last twelve months of that period.
- (2) Where subsection (1) above does not apply, a fraction of the gain shall not be a chargeable gain, and that fraction shall be—
- (a) the length of the part or parts of the period of ownership during which the dwelling-house or the part of the dwelling-house was the individual's only

Status: This is the original version (as it was originally enacted).

or main residence, but inclusive of the last twelve months of the period of ownership in any event, divided by

(b) the length of the period of ownership.

(3) For the purposes of subsections (1) and (2) above—

(a) a period of absence not exceeding three years (or periods of absence which together did not exceed three years), and in addition

(b) any period of absence throughout which the individual worked in an employment or office all the duties of which were performed outside the United Kingdom, and in addition

(c) any period of absence not exceeding four years (or periods of absence which together did not exceed four years) throughout which the individual was prevented from residing in the dwelling-house or part of the dwelling-house in consequence of the situation of his place of work or in consequence of any condition imposed by his employer requiring him to reside elsewhere, being a condition reasonably imposed to secure the effective performance by the employee of his duties,

shall be treated as if in that period of absence the dwelling-house or the part of the dwelling-house was the individual's only or main residence if both before and after the period there was a time when the dwelling-house was the individual's only or main residence.

In this subsection “period of absence ” means a period during which the dwelling-house or the part of the dwelling-house was not the individual's only or main residence and throughout which he had no residence or main residence eligible for relief under this section.

(4) In this section “period of ownership” does not include any period before 6th April 1965.

103 Amount of relief: further provisions

(1) If the gain accrues from the disposal of a dwelling-house or part of a dwelling-house part of which is used exclusively for the purposes of a trade or business, or of a profession or vocation, the gain shall be apportioned and section 102 above shall apply in relation to the part of the gain apportioned to the part which is not exclusively used for those purposes.

(2) If at any time in the period of ownership there is a change in what is occupied as the individual's residence, whether on account of a reconstruction or conversion of a building or for any other reason, or there have been changes as regards the use of part of the dwelling-house for the purpose of a trade or business, or of a profession or vocation, or for any other purpose, the relief given by section 102 above may be adjusted in such manner as the Commissioners concerned may consider to be just and reasonable.

(3) Section 102 above shall not apply in relation to a gain if the acquisition of, or of the interest in, the dwelling-house or the part of a dwelling-house was made wholly or partly for the purpose of realising a gain from the disposal of it, and shall not apply in relation to a gain so far as attributable to any expenditure which was incurred after the beginning of the period of ownership and was incurred wholly or partly for the purpose of realising a gain from the disposal.

104 Private residence occupied under terms of settlement

Sections 101 to 103 above shall also apply in relation to a gain accruing to a trustee on a disposal of settled property being an asset within section 101(1) above where during the period of ownership of the trustee the dwelling-house or part of the dwelling-house mentioned in that subsection has been the only or main residence of a person entitled to occupy it under the terms of the settlement, and in those sections as so applied—

- (a) references to the individual shall be taken as references to the trustee except in relation to the occupation of the dwelling-house or part of the dwelling-house, and
- (b) the notice which may be given to the inspector under section 101(5)(a) above shall be a joint notice by the trustee and the person entitled to occupy the dwelling-house or part of the dwelling-house.

105 Private residence occupied by dependent relative

- (1) This section applies to a gain accruing to an individual so far as attributable to the disposal of, or of an interest in, a dwelling-house or part of a dwelling-house which is, or has at any time in his period of ownership been, the sole residence of a dependent relative of the individual, provided rent-free and without any other consideration.
- (2) If the individual so claims, such relief shall be given in respect of it and its garden or grounds as would be given under sections 101 to 103 above if the dwelling-house (or part of the dwelling-house) had been the individual's only or main residence in the period of residence by the dependent relative, and shall be so given in addition to any relief available under those sections apart from this section.
- (3) Not more than one dwelling-house (or part of a dwelling-house) may qualify for relief as being the residence of a dependent relative of the claimant at any one time nor, in the case of a man and his wife living with him, as being the residence of a dependent relative of the claimant or of the claimant's husband or wife at any one time.
- (4) The inspector, before allowing a claim, may require the claimant to show that the giving of the relief claimed will not under subsection (3) above preclude the giving of relief to the claimant's wife or husband or that a claim to any such relief has been relinquished.
- (5) In this section “dependent relative” means, in relation to an individual—
 - (a) any relative of his or of his wife who is incapacitated by old age or infirmity from maintaining himself, or
 - (b) his or his wife's mother who, whether or not incapacitated, is either widowed, or living apart from her husband, or a single woman in consequence of dissolution or annulment of marriage.
- (6) If the individual mentioned in subsection (5) above is a woman the references in that subsection to the individual's wife shall be construed as references to the individual's husband.

*Leases***106 Leases of land and other assets**

Schedule 3 to this Act shall have effect as respects leases of land and of other assets.

*Part disposals***107 Small part disposals**

- (1) This section applies to a transfer of land forming part only of a holding of land, where—
 - (a) the amount or value of the consideration for the transfer is small, as compared with the market value of the holding as it subsisted immediately before the transfer, and
 - (b) the transfer is not one which, by virtue of section 44 above (transfers between husband and wife) or section 273(1) of the Taxes Act (transfers within groups of companies), is treated as giving rise to neither a gain nor a loss.
- (2) Subject to subsection (3) below, if the transferor so claims, the transfer shall not be treated for the purposes of this Act as a disposal, but all sums which, if it had been so treated, would have been brought into account as consideration for that disposal in the computation under Chapter II of Part II of this Act of a gain accruing on the disposal shall be deducted from any expenditure allowable under that Chapter as a deduction in computing a gain on any subsequent disposal of the holding.
- (3) This section shall not apply—
 - (a) if the amount or value of the consideration for the transfer exceeds £10,000, or
 - (b) where in the year of assessment in which the transfer is made, the transferor made any other disposal of land, if the total amount or value of the consideration for all disposals of land made by the transferor in that year exceeds £10,000.
- (4) No account shall be taken under subsection (3) above of any transfer of land to which section 108 below applies.
- (5) In relation to a transfer which is not for full consideration in money or money's worth “the amount or value of the consideration” in this section shall mean the market value of the land transferred.
- (6) For the purposes of this section the holding of land shall comprise only the land in respect of which the expenditure allowable under paragraphs (a) and (b) of section 32(1) above would be apportioned under section 35 above if the transfer had been treated as a disposal (that is, as a part disposal of the holding).
- (7) In this section references to a holding of land include references to any estate or interest in a holding of land, not being an estate or interest which is a wasting asset, and references to part of a holding shall be construed accordingly.

108 Part disposal to authority with compulsory powers

- (1) This section applies to a transfer of land forming part only of a holding of land to an authority exercising or having compulsory powers where—
 - (a) the amount or value of the consideration for the transfer, or if the transfer is not for full consideration in money or money's worth, the market value of the land transferred, is small, as compared with the market value of the holding as it subsisted immediately before the transfer, and

Status: This is the original version (as it was originally enacted).

- (b) the transferor had not taken any steps by advertising or otherwise to dispose of any part of the holding or to make his willingness to dispose of it known to the authority or others.
- (2) If the transferor so claims, the transfer shall not be treated for the purposes of this Act as a disposal, but all sums which, if it had been so treated, would have been brought into account as consideration for that disposal in the computation under Chapter II of Part II of this Act of a gain accruing on the disposal shall be deducted from any expenditure allowable under that Chapter as a deduction in computing a gain on any subsequent disposal of the holding.
- (3) For the purposes of this section the holding of land shall comprise only the land in respect of which the expenditure allowable under paragraphs (a) and (b) of section 32(1) above would be apportioned under section 35 above if the transfer had been treated as a disposal (that is, as a part disposal of the holding).
- (4) In this section references to a holding of land include references to an estate or interest in a holding of land, not being an estate or interest which is a wasting asset, and references to part of a holding shall be construed accordingly.
- (5) In this section “authority exercising or having compulsory powers” means, in relation to the land transferred, a person or body of persons acquiring it compulsorily or who has or have been, or could be, authorised to acquire it compulsorily for the purposes for which it is acquired, or for whom another person or body of persons has or have been, or could be, authorised so to acquire it.

109 Part disposal: consideration exceeding allowable expenditure

- (1) The provisions of sections 107(2) and 108(2) above shall have effect subject to this section.
- (2) Where the allowable expenditure is less than the consideration for the part disposal (or is nil)—
- (a) the said provisions shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the consideration for the part disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the part disposal or on any subsequent occasion.

In this subsection “allowable expenditure” means expenditure which, immediately before the part disposal, was attributable to the holding of land under paragraphs (a) and (b) of section 32(1) above.

Compulsory acquisition

110 Compensation paid on compulsory acquisition

- (1) Where land or an interest in or right over land is acquired and the acquisition is, or could have been, made under compulsory powers, then in considering whether, under section 43(4) above, the purchase price or compensation or other consideration for the acquisition should be apportioned and treated in part as a capital sum

Status: This is the original version (as it was originally enacted).

within section 20(1)(a) above (disposal arising on receipt of capital sum), whether as compensation for loss of goodwill or for disturbance or otherwise, or should be apportioned in any other way, the fact that the acquisition is or could have been made compulsorily, and any statutory provision treating the purchase price or compensation or other consideration as exclusively paid in respect of the land itself, shall be disregarded.

- (2) In any case where land or an interest in land is acquired as mentioned in subsection (1) above from any person and the compensation or purchase price includes an amount in respect of severance of the land comprised in the acquisition or sale from other land in which that person is entitled in the same capacity to an interest, or in respect of that other land as being injuriously affected, there shall be deemed for the purposes of this Act to be a part disposal of that other land.

111 Time of disposal and acquisition

Where an interest in land is acquired, otherwise than under a contract, by an authority possessing compulsory purchase powers the time at which the disposal and acquisition is made is the time at which the compensation for the acquisition is agreed or otherwise determined (variations on appeal being disregarded for this purpose) or, if earlier (but after 20th April 1971), the time when the authority enter on the land in pursuance of their powers.

112 Grants for giving up agricultural land

For the purposes of capital gains tax, a sum payable to an individual by virtue of a scheme under section 27 of the Agriculture Act 1967 (grants for relinquishing occupation of uncommercial agricultural units) shall not be treated as part of the consideration obtain by him for, or otherwise as accruing to him on, the disposal of any asset.

- (a) the Development Land Tax Act 1976, and in particular Schedule 6 to that Act,
- (b) the taxation of development gains under Part III of the Finance Act 1974, which is to be terminated in accordance with the provisions of the Development Land Tax Act 1976,
- (c) the extension of the taxation of chargeable gains by Chapter II of the said Part III (the first letting charge), subject to termination in accordance with the said Act of 1976.

PART VI

PROPERTY: FURTHER PROVISIONS

Replacement of business assets

115 Roll-over relief

- (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (in this section referred to as “the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (in this section referred to as “the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 118 below, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,
- but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

Status: This is the original version (as it was originally enacted).

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 5 to this Act, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) This section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning twelve months before and ending three years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice in writing allow:

Provided that, where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments may be made.
- (4) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (5) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (6) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (7) This section shall apply in relation to a person who, either successively or at the same time, carries on two or more trades as if both or all of them were a single trade.
- (8) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (9) Without prejudice to section 43(4) above (general provision for apportionments), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

116 Assets only partly replaced

- (1) Section 115(1) above shall not apply if part only of the amount or value of the consideration for the disposal of, or of the interest in, the old assets is applied as described in that subsection, but if all of the amount or value of the consideration except for a part which is less than the amount of the gain (whether all chargeable gain

or not) accruing on the disposal of, or of the interest in, the old assets is so applied, then the person carrying on the trade, on making a claim as respects the consideration which has been so applied, shall be treated for the purposes of this Act—

- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the amount by which the gain is reduced (or as the case may be the amount by which the chargeable gain is proportionately reduced) under paragraph (a) of this subsection,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

- (2) Subsections (3) to (9) of section 115 above shall apply as if this section formed part of that section.

117 New assets which are depreciating assets

- (1) Sections 115 and 116 above shall have effect subject to the provisions of this section in which—

- (a) the “held over gain ” means the amount by which, under those sections, and apart from the provisions of this section, any chargeable gain on one asset (called “ asset No. 1 “) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (called “ asset No. 2 ”),
- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.

- (2) If asset No. 2 is a depreciating asset, the held over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No. 1 as is equal to the held over gain did not accrue until—

- (a) the claimant disposes of asset No. 2, or
- (b) he ceases to use asset No. 2 for the purposes of a trade carried on by him, or
- (c) the expiration of a period of ten years beginning with the acquisition of asset No. 2,

whichever event comes first.

- (3) If, in the circumstances specified in subsection (4) below, the claimant acquires an asset (called “ asset No. 3 ”) which is not a depreciating asset, and so claims under section 115 or 116 above—

- (a) the gain held over from asset No. 1 shall be carried forward to asset No. 3, and
- (b) the claim which applies to asset No. 2 shall be treated as withdrawn (so that subsection (2) above does not apply).

- (4) The circumstances are that asset No. 3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—

- (a) that the consideration for asset No. 1 was applied in acquiring asset No. 3, and
- (b) that the time between the disposal of asset No. 1 and the acquisition of asset No. 3 was within the time limited by section 115(3) above,

Status: This is the original version (as it was originally enacted).

the whole amount of the postponed gain could be carried forward from asset No. 1 to asset No. 3; and the claim under subsection (3) above shall be accepted as if those assumptions were true.

- (5) If part only of the postponed gain could be carried forward from asset No. 1 to asset No. 3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from two separate assets, so that, on that claim—
- (a) subsection (3) above applies to the first-mentioned part, and
 - (b) the other part remains subject to subsection (2) above.
- (6) For the purposes of this section, an asset is a depreciating asset at any time if—
- (a) at that time it is a wasting asset, as defined in section 37 above, or
 - (b) within the period of ten years beginning at that time it will become a wasting asset (so defined).

118 Relevant classes of assets

The classes of assets for the purposes of section 115 (1) above are as follows.

Class 1. Assets within heads A and B below.

Head A

1. Any building or part of a building and any permanent or semi-permanent structure in the nature of a building, occupied (as well as used) only for the purposes of the trade.
2. Any land occupied (as well as used) only for the purposes of the trade.

Head A has effect subject to section 119 below.

Head B

Fixed plant or machinery which does not form part of a building or of a permanent or semi-permanent structure in the nature of a building.

Class 2

Ships, aircraft and hovercraft (“hovercraft” having the same meaning as in the Hovercraft Act 1968).

Class 3

Goodwill.

119 Assets of Class 1

- (1) This section has effect as respects head A of Class 1 in section 118 above.
- (2) Head A shall not apply where the trade is a trade—
 - (a) of dealing in or developing land, or
 - (b) of providing services for the occupier of land in which the person carrying on the trade has an estate or interest.
- (3) Where the trade is a trade of dealing in or developing land, but a profit on the sale of any land held for the purposes of the trade would not form part of the trading profits, then, as regards that land, the trade shall be treated for the purposes of subsection (2) (a) of this section as if it were not a trade of dealing in or developing land.

- (4) A person who is a lessor of tied premises shall be treated as if he occupied (as well as used) those tied premises only for the purposes of the relevant trade.

This subsection shall be construed in accordance with section 140(2) of the Taxes Act (income tax and corporation tax on tied premises).

120 Trade carried on by family company: business assets dealt with by individual

In relation to a case where—

- (a) the person disposing of, or of his interest in, the old assets and acquiring the new assets, or an interest in them, is an individual, and
- (b) the trade or trades in question are carried on not by that individual but by a company which, both at the time of the disposal and at the time of the acquisition referred to in paragraph (a) above, is his family company, within the meaning of section 124 below,

any reference in sections 115 to 119 above to the person carrying on the trade (or the two or more trades) includes a reference to that individual.

121 Activities other than trades, and interpretation

- (1) Sections 115 to 120 above shall apply with the necessary modifications—
- (a) in relation to the discharge of the functions of a public authority, and
 - (b) in relation to the occupation of woodlands where the woodlands are managed by the occupier on a commercial basis and with a view to the realisation of profits, and
 - (c) in relation to a profession, vocation, office or employment, and
 - (d) in relation to such of the activities of a body of persons whose activities are carried on otherwise than for profit and are wholly or mainly directed to the protection or promotion of the interests of its members in the carrying on of their trade or profession as are so directed, and
 - (e) in relation to the activities of an unincorporated association or other body chargeable to corporation tax, being a body not established for profit whose activities are wholly or mainly carried on otherwise than for profit, but in the case of assets within head A of class 1 only if they are both occupied and used by the body, and in the case of other assets only if they are used by the body, as they apply in relation to a trade.
- (2) In sections 115 to 120 above and this section the expressions “trade”, “profession”, “vocation”, “office” and “employment” have the same meanings as in the Income Tax Acts, but not so as to apply the provisions of the Income Tax Acts as to the circumstances in which, on a change in the persons carrying on a trade, a trade is to be regarded as discontinued, or as set up and commenced.
- (3) Sections 115 to 120 above, and this section, shall be construed as one.

Status: This is the original version (as it was originally enacted).

Stock in trade

122 Appropriations to and from stock

- (1) Subject to subsection (3) below, where an asset acquired by a person otherwise than as trading stock of a trade carried on by him is appropriated by him for the purposes of the trade as trading stock (whether on the commencement of the trade or otherwise) and, if he had then sold the asset for its market value, a chargeable gain or allowable loss would have accrued to him, he shall be treated as having thereby disposed of the asset by selling it for its then market value.
- (2) If at any time an asset forming part of the trading stock of a person's trade is appropriated by him for any other purpose, or is retained by him on his ceasing to carry on the trade, he shall be treated as having acquired it at that time for a consideration equal to the amount brought into the accounts of the trade in respect of it for tax purposes on the appropriation or on his ceasing to carry on the trade, as the case may be.
- (3) Subsection (1) above shall not apply in relation to a person's appropriation of an asset for the purposes of a trade if he is chargeable to income tax in respect of the profits of the trade under Case I of Schedule D, and elects that instead the market value of the asset at the time of the appropriation shall, in computing the profits of the trade for purposes of tax, be treated as reduced by the amount of the chargeable gain or increased by the amount of the allowable loss referred to in that subsection, and where that subsection does not apply by reason of such an election, the profits of the trade shall be computed accordingly:

Provided that if a person making an election under this subsection is at the time of the appropriation carrying on the trade in partnership with others, the election shall not have effect unless concurred in by the others.

Transfer of business to a company

123 Roll-over relief on transfer of business

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as “the new assets”.

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate (referred to below as “the amount of the gain on the old assets”) of the chargeable gains less allowable losses.
- (3) For the purpose of computing any chargeable gain accruing on the disposal of any new asset—
 - (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and

Status: This is the original version (as it was originally enacted).

- (b) the sums allowable as a deduction under section 32 (1)(a) above shall be reduced by the amount apportioned to the new asset under paragraph (a) above;
- and if the shares which comprise the new assets are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the transferor.
- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, the said amount shall be a fraction
- $$\frac{\mathbf{A}}{\mathbf{B}}$$
- of the amount of the gain on the old assets where—
- “A ” is the cost of the new assets, and
- “B ” is the value of the whole of the consideration received by the transfer or in exchange for the business;
- and for the purposes of this subsection “the cost of the new assets ” means any sums which would be allowable as a deduction under section 32(1)(a) above if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.
- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

Transfer of business on retirement

124 Relief on transfer

- (1) If an individual who has attained the age of 60 years—
- (a) disposes by way of sale or gift of the whole or part of a business, or
- (b) disposes by way of sale or gift of shares or securities of a company,
- and throughout a period of at least one year ending with the disposal the relevant conditions have been fulfilled, relief shall be given under this section in respect of gains accruing to him on the disposal.
- (2) For the purposes of subsection (1) above the relevant conditions are fulfilled at any time if at that time,—
- (a) in the case of a disposal falling within paragraph (a) of that subsection, the business in question is owned either by the individual or by a company with respect to which the following conditions are at that time fulfilled, namely,—
- (i) it is a trading company,
- (ii) it is the individual's family company, and
- (iii) he is a full-time working director of it;
- and
- (b) in the case of a disposal falling within paragraph (b) of that subsection, either the conditions in sub-paragraphs (i) to (iii) of paragraph (a) above are fulfilled with respect to the company in question or the individual owns the business which, at the time of the disposal, is owned by the company;

Status: This is the original version (as it was originally enacted).

and in relation to a particular disposal the period, up to a maximum of 10 years, which ends with the disposal and throughout which the relevant conditions are fulfilled is in this section referred to as “the qualifying period”.

- (3) The amount available for relief under this section shall be—
- (a) in the case of an individual who has attained the age of 65 years, the relevant percentage of £50,000, and
 - (b) in the case of an individual who has not attained that age, the relevant percentage of the aggregate of £10,000 for every year by which his age exceeds 60 and a corresponding part of £10,000 for any odd part of a year;
- and for the purpose of this subsection “the relevant percentage” means a percentage determined according to the length of the qualifying period on a scale rising arithmetically from 10 per cent. where that period is precisely one year to 100 per cent. where it is ten years.
- (4) Where subsection (1)(a) above applies the gains accruing to the individual on the disposal of chargeable business assets comprised in the disposal by way of sale or gift shall be aggregated, and only so much of that aggregate as exceeds the amount available for relief under this section shall be chargeable gains (but not so as to affect liability in respect of gains accruing on the disposal of assets other than chargeable business assets).
- (5) Where subsection (1)(b) above applies—
- (a) the gains which accrue to the individual on the disposal of the shares or securities shall be aggregated, and
 - (b) of a proportion of that aggregate sum which is equal to the proportion which the part of the value of the company's chargeable assets at the time of the disposal which is attributable to the value of the company's chargeable business assets bears to the whole of that value, only so much as exceeds the amount available for relief under this section shall constitute chargeable gains (but not so as to affect liability in respect of gains representing the balance of the said aggregate sum),
- and for the purposes of paragraph (b) above every asset is a chargeable asset except one, on the disposal of which by the company at the time of the disposal of the shares or securities, no chargeable gain would accrue.
- (6) So far as the amount available for relief under this section is applied in giving relief to an individual as respects a disposal it shall not be applied in giving relief to that individual as respects any other disposal (and the relief shall be applied in the order in which any disposals take place).
- (7) In arriving at the aggregate under subsection (4) or subsection (5) above—
- (a) the respective amounts of the gains shall be computed in accordance with the provisions of this Act (other than this section) fixing the amount of chargeable gains, and
 - (b) any allowable loss which accrues on the disposal shall be deducted,
- and the provisions of this section shall not affect the computation of the amount of any allowable loss.
- (8) In this section—
- “chargeable business asset” means an asset (including goodwill but not including shares or securities or other assets held as investments) which is, or is an interest in, an asset used for the purposes of a trade, profession, vocation,

Status: This is the original version (as it was originally enacted).

office or employment carried on by the individual, or as the case may be by the individual's family company, other than an asset on the disposal of which no chargeable gain accrues or (where the disposal is of shares or securities in the family company) on the disposal of which no chargeable gain would accrue if the family company disposed of the asset at the time of the disposal of the shares or securities,

“family company ” means, in relation to an individual, a company the voting rights in which are—

- (a) as to not less than 25 per cent., exercisable by the individual, or
- (b) as to not less than 51 per cent., exercisable by the individual or a member of his family, and, as to not less than 5 per cent., exercisable by the individual himself,

“family ” means, in relation to an individual, the husband or wife of the individual, and a relative of the individual or the individual's husband or wife, and “relative ” means brother, sister, ancestor or lineal descendant,

“full time working director ” means a director who is required to devote substantially the whole of his time to the service of the company in a managerial or technical capacity,

“trade ”, “profession ”, “vocation ”, “office ” and “employment ” have the same meanings as in the Income Tax Acts,

“trading company ” has the meaning given by paragraph 11 of Schedule 16 to the Finance Act 1972 ; and in this section references to the disposal of the whole or part of a business include references to the disposal of the whole or part of the assets provided or held for the purposes of an office or employment by the person exercising that office or employment.

125 Transfer by way of capital distribution from family company

- (1) Subject to subsection (2) below, section 124(1)(b) above shall apply where under section 72 above (distribution which is not a new holding) the individual is treated as disposing of interests in shares or securities of a company in consideration of a capital distribution from the company in the course of dissolving or winding up the company as it applies where he disposes of shares or securities of a company by way of sale or gift.
- (2) Subsection (1) above shall not apply if the capital distribution consists wholly of chargeable business assets of the company, and if it consists partly of chargeable business assets (and partly of money or money's worth), relief shall only be given under section 124 above in respect of that proportion of the gains accruing on the disposal which the part of the capital distribution not consisting of chargeable business assets bears to the entire capital distribution.

Gifts of business assets

126 Relief for gifts of business assets

- (1) If an individual (in this section referred to as “the transferor ”) makes a disposal, otherwise than under a bargain at arm's length, to a person resident or ordinarily resident in the United Kingdom (in this section referred to as “the transferee ”) of—

Status: This is the original version (as it was originally enacted).

- (a) an asset which is, or is an interest in, an asset used for the purposes of a trade, profession or vocation carried on by the transferor or by a company which is his family company, or
- (b) shares or securities of a trading company which is the transferor's family company,

then, subject to subsection (2) below, the provisions of subsection (3) below shall apply in relation to the disposal if a claim for relief under this section is made by the transferor and the transferee.

- (2) Subsection (3) below does not apply in relation to a disposal if—
 - (a) in the case of a disposal of an asset, any gain accruing to the transferor on the disposal is (apart from this section) wholly relieved under section 124 above, or
 - (b) in the case of a disposal of shares or securities, the proportion determined under subsection (5)(b) of section 124 above of any gain accruing to the transferor on the disposal is (apart from this section) wholly relieved under that section.
- (3) Where a claim for relief is made under this section in respect of a disposal—
 - (a) the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, and
 - (b) the amount of the consideration for which, apart from this section, the transferee would be regarded for the purposes of capital gains tax as having acquired the asset or, as the case may be, the shares or securities,
 shall each be reduced by an amount equal to the held-over gain on the disposal.
- (4) Part I of Schedule 4 to this Act shall have effect for extending the relief provided for by virtue of subsections (1) to (3) above in the case of agricultural property and for applying it in relation to settled property.
- (5) Subject to Part II of Schedule 4 to this Act (which provides for reductions in the held-over gain in certain cases) and subsection (6) below, the reference in subsection (3) above to the held-over gain on a disposal is a reference to the chargeable gain which would have accrued on that disposal apart from subsection (3) above and (in appropriate cases) section 124 above, and in subsection (6) below that chargeable gain is referred to as the unrelieved gain on the disposal.
- (6) In any case where—
 - (a) there is actual consideration (as opposed to the consideration equal to the market value which is deemed to be given by virtue of section 19(3) above) for a disposal in respect of which a claim for relief is made under this section, and
 - (b) that actual consideration exceeds the sums allowable as a deduction under section 32 above,
 the held-over gain on the disposal shall be the amount by which the unrelieved gain on the disposal exceeds the excess referred to in paragraph (b) above.
- (7) Subject to subsection (8) below, in this section and Schedule 4 to this Act—
 - (a) “family company ” has the meaning given by section 124(8) above,
 - (b) “trading company ” has the meaning given by paragraph 11 of Schedule 16 to the Finance Act 1972, and
 - (c) “trade ”, “profession ” and “vocation ” have the same meaning as in the Income Tax Acts.

- (8) In this section and Schedule 4 to this Act and in determining whether a company is a trading company for the purposes of this section and that Schedule, the expression “trade ” shall be taken to include the occupation of woodlands where the woodlands are managed by the occupier on a commercial basis and with a view to the realisation of profits.

Movable property

127 Wasting assets

- (1) Subject to the provisions of this section, no chargeable gain shall accrue on the disposal of, or of an interest in, an asset which is tangible movable property and which is a wasting asset.
- (2) Subsection (1) above shall not apply to a disposal of, or of an interest in, an asset:—
- (a) if, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, the asset has been used and used solely for the purposes of a trade, profession or vocation and if that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset or interest under paragraph (a) or paragraph (b) of section 32(1) above (allowable expenditure), or
 - (b) if the person making the disposal has incurred any expenditure on the asset or interest which has otherwise qualified in full for any capital allowance.
- (3) In the case of the disposal of, or of an interest in, an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset or interest by virtue of section 32(1)(a) and (b) above, shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation under Chapter II of Part II above shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) subsection (1) above shall not apply to any gain accruing by reference to the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances.
- (4) Subsection (1) above shall not apply to a disposal of commodities of any description by a person dealing on a terminal market or dealing with or through a person ordinarily engaged in dealing on a terminal market.
- (5) This section shall be construed as one with Chapter II of Part II above.

128 Chattel exemption

- (1) Subject to this section a gain accruing on a disposal of an asset which is tangible movable property shall not be a chargeable gain if the amount or value of the consideration for the disposal does not exceed £2,000.

Status: This is the original version (as it was originally enacted).

- (2) Where the amount or value of the consideration for the disposal of an asset which is tangible movable property exceeds £2,000, there shall be excluded from any chargeable gain accruing on the disposal so much of it as exceeds five-thirds of the difference between—
- (a) the amount or value of the consideration, and
 - (b) £2,000.
- (3) Subsections (1) and (2) above shall not affect the amount of an allowable loss accruing on the disposal of an asset, but for the purposes of computing under this Act the amount of a loss accruing on the disposal of tangible movable property the consideration for the disposal shall, if less than £2,000, be deemed to be £2,000 and the losses which are allowable losses shall be restricted accordingly.
- (4) If two or more assets which have formed part of a set of articles of any description all owned at one time by one person are disposed of by that person, and—
- (a) to the same person, or
 - (b) to persons who are acting in concert or who are connected persons,
- whether on the same or different occasions, the two or more transactions shall be treated as a single transaction disposing of a single asset, but with any necessary apportionments of the reductions in chargeable gains, and in allowable losses, under subsections (2) and (3) above.
- (5) If the disposal is of a right or interest in or over tangible movable property—
- (a) in the first instance subsections (1), (2) and (3) above shall be applied in relation to the asset as a whole, taking the consideration as including the market value of what remains undisposed of, in addition to the actual consideration,
 - (b) where the sum of the actual consideration and that market value exceeds £2,000, the part of any chargeable gain that is excluded from it under subsection (2) above shall be so much of the gain as exceeds five-thirds of the difference between that sum and £2,000 multiplied by the fraction equal to the actual consideration divided by the said sum, and
 - (c) where that sum is less than £2,000 any loss shall be restricted under subsection (3) above by deeming the consideration to be the actual consideration plus the said fraction of the difference between the said sum and £2,000.
- (6) This section shall not apply—
- (a) in relation to a disposal of commodities of any description by a person dealing on a terminal market or dealing with or through a person ordinarily engaged in dealing on a terminal market, or
 - (b) in relation to a disposal of currency of any description.

129 Leases of property other than land

Schedule 3 to this Act has effect, to the extent specified in paragraph 9 of that Schedule, as respects leases of property other than land.

130 Passenger vehicles

A mechanically propelled road vehicle constructed or adapted for the carriage of passengers, except for a vehicle of a type not commonly used as a private vehicle and unsuitable to be so used, shall not be a chargeable asset; and accordingly no chargeable gain or allowable loss shall accrue on its disposal.

131 Decorations for valour or gallant conduct

150 Valuation: general

- (1) In this Act “market value” in relation to any assets means the price which those assets might reasonably be expected to fetch on a sale in the open market.
- (2) In estimating the market value of any assets no reduction shall be made in the estimate on account of the estimate being made on the assumption that the whole of the assets is to be placed on the market at one and the same time.
- (3) The market value of shares or securities listed in The Stock Exchange Daily Official List shall, except where in consequence of special circumstances prices quoted in that List are by themselves not a proper measure of market value, be as follows—
 - (a) the lower of the two prices shown in the quotations for the shares or securities in The Stock Exchange Daily Official List on the relevant date plus one-quarter of the difference between those two figures, or
 - (b) halfway between the highest and lowest prices at which bargains, other than bargains done at special prices, were recorded in the shares or securities for the relevant date,

choosing the amount under paragraph (a) if less than that under paragraph (b), or if no such bargains were recorded for the relevant date, and choosing the amount under paragraph (b) if less than that under paragraph (a):

Provided that—

- (i) this subsection shall not apply to shares or securities for which The Stock Exchange provides a more active market elsewhere than on the London trading floor, and

- (ii) if the London trading floor is closed on the relevant date the market value shall be ascertained by reference to the latest previous date or earliest subsequent date on which it is open, whichever affords the lower market value.
- (4) In this Act “market value ” in relation to any rights of unit holders in any unit trust scheme the buying and selling prices of which are published regularly by the managers of the scheme shall mean an amount equal to the buying price (that is the lower price) so published on the relevant date, or if none were published on that date, on the latest date before.
- (5) In relation to an asset of a kind the sale of which is subject to restrictions imposed under the Exchange Control Act 1947 such that part of what is paid by the purchaser is not retainable by the seller the market value, as arrived at under subsection (1), subsection (3) or subsection (4) above, shall be subject to such adjustment as is appropriate having regard to the difference between the amount payable by a purchaser and the amount receivable by a seller.
- (6) The provisions of this section, with sections 151 to 153 below, have effect subject to Part I of Schedule 6 to this Act (market value at a time before the commencement of this Act).

151 Assets disposed of in a series of transactions

If a person is given, or acquires from one or more persons with whom he is connected, by way of two or more gifts or other transactions, assets of which the aggregate market value, when considered separately in relation to the separate gifts or other transactions, is less than their aggregate market value when considered together, then for the purposes of this Act their market value, where relevant, shall be taken to be the larger market value, to be apportioned rateably to the respective disposals.

152 Unquoted shares and securities

- (1) The provisions of subsection (3) below shall have effect in any case where, in relation to an asset to which this section applies, there falls to be determined by virtue of section 150(1) above the price which the asset might reasonably be expected to fetch on a sale in the open market.
- (2) The assets to which this section applies are shares and securities which are not quoted on a recognised stock exchange, within the meaning of section 535 of the Taxes Act, at the time as at which their market value for the purposes of tax on chargeable gains falls to be determined.
- (3) For the purposes of a determination falling within subsection (1) above, it shall be assumed that, in the open market which is postulated for the purposes of that determination, there is available to any prospective purchaser of the asset in question all the information which a prudent prospective purchaser of the asset might reasonably require if he were proposing to purchase it from a willing vendor by private treaty and at arm's length.

153 Value determined for capital transfer tax

Where on the death of any person capital transfer tax is chargeable on the value of his estate immediately before his death and the value of an asset forming part of that estate has been ascertained (whether in any proceedings or otherwise) for the purposes

Status: This is the original version (as it was originally enacted).

of that tax, the value so ascertained shall be taken for the purposes of this Act to be the market value of that asset at the date of the death.

154 Income tax decisions

SCHEDULE 3

Section 106.

LEASES

Leases of land as wasting assets: curved line restriction of allowable expenditure

- 1 (1) A lease of land shall not be a wasting asset until the time when its duration does not exceed fifty years.
- (2) If at the beginning of the period of ownership of a lease of land it is subject to a sub-lease not at a rackrent and the value of the lease at the end of the duration of the sub-lease, estimated as at the beginning of the period of ownership, exceeds the expenditure allowable under section 32(1)(a) of this Act in computing the gain accruing on a disposal of the lease, the lease shall not be a wasting asset until the end of the duration of the sub-lease.
- (3) In the case of a wasting asset which is a lease of land the rate at which expenditure is assumed to be written off shall, instead of being a uniform rate as provided by section 38 of this Act, be a rate fixed in accordance with the Table below.
- (4) Accordingly, for the purposes of the computation under Chapter II of Part II of this Act of the gain accruing on a disposal of a lease, and given that—
- (a) the percentage derived from the Table for the duration of the lease at the beginning of the period of ownership is P(1),
 - (b) the percentage so derived for the duration of the lease at the time when any item of expenditure attributable to the lease under section 32(1)(b) of this Act is first reflected in the nature of the lease is P(2), and
 - (c) the percentage so derived for the duration of the lease at the time of the disposal is P(3),
- then—
- (i) there shall be excluded from the expenditure attributable to the lease under section 32(1)(a) of this Act a fraction equal to
$$\frac{P(1) - P(3)}{P(1)}$$
, and
 - (ii) there shall be excluded from any item of expenditure attributable to the lease under section 32(1)(b) of this Act a fraction equal to
$$\frac{P(2) - P(3)}{P(2)}$$
- (5) This paragraph applies notwithstanding that the period of ownership of the lease is a period exceeding fifty years and, accordingly, no expenditure shall be written off under this paragraph in respect of any period earlier than the time when the lease becomes a wasting asset.
- (6) Section 39 of this Act (wasting assets qualifying for capital allowances) shall apply in relation to this paragraph as it applies in relation to section 38. TABLE

If the duration of the lease is not an exact number of years the percentage to be derived from the Table above shall be the percentage for the whole number of years plus one twelfth of the difference between that and the percentage for the next higher number of years for each odd month counting an odd 14 days or more as one month.

Premiums for leases

- 2 (1) Subject to this Schedule where the payment of a premium is required under a lease of land, or otherwise under the terms subject to which a lease of land is granted, there is a part disposal of the freehold or other asset out of which the lease is granted.
- (2) In applying section 35 of this Act to such a part disposal, the property which remains undisposed of includes a right to any rent or other payments, other than a premium, payable under the lease, and that right shall be valued as at the time of the part disposal.
- 3 (1) This paragraph applies in relation to a lease of land.
- (2) Where, under the terms subject to which a lease is granted, a sum becomes payable by the tenant in lieu of the whole or part of the rent for any period, or as consideration for the surrender of the lease, the lease shall be deemed for the purposes of this Schedule to have required the payment of a premium to the landlord (in addition to any other premium) of the amount of that sum for the period in relation to which the sum is payable.
- (3) Where, as consideration for the variation or waiver of any of the terms of a lease, a sum becomes payable by the tenant otherwise than by way of rent, the lease shall be deemed for the purposes of this Schedule to have required the payment of a premium

Status: This is the original version (as it was originally enacted).

to the landlord (in addition to any other premium) of the amount of that sum for the period from the time when the variation or waiver takes effect to the time when it ceases to have effect.

- (4) If under sub-paragraph (2) or (3) above a premium is deemed to have been received by the landlord, otherwise than as consideration for the surrender of the lease, then subject to sub-paragraph (5) below, both the landlord and the tenant shall be treated as if that premium were, or were part of, the consideration for the grant of the lease due at the time when the lease was granted, and the gain accruing to the landlord on the disposal by way of grant of the lease shall be recomputed and any necessary adjustments of tax, whether by way of assessment for the year in which the premium is deemed to have been received, or by way of discharge or repayment of tax, made accordingly.
- (5) If under sub-paragraph (2) or (3) above a premium is deemed to have been received by the landlord, otherwise than as consideration for the surrender of the lease, and the landlord is a tenant under a lease the duration of which does not exceed fifty years this Schedule shall apply as if an amount equal to the amount of that premium deemed to have been received had been given by way of consideration for the grant of the part of the sub-lease covered by the period in respect of which the premium is deemed to have been paid as if that consideration were expenditure incurred by the sub-lessee and attributable to that part of the sub-lease under section 32(1)(b) of this Act.
- (6) Where under sub-paragraph (2) above a premium is deemed to have been received as consideration for the surrender of a lease the surrender of the lease shall not be the occasion of any recomputation of the gain accruing on the receipt of any other premium, and the premium which is consideration for the surrender of the lease shall be regarded as consideration for a separate transaction consisting of the disposal by the landlord of his interest in the lease.
- (7) Sub-paragraph (3) above shall apply in relation to a transaction not at arm's length, and in particular in relation to a transaction entered into gratuitously, as if such sum had become payable by the tenant otherwise than by way of rent as might have been required of him if the transaction had been at arm's length.

Sub-leases out of short leases

- 4 (1) In the computation under Chapter II or Part II of this Act of the gain accruing on the part disposal of a lease which is a wasting asset by way of the grant of a sub-lease for a premium the expenditure attributable to the lease under paragraphs (a) and (b) of section 32(1) of this Act shall be apportioned in accordance with this paragraph, and section 35 of this Act shall not apply.
- (2) Out of each item of the expenditure attributable to the lease under paragraphs (a) and (b) of section 32(1) of this Act there shall be apportioned to what is disposed of—
 - (a) if the amount of the premium is not less than what would be obtainable by way of premium for the said sub-lease if the rent payable under that sub-lease were the same as the rent payable under the lease, the fraction which, under paragraph 1(3) of this Schedule, is to be written off over the period which is the duration of the sub-lease, and
 - (b) if the amount of the premium is less than the said amount so obtainable, the said fraction multiplied by a fraction equal to the amount of the said premium divided by the said amount so obtainable.

Status: This is the original version (as it was originally enacted).

- (3) If the sub-lease is a sub-lease of part only of the land comprised in the lease this paragraph shall apply only in relation to a proportion of the expenditure attributable to the lease under paragraphs (a) and (b) of section 32(1) of this Act which is the same as the proportion which the value of the land comprised in the sub-lease bears to the value of that and the other land comprised in the lease; and the remainder of that expenditure shall be apportioned to what remains undisposed of.

Exclusion of premiums taxed under Schedule A etc.

- 5 (1) Where by reference to any premium income tax has become chargeable under section 80 of the Taxes Act on any amount, that amount out of the premium shall be excluded from the consideration brought into account in the computation under Chapter II of Part II of this Act of a gain accruing on the disposal for which the premium is consideration except where the consideration is taken into account in the denominator of the fraction by reference to which an apportionment is made under section 35 of this Act (part disposals).
- (2) Where by reference to any premium in respect of a sub-lease granted out of a lease the duration of which (that is of the lease) does not, at the time of granting the lease, exceed fifty years, income tax has become chargeable under section 80 of the Taxes Act on any amount that amount shall be deducted from any gain accruing on the disposal for which the premium is consideration as computed in accordance with the provisions of this Act apart from this sub-paragraph, but not so as to convert the gain into a loss, or to increase any loss.
- (3) Where income tax has become chargeable under section 82 of the Taxes Act (sale of land with right of re-conveyance) on any amount a sum of that amount shall be excluded from the consideration brought into account in the computation under Chapter II of Part II of this Act of a gain accruing on the disposal of the estate or interest in respect of which income tax becomes so chargeable, except where the consideration is taken into account in the denominator of the fraction by reference to which an apportionment is made under section 35 of this Act:
- Provided that if what is disposed of is the remainder of a lease or a sub-lease out of a lease the duration of which does not exceed fifty years the preceding provisions of this sub-paragraph shall not apply but the said amount shall be deducted from any gain accruing on the disposal as computed in accordance with the provisions of this Act apart from this sub-paragraph, but not so as to convert the gain into a loss, or to increase any loss.
- (4) References in sub-paragraph (1) and (2) above to a premium include references to a premium deemed to have been received under subsection (3) or subsection (4) of section 80 of the Taxes Act (which correspond to paragraph 3(2) and (3) of this Schedule).
- (5) Section 31 of this Act (exclusion of consideration chargeable to tax on income) shall not be taken as authorising the exclusion of any amount from the consideration for a disposal of assets taken into account in the computation under Chapter II of Part II of this Act by reference to any amount chargeable to tax under Part III of the Taxes Act.
- 6 (1) If under section 83(2) of the Taxes Act (allowance where, by the grant of a sub-lease, a lessee has converted a capital amount into a right to income) a person is to be treated as paying additional rent in consequence of having granted a sub-lease, the amount of any loss accruing to him on the disposal by way of the grant of the

Status: This is the original version (as it was originally enacted).

sub-lease shall be reduced by the total amount of rent which he is thereby treated as paying over the term of the sub-lease (and without regard to whether relief is thereby effectively given over the term of the sub-lease), but not so as to convert the loss into a gain, or to increase any gain.

- (2) Nothing in section 31 of this Act shall be taken as applying in relation to any amount on which tax is paid under section 81 of the Taxes Act (charge on assignment of lease granted at undervalue).
- (3) If any adjustment is made under section 82(2)(b) of the Taxes Act on a claim under that paragraph, any necessary adjustment shall be made to give effect to the consequences of the claim on the operation of this paragraph or paragraph 5 above.
- 7 If under section 80(2) of the Taxes Act income tax is chargeable on any amount, as being a premium the payment of which is deemed to be required by the lease, the person so chargeable shall be treated for the purposes of the computation of any gain accruing to him as having incurred at the time the lease was granted expenditure of that amount (in addition to any other expenditure) attributable to the asset under section 32(1)(b) of this Act.

Duration of leases

- 8 (1) In ascertaining for the purposes of this Act the duration of a lease of land the following provisions shall have effect.
- (2) Where the terms of the lease include provision for the determination of the lease by notice given by the landlord, the lease shall not be treated as granted for a term longer than one ending at the earliest date on which it could be determined by notice given by the landlord.
- (3) Where any of the terms of the lease (whether relating to forfeiture or to any other matter) or any other circumstances render it unlikely that the lease will continue beyond a date falling before the expiration of the term of the lease, the lease shall not be treated as having been granted for a term longer than one ending on that date.
- (4) Sub-paragraph (3) applies in particular where the lease provides for the rent to go up after a given date, or for the tenant's obligations to become in any other respect more onerous after a given date, but includes provision for the determination of the lease on that date by notice given by the tenant, and those provisions render it unlikely that the lease will continue beyond that date.
- (5) Where the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant this paragraph shall apply as if the term of the lease extended for as long as it could be extended by the tenant, but subject to any right of the landlord by notice to determine the lease.
- (6) It is hereby declared that the question what is the duration of a lease is to be decided, in relation to the grant or any disposal of the lease, by reference to the facts which were known or ascertainable at the time when the lease was acquired or created.

Leases of property other than land

- 9 (1) Paragraphs 2, 3, 4 and 8 of this Schedule shall apply in relation to leases of property other than land as they apply to leases of land, but subject to any necessary modifications.

Status: This is the original version (as it was originally enacted).

- (2) Where by reference to any capital sum within the meaning of section 492 of the Taxes Act (leases of assets other than land) any person has been charged to income tax on any amount, that amount out of the capital sum shall be deducted from any gain accruing on the disposal for which that capital sum is consideration, as computed in accordance with the provisions of this Act apart from this sub-paragraph, but not so as to convert the gain into a loss, or increase any loss.
- (3) In the case of a lease of a wasting asset which is movable property the lease shall be assumed to terminate not later than the end of the life of the wasting asset.

Interpretation

- 10 (1) In this Act, unless the context otherwise requires “lease” —
 - (a) in relation to land, includes an underlease, sublease or any tenancy or licence, and any agreement for a lease, underlease, sublease or tenancy or licence and, in the case of land outside the United Kingdom, any interest corresponding to a lease as so defined,
 - (b) in relation to any description of property other than land, means any kind of agreement or arrangement under which payments are made for the use of, or otherwise in respect of, property,and “lessor”, “lessee” and “rent” shall be construed accordingly.
- (2) In this Schedule “premium” includes any like sum, whether payable to the intermediate or a superior landlord, and for the purposes of this Schedule any sum (other than rent) paid on or in connection with the granting of a tenancy shall be presumed to have been paid by way of premium except in so far as other sufficient consideration for the payment is shown to have been given.
- (3) In the application of this Schedule to Scotland “premium” includes in particular a grassum payable to any landlord or intermediate landlord on the creation of a sublease.

SCHEDULE 4

Section 126.

RELIEF FOR GIFTS OF BUSINESS ASSETS

PART I

AGRICULTURAL PROPERTY AND SETTLED PROPERTY

Agricultural property

- 1 (1) This paragraph applies where—
 - (a) there is a disposal of an asset which is, or is an interest in, agricultural property within the meaning of Schedule 8 to the Finance Act 1975 (capital transfer tax relief for agricultural property), and
 - (b) apart from this paragraph, the disposal would not fall within section 126(1) (a) of this Act by reason only that the agricultural property is not used for the purposes of a trade carried on as mentioned in that paragraph.

Status: This is the original version (as it was originally enacted).

- (2) Where this paragraph applies, section 126(1) of this Act shall apply in relation to the disposal if the circumstances are such that a reduction in respect of the asset—
- (a) is made under Schedule 8 to the Finance Act 1975 in relation to a chargeable transfer taking place on the occasion of the disposal, or
 - (b) would be so made if there were a chargeable transfer on that occasion and a claim were duly made under that Schedule.

Settled property

- 2 (1) If a trustee is deemed, by virtue of section 54(1) or 55(1) of this Act (settled property), to have disposed of, and immediately reacquired—
- (a) an asset which is, or is an interest in, an asset used for the purposes of a trade, profession or vocation carried on by the trustee or by a relevant beneficiary, or
 - (b) shares or securities of a trading company as to which not less than 25 per cent. of the voting rights are exercisable by the trustee at the time of the disposal and reacquisition,
- subsection (3) of section 126 of this Act shall apply in relation to the disposal if a claim for relief under that section is made by the trustee.
- (2) Where subsection (3) of the said section 126 applies by virtue of sub-paragraph (1) above—
- (a) a reference to the trustee shall be substituted for the reference in paragraph (a) of that subsection to the transferor and for the reference in paragraph (b) thereof to the transferee, and
 - (b) subsection (6) of that section shall not apply.
- (3) In paragraph (a) of sub-paragraph (1) above, “relevant beneficiary ” means—
- (a) where the disposal is deemed to occur by virtue of section 54(1) of this Act, a beneficiary who had an interest in possession in the settled property immediately before the disposal; and
 - (b) where the disposal is deemed to occur by virtue of section 55(1) of this Act on the termination of a life interest in possession, the beneficiary whose interest it was.
- 3 (1) This paragraph applies where—
- (a) there is, by virtue of section 54(1) or 55(1) of this Act (settled property), a disposal of an asset which is, or is an interest in, agricultural property within the meaning of Schedule 8 to the Finance Act 1975, and
 - (b) apart from this paragraph, the disposal would not fall within paragraph (a) of paragraph 2(1) above by reason only that the agricultural property is not used for the purposes of a trade as mentioned in the said paragraph (a).
- (2) Where this paragraph applies, paragraph 2(1) above shall apply in relation to the disposal if the circumstances are such that a reduction in respect of the asset—
- (a) is made under Schedule 8 to the Finance Act 1975 in relation to a chargeable transfer taking place on the occasion of the disposal, or
 - (b) would be so made if there were a chargeable transfer on that occasion and a claim were duly made under that Schedule.

PART II

REDUCTIONS IN HELD-OVER GAIN

Application and interpretation

- 4 (1) The provisions of this Part of this Schedule apply in cases where a claim for relief is made under section 126 of this Act.
- (2) In this Part of this Schedule—
- (a) “the principal provision ” means section 126(1) of this Act, or, as the case may require, sub-paragraph (1) of paragraph 2 above,
 - (b) “shares ” includes securities,
 - (c) “the transferor ” and “the transferee ” have the same meaning as in section 126 of this Act, except that, in a case where paragraph 2 above applies, each of those expressions refers to the trustee mentioned in that paragraph, and
 - (d) “unrelieved gain ”, in relation to a disposal, has the same meaning as in section 126(6) of this Act.
- (3) Any reference in this Part of this Schedule to a disposal of an asset is a reference to a disposal which falls within paragraph (a) of the principal provision and any reference to a disposal of shares is a reference to a disposal which falls within paragraph (b) of that provision.
- (4) In relation to a disposal of an asset or of shares, any reference in the following provisions of this Part of this Schedule to the held-over gain is a reference to the held-over gain on that disposal as determined under subsection (5) or, as the case may be, subsection (6) of section 126 of this Act (taking account, where paragraph 2 above applies, of sub-paragraph (2)(b) of that paragraph).

Reductions peculiar to disposals of assets

- 5 If, in the case of a disposal of an asset, the asset was not used for the purposes of the trade, profession or vocation referred to in paragraph (a) of the principal provision throughout the period of its ownership by the transferor, the amount of the held-over gain shall be reduced by multiplying it by the fraction of which the denominator is the number of days in that period of ownership and the numerator is the number of days in that period during which the asset was so used.
- 6 If, in the case of a disposal of an asset, the asset is a building or structure and, over the period of its ownership by the transferor or any substantial part of that period, part of the building or structure was, and part was not, used for the purposes of the trade, profession or vocation referred to in paragraph (a) of the principal provision, there shall be determined the fraction of the unrelieved gain on the disposal which it is just and reasonable to apportion to the part of the asset which was so used, and the amount of the held-over gain (as reduced, if appropriate, under paragraph 5 above) shall be reduced by multiplying it by that fraction.

Reduction peculiar to disposal of shares

- 7 (1) if, in the case of a disposal of shares, the chargeable assets of the company whose shares are disposed of include assets which are not business assets, the amount of the held-over gain shall be reduced by multiplying it by the fraction of which the

Status: This is the original version (as it was originally enacted).

denominator is the market value of the whole of the company's chargeable assets on the date of the disposal and the numerator is the market value of the company's chargeable business assets on that date.

- (2) For the purpose of this paragraph—
- (a) an asset is a business asset in relation to a company if it is or is an interest in an asset used for the purposes of a trade, profession or vocation carried on by the company, and
 - (b) an asset is a chargeable asset in relation to a company at any time if, on a disposal of it at that time, a chargeable gain would accrue to the company.

Reduction where gain partly relieved by retirement relief

- 8 (1) If, in the case of a disposal of an asset—
- (a) the disposal is of a chargeable business asset and is comprised in a disposal of the whole or part of a business in respect of gains accruing on which the transferor is entitled to relief under section 124 of this Act (transfer of business on retirement), and
 - (b) apart from this paragraph, the held-over gain on the disposal (as reduced, where appropriate, under the preceding provisions of this Part of this Schedule) would exceed the amount of the chargeable gain which, apart from section 126 of this Act, would accrue on the disposal,
- the amount of that held-over gain shall be reduced by the amount of the excess.
- (2) In sub-paragraph (1) above “chargeable business asset” has the same meaning as in section 124 of this Act.
- (3) If, in the case of a disposal of shares,—
- (a) the disposal is or forms part of a disposal of shares in respect of the gains accruing on which the transferor is entitled to relief under section 124 of this Act, and
 - (b) apart from this paragraph, the held-over gain on the disposal (as reduced, where appropriate, under paragraph 7 above) would exceed an amount equal to the relevant proportion of the chargeable gain which, apart from section 126 of this Act, would accrue on the disposal,
- the amount of that held-over gain shall be reduced by the amount of the excess.
- (4) In sub-paragraph (3) above “the relevant proportion”, in relation to a disposal falling within paragraph (a) of that sub-paragraph, means the proportion determined under subsection (5)(b) of section 124 of this Act in relation to the aggregate sum of the gains which accrue on that disposal.

SCHEDULE 5

Section 28(3).

ASSETS HELD ON 6TH APRIL 1965

PART I

QUOTED SECURITIES

Deemed acquisition at 6th April 1965 value

- 1 (1) This paragraph applies—
- (a) to shares and securities which on 6th April 1965 have quoted market values on a recognised stock exchange in the United Kingdom or elsewhere, or which have had such quoted market values at any time in the period of six years ending on 6th April 1965, and
 - (b) to rights of unit holders in any unit trust scheme the prices of which are published regularly by the managers of the scheme.
- (2) For the purposes of this Act it shall be assumed, wherever relevant, that any assets to which this paragraph applies were sold by the owner, and immediately re-acquired by him, at their market value on 6th April 1965.
- (3) This paragraph shall not apply in relation to a disposal of shares or securities of a company by a person to whom those shares or securities were issued as an employee either of the company or of some other person on terms which restrict his rights to dispose of them.

Restriction of gain or loss by reference to actual cost

- 2 (1) Subject to the rights, of election conferred by paragraphs 4 to 7 below, paragraph 1(2) above shall not apply in relation to a disposal of assets—
- (a) if on the assumption in paragraph 1(2) a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue (computed in accordance with Chapter II of Part II) if paragraph 1(2) did not apply, or
 - (b) if on the assumption in paragraph 1(2) a loss would so accrue and either a smaller loss or a gain would accrue if paragraph 1(2) did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the preceding provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately re-acquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (2) For the purpose of—
- (a) identifying shares or securities held on 6th April 1965 with shares or securities previously acquired, and
 - (b) identifying the shares or securities held on that date with shares or securities subsequently disposed of, and distinguishing them from shares or securities acquired subsequently,

Status: This is the original version (as it was originally enacted).

so far as that identification is needed for the purposes of sub-paragraph (1) above, and so far as the shares or securities are of the same class, shares or securities acquired at an earlier time shall be deemed to be disposed of before shares or securities acquired at a later time.

- (3) Sub-paragraph (2) above has effect subject to section 66 of this Act (disposal on or before day of acquisition).

Exclusion of pooling

- 3 (1) Subject to the rights of election conferred by paragraphs 4 to 7 below, section 65 of this Act (pooling of shares and other assets) shall not apply to quoted securities held on 6th April 1965.

- (2) Where—

- (a) a disposal was made out of quoted securities before 20th March 1968 (that is to say before the date on which the provisions re-enacted in sub-paragraph (1) above took effect), and
 (b) by virtue of paragraph 2 of Schedule 7 to the Finance Act 1965 (re-enacted as section 65 of this Act) some of the quoted securities out of which the disposal was made were acquired before 6th April 1965, and some later

then in computing the gain accruing on any disposal of quoted securities the question of what remained undisposed of on the earlier disposal shall be decided on the footing that sub-paragraph (1) above had effect as respects that earlier disposal.

- (3) The rules of identification in paragraph 2(2) above shall apply for the purposes of this paragraph as they apply for the purposes of the said paragraph 2.

Election for pooling

- 4 (1) If a person so elects, quoted securities covered by the election shall be excluded from paragraphs 2 and 3 above (so that neither paragraph 1(2) above nor section 65 of this Act is excluded by those paragraphs as respects those securities).

- (2) An election made by any person under this paragraph shall be as respects all disposals made by him at any time, including disposals made before the election but after 19th March 1968—

- (a) of quoted securities of kinds other than fixed-interest securities and preference shares, or
 (b) of fixed-interest securities and preference shares,

and references to the quoted securities covered by an election shall be construed accordingly. Any person may make both of the elections.

- (3) An election under this paragraph shall not cover quoted securities which the holder acquired on a disposal after 19th March 1968 in relation to which either of the following enactments (which secure that neither a gain nor a loss accrues on the disposal) applies, that is—

- (a) section 44 of this Act (disposals between husband and wife),
 (b) section 273(1) of the Taxes Act (disposals within a group of companies),

but this paragraph shall apply to the quoted securities so held if the person making the original disposal (that is to say the wife or husband of the holder, or the other

Status: This is the original version (as it was originally enacted).

member of the group of companies) makes an election covering quoted securities of the kind in question.

For the purpose of identifying quoted securities disposed of by the holder with quoted securities acquired by him on a disposal in relation to which either of the said enactments applies, so far as they are of the same class, quoted securities acquired at an earlier time shall be deemed to be disposed of before quoted securities acquired at a later time.

- (4) For the avoidance of doubt it is hereby declared—
- (a) that where a person makes an election under this paragraph as respects quoted securities which he holds in one capacity, that election does not cover quoted securities which he holds in another capacity, and
 - (b) that an election under this paragraph is irrevocable.
- (5) An election under this paragraph shall be made by notice in writing to the inspector not later than the expiration of two years from the end of the year of assessment or accounting period of a company in which the first relevant disposal is made, or such further time as the Board may allow.
- (6) Subject to paragraph 5 below, in this paragraph the “first relevant disposal”, in relation to each of the elections referred to in sub-paragraph (2) of this paragraph, means the first disposal after 19th March 1968 by the person making the election of quoted securities of the kind covered by that election.
- (7) All such adjustments shall be made, whether by way of discharge or repayment of tax, or the making of assessments or otherwise, as are required to give effect to an election under this paragraph.

Election by principal company of group

- 5 (1) In the case of companies which at the relevant time are members of a group of companies—
- (a) an election under paragraph 4 above by the company which at that time is the principal company of the group shall have effect also as an election by any other company which at that time is a member of the group, and
 - (b) no election under that paragraph may be made by any other company which at that time is a member of the group.
- (2) In this paragraph “the relevant time”, in relation to a group of companies, and in relation to each of the elections referred to in paragraph 4(2) above, is the first occasion after 19th March 1968 when any company which is then a member of a group disposes of quoted securities of a kind covered by that election, and for the purposes of paragraph 4(5) above that occasion is, in relation to the group, “the first relevant disposal”.
- (3) This paragraph shall not apply in relation to quoted securities of either kind referred to in paragraph 4(2) above which are owned by a company which, in some period after 19th March 1968 and before the relevant time, was not a member of the group if in that period it had made an election under paragraph 4 above in relation to securities of that kind (or was treated by virtue of this paragraph, in relation to another group, as having done so), or had made a disposal of quoted securities of that kind and did not make an election within the time limited by paragraph 4(5) above.

Status: This is the original version (as it was originally enacted).

- (4) This paragraph shall apply notwithstanding that a company ceases to be a member of the group at any time after the relevant time.
- (5) In this paragraph “company ” and “group ” shall be construed in accordance with subsections (1) and (2) of section 272 of the Taxes Act.

Pooling at value on 6th April 1965: exchange of securities etc.

- 6 (1) Where a person who has made only one of the elections under paragraph 4 above disposes of quoted securities which, in accordance with Chapter II of Part IV of this Act, are to be regarded as being or forming part of a new holding, the election shall apply according to the nature of the quoted securities disposed of, notwithstanding that under the said Chapter the new holding is to be regarded as the same asset as the original holding and that the election would apply differently to the original holding.
- (2) Where the election does not cover the disposal out of the new holding, but does cover quoted securities of the kind comprised in the original holding, then in computing the gain accruing on the disposal out of the new holding (in accordance with paragraph 3 above) the question of what remained undisposed of on any disposal out of the original holding shall be decided on the footing that paragraph 3 above applied to that earlier disposal.
- (3) In the case converse to that in sub-paragraph (2) above (that is to say where the election covers the disposal out of the new holding, but does not cover quoted securities of the kind comprised in the original holding) the question of how much of the new holding derives from quoted securities held on 6th April 1965, and how much derives from other quoted securities, shall be decided as it is decided for the purposes of paragraph 3 above.

Underwriters

- 7 No election under paragraph 4 above shall cover quoted securities comprised in any underwriter's premiums trust fund, or premiums trust fund deposits, or personal reserves, being securities comprised in funds to which section 142 of this Act applies.

Interpretation of paragraphs 3 to 7

- 8 (1) In paragraphs 3 to 7 above—
 - “quoted securities ” means assets to which paragraph 1 above applies,
 - “fixed interest security ” means any security as defined by section 82 of this Act,
 - “preference share ” means any share the holder whereof has a right to a dividend at a fixed rate, but has no other right to share in the profits of the company.
- (2) If and so far as the question whether at any particular time a share was a preference share depends on the rate of dividends payable on or before 5th April 1973, the reference in the definition of “preference share” in sub-paragraph (1) above to a dividend at a fixed rate includes a dividend at a rate fluctuating in accordance with the standard rate of income tax.

PART II

LAND REFLECTING DEVELOPMENT VALUE

Valuation at 6th April 1965

- 9 (1) This paragraph shall apply in relation to a disposal of an asset which is an interest in land situated in the United Kingdom—
- (a) if, but for this paragraph, the expenditure allowable as a deduction in computing under Chapter II of Part II of this Act the gain accruing on the disposal would include any expenditure incurred before 6th April 1965, and
 - (b) if the consideration for the asset acquired on the disposal exceeds the current use value of the asset at the time of the disposal, or if any material development of the land has been carried out after 17th December 1973 since the person making the disposal acquired the asset.
- (2) For the purposes of this Act, including Chapter II of Part II, it shall be assumed in relation to the disposal and, if it is a part disposal, in relation to any subsequent disposal of the asset which is an interest in land situated in the United Kingdom that that asset was sold by the person making the disposal, and immediately reacquired by him, at its market value on 6th April 1965.
- (3) Sub-paragraph (2) above shall apply also in relation to any prior part disposal of the asset and, if tax has been charged, or relief allowed, by reference to that part disposal on a different footing, all such adjustments shall be made, whether by way of assessment or discharge or repayment of tax, as are required to give effect to the provisions of this sub-paragraph.
- (4) Sub-paragraph (2) above shall not apply in relation to a disposal of assets—
- (a) if on the assumption in that sub-paragraph a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue (computed in accordance with the provisions of Chapter II of Part II of this Act) if the said sub-paragraph (2) did not apply, or
 - (b) if on the assumption in the said sub-paragraph (2) a loss would so accrue and either a smaller loss or a gain would accrue if the said sub-paragraph (2) did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately re-acquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (5) For the purposes of this paragraph—
- (a) “interest in land ” has the meaning given by section 44(1) of the Finance Act 1974,
 - (b) “material development” has the meaning given by paragraph 6 of Schedule 3 to the Finance Act 1974,
 - (c) the current use value of an interest in land shall be computed in accordance with Part I of the said Schedule 3, but so that, in relation to any material development which was begun before 18th December 1973, sub-paragraph (2) of paragraph 1 of that Schedule (definition of current use value) shall have effect as if the words from “other than ” to the end of the

Status: This is the original version (as it was originally enacted).

sub-paragraph (which allow for the completion of duly authorised material development already begun) were omitted,

- (d) paragraph 9 of the said Schedule 3 (date when material development is begun) shall apply as it applies for the purposes of that Schedule, and
- (e) paragraph 14 of the said Schedule 3 (meaning of material development “carried out after” a particular date) shall apply as it applies for the purposes of paragraphs 11 to 13 of that Schedule.

Allowance for betterment levy

- 10 Paragraph 9(1) above has effect subject to paragraph 21(2) of Schedule 6 to this Act (valuation at 6th April 1965 on a claim under that paragraph).

PART III

OTHER ASSETS

Apportionment by reference to straightline growth of gain or loss over period of ownership

- 11 (1) This paragraph applies subject to Parts I and II of this Schedule.
- (2) On the disposal of assets by a person whose period of ownership began before 6th April 1965 only so much of any gain accruing on the disposal as is under this paragraph to be apportioned to the period beginning with 6th April 1965 shall be a chargeable gain.
- (3) Subject to the following provisions of this Schedule, the gain shall be assumed to have grown at a uniform rate from nothing at the beginning of the period of ownership to its full amount at the time of the disposal so that, calling the part of that period before 6th April 1965, P, and the time beginning with 6th April 1965 and ending with the time of the disposal T, the fraction of the gain which is a chargeable gain is
- $$\frac{T}{P+T}$$
- (4) If any of the expenditure which is allowable as a deduction in the computation under Chapter JJ of Part II of this Act of the gain is within section 32(1)(b) of this Act—
- (a) the gain shall be attributed to the expenditure, if any, allowable under paragraph (a) of the said section 32(1) as one item of expenditure, and to the respective items of expenditure under the said section 32(1)(b) in proportion to the respective amounts of those items of expenditure,
 - (b) sub-paragraph (3) of this paragraph shall apply to the part of the gain attributed to the expenditure under the said section 32(1)(a),
 - (c) each part of the gain attributed to the items of expenditure under the said section 32(1)(b) shall be assumed to have grown at a uniform rate from nothing at the time when the relevant item of expenditure was first reflected in the value of the asset to the full amount of that part of the gain at the time of the disposal,

so that, calling the respective proportions of the gain E(0), E(1), E(2) and so on (so that they add up to unity) and calling the respective periods from the times when the items under the said section 32(1)(b) were reflected in the value of the asset to

Status: This is the original version (as it was originally enacted).

5th April 1965 P(1), P(2) and so on, and employing also the abbreviations in sub-paragraph (3) above, the fraction of the gain which is a chargeable gain is

$$E(0) \frac{T}{P+T} + E(1) \frac{T}{P(1)+T} + E(2) \frac{T}{P(2)+T}$$

and so on.

- (5) In a case within sub-paragraph (4) above where there is no initial expenditure (that is no expenditure under section 32(1)(a) of this Act) or that initial expenditure is, compared with any item of expenditure under section 32(1)(b), disproportionately small having regard to the value of the asset immediately before the subsequent item of expenditure was incurred, the part of the gain which is not attributable to the enhancement of the value of the asset due to any item of expenditure under the said section 32(1)(b) shall be deemed to be attributed to expenditure incurred at the beginning of the period of ownership and allowable under section 32(1)(a), and the part or parts of the gain attributable to expenditure under section 32(1)(b) shall be reduced accordingly.
- (6) The beginning of the period over which a gain, or a part of a gain, is, under sub-paragraphs (3) and (4) above, to be treated as growing shall not be earlier than 6th April 1945, and this sub-paragraph shall have effect notwithstanding any provision in this Schedule or elsewhere in this Act.
- (7) If in pursuance of section 35 of this Act (part disposals) an asset's market value at a date before 6th April 1965 is to be ascertained sub-paragraphs (3) to (5) above shall have effect as if that asset had been on that date sold by the owner, and immediately re-acquired by him, at that market value.
- (8) If in pursuance of section 35 of this Act an asset's market value at a date on or after 6th April 1965 is to be ascertained sub-paragraphs (3) to (5) above shall have effect as if—
 - (a) the asset on that date had been sold by the owner, and immediately re-acquired by him, at that market value, and
 - (b) accordingly, the computation of any gain on a subsequent disposal of that asset shall be computed—
 - (i) by apportioning in accordance with this paragraph the gain or loss over a period ending on the said date (the date of the part disposal), and
 - (ii) by bringing into account the entire gain or loss over the period from the date of the part disposal to the date of subsequent disposal.
- (9) For the purposes of this paragraph the period of ownership of an asset shall, where under section 36 of this Act (assets derived from other assets) account is to be taken of expenditure in respect of an asset from which the asset disposed of was derived, or where it would so apply if there were any relevant expenditure in respect of that other asset, include the period of ownership of that other asset.
- (10) If under this paragraph part only of a gain is a chargeable gain, the fraction in 102(2) of this Act (private residences: amount of relief) shall be applied to that part, instead of to the whole of the gain.

Election for valuation at 6th April 1965

- 12 (1) If the person making a disposal so elects paragraph 11 of this Schedule shall not apply in relation to that disposal and it shall be assumed, both for the purposes of computing

Status: This is the original version (as it was originally enacted).

under Chapter II of Part II of this Act the gain accruing to that person on the disposal, and for all other purposes both in relation to that person and other persons, that the assets disposed of, and any assets of which account is to be taken in relation to the disposal under section 36 of this Act, being assets which were in the ownership of the said person on 6th April 1965, were on that date sold, and immediately re-acquired, by him at their market value on the said 6th April 1965.

- (2) Sub-paragraph (1) above shall not apply in relation to a disposal of assets if on the assumption in that sub-paragraph a loss would accrue on that disposal to the person making the disposal and either a smaller loss or a gain would accrue if the said sub-paragraph (1) did not apply, but in a case where this sub-paragraph would otherwise substitute a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately re-acquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.

The displacement of sub-paragraph (1) above by this sub-paragraph shall not be taken as bringing paragraph 11 above into operation.

- (3) An election under this paragraph shall be made by notice in writing to the inspector given within two years from the end of the year of assessment or accounting period of a company in which the disposal is made or such further time as the Board may by notice in writing allow.
- (4) For the avoidance of doubt it is hereby declared that an election under this paragraph is irrevocable.
- (5) An election may not be made under this paragraph as respects, or in relation to, an asset the market value of which at a date on or after 6th April 1965, and before the date of the disposal to which the election relates, is to be ascertained in pursuance of section 35 of this Act (part disposals).

Unquoted shares, commodities, etc.

- 13 (1) This paragraph has effect as respects shares held by any person on 6th April 1965 other than shares which are to be treated under this Act as if disposed of and immediately re-acquired by him on that date.
- (2) Section 65 of this Act (pooling of shares and other assets) shall not apply in relation to the shares while that person continues to hold them and, in particular, shall not apply in relation to a disposal of the shares by him.
- (3) For the purpose of—
- (a) identifying the shares so held on 6th April 1965 with shares previously acquired, and
 - (b) identifying the shares so held on that date with shares subsequently disposed of, and distinguishing them from shares acquired subsequently,
- so far as the shares are of the same class shares bought at an earlier time shall be deemed to have been disposed of before shares bought at a later time.
- (4) Sub-paragraph (3) above has effect subject to section 66 of this Act (disposal on or before day of acquisition).
- (5) Shares shall not be treated for the purposes of this paragraph as being of the same class unless if dealt with on a recognised stock exchange in the United Kingdom

Status: This is the original version (as it was originally enacted).

or elsewhere they would be so treated, but shall be treated in accordance with this paragraph notwithstanding that they are identified in a different way by a disposal or by the transfer or delivery giving effect to it.

- (6) This paragraph, without sub-paragraph (5), shall apply in relation to any assets, other than shares, which are of a nature to be dealt with without identifying the particular assets disposed of or acquired.

Reorganisation of share capital, conversion of securities, etc.

- 14 (1) For the purposes of this Act, including Chapter II of Part II, it shall be assumed that any shares or securities held by a person on 6th April 1965 (identified in accordance with paragraph 13 above) which, in accordance with Chapter II of Part IV of this Act, are to be regarded as being or forming part of a new holding were sold and immediately re-acquired by him on 6th April 1965 at their market value on that date.
- (2) If, at any time after 5th April 1965, a person comes to have, in accordance with the said Chapter II of Part IV, a new holding sub-paragraphs (3) to (5) of paragraph 11 above shall have effect as if—
- (a) the new holding had at that time been sold by the owner, and immediately re-acquired by him, at its market value at that time, and
 - (b) accordingly, the amount of any gain on a disposal of the new holding or any part of it shall be computed—
 - (i) by apportioning in accordance with paragraph 11 above the gain or loss over a period ending at the said time, and
 - (ii) by bringing into account the entire gain or loss over the period from that time to the date of the disposal.
- (3) This paragraph shall not apply in relation to a reorganisation of a company's share capital if the new holding differs only from the original shares in being a different number, whether greater or less, of shares of the same class as the original shares.

PART IV

MISCELLANEOUS

Capital allowances

- 15 If under any provision in this Schedule it is to be assumed that any asset was on 6th April 1965 sold by the owner, and immediately re-acquired by him, sections 34 and 39 of this Act (restriction of losses by reference to capital allowances, and wasting assets qualifying for capital allowances) shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the owner in providing the asset, and so made for the year 1965-66 or for any subsequent year of assessment, as if it were made in respect of the expenditure which, on the said assumption, was incurred by him in re-acquiring the asset on 7th April 1965.

Assets transferred to close companies

- 16 (1) This paragraph has effect where—

Status: This is the original version (as it was originally enacted).

- (a) at any time, including a time before 7th April 1965, any of the persons having control of a close company, or any person who is connected with a person having control of a close company, has transferred assets to the company, and
 - (b) paragraph 11 above applies in relation to a disposal by one of the persons having control of the company of shares or securities in the company, or in relation to a disposal by a person having, up to the time of disposal, a substantial holding of shares or securities in the company, being in either case a disposal after the transfer of the assets.
- (2) So far as the gain accruing to the said person on the disposal of the shares is attributable to a profit on the assets so transferred, the period over which the gain is to be treated under paragraph 11 above as growing at a uniform rate shall begin with the time when the assets were transferred to the company, and accordingly a part of a gain attributable to a profit on assets transferred on or after 6th April 1965 shall all be a chargeable gain.
- (3) This paragraph shall not apply where a loss, and not a gain, accrues on the disposal.

Husbands and wives

- 17 Where section 44 of this Act is applied in relation to a disposal of an asset by a man to his wife, or by a man's wife to him, then in relation to a subsequent disposal of the asset (not within section 44) the one making the disposal shall be treated for the purposes of this Schedule as if the other's acquisition or provision of the asset had been his or her acquisition or provision of it.

Compensation and insurance money

- 18 Where section 21(4)(a) of this Act applies to exclude a gain which, in consequence of this Schedule, is not all chargeable gain, the amount of the reduction to be made under section 21(4)(b) (corresponding reduction in allowable expenditure in respect of new asset) shall be the amount of the chargeable gain and not the whole amount of the gain; and in section 21(5)(b) of this Act (corresponding reduction in allowable expenditure in respect of the new asset where part only of the consideration in respect of the old asset has been applied as such expenditure) for the reference to the amount by which the gain is reduced under section 21(5)(a) there shall be substituted a reference to the amount by which the chargeable gain is proportionately reduced under the said section 21(5)(a).

SCHEDULE 6

Section 157(1).

TRANSITORY

PART I

VALUATION

Preliminary

- 1 This Part of this Schedule has effect in cases where the market value of an asset or any part of it at a time before the commencement of this Act is material to the computation of a gain under this Act, and in those cases—
- (a) section 150 of this Act (which is the same as paragraph 2 below with the amendments in paragraph 4) shall not apply,
 - (b) section 152 of this Act shall only apply to the extent specified in paragraphs 5 to 8 below,
- (but sections 151 and 153 of this Act shall apply in those cases as in later cases).

Original rules

- 2 (1) “Market value ” in relation to any assets means the price which those assets might reasonably be expected to fetch on a sale in the open market.
- (2) In estimating the market value of any assets no reduction shall be made in the estimate on account of the estimate being made on the assumption that the whole of the assets is to be placed on the market at one and the same time:

Provided that where capital gains tax is chargeable, or an allowable loss accrues, in consequence of a death before 31st March 1971 and the market value of any property on the date of death taken into account for the purposes of that tax or loss has been depreciated by reason of the death the estimate of the market value shall take that depreciation into account.

- (3) The market value of shares or securities quoted on the London Stock Exchange shall, except where in consequence of special circumstances prices so quoted are by themselves not a proper measure of market value, be as follows—
- (a) the lower of the two prices shown in the quotations for the shares or securities in the Stock Exchange Official Daily List on the relevant date plus one-quarter of the difference between those two figures, or
 - (b) halfway between the highest and lowest prices at which bargains, other than bargains done at special prices, were recorded in the shares or securities for the relevant date,

choosing the amount under paragraph (a) if less than that under paragraph (b), or if no such bargains were recorded for the relevant date, and choosing the amount under paragraph (b) if less than that under paragraph (a):

Provided that—

- (i) this sub-paragraph shall not apply to shares or securities for which some other stock exchange in the United Kingdom affords a more active market, and

Status: This is the original version (as it was originally enacted).

- (ii) if the London Stock Exchange is closed on the relevant date the market value shall be ascertained by reference to the latest previous date or earliest subsequent date on which it is open, whichever affords the lower market value.
- (4) “Market value ” in relation to any rights of unit holders in any unit trust scheme the buying and selling prices of which are published regularly by the managers of the scheme shall mean an amount equal to the buying price (that is the lower price) so published on the relevant date, or if none were published on that date, on the latest date before.
- (5) In relation to an asset of a kind the sale of which is subject to restrictions imposed under the Exchange Control Act 1947 such that part of what is paid by the purchaser is not retainable by the seller the market value, as arrived at under sub-paragraph (1), (3) or (4) above, shall be subject to such adjustment as is appropriate having regard to the difference between the amount payable by a purchaser and the amount receivable by a seller.
- (6) This paragraph has effect subject to the following provisions of this Part of this Schedule.

Value of quoted securities on 6th April 1965

- 3 (1) For the purpose of ascertaining the market value of any shares or securities in accordance with paragraph 1(2) of Schedule 5 to this Act, paragraph 2 above shall have effect subject to the provisions of this paragraph.
- (2) Sub-paragraph (3)(a) of that paragraph shall have effect as if for the words, “one-quarter ” there were substituted the words “one-half ”, and as between the amount under paragraph (a) and the amount under paragraph (b) of that sub-paragraph the higher, and not the lower, amount shall be chosen.
- (3) Sub-paragraph (4) of that paragraph shall have effect as if for the reference to an amount equal to the buying price there were substituted a reference to an amount halfway between the buying and selling prices.
- (4) Where the market value of any shares or securities not within the said sub-paragraph (3) falls to be ascertained by reference to a pair of prices quoted on a stock exchange, an adjustment shall be made so as to increase the market value by an amount corresponding to that by which any market value is increased under sub-paragraph (2) above.

References to Stock Exchange on or after 25th March 1973

- 4 Except in relation to anything done before 25th March 1973, paragraph 2(3) above shall have effect subject to the following amendments—
 - (a) for the words “quoted on the London Stock Exchange ” there shall be substituted the words “listed in The Stock Exchange Daily Official List ” and for the words “so quoted ” the words “quoted in that List ”;
 - (b) for the words “the Stock Exchange Official Daily List ” there shall be substituted the words “The Stock Exchange Daily Official List ”;
 - (c) for the words “some other stock exchange in the United Kingdom affords a more active market” there shall be substituted the words “The Stock

Status: This is the original version (as it was originally enacted).

Exchange provides a more active market elsewhere than on the London trading floor ”; and

- (d) for the words “if the London Stock Exchange is closed ” there shall be substituted the words “if the London trading floor is closed ”.

*Unquoted shares and securities: application of section 152
to acquisitions before commencement of this Act*

5 Paragraphs 6 to 8 below shall have effect with respect to the application of section 152 of this Act, and in those paragraphs “asset ” means an asset to which that section applies.

6 Subject to paragraphs 7 and 8 below, if the market value of an asset or any part of it at the time of its acquisition is material to the computation of any chargeable gain under this Act then, notwithstanding that the acquisition may have occurred before 6th July 1973 (the date on which the provision re-enacted in section 152 of this Act first came into operation as respects disposals) or that the market value of the asset at the time of its acquisition may have been fixed for the purposes of a contemporaneous disposal, section 152 of this Act shall apply for the purposes of the determination of the market value of the asset or, as the case may be, that part of it at the time of its acquisition.

Unquoted shares or securities: acquisition on death

7 (1) This paragraph applies if, in a case where the market value of an asset at the time of its acquisition is material as mentioned in paragraph 6 above,—

- (a) the acquisition took place on the occasion of a death occurring after 30th March 1971 and before 6th July 1973, and
(b) by virtue of paragraph 9 below, the principal value of the asset for the purposes of estate duty on that death would, apart from this paragraph, be taken to be the market value of the asset at the date of the death for the purposes of this Act.

(2) If the principal value referred to in sub-paragraph (1)(b) above falls to be determined as mentioned in section 55 of the Finance Act 1940 or section 15 of the Finance (No. 2) Act (Northern Ireland) 1946 (certain controlling shareholdings to be valued on an assets basis), nothing in section 152 of this Act shall affect the operation of paragraph 9 below for the purpose of determining the market value of the asset at the date of the death.

(3) If sub-paragraph (2) above does not apply, paragraph 9 below shall not apply as mentioned in sub-paragraph (1)(b) above and the market value of the asset on its acquisition at the date of the death shall be determined in accordance with paragraphs 2 and 6 above.

Unquoted shares or securities : prior part disposal

8 (1) In any case where—

- (a) before 6th July 1973 there has been a part disposal of an asset to which section 152 of this Act applies (in this paragraph referred to as “the earlier disposal ”), and
(b) by virtue of any enactment, the acquisition of the asset or any part of it was deemed to be for a consideration equal to its market value, and

Status: This is the original version (as it was originally enacted).

- (c) on or after 6th July 1973 there is a disposal (including a part disposal) of the property which remained undisposed of immediately before that date (in this paragraph referred to as “the later disposal”),
- sub-paragraph (2) below shall apply in computing any chargeable gain accruing on the later disposal.
- (2) Where this sub-paragraph applies, the apportionment made by virtue of paragraph 7 of Schedule 6 to the Finance Act 1965 (corresponding to section 35 of this Act) on the occasion of the earlier disposal shall be recalculated on the basis that section 152(3) of this Act was in force at the time, and applied for the purposes, of the determination of—
- (a) the market value referred to in sub-paragraph (1)(b) above, and
 - (b) the market value of the property which remained undisposed of after the earlier disposal, and
 - (c) if the consideration for the earlier disposal was, by virtue of any enactment, deemed to be equal to the market value of the property disposed of, that market value.

Value determined for estate duty

- 9 (1) Where estate duty (including estate duty leviable under the law of Northern Ireland) is chargeable in respect of any property passing on a death after 30th March 1971 and the principal value of an asset forming part of that property has been ascertained (whether in any proceedings or otherwise) for the purposes of that duty, the principal value so ascertained shall, subject to paragraph 7(3) above, be taken for the purposes of this Act to be the market value of that asset at the date of the death.
- (2) Where the principal value has been reduced under section 35 of the Finance Act 1968 or section 1 of the Finance Act (Northern Ireland) 1968 (tapering relief for gifts inter vivos etc.), the reference in sub-paragraph (1) above to the principal value as ascertained for the purposes of estate duty is a reference to that value as so ascertained before the reduction.

PART II

ASSETS ACQUIRED BEFORE COMMENCEMENT

Events before commencement

- 10 (1) The substitution of this Act for the corresponding enactments repealed by this Act shall not alter the effect of any provision enacted before this Act (whether or not there is a corresponding provision in this Act) so far as it determines whether and to what extent events in, or expenditure incurred in, or other amounts referable to, a period earlier than the chargeable periods to which this Act applies may be taken into account for any tax purposes in a chargeable period to which this Act applies.
- (2) Without prejudice to sub-paragraph (1) above, the repeals made by this Act shall not affect—
- (a) the enactments specified in Part V of Schedule 14 to the Finance Act 1971 (charge on death) so far as their operation before repeal falls to be taken into account in chargeable periods to which this Act applies,

Status: This is the original version (as it was originally enacted).

- (b) the application of the enactments repealed by this Act to events before 6th April 1965 in accordance with paragraph 31 of Schedule 6 to the Finance Act 1965.
- (3) This paragraph has no application to the law relating to the determination of the market value of assets (which is stated for all relevant times and occasions in Part I of this Schedule, with Part VIII of this Act).

PART III

OTHER TRANSITORY PROVISIONS

Value-shifting

- 11 Section 26 of this Act applies only where the reduction in value mentioned in subsection (1) of that section (or, in a case within subsection (8) of that section, the reduction or increase in value) is after 29th March 1977.

Assets acquired on disposal chargeable under Case VII of Schedule D

- 12 (1) In this paragraph references to a disposal chargeable under Case VII are references to cases where the acquisition and disposal was in circumstances that the gain accruing on it was chargeable under Case VII of Schedule D, or where it would have been so chargeable if there were a gain so accruing.
- (2) The amount or value of the consideration for the acquisition of an asset by the person acquiring it on a disposal chargeable under Case VII shall not under any provision of this Act be deemed to be an amount greater than the amount taken into account as consideration on that disposal for the purposes of Case VII.
- (3) Any apportionment of consideration or expenditure falling to be made in relation to a disposal chargeable under Case VII in accordance with section 164(4) of the Taxes Act, and in particular in a case where section 164(6) of that Act (enhancement of value of land by acquisition of adjoining land) applied, shall be followed for the purposes of this Act both in relation to a disposal of the assets acquired on the disposal chargeable under Case VII and, where the disposal chargeable under Case VII was a part disposal, in relation to a disposal of what remains undisposed of.
- (4) Sub-paragraph (3) above has effect notwithstanding section 43(4) of this Act (general provisions for apportionment).

Unrelieved Case VII losses

- 13 Where no relief from income tax (for a year earlier than 1971-72) has been given in respect of a loss or part of a loss allowable under Case VII of Schedule D the loss or part shall, notwithstanding that the loss accrued before that year, be an allowable loss for the purposes of capital gains tax, but subject to any restrictions imposed by section 62 of this Act (transactions between connected persons).

Dispositions before 27th March 1974 which attract capital transfer tax

- 14 Paragraphs 15 and 16 below have effect in respect of dispositions before 27th March 1974 where the disponent dies before 27th March 1981.

Status: This is the original version (as it was originally enacted).

Gifts subject to capital transfer tax on death

- 15 (1) Where the value of any asset comprised in a gift inter vivos is by virtue of section 22(5) of the Finance Act 1975 included in the value of the estate of any person for the purposes of capital transfer tax, and at the time of that person's death the asset—
- (a) is owned by the donee, or
 - (b) is property settled by the gift or property which for the purposes of section 38 of the Finance Act 1957 would by virtue of subsection (9) thereof be treated as property settled by the gift,
- then, subject to sub-paragraph (2) below, the asset shall for the purposes of this Act be deemed to be disposed of and immediately re-acquired at that time by the donee or trustee for a consideration equal to the value so included; but no chargeable gain shall accrue on the disposal.
- (2) Where the value so included is reduced by virtue of section 35 of the Finance Act 1968, the appropriate portion only of the asset shall be deemed to be so disposed of and re-acquired ; and for this purpose the appropriate portion is the reduced value so included divided by the value before the reduction.

Life interest terminated on death on which capital transfer tax is chargeable

- 16 Where a life interest within the meaning of section 55 of this Act in settled property is terminated by the death of a person on whose death capital transfer tax is chargeable under section 22 of the Finance Act 1975 and, under subsection (5) of that section, a value falls to be included in respect of the settled property, then—
- (a) if that value is the principal value of the property, section 56 of this Act shall apply as if that person had been entitled to the life interest at his death, and
 - (b) if that value is a value reduced by any percentage under paragraph 3 of Part II of Schedule 17 to the Finance Act 1969, any chargeable gain or allowable loss accruing on the disposal deemed to be made under section 54(1) or 55(1) of this Act shall be reduced by the complementary percentage, that is to say the percentage found by subtracting the first-mentioned percentage from one hundred per cent.

Devaluation of sterling: securities acquired with borrowed foreign currency

- 17 (1) This paragraph applies where, in pursuance of permission granted under the Exchange Control Act 1947, currency other than sterling was borrowed before 19th November 1967 for the purpose of investing in foreign securities (and had not been repaid before that date), and it was a condition of the permission—
- (a) that repayment of the borrowed currency should be made from the proceeds of the sale in foreign currency of the foreign securities so acquired or out of investment currency, and
 - (b) that the foreign securities so acquired should be kept in separate accounts to distinguish them from others in the same ownership,
- and securities held in such a separate account on 19th November 1967 are in this paragraph referred to as “designated securities”.
- (2) In computing the gain accruing to the borrower on the disposal of any designated securities or on the disposal of any currency or amount standing in a bank account

Status: This is the original version (as it was originally enacted).

on 19th November 1967 and representing the loan the sums allowable as a deduction under section 32(1)(a) of this Act shall be increased by multiplying by seven sixths :

Provided that the total amount of the increases so made in computing all gains (and losses) which are referable to any one loan (made before 19th November 1967) shall not exceed one sixth of the sterling parity value of that loan at the time it was made.

- (3) Section 65 of this Act (rules for identification: pooling) shall apply separately in relation to any designated securities held in a particular account until such time as a disposal takes place on the occurrence of which the proviso to sub-paragraph (2) above operates to limit the increases which would otherwise be made under that sub-paragraph in allowable deductions.
- (4) In this paragraph and paragraph 18 below “foreign securities ” means securities expressed in a currency other than sterling, or shares having a nominal value expressed in a currency other than sterling, or the dividends on which are payable in a currency other than sterling.

Devaluation of sterling: foreign insurance funds

- 18 (1) The sums allowable as a deduction under section 32(1)(a) of this Act in computing any gains to which this paragraph applies shall be increased by multiplying by seven-sixths.
- (2) This paragraph applies to gains accruing—
- (a) to any underwriting member of Lloyd's or to any other approved association of underwriters, or
 - (b) to any company engaged in the business of marine protection and indemnity insurance on a mutual basis,
- on the disposal by that person after 18th November 1967 of any foreign securities which on that date formed part of a trust fund—
- (i) established by that person in any country or territory outside the United Kingdom, and
 - (ii) representing premiums received in the course of that person's business, and
 - (iii) wholly or mainly used for the purpose of meeting liabilities arising in that country or territory in respect of that business.

Gilt-edged securities past redemption date

- 19 So far as material for the purposes of this or any other Act, the definition of “gilt-edged securities ” in Schedule 2 to this Act shall include any securities which were specified securities for the purposes of section 41 of the Finance Act 1969, and the redemption date of which fell before 1st January 1979.

Reorganisation of share capital, conversion of securities, etc.

- 20 (1) Chapter II of Part IV of this Act has effect subject to the provisions of this paragraph.
- (2) The substitution of the said Chapter II for the enactments repealed by this Act shall not alter the law applicable to any reorganisation or reduction of share capital, conversion of securities or company amalgamation taking place before the commencement of this Act.

- (3) Sub-paragraph (2) above applies in particular to the law determining whether or not any assets arising on an event mentioned in that sub-paragraph are to be treated as the same asset as the original holding of shares, securities or other assets.
