

Finance Act 1981

1981 CHAPTER 35

PART VII

PETROLEUM REVENUE TAX

111 Restriction of expenditure supplement.

(1) Expenditure taken into account under section 2(9) (b)(i) or (c)(i) of the ^{M1}Oil Taxation Act 1975 (“the principal Act”) in computing the assessable profit or allowable loss accruing to a participator in a chargeable period from an oil field shall not qualify for supplement under section 2(9)(b)(ii) or (c)(ii) of that Act if it is incurred after the end of the chargeable period (“the net profit period”) [^{F1}which is the earliest chargeable period ending after a development decision has been made for the field in which—

- (a) the amount of oil won and saved from the field exceeds 1,000 metric tonnes (counting 1,100 cubic metres of gas at a temperature of 15 degrees centigrade and pressure of one atmosphere as equivalent to one metric tonne); and
- (b) a net profit from the field accrues to the participator;

and subsection (7) of section 5A of the principal Act (time when development decision is made) shall apply for the purposes of this subsection as it applies for the purposes of subsection (1)(c) of that section.]

(2) Subject to subsections (3) and (4) below, a net profit shall be treated as having accrued to a participator from an oil field in a chargeable period when the total assessable profits (without any reduction under section 7 or 8 of the principal Act) that have accrued to him from the field in chargeable periods up to and including that period [^{F2}exceed the aggregate of the total allowable losses that have so accrued to him and the total amount of advance petroleum revenue tax paid by him in respect of that field for chargeable periods up to and including that period].

[^{F3}(2A) For the purposes of subsection (2) above the total amount of advance petroleum revenue tax paid by the participator does not include any amount of that tax repaid to him before the end of the chargeable period first referred to in that subsection or any amount of that tax subsequently repaid to him under section 142(1) of the Finance Act 1982 or under paragraph 9 of Schedule 19 to that Act.]

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1981, Part VII. (See end of Document for details)

- (3) In determining for the purposes of subsection (2) above whether any, and if so what, assessable profit or allowable loss has accrued to a participator from an oil field in a chargeable period—
- (a) there shall be excluded from its computation any expenditure allowed under Schedule 7 and any loss allowed under Schedule 8 to the principal Act [^{F4}(abortive exploration expenditure [^{F5}exploration and appraisal expenditure] and unrelievable field losses);]
 - (b) any election under paragraph 9(1) of Schedule 3 to that Act (spreading of allowable expenditure) shall be disregarded; and
 - (c) in the case of the last chargeable period taken into account in deciding what is the net profit period there shall be included in that computation any amount which, by reason of an adjustment under section 4(9) of that Act (long-term assets) for a claim period ending not later than that period, will fall to be taken into account under paragraph 6 of Schedule 4 to that Act for the next chargeable period [^{F6}and
 - (d) if any qualifying tariff receipts, within the meaning of section 9 of the Oil Taxation Act 1983, are received or receivable by the participator for that period, any amount by which those receipts are treated as reduced by virtue of that section shall be brought into account in that computation as an addition to the positive amounts referred to in section 2(3)(a) of the principal Act].
- (4) A net profit shall not by virtue of subsection (2) above be treated as having accrued to a participator from an oil field in a chargeable period if—
- (a) after an assessment or determination has been made in respect of that period under paragraph 10 of Schedule 2 to the principal Act any expenditure incurred before the end period is allowed on a claim under Schedule 5 or Schedule 6 to that Act; and
 - (b) a net profit would not have accrued to the participator from the field in that period if that expenditure (or, as respects expenditure allowed under Schedule 5, his share of it) had been taken into account in the assessment or determination together with any amount falling to be taken into account under section 2(9)(b)(ii) or (c)(ii) of the principal Act by reference to (or, as the case may be, to his share of) that expenditure.
- (5) The expenditure referred to in subsection (4) above does not include expenditure allowed for any claim period beginning after the chargeable period in respect of which the assessment or determination was made.
- (6) In the following provisions, that is to say—
- (a) paragraphs 2(4)(a) and 3(1)(b) of Schedule 5 to the principal Act (claims for and determination of expenditure qualifying for supplement), including those paragraphs as applied by Schedule 6 to that Act;
 - (b) paragraph 2(4)(b) of the Schedule to the ^{M2}Petroleum Revenue Tax Act 1980 (computation of payment on account),
- references to expenditure qualifying for supplement shall include references to expenditure that would so qualify apart from this section; but the responsible person need not make a claim under paragraph 2(4)(a) of the said Schedule 5 if it appears to him that none of the expenditure is likely to qualify because of this section.
- (7) This section applies whether the net profit period ends before or after the passing of this Act but subsection (1) above shall not disqualify any expenditure which was incurred

^{X1}114 Restriction of limit on amount of tax payable.

(1) For section 9 of the principal Act (annual limit on amount of tax payable by participator) there shall be substituted—

(1) The tax payable by a participator in an oil field for any chargeable period to which this subsection applies shall not exceed 80 per cent. of the amount (if any) by which his adjusted profit for that period (as defined in this section) exceeds 15 per cent. of his accumulated capital expenditure at the end of that period (as so defined).

(1A) Subsection (1) above applies to—

- (a) any chargeable period from the first chargeable period up to and including the period which is the participator’s net profit period for the field for the purposes of section 111 of the Finance Act 1981 or where section 113 of that Act applies, up to and including the earlier of the periods mentioned in subsection (2) of that section; and
- (b) any subsequent chargeable period up to such number of periods as is equal to half the number of chargeable periods included in paragraph (a) above (counting any resulting fraction of a period as a whole period).

- (a) there shall be ascertained—
 - (i) the assessable profit (without any reduction under section 7 or 8 of this Act) or allowable loss accruing to him in that period; and
 - (ii) the total amount taken into account under section 2(9)(b), (c), (d) and (e) of this Act in computing that profit or loss, excluding expenditure so taken into account under section 2(9)(b)(i) or (c)(i) which was not allowed as qualifying for supplement under section 2(9)(b)(ii) or (c)(ii);
- (b) if there is a profit under paragraph (a)(i) above, the sum of that profit and the total ascertained under paragraph (a)(ii) above is his adjusted profit for the period;
- (c) if there is a loss under paragraph (a)(i) above smaller than the total ascertained under paragraph (a)(ii) above, the difference is his adjusted profit for the period.

(3) The accumulated capital expenditure of a participator in an oil field at the end of any chargeable period is the total amount of expenditure taken into account under section 2(9)(b)(i) and (c)(i) of this Act in computing the assessable profit or allowable loss accruing to him in that period and all earlier chargeable periods excluding all expenditure so taken into account which was not allowed as qualifying for supplement under section 2(9)(b)(ii) or (c)(ii).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1981, Part VII. (See end of Document for details)

- (4) Where a participator has made an election under paragraph 9(1) of Schedule 3 to this Act the amount of any reduction by virtue of this section in the tax payable by him for any chargeable period shall not be greater than it would have been if he had not made any such election and for the purposes of subsection (3) above his accumulated capital expenditure at the end of any chargeable period shall be taken to be what it would have been if he had made no such election.”

- (a) the amount required to be paid under it by the person incurring the expenditure is less than £10 million; or
 - (b) it is reasonable to expect, at the time when the contract is entered into—

- (3) The payment or payments referred to in subsection (2)(b)(ii) above must be such that the amount to be paid up to any time after the date on which the other party to the contract begins to perform it is equal to not less than 75 per cent. of the amount that would have become payable up to that time if—
 - (a) the payments required to be made under the contract were such that the first of them was payable within six months after that date and each subsequent one within six months after the previous one; and
 - (b) the first of the payments were required to be of an amount proportionate to the extent to which the contract has been performed by that party since that date and each subsequent one to be of an amount proportionate to the extent to which the contract has been so performed since the previous payment was required to be made.
- (4) Where a contract requires a payment in respect of any period or in respect of the completion of any stage in the performance of the contract to be made within three months after the end of that period or within three months after the completion of that stage the amount to be paid up to any time shall be determined for the purposes of subsection (3) above as if the payment were required to be made at the end of that period or on completion of that stage.
- (5) Where a contract provides for payments in respect of the completion of stages in the performance of separate parts of the work specified in the contract, the payments under the contract shall be treated as complying with subsection (3) above if the payments attributable to each part of the contract would have complied with that subsection if that part had been the subject of a separate contract.

- “9

 - (b) that any excess shall be dealt with in accordance with the following provisions of this paragraph.
 - (2) Subject to sub-paragraphs (3) and (4) below, one-twentieth of any excess of the relief over the amount specified for the chargeable period in question shall be taken into account in computing the assessable profit or allowable loss accruing to the participator from the field in each of the next twenty chargeable periods.
 - (3) A participator may, in the first notice given by him under sub-paragraph (1) above in respect of a field, elect that sub-paragraph (2) above shall have effect in relation to that and any subsequent notice given by him in respect of that field with the substitution for the denominator of the fraction and the number of chargeable periods of such number, being three, five, ten or fifteen, as is specified in the election.

- (6) Any tax charged or repayable in respect of the first four chargeable periods of an oil field in consequence of an election under this paragraph shall not carry interest under paragraph 15 or 16 of Schedule 2 to this Act in respect of any period before the date of the election.
- (7) In this paragraph “relief for supplemental expenditure” means the amount attributable to expenditure qualifying for supplement under paragraph (b) (ii) or (c)(ii) of section 2(9) of this Act which would, apart from any election under this paragraph, fall to be taken into account under paragraph (b) or (c) of section 2(9) in computing the assessable profit or allowable loss accruing to the participator from the field in the chargeable period in question; and the reference in this sub-paragraph to the amount attributable to expenditure qualifying for supplement as aforesaid includes the amount attributable to the expenditure itself as well as to the amount calculated by reference to it under the said paragraph (b) (ii) or (c)(ii).”

(2) For paragraph 10 of Schedule 3 to the principal Act there shall be substituted—

“10 Where a participator has made an election under paragraph 9(1) above the reduction to be made in his case under section 8(1) of this Act for any chargeable period (whether or not that to which the election relates) shall not be greater than it would have been if he had made no such election.”
