(1CD) Subsections (1CA) to (1CC) above shall be construed in accordance with section 437A.”

(3) After that section there shall be inserted the following section—

- (c) those payments include a payment (“a reduced payment”) of an amount which is substantially smaller than the amount of at least one of the earlier payments in respect of that annuity to which the annuitant is entitled.

(2) Where there are different intervals between payments to which an annuitant is entitled in respect of any annuity, the question whether or not the conditions in subsection (1)(b) and (c) above are satisfied in the case of that annuity shall be determined by assuming—

- (a) that the annuitant’s entitlement, after the first payment, to payments in respect of that annuity is an entitlement to payments at yearly intervals on the anniversary of the first payment; and
- (b) that the amount to which the annuitant is assumed to be entitled on each such anniversary is equal to the annuitant’s assumed entitlement for the year ending with that anniversary.

(3) For the purposes of subsection (2) above an annuitant’s assumed entitlement for any year shall be determined as follows—

- (a) the annuitant’s entitlement to each payment in respect of the annuity shall be taken to accrue at a constant rate during the interval between the previous payment and that payment; and

  - (i) is substantially smaller than the amount of, or
  - (ii) accrues at a rate substantially less than, an earlier payment in respect of that annuity, and
- (b) the annuitant or, as the case may be, every annuitant is an individual who is beneficially entitled to all the rights conferred on him as such an annuitant,

that question shall be determined without regard to so much of the difference between the amounts or rates as is referable to a reduction falling to be made as a result of the occurrence of a death.

(7) Where any agreement or arrangement has effect for varying the rights of an annuitant in relation to a payment in respect of any annuity, that payment shall be taken, for the purposes of section 437(1CA) to (1CC) and this section, to be a payment of the amount to which the annuitant is entitled in accordance with that agreement or arrangement.

## 89 Earn-out rights.

- (1) After section 138 of the Taxation of Chargeable Gains Act 1992 there shall be inserted the following section—

### “138A Use of earn-out rights for exchange of securities.

- (1) For the purposes of this section an earn-out right is so much of any right conferred on any person (“the seller”) as—
- (a) constitutes the whole or any part of the consideration for the transfer by him of shares in or debentures of a company (“the old securities”);
  - (b) consists in a right to be issued with shares in or debentures of another company (“the new company”);
  - (c) is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the new securities”) is unascertainable at the time when the right is conferred; and
  - (d) is not capable of being discharged in accordance with its terms otherwise than by the issue of the new securities.
- (2) Where—
- (a) there is an earn-out right,
  - (b) the exchange of the old securities for the earn-out right is an exchange to which section 135 would apply, in a manner unaffected by section 137, if the earn-out right were an ascertainable amount of shares in or debentures of the new company, and
  - (c) the seller elects under this section for the earn-out right to be treated as a security of the new company,
- this Act shall have effect, in the case of the seller and every other person who from time to time has the earn-out right, in accordance with the assumptions specified in subsection (3) below.
- (3) Those assumptions are—
- (a) that the earn-out right is a security within the definition in section 132;
  - (b) that the security consisting in the earn-out right is a security of the new company and is incapable of being a qualifying corporate bond for the purposes of this Act;
  - (c) that references in this Act (including those in this section) to a debenture include references to a right that is assumed to be a security in accordance with paragraph (a) above; and

- (d) that the issue of shares or debentures in pursuance of such a right constitutes the conversion of the right, in so far as it is discharged by the issue, into the shares or debentures that are issued.
- (4) For the purposes of this section where—
- (a) any right which is assumed, in accordance with this section, to be a security of a company (“the old right”) is extinguished,
  - (b) the whole of the consideration for the extinguishment of the old right consists in another right (“the new right”) to be issued with shares in or debentures of that company,
  - (c) the new right is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the replacement securities”) is unascertainable at the time when the old right is extinguished,
  - (d) the new right is not capable of being discharged in accordance with its terms otherwise than by the issue of the replacement securities, and
  - (e) the person on whom the new right is conferred elects under this section for it to be treated as a security of that company,
- the assumptions specified in subsection (3) above shall have effect in relation to the new right, in the case of that person and every other person who from time to time has the new right, as they had effect in relation to the old right.
- (5) An election under this section in respect of any right must be made, by a notice given to an officer of the Board—
- (a) in the case of an election by a company within the charge to corporation tax, within the period of two years from the end of the accounting period in which the right is conferred; and
  - (b) in any other case, on or before the first anniversary of the 31st January next following the year of assessment in which that right is conferred.
- (6) An election under this section shall be irrevocable.
- (7) Subject to subsections (8) to (10) below, where any right to be issued with shares in or debentures of a company is conferred on any person, the value or quantity of the shares or debentures to be issued in pursuance of that right shall be taken for the purposes of this section to be unascertainable at a particular time if, and only if—
- (a) it is made referable to matters relating to any business or assets of one or more relevant companies; and
  - (b) those matters are uncertain at that time on account of future business or future assets being included in the business or assets to which they relate.
- (8) Where a right to be issued with shares or debentures is conferred wholly or partly in consideration for the transfer of other shares or debentures or the extinguishment of any right, the value and quantity of the shares or debentures to be issued shall not be taken for the purposes of this section to be unascertainable in any case where, if—
- (a) the transfer or extinguishment were a disposal, and
  - (b) a gain on that disposal fell to be computed in accordance with this Act,
- the shares or debentures to be issued would, in pursuance of section 48, be themselves regarded as, or as included in, the consideration for the disposal.

- (9) Where any right to be issued with shares in or debentures of a company comprises an option to choose between shares in that company and debentures of that company, the existence of that option shall not, by itself, be taken for the purposes of this section either—
- (a) to make unascertainable the value or quantity of the shares or debentures to be issued; or
  - (b) to prevent the requirements of subsection (1)(b) and (d) or (4)(b) and (d) above from being satisfied in relation to that right.
- (10) For the purposes of this section the value or quantity of shares or debentures shall not be taken to be unascertainable by reason only that it has not been fixed if it will be fixed by reference to the other and the other is ascertainable.

- (3) Subject to subsections (4) to (6) below, an election under section 138A of the Taxation of Chargeable Gains Act 1992 in respect of a right conferred on any person before 26th November 1996 may be made at any time before the end of the period for the making of such an election in respect of a right conferred on that person on that date.

- (6) Where—
- (a) any person has given a notification to an officer of the Board before the day on which this Act is passed, and
  - (b) that notification was given either—
    - (i) in anticipation of the right to make an election under section 138A of the Taxation of Chargeable Gains Act 1992, or

#### *Existing schemes where this Part does not at first apply*

- 13 (1) This paragraph applies in any case where—
- (a) the lease of the asset forms part of an existing scheme, but
  - (b) the conditions in paragraph 3 above become satisfied after 26th November 1996.
- (2) This Schedule shall have effect as if a period of account of the current lessor ended, and another period of account of his began—
- (a) immediately before the time at which the conditions in paragraph 3 above become satisfied as mentioned in sub-paragraph (1)(b) above; and
  - (b) immediately after the time at which those conditions become so satisfied.
- (3) If, on the assumption that this Part of this Schedule (other than this paragraph) had applied in the case of the lease at all times on or after 26th November 1996, there would be an amount of cumulative accountancy rental excess for the period of account of the current lessor in which the conditions in paragraph 3 above become satisfied, then—

- (4) If, on the assumption that this Part of this Schedule (other than this paragraph) had applied in the case of the lease at all times on or after 26th November 1996, there would be an amount of cumulative normal rental excess for the period of account of the current lessor in which the conditions in paragraph 3 above become satisfied, that amount shall be the cumulative normal rental excess for that period of account.
- (5) The amount of rent mentioned in sub-paragraph (3)(b) above—

  - (b) shall be left out of account for the purposes of paragraph 5 above.
- (6) Where a person is treated under sub-paragraph (3)(b) above as if he had in a period of account been entitled to, and there had arisen to him, any rent, the rent shall be treated for tax purposes as if it had accrued, and he had become entitled to it, immediately before the end of that period of account.
- [<sup>F163</sup>(7) In determining for the purposes of this paragraph the amount which would, on the assumption in sub-paragraph (3) or (4) above, be the amount of—
- (a) the cumulative accountancy rental excess, or
  - (b) the cumulative normal rental excess,
- for the period of account of the current lessor in which the conditions in paragraph 3 above become satisfied, any amount of relief given for a period of account on a claim under section 41 of the Taxes Act 1988 shall be treated as if it had instead been given under paragraph 8(4) above for that period of account.]

- 14 If—
- (a) the conditions in paragraph 3 above become satisfied in the case of the lease of the asset, and
