COMMENTARY

Part 19: Debentures

Section 744: Register of debenture holders: right to inspect and require copy

1039. This section replaces part of section 191 of the 1985 Act. It modifies the existing right of public access to any register of debenture holders kept by a company. The changes mirror similar requirements in Part 8 relating to the register of members. *Subsections (3) and (4)* require those seeking to inspect or to be provided with a copy of the register to provide their names and addresses, the purpose for which the information will be used, and, if the access is sought on behalf of others, similar information for them.
