COMMENTARY

Part 34: Overseas Companies

Section 1053: Other returns etc

1352. This section applies to overseas companies that are required to register particulars under section 1046. It confers on the Secretary of State a power to make regulations requiring those companies to deliver returns to the registrar if they are being wound up or subjected to insolvency proceedings. The regulations may also require the liquidator of such a company to deliver returns to the registrar. They may specify the circumstances in which a return is to be made to the registrar. For example, on termination of the winding-up. The regulations may specify the information to be included in the return and set deadlines for sending it to the registrar (*subsection (3)*). They may require notice to be given to the registrar of certain appointments (*subsections (4) and (5)*).
1353. The regulations will replace sections 703P and 703Q of the 1985 Act. The regulations will be subject to the affirmative resolution procedure.
