COMMENTARY ON SECTIONS

Part 1: Apprenticeships, Study and Training

Chapter 1: Apprenticeships

Specification of apprenticeship standards: England

Section 26: Replacement or modification: recognised English frameworks

64. If a new specification of apprenticeship standards for England is given effect to under section 24, or if an existing specification is modified under section 25, frameworks that have already been issued under section 14 may not comply with the requirements of the new or modified specification. *Subsection (1)* provides that a recognised English framework that fails to comply with a new or modified specification will not automatically cease to be recognised. But *subsection (2)* provides that an order under section 24, which would be subject to the negative resolution procedure, may provide for such a framework to cease to have effect as a recognised English framework.
