DOUBLE TAXATION RELIEF

CHAPTER 1

DOUBLE TAXATION ARRANGEMENTS AND UNILATERAL RELIEF ARRANGEMENTS

Double taxation arrangements

2 Giving effect to arrangements made in relation to other territories

- (1) If Her Majesty by Order in Council declares—
- (a) that arrangements specified in the Order have been made in relation to any territory outside the United Kingdom with a view to affording relief from double taxation in relation to taxes within subsection (3), and
 - (b) that it is expedient that those arrangements should have effect, those arrangements have effect.
- (2) If arrangements have effect under subsection (1), they have effect in accordance with section 6.
- (3) The taxes are—
- (a) income tax,
 - (b) corporation tax,
 - (c) capital gains tax,
 - (d) petroleum revenue tax, and
 - (e) any taxes imposed by the law of the territory that are of a similar character to taxes within paragraphs (a) to (d).
- (4) In this Part “double taxation arrangements” means arrangements that have effect under subsection (1).

3 Arrangements may include retrospective or supplementary provision

- (1) Section 2(1) gives effect to arrangements even if the arrangements include—
- (a) provision for relief from tax for periods before the passing of this Act, or

- (b) provision for relief from tax for periods before the making of the arrangements.
- (2) Section 2(1) gives effect to arrangements even if the arrangements include—
- (a) provision as to income that is not subject to double taxation,
 - (b) provision as to chargeable gains that are not subject to double taxation, or
 - (c) provision as to foreign-field consideration that is not subject to double taxation.
- (3) In subsection (2)(c) “foreign-field consideration” means consideration brought into charge to tax under section 12 of the Oil Taxation Act 1983 (charge to petroleum revenue tax on consideration in respect of United Kingdom use of a foreign field asset).

4 Meaning of “double taxation” in sections 2 and 3

- (1) For the purposes of sections 2 and 3, any amount within subsection (2) is to be treated as having been payable.
- (2) An amount is within this subsection if it is an amount of tax that would have been payable under the law of a territory outside the United Kingdom but for a relief—
- (a) given under the law of the territory with a view to promoting industrial, commercial, scientific, educational or other development in a territory outside the United Kingdom, and
 - (b) about which provision is made in double taxation arrangements.
- (3) References in sections 2 and 3 to double taxation are to be read in accordance with subsection (1).

5 Orders under section 2: contents and procedure

- (1) If an Order under section 2 (“the later Order”) revokes an earlier Order under that section, the later Order may contain transitional provisions that appear to Her Majesty to be necessary or expedient.
- (2) An Order under section 2 is not to be submitted to Her Majesty in Council unless a draft of the Order has been laid before and approved by a resolution of the House of Commons.

6 The effect given by section 2 to double taxation arrangements

- (1) Subject to this Part and Part 18 of ICTA, double taxation arrangements have effect in accordance with subsections (2) to (4) despite anything in any enactment.
- (2) Double taxation arrangements have effect in relation to income tax and corporation tax so far as the arrangements provide—
- (a) for relief from income tax or corporation tax,
 - (b) for taxing income of non-UK resident persons that arises from sources in the United Kingdom,
 - (c) for taxing chargeable gains accruing to non-UK resident persons on the disposal of assets in the United Kingdom,
 - (d) for determining the income or chargeable gains to be attributed to non-UK resident persons,

- (e) for determining the income or chargeable gains to be attributed to agencies, branches or establishments in the United Kingdom of non-UK resident persons,
 - (f) for determining the income or chargeable gains to be attributed to UK resident persons who have special relationships with non-UK resident persons, or
 - (g) for conferring on non-UK resident persons the right to a tax credit under section 397(1) of ITTOIA 2005 in respect of qualifying distributions made to them by UK resident companies.
- (3) Double taxation arrangements have effect in relation to capital gains tax so far as the arrangements provide—
- (a) for relief from capital gains tax,
 - (b) for taxing capital gains accruing to non-UK resident persons on the disposal of assets in the United Kingdom,
 - (c) for determining the capital gains to be attributed to non-UK resident persons,
 - (d) for determining the capital gains to be attributed to agencies, branches or establishments in the United Kingdom of non-UK resident persons, or
 - (e) for determining the capital gains to be attributed to UK resident persons who have special relationships with non-UK resident persons.
- (4) Double taxation arrangements have effect in relation to petroleum revenue tax so far as the arrangements provide for relief from petroleum revenue tax charged under section 12 of the Oil Taxation Act 1983 (charge to petroleum revenue tax on consideration in respect of United Kingdom use of a foreign field asset).
- (5) In the case of relief under this Chapter that is not also relief under Chapter 2, the relief is not available in respect of special withholding tax (a corresponding rule applies in relation to relief under Chapter 2 as a result of the definition of foreign tax given by section 21).
- (6) Relief under subsection (2)(a), (3)(a) or (4) requires a claim.
- (7) In subsection (3) “UK resident person” and “non-UK resident person” have the meaning given by section 989 of ITA 2007.
- (8) In subsection (5) “special withholding tax” has the same meaning as in Part 3 (see section 136).

7 General regulations

- (1) The Commissioners for Her Majesty’s Revenue and Customs may make regulations generally for carrying out the provisions of the treaty sections or any double taxation arrangements.
- (2) Regulations under subsection (1) may in particular provide for securing that relief from taxation imposed by the law of the territory to which any double taxation arrangements relate does not enure for the benefit of persons not entitled to that relief.
- (3) Subsection (4) applies to tax if—
 - (a) the tax is deductible from a payment but, in order to comply with double taxation arrangements, has not been deducted, and

 - (b) taxes imposed by the law of a territory outside the United Kingdom that—
 - (i) are of a similar character to petroleum revenue tax, and
 - (ii) are not of a similar character to income tax, corporation tax or capital gains tax.

Unilateral relief arrangements

8 Interpretation: “unilateral relief arrangements” means rules 1 to 9, etc

- (1) In this Part “unilateral relief arrangements”, in relation to a territory outside the United Kingdom, means the rules set out in sections 9 to 17.
- (2) In sections 11 to 17, and in Chapter 2 (except section 29) in its application to relief under unilateral relief arrangements, references to tax payable or paid under the law of a territory outside the United Kingdom include only—

 - (a) it is charged on income and corresponds to income tax, or
 - (b) it is charged on income or chargeable gains and corresponds to corporation tax.
 - (5) For the purposes of subsection (2)(c), tax corresponds to UK tax if it is charged on capital gains and corresponds to capital gains tax.
 - (6) For the purposes of subsections (4) and (5), tax may correspond to income tax, corporation tax or capital gains tax even though it—
 - (a) is payable under the law of a province, state or other part of a country, or

11 Rule 3: interaction between double taxation arrangements and rules 1 and 2

- (1) Credit for tax paid under the law of the territory is not allowed under section 9 or 10 in the case of any income or gains if any credit for that tax is allowable in respect of that income or those gains under double taxation arrangements made in relation to the territory.
- (2) If credit in respect of an amount of tax may be allowed under double taxation arrangements made in relation to the territory, credit is not allowed under section 9 or 10 in respect of that tax.
- (3) If double taxation arrangements made in relation to the territory contain express provision to the effect that relief by way of credit is not to be given under the arrangements in cases or circumstances specified or described in the arrangements, credit is not allowed under section 9 or 10 in those cases or circumstances.

12 Rule 4: cases in which, and calculation of, credit allowed for tax on dividends

- (1) Credit under section 9 for overseas tax on a dividend paid by a company (“P”) resident in the territory is allowed only if section 13, 14, 15 or 16 so provides.
- (2) If credit is allowed in principle as a result of at least one of sections 14, 15 and 16, any tax in respect of P’s profits that is paid by P under the law of the territory is to be taken into account in considering whether any, and (if so) what, credit is in fact to be allowed under section 9 in respect of the dividend.
- (3) If credit is allowed in principle as a result of at least one of sections 15 and 16, there is to be taken into account, as if it were tax payable under the law of the territory, any tax that would be so taken into account under section 63(5) if the recipient of the dividend—
- (a) directly or indirectly controlled, or
 - (b) were a subsidiary of a company that directly or indirectly controlled,
- at least 10% of the voting power in P.

14 Rule 6: credit for underlying tax on dividend paid to 10% associate of payer

17 Rule 9: credit in relation to dividends for spared tax

- (a) under the law of the territory, an amount of tax (“the spared tax”) would, but for a relief, have been payable by a company resident in the territory (“company A”) in respect of any of its profits,
 - (b) company A pays a dividend out of those profits to another company resident in the territory (“company B”),

- (c) company B, out of profits which consist of or include the whole or part of that dividend, pays a dividend to a company resident in the United Kingdom (“company C”), and
 - (d) the circumstances are such that, had company B been resident in the United Kingdom, it would have been entitled, as a result of the operation of section 20(2) in relation to double taxation arrangements made in relation to the territory, to treat the spared tax for the purposes of Chapter 2 as having been payable.
- (2) The spared tax is to be taken into account—
- (a) for the purposes of sections 9 to 16, and
 - (b) subject to section 31(4), for the purposes of Chapter 2 in its application to relief under these rules in relation to the dividend paid to company C,
- as if it had been payable and paid.
- (3) References in these rules and that Chapter—
- (a) to tax payable or chargeable, or
 - (b) to tax not chargeable directly or by deduction,
- are to be read in accordance with subsection (2).
- (4) Except as provided by subsection (2), in relation to any dividend paid—

- (5) Subsection (4) has effect despite any double taxation arrangements—
- (a) made in relation to the territory, or
 - (b) made in relation to any other territory outside the United Kingdom,
- which make provision about a relief given, under the law of the territory in relation to which the arrangements are made, with a view to promoting industrial, commercial, scientific, educational or other development in a territory outside the United Kingdom.
- (6) In this section “these rules” means sections 9 to 16 and this section.

CHAPTER 2

DOUBLE TAXATION RELIEF BY WAY OF CREDIT

Effect to be given to credit for foreign tax allowed against UK tax

18 Entitlement to credit for foreign tax reduces UK tax by amount of the credit

- (1) Subsection (2) applies if—
- (a) under double taxation arrangements, or
 - (b) under unilateral relief arrangements for a territory outside the United Kingdom,
- credit is to be allowed against any income tax, corporation tax or capital gains tax chargeable in respect of any income or chargeable gain.

Status: This is the original version (as it was originally enacted).

- (2) The amount of those taxes chargeable in respect of the income or gain is to be reduced by the amount of the credit.
- (3) In subsection (1) “credit”—
 - (a) in relation to double taxation arrangements, means credit for tax payable under the law of the territory in relation to which the arrangements are made, and
 - (b) in relation to unilateral relief arrangements for a territory outside the United Kingdom, means credit for tax payable under the law of that territory,
 but see sections 12(3) and 63(5) (dividends: certain tax payable otherwise than under the law of a territory treated as payable under that law).
- (4) Subsection (2) applies subject to—
 - (a) the following provisions of this Chapter,
 - (b) section 106 (Chapter 1 and this Chapter operate for capital gains tax purposes separately from their operation for the purposes of other United Kingdom taxes), and
 - (c) Chapter 2 of Part 18 of ICTA (double taxation relief: pooling of foreign dividends paid before 1 July 2009).
- (5) Credit is allowed under subsection (2) against any tax only if, under the arrangements concerned, credit is allowable against that tax.
- (6) Credit against income tax is given effect at Step 6 of the calculation in section 23 of ITA 2007.

19 Time limits for claims for relief under section 18(2)

- (1) Subsections (2) and (3) apply to a claim for relief under section 18(2).
- (2) If the claim is for credit for foreign tax in respect of any income or chargeable gain charged to income tax or capital gains tax for a tax year, the claim must be made on or before—
 - (a) the fourth anniversary of the end of that tax year, or
 - (b) if later, the 31 January following the tax year in which the foreign tax is paid.
- (3) If the claim is for credit for foreign tax in respect of any income or chargeable gain charged to corporation tax for an accounting period, the claim must be made not more than—
 - (a) four years after the end of that accounting period, or
 - (b) if later, one year after the end of the accounting period in which the foreign tax is paid.

20 Foreign tax includes tax spared because of international development relief

- (1) Subsections (2) and (4) apply if the arrangements are double taxation arrangements.
- (2) For the purposes of this Chapter, any amount within subsection (3) is to be treated as having been payable.
- (3) An amount is within this subsection if it is an amount of tax that would have been payable under the law of a territory outside the United Kingdom but for a relief—

- (a) given under the law of that territory with a view to promoting industrial, commercial, scientific, educational or other development in a territory outside the United Kingdom, and
 - (b) about which provision is made in double taxation arrangements.
- (4) References in this Chapter—
 - (a) to tax payable or chargeable, or
 - (b) to tax not chargeable directly or by deduction,are to be read in accordance with subsection (2).
- (5) Subsections (2) and (4) have effect subject to—
 - (a) subsection (6), and
 - (b) sections 31(4) and 32(5) (income and gains not to be increased in calculations under section 31 or 32 by amounts treated by this section as having been payable).
- (6) If section 63(5) applies because conditions A and B in section 63 are met, relief is not given in accordance with section 63(5) (relief for certain tax underlying dividends paid between related companies) because of this section unless double taxation arrangements make express provision for the relief.
- (7) Subsection (6) does not affect the operation of section 17(2) (treatment, for purposes of unilateral relief, of dividend paid by foreign company that has received dividends from a company benefiting from tax-sparing relief).

Interpretation of Chapter

21 Meaning of “the arrangements”, “the non-UK territory”, “foreign tax” etc

- (1) In this Chapter (except section 18)—
 - “the arrangements” means the arrangements mentioned in section 18(1),
 - “the non-UK territory” means the territory mentioned in section 18(3),
 - “foreign tax” means tax chargeable under the law of the non-UK territory—
 - (a) for which credit may be allowed under the arrangements, and
 - (b) which is not special withholding tax, and
 - “underlying tax” means, in relation to any dividend, tax which is not chargeable in respect of that dividend directly or by deduction.
- (2) In subsection (1) “special withholding tax” has the same meaning as in Part 3 (see section 136).
- (3) The definitions in subsection (1) are to be read with sections 17(3) and 20(4) (meaning of references to tax payable or chargeable, and of references to tax not chargeable directly or by deduction).
- (4) See also section 8(2) (meaning of references to tax payable or paid under the law of a territory outside the United Kingdom).

Credits where same income charged to income tax in more than one tax year

22 Credit for foreign tax on overlap profit if credit for that tax already allowed

- (1) Subsection (2) applies in relation to foreign tax (“FT”) paid in respect of any income if—
- (a) the income is overlap profit, and
 - (b) credit for FT would have been allowed under section 18(2) against income tax chargeable for a tax year (“year L”) in respect of the income but for the fact that credit for FT had been allowed against income tax chargeable in respect of the income for a previous tax year.

- (2) Credit for FT is allowed against income tax chargeable for year L in respect of the income.

- (3) The amount of credit allowed for year L under subsection (2) in respect of the income must not exceed the difference between—

- (a) T, and
- (b) the amount of credit which was in fact allowed, under subsection (2) or section 18(2), in respect of the income for any earlier tax year or years.

- (4) For the purposes of subsection (3)(a), T is the amount (“A”) of the foreign tax charged on the income, but this is subject to subsections (5) to (7).

- (5) If Y exceeds FP—

$$T = \frac{Y}{FP} \times A$$

where—

Y is the number of tax years for which credit is allowed, under subsection (2) or section 18(2), against income tax in respect of the income, and

FP is the number of foreign periods of assessment.

- (6) For the purposes of subsection (5), a tax year or foreign period of assessment for which part only of the income is charged to tax is counted not as one year or period but as a fraction of a year or period, the fraction being—

$$\frac{P}{W}$$

where—

P is that part of the income, and

W is the whole of the income.

- (7) If the same income is charged to different foreign taxes for different foreign periods of assessment—

- (a) subsection (5) (read with subsection (6)) is to be applied separately to each of those taxes, and
- (b) T is the sum of those taxes after subsection (5) has been applied to them in accordance with paragraph (a).

- (8) In this section—

Status: This is the original version (as it was originally enacted).

“overlap profit” has the same meaning as in Chapter 15 of Part 2 of ITTOIA 2005 (see section 204 of that Act), and

“foreign period of assessment”, in relation to any income, means a period for which the income is, under the law of the non-UK territory, charged to the foreign tax concerned.

23 Time limits for claims for relief under section 22(2)

- (1) Relief under section 22(2) requires a claim.
- (2) Any claim for relief by way of credit under section 22(2) against income tax for any tax year must be made on or before the fifth anniversary of the 31 January following that tax year, subject to subsection (3).
- (3) If there is more than one tax year in respect of which such relief may be given, any claim for the relief must be made on or before the fifth anniversary of the 31 January following the later of those tax years.

24 Claw-back of relief under section 22(2)

- (1) Subsections (4) and (5) apply if—
 - (a) credit against income tax for any tax year is allowed under section 22(2) in respect of any income (“the original income”), and
 - (b) the original income, or any part of it, contributes to an amount which, under section 205 or 220 of ITTOIA 2005, is deducted in calculating profits of a later tax year (“the later year”).
- (2) For the purposes of subsections (4) and (5), amount A is the difference between—
 - (a) the amount of the credit which, as a result of the application of sections 18(2) and 22(2) and subsection (5) of this section, has been allowed against income tax in respect of so much of the original income as contributes as mentioned in subsection (1), and
 - (b) the amount of the credit which, ignoring sections 22 and 23 and this section, would have been allowed under section 18(2) against income tax in respect of so much of the original income as contributes as mentioned in subsection (1).
- (3) For the purposes of subsections (4) and (5), amount B is the amount of credit which, on the assumption that no amount were deducted under section 205 or 220 of ITTOIA 2005, would be allowable under section 18(2) against income tax in respect of income arising in the later year from the same source as the original income.
- (4) If amount A exceeds amount B—
 - (a) no credit is allowed for income arising from that source in the later year,
 - (b) an amount of income tax equal to the excess is charged for the later year, and
 - (c) the liable person is liable for the tax.
- (5) If amount B exceeds amount A, the liable person is allowed for the later year an amount of credit equal to the excess.
- (6) In subsections (4) and (5) “the liable person” means the person liable for income tax charged on the income (if any) arising in the later year from the same source as the original income.

Status: This is the original version (as it was originally enacted).

- (7) For the purposes of subsections (1) to (6), it is to be assumed that, where an amount is deducted under section 220 of ITTOIA 2005, each of the overlap profits added together at Step 1 of the calculation in subsection (3) of that section contributes to that amount in the proportion which that overlap profit bears to the total that is the result of that Step.
- (8) In this section—
- (a) “overlap profit” has the same meaning as in Chapter 15 of Part 2 of ITTOIA 2005 (see section 204 of that Act), and
 - (b) references to income arising in any year include income received in the year that is income on which income tax is to be calculated by reference to the amount of income received in the United Kingdom.

do not include income that would, but for the repeal by CTA 2009 of section 103 of ICTA (post-cessation receipts where pre-cessation profits calculated on an earnings basis and other post-cessation receipts that become due or are ascertained after cessation), have been chargeable to corporation tax under that section.

45 Credit against tax on trade income: anti-avoidance rules

(1) If a company (“A”) carrying on a trade giving rise to trade income enters into a scheme or arrangement with another person (“B”) a main purpose of which is to alter the effect of section 44(2) and (3) in relation to A, income received in pursuance of the scheme or arrangement is to be treated for the purposes of section 44(2) and (3) as trade income of B (and not as income of A).

(2) Income of a person (“D”) is to be treated for the purposes of section 44 as trade income (if it is not otherwise trade income) of D if—

(a) the income is received by D as part of a scheme or arrangement entered into by D and a connected person (“C”),

(b) had C received the income, it would be reasonable to assume that it would be trade income of C, and

(c) a main purpose of the scheme or arrangement is to produce the result that section 44(2) and (3) will not have effect in relation to the income because it is received by D.

(3) For the purposes of subsection (2)(b) it is to be assumed that, in the case of any relevant transaction to which a relevant person is a party, C were that party to the transaction.

(4) In subsection (3)—

“relevant person” means—

(a) D, or

(b) any other connected person who is a party to the scheme or arrangement mentioned in subsection (2), and

“relevant transaction” means any of the transactions giving rise to the income mentioned in subsection (2)(b).

(5) In subsections (2) to (4) “connected person” means a person with whom D is connected.

(6) Section 1122 of CTA 2010 (meaning of “connected”) applies for the purposes of subsection (5).

(7) In this section “trade income” has the same meaning as in section 44.

46 Applying section 44(2): asset in hedging relationship with derivative contract

(1) If an asset is in a hedging relationship with a derivative contract, section 44(2) applies in relation to the asset as if the income arising from the asset is the income arising from the asset and the contract taken together, subject to subsection (2).

- (2) Take account of the income or loss from the derivative contract only so far as reasonably attributable to the hedging relationship.
- (3) For the purposes of subsection (1), an asset is in a hedging relationship with a derivative contract if—
 - (a) the asset is acquired as a hedge of risk in connection with the contract, or
 - (b) the contract is entered into as a hedge of risk in connection with the asset.
- (4) If an asset or a contract is wholly or partly designated as a hedge for the purposes of a person's accounts, that is conclusive for the purposes of subsection (3).

47 Applying section 44(2): royalty income

- (1) Subsection (2) applies if—
 - (a) the arrangements are double taxation arrangements, and
 - (b) royalties, as defined in the arrangements, are paid in respect of an asset in more than one foreign jurisdiction.
- (2) For the purposes of section 44(2)—
 - (a) royalty income arising in more than one foreign jurisdiction in an accounting period in respect of the asset is to be treated as income arising from a single asset, and
 - (b) credits available for foreign tax in respect of the royalty income are to be aggregated accordingly.
- (3) In this section “foreign jurisdiction” means a jurisdiction outside the United Kingdom.

48 Applying section 44(2): “portfolio” of transactions, arrangements or assets

- (1) Subsection (5) applies if each of conditions A to C is met.
- (2) Condition A is that transactions, arrangements or assets are treated by a taxpayer as a series or group (“the portfolio”).
- (3) Condition B is that credits for foreign tax arise in respect of the portfolio.
- (4) Condition C is that—
 - (a) it is not reasonably practicable to prepare a separate calculation of income for the purposes of section 44(2) in respect of each transaction, arrangement or asset, or
 - (b) a separate calculation of income in respect of each transaction, arrangement or asset for the purposes of section 44(2) would not, compared with an aggregated calculation, make a material difference to the amount of credit for foreign tax which is allowable.
- (5) The income arising from the portfolio, or part of the portfolio, may be aggregated and apportioned for the purposes of section 44(2) in a just and reasonable manner.

49 Restricting section 44(3) if company is a bank or connected with a bank

- (1) Section 44(3) is subject to subsection (2) of this section if—
 - (a) the company is a bank or is connected with a bank, and

Status: This is the original version (as it was originally enacted).

- (b) the amount of the included funding costs is significantly less than the amount of the notional funding costs.
- (2) The amount of the notional funding costs is to be included in the amount to be taken into account under section 44(3), but only so far as it exceeds the amount of the included funding costs.
- (3) In this section—
 - “the company” means the company mentioned in section 44(3)(a),
 - “included funding costs” means the total of the funding costs that are—
 - (a) incurred by the company, or any company connected with the company, in respect of capital used to fund the relevant transaction, and

 - “the relevant bank” means the bank that is the company, or with which the company is connected, and
 - “the relevant transaction” means the transaction, arrangement or asset from which the income mentioned in section 44(1) arises.
- (4) The following provisions apply for the purposes of this section—
 - section 1120 of CTA 2010 (meaning of “bank”), and
 - section 1122 of CTA 2010 (meaning of “connected”).

50 Tax for period on loan relationships

- (1) Subsection (2) applies for the purposes of section 42(2) if the company has at least one non-trading credit for the period that is eligible for double taxation relief.
- (2) Assume that the charge to corporation tax on income, as applied by section 299 of CTA 2009, is charged on TNTC, not on the non-trading profits that the company has for the period in respect of its loan relationships.
- (3) For the purposes of subsection (1), a non-trading credit relating to an item is “eligible for double taxation relief” if there is in respect of that item an amount of foreign tax for which, under the arrangements, credit is allowable against United Kingdom tax calculated by reference to that item.
- (4) In this section—
 - “non-trading credit” means a non-trading credit for the purposes of Part 5 of CTA 2009 (loan relationships), and
 - “TNTC” is the total amount of the company’s non-trading credits for the period.

51 Tax for period on intangible fixed assets

- (1) Subsection (2) applies for the purposes of section 42(2) if the company has at least one non-trading credit for the period that is eligible for double taxation relief.
- (2) Assume that the charge to corporation tax on income, as applied by section 752 of CTA 2009, is charged on TNTC, not on the non-trading gains arising to the company in the period on intangible fixed assets.
- (3) For the purposes of subsection (1), a non-trading credit relating to an item is “eligible for double taxation relief” if there is in respect of that item an amount of foreign tax for which, under the arrangements, credit is allowable against United Kingdom tax calculated by reference to that item.
- (4) In this section—
 - “non-trading credit” means a non-trading credit for the purposes of Part 8 of CTA 2009 (intangible fixed assets), and
 - “TNTC” is the total amount of the company’s non-trading credits for the period.

Allocation of deductions etc to profits for purposes of section 42

- (2) The company may allocate the deduction in such amounts, and to such of its profits for the period, as it thinks fit.

53 Earlier years’ non-trading deficits on loan relationships

- (2) That much of the company’s non-trading debits for the period as is given by the formula—

$$\text{TNTD} - (\text{CB} + \text{CF} + \text{GR})$$

may be allocated by the company to such of its profits for the period, and in such amounts, as the company thinks fit, but this is subject to subsection (4).

- (3) Subsection (4) applies for the purposes of section 42 if—
- (a) the company has at least one non-trading credit for the period that is eligible for double taxation relief, and
 - (b) the company sets the whole or part of XS against profits of the period in pursuance of a current-year provision or claim.

- (4) So much of the company's non-trading debits as is equal to that amount of XS must be allocated to the profits against which that amount of XS is set in pursuance of the current-year provision or claim.

- (5) In this section, if the company has a non-trading deficit ("D") on its loan relationships for the period—

CB is so much of D as is the subject of a carry-back claim,

CF is so much of D as is carried forward to a subsequent accounting period in accordance with a carry-forward provision,

GR is so much of D as is surrendered as group relief under section 99 of CTA 2010, and

if

$$D > CB + CF + GR$$

then XS is so much of D as is given by the formula—

$$D - (CB + CF + GR)$$

- (6) For the purposes of subsections (1) and (3), a non-trading credit relating to an item is "eligible for double taxation relief" if there is in respect of that item an amount of foreign tax for which, under the arrangements, credit is allowable against United Kingdom tax calculated by reference to that item.

- (7) In this section—

"non-trading credit" means a non-trading credit for the purposes of Part 5 of CTA 2009 (loan relationships),

"non-trading debit" means a non-trading debit for the purposes of that Part, and

"TNTD" is the total amount of the company's non-trading debits for the period.

55 Current year’s non-trading deficits on loan relationships

- (1) Subsection (5) applies for the purposes of section 42 if conditions A and B are met.
- (2) Condition A is that the company—
 - (a) has no non-trading credits for the period, or
 - (b) has non-trading credits for the period but none of those credits is eligible for double taxation relief.
- (3) For the purposes of subsection (2)(b), a non-trading credit relating to an item is “eligible for double taxation relief” if there is in respect of that item an amount of foreign tax for which, under the arrangements, credit is allowable against United Kingdom tax calculated by reference to that item.
- (4) Condition B is that an amount (“the deficit”) is set against any of the company’s profits for the period—
 - (a) under section 388(1) of CTA 2009 (insurance company’s non-trading deficit on loan relationships set against current year’s profits), or
 - (b) under section 459(1)(a) of CTA 2009 (other company’s non-trading deficit on loan relationships set against current year’s profits).

- (2) That much of the company’s non-trading debits for the period as is given by the formula—

$$\text{TNTD} - \text{CF}$$

may be allocated by the company to such of its profits for the period, and in such amounts, as the company thinks fit.

- (3) In subsection (2)—

TNTD is the total amount of the company’s non-trading debits for the period, and

CF is the amount (if any) carried forward to the next accounting period under section 753(3) of CTA 2009 (carry forward of non-trading loss so far as neither subject to a claim to set it against profits of current period nor surrendered by way of group relief).
- (4) For the purposes of subsection (1), a non-trading credit relating to an item is “eligible for double taxation relief” if there is in respect of that item an amount of foreign tax for which, under the arrangements, credit is allowable against United Kingdom tax calculated by reference to that item.

“non-trading debit” means a non-trading debit for the purposes of that Part.

Taking account of foreign tax underlying dividends

57 Credit in respect of dividend: taking account of underlying tax

- (1) Subsections (2) and (3) apply if, as a result of provision made by the arrangements, underlying tax is to be taken into account in considering whether any and (if so) what credit is to be allowed against corporation tax, income tax or capital gains tax in respect of a dividend.
- (2) The amount of underlying tax to be taken into account as a result of the provision is to be calculated—
 - (a) under section 58 if the dividend is one paid by a company resident outside the United Kingdom to a company resident in the United Kingdom, and
 - (b) under section 61 if the dividend is not one paid by a company resident outside the United Kingdom to a company resident in the United Kingdom.
- (3) No underlying tax is to be taken into account as a result of the provision if, under the law of any territory outside the United Kingdom, a deduction is allowed to a resident of the territory in respect of an amount determined by reference to the dividend.
- (4) See also—
 - (a) section 63 (underlying tax paid in the United Kingdom, or otherwise outside the non-UK territory, treated in some cases as underlying tax paid in the non-UK territory), and
 - (b) section 65 (underlying tax paid in respect of profits of a company which pays a dividend treated in some cases as underlying tax paid in respect of profits of company to which dividend is paid).

58 Calculation if dividend paid by non-resident company to resident company

- (1) A calculation under this section (see section 57(2)(a)) is as follows—

Step 1

Calculate the amount of the foreign tax borne on the relevant profits by the company paying the dividend.

Step 2

Calculate how much of that amount is properly attributable to the proportion of the relevant profits represented by the dividend.

Step 3

Calculate the amount given by—

$$(D + PA) \times M$$

where—

D is the amount of the dividend,

PA is the amount given by the calculation at Step 2, and

M is the rate of corporation tax applicable to profits of the recipient for the accounting period in which the dividend is received or, if there is more than one such rate, the average rate over the whole of that accounting period.

Status: This is the original version (as it was originally enacted).

Step 4

If under the law of the non-UK territory the dividend has been increased for tax purposes by an amount to be—

- (a) set off against the recipient’s own tax under that law, or
- (b) paid to the recipient so far as it exceeds the recipient’s own tax under that law,

calculate the amount of the increase.

Step 5

If the amount given by the calculation at Step 2 is less than the amount given by the calculation at Step 3, UT is the amount given by the calculation at Step 2 but reduced by any amount calculated at Step 4.

Step 6

If the amount given by the calculation at Step 2 is equal to or more than the amount given by the calculation at Step 3, UT is the amount given by the calculation at Step 3 but reduced by any amount calculated at Step 4.

- (2) In this section “UT” means the amount of underlying tax to be taken into account as a result of the provision mentioned in section 57(1).

59 Meaning of “relevant profits” in section 58

- (1) This section applies for the purposes of section 58.
- (2) “Relevant profits”, if the dividend is within subsection (3), means the profits in respect of which the dividend is treated as paid for the purposes of section 931H of CTA 2009 (dividends derived from transactions not designed to reduce tax).
- (3) A dividend is within this subsection if—
 - (a) it is received in an accounting period of the recipient in which the recipient is not a small company for the purposes of Part 9A of CTA 2009 (company distributions: see section 931S of that Act), and
 - (b) for the purposes of section 931H of that Act, it is treated as paid in respect of profits other than relevant profits (see subsection (4) of that section).
- (4) “Relevant profits”, if the dividend is not within subsection (3) but is paid for a specified period, means—
 - (a) the distributable profits of that period, plus
 - (b) if the total dividend exceeds those profits, so much of the distributable profits of preceding periods as is equal to the excess.
- (5) “Relevant profits”, if the dividend is not within subsection (3) and is not paid for a specified period, means—
 - (a) the distributable profits of the last period for which accounts of the company were made up which ended before the dividend became payable, plus
 - (b) if the total dividend exceeds those profits, so much of the distributable profits of preceding periods as is equal to the excess.
- (6) In subsection (4)(b) or (5)(b), the reference to distributable profits of preceding periods does not include—
 - (a) profits previously distributed, or

Status: This is the original version (as it was originally enacted).

- (b) profits previously treated as relevant profits for the purposes of section 58, section 799 of ICTA or section 506 of the Income and Corporation Taxes Act 1970.
- (7) For the purposes of subsection (4)(b) or (5)(b), the profits of the most recent preceding period are to be taken into account first, then the profits of the next most recent preceding period, and so on.
- (8) In this section “distributable profits”, in relation to a company, means the profits available for distribution as shown in accounts relating to the company—
 - (a) drawn up in accordance with the law of the country or territory under whose law the company is incorporated or formed, and
 - (b) making no provision for reserves, bad debts, impairment losses or contingencies other than such as is required to be made under the law of that country or territory.
- (9) The reference in subsection (6)(b) to section 799 of ICTA is without prejudice to the generality of paragraph 4(1) of Schedule 9 (references to rewritten provisions include references to superseded provisions).

60 Underlying tax to be left out of account on claim to that effect

- (1) Subsection (2) applies if—
 - (a) under the arrangements a company resident in the United Kingdom makes a claim for an allowance by way of credit in accordance with this Chapter, and
 - (b) the claim relates to a dividend paid to the company by a company resident outside the United Kingdom.
- (2) The claim may be framed so as to exclude amounts of underlying tax specified for the purpose in the claim.
- (3) Any amounts of underlying tax so excluded are to be left out of account for the purposes of section 57.

61 Calculation if section 58 does not apply

A calculation under this section (see section 57(2)(b)) is as follows—

Step 1

Calculate the amount of the foreign tax borne on the relevant profits by the body corporate paying the dividend.

Step 2

Calculate how much of that amount is properly attributable to the proportion of the relevant profits represented by the dividend.

Step 3

If under the law of the non-UK territory the dividend has been increased for tax purposes by an amount to be—

set off against the recipient’s own tax under that law, or

paid to the recipient so far as it exceeds the recipient’s own tax under that law,

calculate the amount of the increase.

Step 4

Status: This is the original version (as it was originally enacted).

The amount of underlying tax to be taken into account as a result of the provision mentioned in section 57(1) is the amount given by the calculation at Step 2 but reduced by any amount calculated at Step 3.

62 Meaning of “relevant profits” in section 61

- (1) This section applies for the purposes of section 61.
- (2) “Relevant profits”, if the dividend is paid for a specified period, means—
 - (a) the profits of that period, plus
 - (b) if the total dividend exceeds the distributable profits of that period, so much of the distributable profits of preceding periods as is equal to the excess.
- (3) “Relevant profits”, if the dividend is not paid for a specified period but is paid out of specified profits, means those profits.
- (4) “Relevant profits”, if the dividend is paid neither for a specified period nor out of specified profits, means—
 - (a) the profits of the last period for which accounts of the body corporate paying the dividend were made up which ended before the dividend became payable, plus
 - (b) if the total dividend exceeds the distributable profits of that period, so much of the distributable profits of preceding periods as is equal to the excess.
- (5) In subsection (2)(b) or (4)(b), the reference to distributable profits of preceding periods does not include—
 - (a) profits previously distributed, or
 - (b) profits previously treated as relevant profits for the purposes of section 61, section 799 of ICTA or section 506 of the Income and Corporation Taxes Act 1970.
- (6) For the purposes of subsection (2)(b) or (4)(b), the profits of the most recent preceding period are first to be taken into account, then the profits of the next most recent preceding period, and so on.
- (7) In this section “distributable profits”, in relation to a period, means profits available for distribution of the period.
- (8) The reference in subsection (5)(b) to section 799 of ICTA is without prejudice to the generality of paragraph 4(1) of Schedule 9 (references to rewritten provisions include references to superseded provisions).

Taking account of tax underlying dividends that is not foreign tax

 - (b) any tax which, under the law of any territory outside the United Kingdom other than territory R, is payable by the overseas company in respect of its profits.

- (2) Condition E is that there is a dividend-paying chain (see section 64) in which—
- (a) the first company is the recipient company mentioned in section 63, and
 - (b) the second company is the overseas company mentioned in that section.
- (3) Condition F is that there is underlying tax, payable by a company (“L”) lower in the chain than the second company, that would be taken into account under this Part if—
- (a) the dividend paid by L to the company (“K”) above L in the chain had been paid—
 - (i) by a company resident outside the United Kingdom to a company resident in the United Kingdom, and
 - (ii) at the time when the dividend paid by the second company is received by the first company, and
 - (b) double taxation arrangements had provided for the underlying tax to be taken into account.
- (4) The underlying tax is to be treated—
- (a) for the purposes of section 63(5), and
 - (b) for the purposes of subsection (3),
- as tax paid by K in respect of its profits, but see section 66 (limitations).
- (5) In applying section 63 for the purpose of deciding whether condition F is met, read section 63(2) as if “, or at least 10% of the ordinary share capital of,” were inserted after “at least 10% of the voting power in”.
- (6) Section 58 (first method of calculating amount of underlying tax to be taken into account) does not apply for the purposes of subsections (3) and (4) unless the company referred to in subsection (2)(a) is resident in the United Kingdom and, even if that company is resident in the United Kingdom, section 58 applies for those purposes only—

- (6) The amount of credit to which the claimant company is entitled on the claim is to be determined as if the tax payable at a high rate had instead been tax at the relievable rate.
- (7) For the purposes of this section, tax payable by a company is “tax payable at a high rate” so far as the amount payable exceeds the amount that would represent tax at the relievable rate on the profits of the company which, for the purposes of this Part, are taken to bear the payable tax.

- (a) by any company resident outside the United Kingdom (whether or not company B),
 - (b) to a company resident in the United Kingdom,
- as if company B had paid the tax paid by company A in respect of those profits of company A which have become profits of company B as mentioned in subsection (1) (b).
- (3) But the amount of relief under this Part which is allowable to a company resident in the United Kingdom is not to exceed the amount which would have been allowable to that company had those profits become profits of company B as a result of the payment of a dividend by company A to company B.

 - (b) in accordance with the rules in section 74, as if it were foreign tax paid in respect of, and calculated by reference to, the company’s qualifying income from the PE in one or more of the recent periods, or

 - (b) credit for any of the excess is allowed against corporation tax in respect of any earlier recent period.
- (3) The second rule is that, before allowing credit for any of the excess against corporation tax in respect of income of any particular accounting period (“period P”), credit for foreign tax is allowed—

- (3) Subsection (2)(b) does not prevent the return becoming incorrect if the return—
 - (a) is not amended in accordance with subsection (2)(b) for the purpose of complying with the provision referred to in the notice, but
 - (b) ought to have been so amended.

92 Counteraction notices given after tax return made

- (1) This section applies if—

- (4) Condition E is that, at the time the enquiries were completed, no officer of Revenue and Customs could have been reasonably expected, on the basis of the information made available to Her Majesty's Revenue and Customs before that time, to have been aware that the circumstances were such that a counteraction notice could have been given to the person in relation to the period.
- (5) Condition F is that—
 - (a) the person was requested to provide information during an enquiry into the return, and
 - (b) if the person had duly complied with the request, an officer of Revenue and Customs could have been reasonably expected to give the person a counteraction notice in relation to the period.
- (6) Section 94 sets out the circumstances in which, for the purposes of condition E, information is made available.

93 Amendment, closure notices and discovery assessments in section 92 cases

- (1) This section applies if a person is given a counteraction notice in relation to a chargeable period after having made a tax return for the period.
- (2) The person may amend the return for the purpose of complying with the provision referred to in the notice at any time before the end of the 90 days beginning with the day on which the notice is given.
- (3) If the counteraction notice is given after the person has been given a notice of enquiry in relation to the return, no closure notice may be given in relation to the return before the deadline.
- (4) If the counteraction notice is given after any enquiries into the return are completed, no discovery assessment may be made as regards the income or chargeable gain to which the counteraction notice relates before the deadline.
- (5) In subsections (3) and (4) “the deadline” means—
 - (a) the end of the 90 days beginning with the day on which the counteraction notice is given, or
 - (b) if earlier, the amendment of the return for the purpose of complying with the provision referred to in the counteraction notice.
- (6) Subsection (2) does not prevent the return becoming incorrect if the return—
 - (a) is not amended in accordance with subsection (2) for the purpose of complying with the provision referred to in the counteraction notice, but
 - (b) ought to have been so amended.

*Insurance companies***96 Companies with overseas branches: restriction of credit**

- (1) Subsection (4) applies if credit for foreign tax—
 - (a) which is payable in respect of insurance business carried on by a company through a permanent establishment in the non-UK territory, and
 - (b) which is calculated otherwise than wholly by reference to profits arising in the non-UK territory,

is to be allowed (in accordance with this Part) against corporation tax charged under section 35 of CTA 2009 or section 436A of ICTA in respect of the profits, calculated in accordance with the provisions applicable for the purposes of section 35 of CTA 2009, of life assurance business or gross roll-up business carried on by the company in an accounting period (in this section called “the relevant UK-taxable profits”).
- (2) For the purposes of subsection (1)(b), the cases in which foreign tax is “calculated otherwise than wholly by reference to profits arising in the non-UK territory” are those cases in which the charge to tax in the non-UK territory is within subsection (3).

- (3) A charge to tax is within this subsection if it is such a charge made otherwise than by reference to profits as (by disallowing their deduction in calculating the amount chargeable) to require sums payable and other liabilities arising under policies to be treated as sums or liabilities falling to be met out of amounts subject to tax in the hands of the company.
- (4) If this subsection applies, the amount of the credit is not to exceed the greater of—
- any such part of the foreign tax as is charged by reference to profits arising in the non-UK territory, and
 - the shareholders' share of the foreign tax.
- (5) For the purposes of subsection (4), the shareholders' share of the foreign tax is so much of that tax as is represented by the fraction—

$$\frac{A}{B}$$

where—

A is an amount equal to the amount of the relevant UK-taxable profits before making any deduction authorised by subsection (7), and

B is an amount equal to the excess of—

- the amount taken into account as receipts of the company in calculating those profits, apart from premiums and sums received by virtue of a claim under a reinsurance contract, over
 - the amount taken into account as expenses in calculating those profits.
- (6) If there is no such excess, or if the profits are greater than any excess, the whole of the foreign tax is the shareholders' share; and, subject to that, if there are no profits, none of the foreign tax is the shareholders' share.
- (7) If, by virtue of this section, the credit for any foreign tax is less than it otherwise would be, section 31(2)(a) does not prevent a deduction being made for the difference in calculating the relevant UK-taxable profits.

97 Companies with more than one category of business: restriction of credit

- (1) Subsection (2) has effect if—
- an insurance company carries on more than one category of long-term business in an accounting period, and
 - there arises to the company in that period any income or gain (“the relevant income”) in respect of which credit for foreign tax is to be allowed under the arrangements.
- (2) The amount of the credit for foreign tax which, under the arrangements, is allowable against corporation tax in respect of so much of the relevant income as is referable (in accordance with the provisions of sections 432ZA to 432E of ICTA) to a particular category of business must not exceed the fraction of the foreign tax which, in accordance with the following provisions of this section and with the provisions of section 98, is attributable to that category of business.
- (3) If the relevant income arises from an asset which is linked solely to a category of business, the whole of the foreign tax is attributable to that category of business, unless section 98(3) applies.

Status: This is the original version (as it was originally enacted).

- (4) If the relevant income arises from foreign business assets, the whole of the foreign tax is attributable to gross roll-up business, unless section 98(3) applies.
- (5) If subsection (3) does not apply and the category of business in question is—
- (a) basic life assurance and general annuity business, or
 - (b) PHI business,
- the fraction of the foreign tax that is attributable to that category of business is the fraction given by—
- $$\frac{\text{The referable part of the relevant income}}{\text{The whole of the relevant income}}$$
- where “the referable part” of the relevant income is the part of the relevant income which is referable to that category of business by virtue of any provision of section 432A of ICTA.
- (6) Section 98(2) and (3) apply if the category of business in question is gross roll-up business.
- (7) No part of the foreign tax is attributable to any category of business except as provided by subsections (3) to (6) and section 98(2) and (3).
- (8) If under this section or section 98(2) and (3) an amount of foreign tax is for the purposes of this section attributable to gross roll-up business, credit in respect of the foreign tax so attributable is allowed only against corporation tax in respect of profits charged under section 436A of ICTA (charge on profits from gross roll-up business).

98 Attribution for section 97 purposes if category is gross roll-up business

- (1) Subsections (2) and (3) apply for the purposes of section 97 in accordance with section 97(6), and in this section “the relevant income” has the meaning given by section 97(1).
- (2) If—
- (a) section 97(3) does not apply, and
 - (b) some or all of the relevant income is taken into account in accordance with section 83 of FA 1989 in an account in relation to which the provisions of section 432C of ICTA apply,

the fraction of the foreign tax that is attributable to gross roll-up business is the fraction given by—

$$\frac{\text{The referable part of the relevant income}}{\text{The whole of the relevant income}}$$

where “the referable part” of the relevant income is the part of the relevant income which is referable to gross roll-up business by virtue of any provision of section 432C of ICTA.

- (3) If some or all of the relevant income falls to be taken into account in determining in accordance with section 83(2) of FA 1989 the amount referred to in section 432E(1) of ICTA as the net amount, the fraction of the foreign tax that is attributable to gross roll-up business is the fraction given by—

$$\frac{\text{The referable part of INV}}{\text{The whole of INV}}$$

Status: This is the original version (as it was originally enacted).

where—

“INV” is the investment income taken into account in that determination,
and

“the referable part” of INV is the part of INV which would be referable to
gross roll-up business by virtue of section 432E of ICTA if INV were the only
amount included in the net amount.

- (4) The Treasury may by regulations amend subsection (3); and the regulations may
include amendments having effect in accounting periods during which they are made.

99 Allocation of expenses etc in calculations under section 35 of CTA 2009

(1) Subsection (2) has effect if—

- (a) an insurance company carries on any category of insurance business in a
period of account,
- (b) a calculation in accordance with the provisions applicable for the purposes of
section 35 of CTA 2009 (charge on trade profits) falls to be made in relation
to that category of business for that period, and
- (c) there arises to the company in that period any income or gain in respect of
which credit for foreign tax is to be allowed under the arrangements.

(2) The amount of the credit for foreign tax which, under the arrangements, is to be
allowed against corporation tax in respect of so much of that income or gain as is
referable to the category of business concerned (“the relevant income”) is to be limited
by treating the amount of the relevant income as reduced in accordance with sections
100 and 101.

(3) In determining the amount of credit for foreign tax which is to be allowed as mentioned
in subsection (2), the relevant income is not to be reduced except in accordance with
that subsection.

(4) If a 75% subsidiary of an insurance company is acting in accordance with a scheme
or arrangement and—

- (a) the purpose, or one of the main purposes, of the scheme or arrangement is to
prevent or restrict the application of subsection (2) to the insurance company,
and
- (b) the subsidiary does not carry on insurance business of any description,

the amount of corporation tax attributable (apart from this subsection) to any item of
income or gain arising to the subsidiary is to be found by setting off against that item
the amount of expenses that would be attributable to it under section 100(1) if that
item had arisen directly to the insurance company.

(5) If the credit allowed for any foreign tax is, by virtue of subsection (2), less than it
would be if the relevant income were not treated as reduced in accordance with that
subsection, section 31(2)(a) does not prevent a deduction being made for the difference
in calculating the profits of the category of business concerned.

(6) If, by virtue of subsection (4), the credit allowed for any foreign tax is less than it
would be apart from that subsection, section 31(2)(a) does not prevent a deduction
being made for the difference in calculating the income of the 75% subsidiary.

(7) For the purposes of the operation of this section in relation to any income or gain
in respect of which credit is to be allowed under the arrangements, the amount of

Status: This is the original version (as it was originally enacted).

the income or gain that is referable to a category of insurance business is the same fraction of the income or gain as the fraction of the foreign tax that is attributable to that category of business in accordance with sections 97 and 98.

100 First limitation for purposes of section 99(2)

- (1) The first limitation for the purposes of section 99(2) is to treat the amount of the relevant income as reduced (but not below nil) for the purposes of this Chapter by the amount of expenses (if any) attributable to the relevant income.
- (2) For the purposes of subsection (1), the amount of expenses attributable to the relevant income is the appropriate fraction of the total relevant expenses of the category of business concerned for the period of account in question.
- (3) In subsection (2) “the appropriate fraction” means the fraction given by—

$$\frac{RI}{TI}$$

where—

RI is the amount of the relevant income before any reduction in accordance with section 99(2), and

TI is the total income of the category of business concerned for the period of account in question, but if that would result in TI being nil, TI is instead the amount described in subsection (4).

- (4) That amount is so much in total of the income and gains—
 - (a) which arise to the company in the period of account in question, and
 - (b) in respect of which credit for foreign tax is to be allowed under any double taxation arrangements or under unilateral relief arrangements for any territory outside the United Kingdom,
 as are referable to the category of business concerned (before any reduction in accordance with section 99(2)).
- (5) Subsection (4) is to be read with section 104 (determining how much of any income or gain is referable to a category of business).
- (6) In this section “the relevant income” has the meaning given by section 99(2).

101 Second limitation for purposes of section 99(2)

- (1) If—
 - (a) the amount of the relevant income after any reduction under section 100(1), exceeds—
 - (b) the relevant fraction of the profits of the category of business concerned for the period of account in question which are chargeable to corporation tax,
 the second limitation is to treat the relevant income as further reduced (but not below nil) for the purposes of this Chapter to an amount equal to that fraction of those profits.
- (2) In subsection (1) “the relevant fraction” means the fraction given by—

$$\frac{RI}{\text{The referable share of total relievable income and gains}}$$

The referable share of total relievable income and gains

where—

“RI” is the amount of the relevant income before any reduction in accordance with section 99(2), and

“the referable share of total relievable income and gains” is so much in total of the income and gains—

- (a) which arise to the company in the period of account in question, and
- (b) in respect of which credit for foreign tax is to be allowed under any double taxation arrangements or under unilateral relief arrangements for any territory outside the United Kingdom,

as are referable to the category of business concerned (before any reduction in accordance with section 99(2)).

- (3) In subsection (1), any reference to the profits of a category of business is a reference to those profits after the set off of any losses of that category of business which have arisen in any previous accounting period.
- (4) Subsection (2) is to be read with section 104 (determining how much of any income or gain is referable to a category of business).
- (5) In this section “the relevant income” has the meaning given by section 99(2).

102 Interpreting sections 99 to 101 for life assurance or gross roll-up business

- (1) This section has effect for the interpretation of sections 99 to 101 if the category of business concerned—
 - (a) is life assurance business, or
 - (b) is gross roll-up business.
- (2) The “total income” of the category of business concerned for the period of account in question is the amount (if any) by which—
 - (a) so much of the total income shown in the revenue account in the periodical return of the company concerned for that period as is referable to that category of business, exceeds—
 - (b) so much of any commissions payable and any expenses of management incurred in connection with the acquisition of the business, as shown in that return, as is referable to that category of business.
- (3) If any amounts are to be brought into account in accordance with section 83 of FA 1989, the amounts that are referable to the category of business concerned are to be determined for the purposes of subsection (2) in accordance with sections 432B to 432G of ICTA.
- (4) The “total relevant expenses” of the category of business concerned for any period of account is the amount of the claims incurred—
 - (a) increased by any increase in the liabilities of the company, or
 - (b) reduced (but not below nil) by any decrease in the liabilities of the company.
- (5) For the purposes of subsection (4), the amounts to be taken into account in the case of any period of account are the amounts as shown in the company’s periodical return for the period so far as referable to the category of business concerned.

103 Interpreting sections 99 to 101 for other insurance business

- (1) This section has effect for the interpretation of sections 99 to 101 if the category of business concerned—
 - (a) is not life assurance business, and
 - (b) is not gross roll-up business.
- (2) The “total income” of the category of business concerned for any period of account is the amount (if any) by which—
 - (a) the sum of the amounts specified in subsection (3), exceeds—
 - (b) the sum of the amounts specified in subsection (4).
- (3) The amounts mentioned in subsection (2)(a) are—
 - (a) earned premiums, net of reinsurance,
 - (b) investment income and gains, and
 - (c) other technical income, net of reinsurance.
- (4) The amounts mentioned in subsection (2)(b) are—
 - (a) acquisition costs,
 - (b) the change in deferred acquisition costs, and
 - (c) losses on investments.
- (5) The “total relevant expenses” of the category of business concerned for any period of account is the sum of—
 - (a) the claims incurred, net of reinsurance,
 - (b) the changes in other technical provisions, net of reinsurance,
 - (c) the change in the equalisation provision, and
 - (d) investment management expenses,
 unless that sum is a negative amount, in which case the total relevant expenses is to be taken to be nil.
- (6) The amounts to be taken into account for the purposes of the paragraphs of subsections (3) to (5) are the amounts taken into account for the purposes of corporation tax.
- (7) Expressions used—
 - (a) in the paragraphs of subsections (3) to (5), and
 - (b) in the provisions of section B of Part 1 of Schedule 3 to the [Large and Medium-sized Companies and Groups \(Accounts and Reports\) Regulations 2008 \(S.I. 2008/410\)](#) which relate to the profit and loss account format (within the meaning of paragraph 1(1) and (2) of that Schedule),
 have the same meaning in those paragraphs as they have in those provisions.

104 Interpreting sections 100 and 101: amounts referable to category of business

- (1) This section applies for the purposes of the operation of sections 100 and 101 in relation to any income or gain in respect of which credit is to be allowed under any double taxation arrangements or under unilateral relief arrangements for a territory outside the United Kingdom.
- (2) The amount of the income or gain that is referable to a category of insurance business is the same fraction of the income or gain as the fraction found under subsection (3).

- (3) Apply sections 97 and 98 in relation to—
- (a) that category of business,
 - (b) the income or gain, and
 - (c) the double taxation arrangements, or unilateral relief arrangements, mentioned in subsection (1),
- in order to find the fraction of the foreign tax that is attributable to that category of business.

 - (iii) a rate of interest,
 - (b) the amount of the payment is determined (wholly or mainly) by applying a rate to the specified notional principal amount for the specified period, and

 - (a) by any amount which has been paid in respect of non-UK tax on that income in the place where the income arose, or
 - (b) if subsection (2) applies, by the lesser amount mentioned in that subsection.

- (3) If—
 - (a) income of any person (“P”) is reduced under subsection (1) by an amount paid in respect of tax on that income in the place where the income arose, and

 the amount of P’s income is increased by the amount of the payment.
- (4) Subsection (1)—
 - (a) has effect subject to section 31(2)(a) (no deduction for foreign tax if credit allowed and UK tax calculated otherwise than by reference to the amount received in the United Kingdom),
 - (b) has effect subject to section 143(5) and (6) (no deduction for special withholding tax if UK tax calculated otherwise than by reference to the amount received in the United Kingdom),
 - (c) does not apply to income the tax on which is to be calculated by reference to the amount of income received in the United Kingdom, and
 - (d) does not require any income to be reduced by an amount of underlying tax which, under section 60(3), is to be left out of account for the purposes of section 57.
- (5) Subsection (1) has effect for corporation tax purposes despite—
 - (a) section 464(1) of CTA 2009 (matters to be brought into account in the case of loan relationships only under Part 5 of that Act), and
 - (b) section 906(1) of that Act (matters to be brought into account in respect of intangible fixed assets only under Part 8 of that Act).
- (6) In subsection (1) “non-UK tax” means tax under the law of a territory outside the United Kingdom.
- (7) For the purposes of subsection (3), whether a person is connected with P is determined in accordance with section 1122 of CTA 2010.

113 Deduction from capital gain for foreign tax (instead of credit against UK tax)

- (1) Subsection (2) applies to tax if it is—
 - (a) chargeable under the law of any territory outside the United Kingdom on the disposal of an asset, and
 - (b) borne by the person making the disposal.

- (2) The tax is allowable as a deduction in the calculation of the gain.
- (3) Subsection (2) is subject to—
 - (a) Chapters 1 and 2 so far as they apply for corporation tax purposes (see, in particular, section 31),
 - (b) Chapters 1 and 2 so far as they apply for capital gains tax purposes (see, in particular, section 31), and
 - (c) section 143 (which includes provision about taking account of special withholding tax when calculating a gain for capital gains tax purposes).
- (4) In subsection (1) “asset” and “disposal” have the same meaning as in TCGA 1992 (see, in particular, section 21 and the following provisions of TCGA 1992).

114 Time limits for action if tax adjustment makes reduction too large or too small

- (1) Subsection (2) applies to a claim or assessment if—
 - (a) the amount of any reduction under section 112(1) or 113(2) becomes excessive or insufficient by reason of any adjustment of the amount of any tax payable either in the United Kingdom or under the law of any territory outside the United Kingdom, or a person’s income is increased under section 112(3),
 - (b) the adjustment or increase gives rise to the claim or assessment, and
 - (c) the claim or assessment is made not later than 6 years from the time when all material determinations have been made, whether in the United Kingdom or elsewhere.
- (2) No time-limit rule applies to the assessment or claim.
- (3) In subsection (1)(c) “material determination” means (as the case may be)—
 - (a) an assessment, adjustment, increase or other determination that is material in determining whether any, and (if so) what, reduction is to be made under section 112(1) or increase is to be made under section 112(3), or
 - (b) an assessment, adjustment or other determination that is material in determining whether any, and (if so) what, reduction is to be made under section 113(2).
- (4) In subsection (2) “time-limit rule” means anything—
 - (a) in TMA 1970,
 - (b) in ICTA,
 - (c) in TCGA 1992, or
 - (d) in any other provision of the Tax Acts,
 limiting the time for the making of assessments or limiting the time for the making of claims for relief.

115 Duty to give notice that adjustment has rendered reduction too large

- (1) This section applies if—
 - (a) the amount of any of a person’s income is reduced under section 112(1),
 - (b) that reduction (“the original reduction”) later becomes excessive as a result of an adjustment of the amount of any tax payable under the law of a territory outside the United Kingdom or an increase under section 112(3), and
 - (c) the adjustment or increase is not a Lloyd’s adjustment.

Status: This is the original version (as it was originally enacted).

- (2) This section also applies if—
- (a) a deduction is allowed under section 113(2) in the case of a person making a disposal, and
 - (b) that deduction (“the original reduction”) later becomes excessive as a result of an adjustment of the amount of any tax payable under the law of a territory outside the United Kingdom.
- (3) The person must give notice that the original reduction has become excessive as a result of the making of an adjustment or increase.
- (4) Notice under subsection (3) is to be given—
- (a) to an officer of Revenue and Customs, and
 - (b) within one year from when the adjustment or increase was made.
- (5) If the person fails to comply with the requirements imposed by subsections (3) and (4), the person is liable to a penalty not greater than the amount given by—

A – B

where—

A is the amount of tax payable by the person for the reduction period after giving effect to the reduction that ought to be made under section 112(1) or (as the case may be) under section 113(2), and

B is the amount that would have been the tax payable by the person for that period after giving effect instead to the original reduction.

- (6) In subsection (5) “the reduction period” means the tax year, or accounting period of a company for corporation tax purposes, for which the original reduction was made.
- (7) For the purposes of subsection (1)(c), the adjustment or increase is a “Lloyd’s adjustment” if the consequences of the adjustment or increase in relation to the reduction are to be given effect in accordance with regulations under—
- (a) section 182(1) of FA 1993 (regulations about individual members of Lloyd’s), or
 - (b) section 229 of FA 1994 (regulations relating to corporate members of Lloyd’s).
- (8) In subsection (2) “disposal” has the same meaning as in TCGA 1992 (see, in particular, section 21(2) and the following provisions of TCGA 1992).
- (9) In this section so far as it relates to capital gains tax “notice” means notice in writing.

European cross-border transfers of business

116 Introduction to section 117

- (1) Subject to subsections (4) to (6), section 117 applies if condition A or B is met.
- (2) Condition A is that—
- (a) a company resident in the United Kingdom transfers to a company resident in another member State the whole or part of a business which immediately before the transfer the transferor carried on in a member State other than the United Kingdom through a permanent establishment, and

- (b) the transfer includes—
 - (i) the transfer of an asset or liability representing a loan relationship,
 - (ii) the transfer of rights and liabilities under a derivative contract, or
 - (iii) the transfer of intangible fixed assets that are chargeable intangible assets in relation to the transferor immediately before the transfer and in the case of one or more of which the proceeds of realisation exceed the costs recognised for tax purposes.
- (3) Condition B is that—
 - (a) a company resident in the United Kingdom transfers part of its business to one or more companies,
 - (b) the part of the transferor's business which is transferred was carried on immediately before the transfer in a member State other than the United Kingdom through a permanent establishment,
 - (c) at least one transferee is resident in a member State other than the United Kingdom,
 - (d) the transferor continues to carry on a business after the transfer,
 - (e) the condition in subsection (2)(b) is met, and
 - (f) the transfer—
 - (i) is made in exchange for the issue of shares in or debentures of each transferee to each person holding shares in or debentures of the transferor, or
 - (ii) is not so made only because, and only so far as, a transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.
- (4) If a transfer that meets condition A or B includes such a transfer as is mentioned in subsection (2)(b)(i), section 117—
 - (a) only applies as respects the transfer so mentioned as a result of the transfer meeting condition A if the transfer is wholly or partly in exchange for shares or debentures issued by the transferee to the transferor, and
 - (b) only applies as respects the transfer so mentioned as a result of the transfer meeting condition B if each transferee is resident in a member State, but not necessarily the same one.
- (5) If a transfer that meets condition A or B includes such a transfer as is mentioned in subsection (2)(b)(ii), section 117—
 - (a) only applies as respects the transfer so mentioned as a result of the transfer meeting condition A if the transfer is wholly or partly in exchange for shares or debentures issued by the transferee to the transferor or to the persons holding shares in or debentures of the transferor,
 - (b) only applies as respects the transfer so mentioned as a result of the transfer meeting condition B if each transferee is resident in a member State, but not necessarily the same one, and
 - (c) only applies as respects the transfer so mentioned if the transferor makes a claim under this section in respect of it.
- (6) If a transfer that meets condition A or B includes such a transfer as is mentioned in subsection (2)(b)(iii), section 117—

Status: This is the original version (as it was originally enacted).

- (a) only applies as respects the transfer so mentioned as a result of the transfer meeting condition A if—
 - (i) the companies mentioned in subsection (2)(a) are companies incorporated under the law of a member State, and
 - (ii) the transfer is wholly or partly in exchange for shares or other securities issued by the transferee to the transferor,
 - (b) only applies as respects the transfer so mentioned as a result of the transfer meeting condition B if—
 - (i) the transferor and at least one of the transferees mentioned in subsection (3)(a) is a company so incorporated, and
 - (ii) the transfer is in exchange for shares or debentures issued by the transferee to the persons holding shares in or debentures of the transferor, and
 - (c) only applies as respects the transfer so mentioned if—
 - (i) the transfer includes the whole of the assets of the transferor used for the purposes of the business or part, or the whole of those assets other than cash, and
 - (ii) the transferor makes a claim under this section in respect of the transfer so mentioned.
- (7) No claim may be made under subsection (6) in respect of a transfer in relation to which a claim is made under section 827 of CTA 2009 (claims to postpone charge on transfer of assets to non-UK resident company).
- (8) For the purposes of this section, a company is resident in a member State if—
- (a) it is within a charge to tax under the law of the State as being resident for that purpose, and
 - (b) it is not regarded, for the purpose of any double taxation relief arrangements to which the State is a party, as resident in a territory not within a member State.

117 Tax treated as chargeable in respect of transfer of loan relationship, derivative contract or intangible fixed assets

- (1) If tax would have been chargeable under the law of one or more other member States in respect of the transfer mentioned in section 116(2)(b)(i), (ii) or (iii) but for the Mergers Directive, this Part applies, and any double taxation arrangements apply, as if that tax had been chargeable.
- (2) In calculating tax notionally chargeable under subsection (1), it is to be assumed—
 - (a) that, to the extent permitted by the law of the other member State, losses arising on the transfer mentioned in section 116(2)(b)(i), (ii) or (iii) are set against gains arising on that transfer, and
 - (b) that any relief due to the transferor under that law is claimed.
- (3) Subsection (1) does not apply if—
 - (a) the transfer of business mentioned in section 116(2)(a) or (3)(a) is not effected for genuine commercial reasons, or
 - (b) that transfer of business forms part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoiding liability to corporation tax, capital gains tax or income tax.

- (4) But subsection (3) does not prevent subsection (1) from applying if before the transfer—
- (a) the appropriate applicant has applied to the Commissioners for Her Majesty's Revenue and Customs, and
 - (b) the Commissioners have notified the appropriate applicant that they are satisfied subsection (3) will not have that effect.
- (5) In subsection (4) “the appropriate applicant” means—
- (a) in a case where tax chargeable in respect of such a transfer as is mentioned in section 116(2)(b)(i) or (ii) is concerned, the companies mentioned in section 116(2)(a) or (3)(a), and
 - (b) in a case where tax chargeable in respect of such a transfer as is mentioned in section 116(2)(b)(iii) is concerned, the transferor.
- (6) Sections 427 and 428 of CTA 2009 (procedure and decisions on applications for clearance) have effect in relation to subsection (4) as in relation to section 426(2) of that Act, taking the references in section 428 to section 426(2)(b) as references to subsection (4)(b) of this section.

European cross-border mergers

118 Introduction to section 119

- (1) Section 119 applies if each of conditions A to E is met and—
- (a) in the case of a merger within subsection (2)(a) or (b), condition F is met,
 - (b) in the case of a merger within subsection (2)(c), conditions F and G are met, and
 - (c) in the case of a merger within subsection (2)(d), condition G is met.
- (2) Condition A is that—
- (a) an SE is formed by the merger of two or more companies in accordance with Articles 2(1) and 17(2)(a) or (b) of Council Regulation (EC) No. 2157/2001 on the Statute for a European company (Societas Europaea),
 - (b) an SCE is formed by the merger of two or more co-operative societies, at least one of which is a society registered under the Industrial and Provident Societies Act 1965, in accordance with Articles 2(1) and 19 of Council Regulation (EC) No. 1435/2003 on the Statute for a European Co-operative Society (SCE),
 - (c) a merger is effected by the transfer by one or more companies of all their assets and liabilities to a single existing company, or
 - (d) a merger is effected by the transfer by two or more companies of all their assets and liabilities to a single new company (other than an SE or an SCE) in exchange for the issue by the transferee, to each person holding shares in or debentures of a transferor, of shares or debentures.
- (3) Condition B is that each merging company is resident in a member State.
- (4) Condition C is that the merging companies are not all resident in the same State.
- (5) Condition D is that in the course of the merger a company resident in the United Kingdom (“company A”) transfers to a company resident in another member State all assets and liabilities relating to a business which company A carried on in a member

Status: This is the original version (as it was originally enacted).

State other than the United Kingdom through a permanent establishment (but see subsection (9)).

- (6) Condition E is that the transfer mentioned in subsection (5) includes—
- (a) the transfer of an asset or liability representing a loan relationship,
 - (b) the transfer of rights and liabilities under a derivative contract, or
 - (c) the transfer of intangible fixed assets—
 - (i) that are chargeable intangible assets in relation to company A immediately before the transfer, and
 - (ii) in the case of one or more of which the proceeds of realisation exceed the cost recognised for tax purposes.
- (7) Condition F is that—
- (a) the transfer of assets and liabilities to the transferee in the course of the merger is made in exchange for the issue of shares or debentures by the transferee to each person holding shares in or debentures of a transferor, or
 - (b) paragraph (a) is not met in relation to the transfer of those assets and liabilities only because, and only so far as, the transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.
- (8) Condition G is that in the course of the merger each transferor ceases to exist without being in liquidation (within the meaning given by section 247 of the Insolvency Act 1986).
- (9) In the case of a merger within subsection (2)(a) or (b), in determining whether section 119 applies in respect of such a transfer as is mentioned in subsection (6)(c), condition D is regarded as met even if all liabilities relating to the business which company A carried on are not transferred as mentioned in subsection (5).
- (10) For the purposes of this section, a company is resident in a member State if—
- (a) it is within a charge to tax under the law of the State as being resident for that purpose, and
 - (b) it is not regarded, for the purpose of any double taxation relief arrangements to which the State is a party, as resident in a territory not within a member State.
- (11) In this section—
- “co-operative society” means a society registered under the Industrial and Provident Societies Act 1965 or a similar society governed by the law of a member State other than the United Kingdom,
- “SE” and “SCE” have the same meaning as in CTA 2009 (see section 1319 of that Act),
- “the transferee” means—
- (a) in relation to a merger within subsection (2)(a), the SE,
 - (b) in relation to a merger within subsection (2)(b), the SCE, and
 - (c) in relation to a merger within subsection (2)(c) or (d), the company to which assets and liabilities are transferred, and
- “transferor” means—
- (a) in relation to a merger within subsection (2)(a), a company merging to form the SE,

- (b) in relation to a merger within subsection (2)(b), a co-operative society merging to form the SCE, and
- (c) in relation to a merger within subsection (2)(c) or (d), a company transferring all of its assets and liabilities.

119 Tax treated as chargeable in respect of transfer of loan relationship, derivative contract or intangible fixed assets

- (1) If tax would have been chargeable under the law of one or more other member States in respect of the transfer mentioned in section 118(6)(a), (b) or (c) but for the Mergers Directive, this Part applies, and any double taxation arrangements apply, as if that tax had been chargeable.
- (2) In calculating tax notionally chargeable under subsection (1) in respect of the transfer mentioned in section 118(6)(a) or (b), it is to be assumed—
 - (a) that, to the extent permitted by the law of the other member State, losses arising on that transfer are set against gains arising on that transfer, and
 - (b) that any relief due to company A under that law is claimed.
- (3) Subsection (1) does not apply if—
 - (a) the merger is not effected for genuine commercial reasons, or
 - (b) the merger forms part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoiding liability to corporation tax, capital gains tax or income tax.
- (4) But subsection (3) does not prevent subsection (1) from applying if before the merger—
 - (a) any of the merging companies has applied to the Commissioners for Her Majesty’s Revenue and Customs, and
 - (b) the Commissioners have notified the merging companies that they are satisfied subsection (3) will not have that effect.
- (5) Sections 427 and 428 of CTA 2009 (procedure and decisions on applications for clearance) have effect in relation to subsection (4) as in relation to section 426(2) of that Act, taking the references in section 428 to section 426(2)(b) as references to subsection (4)(b) of this section.
- (6) In this section “company A”, “the merger” and “the merging companies” have the same meaning as in section 118.

Transparent entities involved in cross-border transfers and mergers

120 Introduction to section 121

- (1) Section 121 applies if, as a result of—
 - (a) a relevant loan relationship transaction,
 - (b) a relevant derivative contracts transaction, or
 - (c) a relevant intangible fixed assets transaction,
 tax would have been chargeable under the law of a member State other than the United Kingdom in respect of a relevant profit but for the Mergers Directive.
- (2) In this section “relevant loan relationship transaction” means—

Status: This is the original version (as it was originally enacted).

- (a) a transfer of a kind which meets condition A or B in section 421 of CTA 2009 or would meet one of those conditions if—
 - (i) the business or part of the business transferred were carried on by the transferor in the United Kingdom, and
 - (ii) the condition in section 421(3)(c) or (4)(f) of that Act were met, and in relation to which the transferor or transferee or one of the transferees is a transparent entity, or
 - (b) a merger of a kind mentioned in section 431(2) of that Act which meets—

 - (i) the business or part of the business transferred were carried on by the transferor in the United Kingdom, and
 - (ii) the condition in section 674(2)(c) or (3)(f) of that Act were met, and in relation to which the transferor is a transparent entity, or
 - (b) a merger of a kind mentioned in section 682(2) of that Act which meets—
 - (i) conditions B to D in section 682,
 - (ii) in the case of a merger within section 682(2)(a), (b) or (c), condition E in section 682, and
 - (iii) in the case of a merger within section 682(2)(c) or (d), condition F in section 682,
 and in relation to which one or more of the merging companies is a transparent entity.
- (4) In this section “relevant intangible fixed assets transaction” means—
- (a) a transfer—
 - (i) which is of a kind which meets condition A or B in section 819 of CTA 2009, or would meet one of those conditions if the business or part of the business transferred were carried on by the transferor in the United Kingdom, and
 - (ii) in relation to which the transferor or transferee or one of the transferees is a transparent entity, or
 - (b) a merger—
 - (i) which is of a kind mentioned in section 821(2) of that Act,

 - (iv) which, if it is a merger within section 821(2)(c) or (d), meets condition E in section 821,

- (v) in the course of which no qualifying assets are transferred to which section 818 of that Act (company reconstruction involving transfer of business) applies, and
 - (vi) in relation to which one or more of the merging companies is a transparent entity.
- (5) In this section “relevant profit” means—
- (a) in the case of a transfer within subsection (2)(a), a profit accruing to a transparent entity in respect of a loan relationship (or which would be treated as accruing if it were not transparent) because of the transfer of assets or liabilities representing a loan relationship by the transparent entity to the transferee,
 - (b) in the case of a merger within subsection (2)(b), a profit accruing to a transparent entity in respect of a loan relationship (or which would be treated as accruing if it were not transparent) because of the transfer of assets or liabilities representing a loan relationship by the transparent entity to another company in the course of the merger,
 - (c) in the case of a transfer within subsection (3)(a), a profit accruing to a transparent entity in respect of a derivative contract (or which would be treated as accruing if it were not transparent) because of the transfer of rights and liabilities under the derivative contract by the transparent entity to the transferee,
 - (d) in the case of a merger within subsection (3)(b), a profit accruing to a transparent entity in respect of a derivative contract (or which would be treated as accruing if it were not transparent) because of the transfer of rights and liabilities under the derivative contract by the transparent entity to another company in the course of the merger,
 - (e) in the case of a transfer within subsection (4)(a), a profit which would be treated as accruing to a transparent entity in respect of an intangible fixed asset, because of the transfer of intangible fixed assets by the transparent entity, if it were not transparent, and
 - (f) in the case of a merger within subsection (4)(b), a profit which would be treated as accruing to a transparent entity in respect of an intangible fixed asset, because of the transfer of intangible fixed assets by the transparent entity in the course of the merger, if it were not transparent.
- (6) In this section “transparent entity” means a company which is resident in a member State other than the United Kingdom and does not have an ordinary share capital.

121 Tax treated as chargeable in respect of relevant transactions

- (1) This Part applies, and any double taxation arrangements apply, as if the tax that would have been chargeable as mentioned in section 120(1) had been chargeable.
- (2) In calculating tax notionally chargeable under subsection (1), it is to be assumed—
 - (a) that, to the extent permitted by the law of the other member State mentioned in section 120(1), losses arising on the relevant transfer are set against profits arising on it, and
 - (b) that any relief available under that law is claimed.
- (3) In this section “the relevant transfer” means—
 - (a) the transfer of assets or liabilities mentioned in section 120(5)(a) or (b),

Status: This is the original version (as it was originally enacted).

- (b) the transfer of rights and liabilities mentioned in section 120(5)(c) or (d), or
- (c) the transfer of intangible fixed assets mentioned in section 120(5)(e) or (f).

Cross-border transfers and mergers: chargeable gains

122 Tax treated as chargeable in respect of gains on transfer of non-UK business

- (1) Subsection (3) applies if—
- (a) section 140C or 140F of TCGA 1992 applies, and
 - (b) gains accruing to company A on the transfer would have been chargeable to tax under the law of the host State but for the Mergers Directive.
- (2) In this section—
- “company A”—
 - (a) means the transferor within the meaning given by subsection (1) or (1A) of section 140C of TCGA 1992 if that subsection applies, and
 - (b) has the meaning given by section 140F(2) of TCGA 1992 if it applies,
 - “the host State” means the member State (other than the United Kingdom) mentioned, in whichever of the transfer subsections applies, as the location in which company A carries on a business or part of a business,
 - “the transfer” means the transfer made by company A that is mentioned in whichever of the transfer subsections applies, and
 - “the transfer subsections” means—
 - (a) section 140C(1) of TCGA 1992 (transfer, of non-UK business or part, by UK resident “company” to one resident in another member State),
 - (b) section 140C(1A) of TCGA 1992 (transfer, of part of non-UK business, by UK resident “company” to transferees including a “company” resident in another member State), and
 - (c) section 140F(2) of TCGA 1992 (transfer of assets and liabilities of non-UK business, by UK resident “company” or co-operative society to one resident in another member State, as part of genuine merger of two or more “companies” or societies).
- (3) This Part applies, and any double taxation arrangements apply, as if the tax mentioned in subsection (4) were tax payable under the law of the host State.
- (4) That tax is the tax, calculated on the required basis, which but for the Mergers Directive would have been payable under the law of the host State in respect of the gains.
- (5) For the purposes of subsection (4) “the required basis” is that—
- (a) so far as permitted under the law of the host State, any losses arising on the transfer are set against any gains arising on the transfer, and
 - (b) any relief available to company A under the law of the host State has been duly claimed.

Cases about being taxed otherwise than in accordance with double taxation arrangements

124 Giving effect to solutions to cases and mutual agreements resolving cases

- (1) Subsections (2) and (4) apply if under, and for the purposes of, double taxation arrangements made in relation to a territory outside the United Kingdom—
 - (a) a person presents, to the Commissioners for Her Majesty’s Revenue and Customs or to an authority in the territory, a case concerning the person’s being taxed (whether in the United Kingdom or the territory) otherwise than in accordance with the arrangements, and
 - (b) the Commissioners arrive at a solution to the case or make a mutual agreement with an authority in the territory for the resolution of the case.
- (2) The Commissioners are to give effect to the solution or mutual agreement despite anything in any enactment, and any such adjustment as is appropriate in consequence may be made.
- (3) An adjustment under subsection (2) may be made by way of discharge or repayment of tax, the allowance of credit against tax payable in the United Kingdom, the making of an assessment or otherwise.
- (4) A claim for relief under any provision of—
 - (a) the Tax Acts,

- (4) An adjustment under subsection (3) may be made by way of discharge or repayment of tax, the allowance of credit against tax payable in the United Kingdom, the making of an assessment or otherwise.
- (5) An enactment which imposes deadlines for the making of claims for relief under any provision of the Tax Acts does not apply to a claim made in pursuance of a Convention determination.

128 Disclosure under the Convention

 - (b) any authorised Revenue and Customs official,
- from disclosing information required to be disclosed under the Arbitration Convention in pursuance of a request made by an advisory commission set up under the Convention.

Disclosure of information

129 Disclosure where relief given overseas for tax paid in the United Kingdom

- (a) income tax,
 - (b) corporation tax,
 - (c) capital gains tax, or
 - (d) petroleum revenue tax,
- relief from tax payable under that law.
- (2) The obligation as to secrecy imposed upon Revenue and Customs officials by—
- (a) the Tax Acts,
 - (b) the enactments relating to capital gains tax, and
 - (c) the enactments relating to petroleum revenue tax,
- does not prevent disclosure, to the authorised officer of the authorities of the territory, of such facts as may be necessary to enable the proper relief to be given under the law of the territory.
- (3) The reference in subsection (1) to tax payable under the law of the territory includes only—
- (a) taxes which are charged on income and which correspond to income tax,
 - (b) taxes which are charged on income or chargeable gains and which correspond to corporation tax,
 - (c) taxes which are charged on capital gains and which correspond to capital gains tax, and

Status: This is the original version (as it was originally enacted).

Interpretation of double taxation arrangements

130 Interpreting provision about UK taxation of profits of foreign enterprises

- (1) Subsection (4) applies if double taxation arrangements make the provision, however expressed, mentioned in subsection (2).
- (2) The provision is that the profits of an enterprise within subsection (3) are not to be subject to United Kingdom tax except so far as they are attributable to a permanent establishment of the enterprise in the United Kingdom.
- (3) An enterprise is within this subsection if the enterprise—
 - (a) is resident outside the United Kingdom, or
 - (b) carries on a trade, or profession or business, the control or management of which is situated outside the United Kingdom.
- (4) The provision does not prevent income of a person resident in the United Kingdom being chargeable to income tax or corporation tax.
- (5) Subsection (4)—
 - (a) does not apply in relation to income of a person resident in the United Kingdom if section 858 of ITTOIA 2005 (UK resident partner is taxable on share of firm’s income despite any double taxation arrangements) applies to the income, and
 - (b) does not apply in relation to income of a company resident in the United Kingdom if section 1266(2) of CTA 2009 (UK resident company that is partner in a firm is taxable on share of firm’s income despite any double taxation arrangements) applies to the income.
- (6) A person is resident in the United Kingdom for the purposes of this section if the person is resident in the United Kingdom for the purposes of the double taxation arrangements.

131 Interpreting provision about interest influenced by special relationship

- (1) Subsections (3) and (6) apply if double taxation arrangements—

- (a) make provision, whether for relief or otherwise, in relation to interest (as defined in the arrangements), and
 - (b) contain a special relationship rule.
- (2) A “special relationship rule” is provision that—
- (a) applies if the amount of the interest paid is, because of a special relationship, greater than the amount (“the ordinary amount”) that would have been paid in the absence of the relationship, and
 - (b) has the effect that the provision mentioned in subsection (1)(a) is to apply only to the ordinary amount.
- (3) The special relationship rule is to be read as requiring account to be taken of all factors, including—
- (a) the question whether the loan would have been made at all in the absence of the special relationship,
 - (b) the amount which the loan would have been in the absence of the special relationship, and
 - (c) the rate of interest, and the other terms, which would have been agreed in the absence of the special relationship.
- (4) Subsection (3) does not apply if the special relationship rule expressly requires regard to be had to the debt on which interest is paid in determining the excess interest (and accordingly expressly limits the factors to be taken into account).
- (5) If—
- (a) a company (“L”) makes a loan to another company with which it has a special relationship, and
 - (b) it is not part of L’s business to make loans generally,
- the fact that it is not part of L’s business to make loans generally is to be disregarded in applying subsection (3).
- (6) The special relationship rule is to be read as requiring the taxpayer—
- (a) to show that there is no special relationship, or
 - (b) if there is a special relationship, to show the amount of interest that would have been paid in the absence of the relationship.

132 Interpreting provision about royalties influenced by special relationship

- (1) Subsection (3) and section 133 apply if double taxation arrangements—
- (a) make provision, whether for relief or otherwise, in relation to royalties (as defined in the arrangements), and
 - (b) contain a special relationship rule.
- (2) A “special relationship rule” is provision that—
- (a) applies if the amount of the royalties paid is, because of a special relationship, greater than the amount (“the ordinary amount”) that would have been paid in the absence of the relationship, and
 - (b) has the effect that the provision mentioned in subsection (1)(a) is to apply only to the ordinary amount.
- (3) The special relationship rule is to be read as requiring account to be taken of all factors, including—

Status: This is the original version (as it was originally enacted).

- (a) the question whether the agreement under which the royalties are paid would have been made at all in the absence of the special relationship,
 - (b) the rate or amounts of royalties, and the other terms, which would have been agreed in the absence of the special relationship, and
 - (c) if subsection (4) applies, the factors specified in subsection (5).
- (4) This subsection applies if the asset in respect of which the royalties are paid, or any asset which that asset represents or from which it is derived, has previously been in the beneficial ownership of—
- (a) the person (“PR”) who is liable to pay the royalties,
 - (b) a person who is, or has at any time been, an associate of PR,
 - (c) a person who has at any time carried on a business which, at the time when the liability to pay the royalties arises, is being carried on in whole or in part by PR, or
 - (d) a person who is, or has at any time been, an associate of a person within paragraph (c).
- (5) The factors mentioned in subsection (3)(c) are—
- (a) the amounts which were paid under the transaction, or under each of the transactions in a series of transactions, as a result of which the asset has come to be an asset of the beneficial owner for the time being,
 - (b) the amounts which would have been paid under that transaction, or under each of those transactions, in the absence of a special relationship, and
 - (c) the question whether the transaction, or series of transactions, would have taken place in the absence of a special relationship.
- (6) Subsection (3) does not apply if the special relationship rule expressly requires regard to be had to the use, right or information for which royalties are paid in determining the excess royalties (and accordingly expressly limits the factors to be taken into account).
- (7) For the purposes of this section, a person (“A”) is an associate of another person (“B”) at a given time if—
- (a) A was directly or indirectly participating in the management, control or capital of B at that time, or
 - (b) the same person was, or the same persons were, directly or indirectly participating in the management, control or capital of A and B at that time.
- (8) For the interpretation of subsection (7), see sections 157(1), 158(4), 159(1) and 160(1) (which have the effect that references in subsection (7) to direct or indirect participation are to be read in accordance with provisions of Chapter 2 of Part 4).

133 Special relationship rule for royalties: matters to be shown by taxpayer

- (1) If this section applies (as to which, see section 132(1)), the special relationship rule is to be read as requiring the taxpayer to show—
- (a) the absence of any special relationship, or
 - (b) as the case may be, the rate or amounts of royalties that would have been payable in the absence of the special relationship.
- (2) The requirement under subsection (1)(a) includes whichever is applicable of the following requirements.
- (3) The first of those requirements is—

- (a) to show that no person of any of the descriptions in section 132(4)(a) to (d) has previously been the beneficial owner of the asset in respect of which the royalties are paid, and
 - (b) to show that no person of any of those descriptions has previously been the beneficial owner of any asset which that asset represents or from which it is derived.
- (4) The second of those requirements is—
- (a) to show that the transaction, or series of transactions, mentioned in section 132(5)(a) would have taken place in the absence of a special relationship, and
 - (b) to show the amounts which would have been paid under the transaction, or under each of the transactions in the series of transactions, in the absence of a special relationship.

Assessments

134 Correcting assessments where relief is available

- (1) Subsections (5) and (6) apply if—
- (a) under double taxation arrangements, relief may be given in the United Kingdom, or in the territory in relation to which the arrangements are made, in respect of any income or any chargeable gain, and
 - (b) condition A or B is met.
- (2) Subsections (5) and (6) also apply if—
- (a) under unilateral relief arrangements for a territory outside the United Kingdom, relief may be given in respect of any income or any chargeable gain, and
 - (b) condition A or B is met.
- (3) Condition A is that it appears that the assessment—
- (a) to income tax or corporation tax made in respect of the income, or
 - (b) to corporation tax or capital gains tax made in respect of the gain,
- is not made in respect of the full amount of the income or gain.
- (4) Condition B is that it appears that the assessment—
- (a) to income tax or corporation tax made in respect of the income, or
 - (b) to corporation tax or capital gains tax made in respect of the gain,
- is incorrect having regard to the credit, if any, to be given under the arrangements.
- (5) Assessments may be made that are necessary to ensure—
- (a) that the full amount of the income or gain is assessed, and
 - (b) that the proper credit, if any, is given.
- (6) If the income is entrusted to any person in the United Kingdom for payment, an assessment under subsection (5) may be made on the recipient of the income.
- (7) An officer of Revenue and Customs may make amendments—
- (a) of assessments or determinations, or
 - (b) of decisions on claims,

that are necessary in consequence of Chapter 1 so far as it applies for petroleum revenue tax purposes.

148 The “participation condition”

- (1) For the purposes of section 147(1)(b), the participation condition is met if—
- (a) condition A is met in relation to the actual provision so far as the actual provision is provision relating to financing arrangements, and

CHAPTER 2

KEY INTERPRETATIVE PROVISIONS

Meaning of certain expressions that first appear in section 147

149 “Actual provision” and “affected persons”

- (1) In this Part—
- “the actual provision”, and
- “the affected persons”,
- have the meaning given by section 147(1).
- (2) Subsection (1) does not apply if Chapters 1 and 3 to 6 apply in accordance with section 205(2) to (4) (oil-related ring-fence trades) but, in that event, in this Part—
- “the actual provision” means the provision mentioned in section 205(1)(b),
- and
- “the affected persons” means the two persons mentioned in section 205(2).
- (3) Subsections (1) and (2) are subject to subsection (4).
- (4) If the participation condition (see section 148) would not be met but for section 161 or 162 (cases in which actual provision relates, to any extent, to financing arrangements), then in section 147(1)(d), (2)(b), (3), (4)(b) and (5) “the actual provision” is a reference to the actual provision so far as relating to the financing arrangements concerned.

150 “Transaction” and “series of transactions”

- (1) In this Part “transaction” includes arrangements, understandings and mutual practices (whether or not they are, or are intended to be, legally enforceable).

- (2) References in this Part to a series of transactions include references to a number of transactions each entered into (whether or not one after the other) in pursuance of, or in relation to, the same arrangement.
- (3) A series of transactions is not prevented by reason only of one or more of the matters mentioned in subsection (4) from being regarded for the purposes of this Part as a series of transactions by means of which provision has been made or imposed as between any two persons.
- (4) Those matters are—
 - (a) that there is no transaction in the series to which both those persons are parties,
 - (b) that the parties to any arrangement in pursuance of which the transactions in the series are entered into do not include one or both of those persons, and
 - (c) that there is one or more transactions in the series to which neither of those persons is a party.
- (5) In this section “arrangement” means any scheme or arrangement of any kind (whether or not it is, or is intended to be, legally enforceable).

151 “Arm’s length provision”

- (1) In this Part “the arm’s length provision” has the meaning given by section 147(1).
- (2) For the purposes of this Part, the cases in which provision made or imposed as between any two persons is to be taken to differ from the provision that would have been made as between independent enterprises include the case in which provision is made or imposed as between two persons but no provision would have been made as between independent enterprises; and references in this Part to the arm’s length provision are to be read accordingly.

152 Arm’s length provision where actual provision relates to securities

- (1) This section applies where—
 - (a) both of the affected persons are companies, and
 - (b) the actual provision is provision in relation to a security issued by one of those companies (“the issuing company”).
- (2) Section 147(1)(d) is to be read as requiring account to be taken of all factors, including—
 - (a) the question whether the loan would have been made at all in the absence of the special relationship,
 - (b) the amount which the loan would have been in the absence of the special relationship, and
 - (c) the rate of interest and other terms which would have been agreed in the absence of the special relationship.
- (3) Subsection (2) has effect subject to subsections (4) and (5).
- (4) If—
 - (a) a company (“L”) makes a loan to another company with which it has a special relationship, and
 - (b) it is not part of L’s business to make loans generally,

Status: This is the original version (as it was originally enacted).

the fact that it is not part of L's business to make loans generally is to be disregarded in applying subsection (2).

- (5) Section 147(1)(d) is to be read as requiring that, in the determination of any of the matters mentioned in subsection (6), no account is to be taken of (or of any inference capable of being drawn from) any guarantee provided by a company with which the issuing company has a participatory relationship.
- (6) The matters are—
- (a) the appropriate level or extent of the issuing company's overall indebtedness,
 - (b) whether it might be expected that the issuing company and a particular person would have become parties to a transaction involving—
 - (i) the issue of a security by the issuing company, or
 - (ii) the making of a loan, or a loan of a particular amount, to the issuing company, and
 - (c) the rate of interest and other terms that might be expected to be applicable in any particular case to such a transaction.

153 Arm's length provision where security issued and guarantee given

- (1) This section applies where the actual provision is made or imposed by means of a series of transactions which include—
- (a) the issuing of a security by a company which is one of the affected persons ("the issuing company"), and
 - (b) the provision of a guarantee by a company which is the other affected person.
- (2) Section 147(1)(d) is to be read as requiring account to be taken of all factors, including—
- (a) the question whether the guarantee would have been provided at all in the absence of the special relationship,
 - (b) the amount that would have been guaranteed in the absence of the special relationship, and
 - (c) the consideration for the guarantee and other terms which would have been agreed in the absence of the special relationship.
- (3) Subsection (2) has effect subject to subsections (4) and (5).
- (4) If—
- (a) a company ("G") provides a guarantee in respect of another company with which it has a special relationship, and
 - (b) it is not part of G's business to provide guarantees generally,
- the fact that it is not part of G's business to provide guarantees generally is to be disregarded in applying subsection (2).
- (5) Section 147(1)(d) is to be read as requiring that, in the determination of any of the matters mentioned in subsection (6), no account is to be taken of (or of any inference capable of being drawn from) any guarantee provided by a company with which the issuing company has a participatory relationship.
- (6) The matters are—
- (a) the appropriate level or extent of the issuing company's overall indebtedness,

- (b) whether it might be expected that the issuing company and a particular person would have become parties to a transaction involving—
 - (i) the issue of a security by the issuing company, or
 - (ii) the making of a loan, or a loan of a particular amount, to the issuing company, and
- (c) the rate of interest and other terms that might be expected to be applicable in any particular case to such a transaction.

- (5) One company (“A”) has a “participatory relationship” with another (“B”) if—
 - (a) one of A and B is directly or indirectly participating in the management, control or capital of the other, or

155 “Potential advantage” in relation to United Kingdom taxation

- (1) Subsection (2) applies for the purposes of this Part.
- (2) The actual provision confers a potential advantage on a person in relation to United Kingdom taxation wherever, disregarding this Part, the effect of making or imposing the actual provision, instead of the arm’s length provision, would be one or both of Effects A and B.
- (3) Effect A is that a smaller amount (which may be nil) would be taken for tax purposes to be the amount of the person’s profits for any chargeable period.

Status: This is the original version (as it was originally enacted).

- (4) Effect B is that a larger amount (or, if there would not otherwise have been losses, any amount of more than nil) would be taken for tax purposes to be the amount for any chargeable period of any losses of the person.
- (5) In determining for the purposes of subsection (3) or (4) the amount that would be taken for tax purposes to be the amount of the profits or losses for a year of assessment in the case of a non-UK resident, there is to be left out of account any income of that person which is—
 - (a) disregarded income within the meaning given by section 813 of ITA 2007 (limits on liability to income tax of non-UK residents), or

- (2) If this subsection applies—
- (a) the reduction mentioned in subsection (1)(c) is to be treated as made before any reduction under section 112(1), and
 - (b) tax paid, in the place in which any income arises, on so much of that income as is represented by the amount of the reduction mentioned in subsection (1)(c) is to be disregarded for the purposes of section 112(1).
- (3) If any adjustment is required to be made for the purpose of giving effect to any of the preceding provisions of this section—
- (a) it may be made by setting the amount of the adjustment against any relief or repayment to which DP is entitled in pursuance of DP’s claim under section 174, and

- (7) Expressions used in those sections or section 248 have the same meaning as in this section.

246 Cases where payee’s non-liability treated as not a result of scheme

- (1) This section sets out two cases in which condition C in section 245(4) (which requires that as a result of the deduction scheme the payee is not liable to tax in respect of the whole or part of certain payments) is treated as not met.
- (2) The first case is where the reason why the payee is not liable to tax is that under the tax law of any territory the payee is not liable to tax on any income or gains received by the payee or received for the payee’s benefit.
- (3) The second case is where, or to the extent that, the payee is not subject to tax because an exemption within subsection (4) applies.
- (4) An exemption is within this subsection if—
 - (a) it exempts a person from being liable to tax in respect of income or gains, without providing for that income or those gains to be treated as the income or gains of another person, and
 - (b) it is conferred by a provision contained in, or having the force of, an Act or by a provision of the tax law of any territory outside the United Kingdom.

Status: This is the original version (as it was originally enacted).

247 Cases where payee treated as having reduced liability as a result of scheme

- (1) This section sets out two cases in which the payee's liability to tax in respect of the scheme payment is treated for the purposes of section 245(4)(b) as reduced as a result of provision made or imposed by the deduction scheme.
- (2) But that does not mean that there are no other cases in which that liability is so reduced.
- (3) In this section "the scheme payment" means the payment or payments that the payee receives or is entitled to receive as a result of the transaction or series of transactions referred to in section 245(2).
- (4) Case A is that an amount arising from—
 - (a) a transaction forming part of the scheme, or
 - (b) a series of such transactions,falls to be deducted by, or otherwise allowed to, the payee in calculating for tax purposes any profits or losses arising from the scheme payment or the entitlement to receive it.
- (5) Case B is that an amount of relief arising from—
 - (a) a transaction forming part of the scheme, or
 - (b) a series of such transactions,may be deducted from the amount of income or gains arising from the scheme payment or the entitlement to receive it.

248 The rule against deduction for untaxable payments

- (1) The rule referred to in section 243(3)(b) is that the total deduction amount must be reduced.
- (2) In this section "the total deduction amount" means the total of the amounts allowable as a deduction for the purposes of the Corporation Tax Acts in calculating any profits arising to the company from any transaction forming part of the deduction scheme.
- (3) If the payee is not liable to tax for the purposes of section 245(4) in respect of the payment or payments that the payee receives or is entitled to receive, the total deduction amount must be reduced to nil.
- (4) If the payee is liable to tax for those purposes in respect of part of that payment or those payments, the total deduction amount must be reduced by the same proportion of that amount as the proportion of the payment or payments on which the payee is not liable to tax.
- (5) If the payee's liability to tax is reduced as described in section 245(4)(b), the total deduction amount must be reduced by the same proportion of that amount as the reduction in the payee's liability bears to that liability before reduction.

- (8) The definition of “initial storage” in section 12(1) of OTA 1975 applies for the purposes of this section.
- (9) But in its application for those purposes in relation to the person mentioned in subsection (5) and to oil won from any one oil field, that definition is to have effect as if the reference to the maximum daily production rate of oil for the field mentioned in that definition were to a share of that maximum daily production rate proportionate to that person's share of the oil won from that field.
- (10) In this section “initial treatment” has the same meaning as in Part 1 of OTA 1975 (see section 12(1) of that Act).

Oil valuation

225F Valuation where market value taken into account under section 2 of OTA 1975

- (1) This section applies if a person disposes of oil in circumstances such that the market value of the oil—
 - (a) falls to be taken into account under section 2 of OTA 1975, otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in calculating for petroleum revenue tax purposes the assessable profit or allowable loss accruing to that person in a chargeable period from an oil field, or
 - (b) would so fall but for section 10 of that Act.
- (2) For income tax purposes, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil—

 - (b) as would have been so taken into account under that section but for section 10 of that Act.

225G Valuation where disposal not sale at arm’s length

- (4) Condition C is that section 225F does not apply in relation to the disposal.
- (5) For income tax purposes, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil.

- (b) paragraph 2(4) is to be treated as omitted.

225H Valuation where excess of nominated proceeds

- (1) This section applies if an excess of nominated proceeds for a chargeable period—
- (a) is taken into account in calculating a person's profits under section 2(5)(e) of OTA 1975, or
 - (b) would have been so taken into account if the person were chargeable to tax under OTA 1975 in respect of an oil field.
- (2) For income tax purposes, the amount of the excess is to be added to the consideration which the person is treated as having received in respect of oil disposed of by that person in the period.

225I Valuation where relevant appropriation but no disposal

- (1) This section applies if conditions A and B are met.
- (2) Condition A is that a person makes a relevant appropriation of oil without disposing of it.
- (3) Condition B is that the person does so in circumstances such that the market value of the oil—
- (a) falls to be taken into account under section 2 of OTA 1975 in calculating for petroleum revenue tax purposes the assessable profit or allowable loss accruing to that person in a chargeable period from an oil field, or
 - (b) would so fall but for section 10 of that Act.
- (4) For income tax purposes, the person is to be treated as having, at the time of the appropriation—
- (a) sold the oil in the course of the separate trade consisting of activities falling within the definition of "oil-related activities" in section 16(2) (oil extraction and related activities), and
 - (b) purchased it in the course of the separate trade consisting of activities not so falling.
- (5) For income tax purposes, that sale and purchase is to be treated as having been at a price equal to the market value of the oil—
- (a) as so taken into account under section 2 of OTA 1975, or
 - (b) as would have been so taken into account under that section but for section 10 of that Act.

- (6) Paragraphs 2 and 3A of Schedule 3 to OTA 1975 (definition of market value of oil including light gases) apply for the purposes of this section as they apply for the purposes of Part 1 of that Act, but with the following modifications.
- (7) Those modifications are that—

 - (c) paragraph 2(4) is to be treated as omitted.

Regional development grants

225K Reduction of expenditure by reference to regional development grant

- (1) This section applies if conditions A and B are met.
- (2) Condition A is that a person has incurred expenditure (by way of purchase, rent or otherwise) on the acquisition of an asset in a transaction to which paragraph 2 of Schedule 4 to OTA 1975 applies (transactions between connected persons or otherwise than at arm's length).
- (3) Condition B is that the expenditure incurred by the other person mentioned in that paragraph in acquiring, bringing into existence or enhancing the value of the asset as mentioned in that paragraph—
 - (a) has been or is to be met by a regional development grant, and
 - (b) falls (in whole or in part) to be taken into account under Part 2 or 6 of CAA 2001 (capital allowances relating to plant and machinery or research and development).
- (4) Subsection (5) applies for the purposes of the charge to income tax on the income arising from the activities of the person mentioned in subsection (2) which are treated by section 16(1) (oil extraction and related activities) as a separate trade for those purposes.

Status: This is the original version (as it was originally enacted).

- (5) The expenditure mentioned in subsection (2) is to be reduced by the amount of the regional development grant mentioned in subsection (3).
- (6) In this section “regional development grant” means a grant falling within section 534(1) of CAA 2001 (Northern Ireland regional development grant).

225L Adjustment as a result of regional development grant

- (1) This section applies if conditions A, B and C are met.
- (2) Condition A is that expenditure incurred by a person in relation to an asset in a tax year (“the initial period”) has been or is to be met by a regional development grant.
- (3) Condition B is that, despite the provisions of section 534(2) and (3) of CAA 2001 (Northern Ireland regional development grants) and section 225K of this Act, in determining that person’s liability to income tax for the initial period, the whole or some part of that expenditure falls to be taken into account under Part 2 or 6 of CAA 2001.
- (4) Condition C is that—
 - (a) expenditure on the asset becomes allowable under section 3 or 4 of OTA 1975 in a tax year (an “adjustment period”) subsequent to the initial period, or
 - (b) the proportion of any such expenditure which is allowable in an adjustment period is different as compared with the initial period.
- (5) There is to be redetermined for the purposes of subsections (7) and (8) the amount of the expenditure mentioned in subsection (2) which would have been taken into account as mentioned in subsection (3) if the circumstances mentioned in subsection (4) had existed in the initial period.
- (6) According to whether the amount as so redetermined is greater or less than the amount actually taken into account as mentioned in subsection (3), the difference is referred to in subsections (7) and (8) as the increase or the reduction in the allowance.
- (7) If there is an increase in the allowance, an amount of capital expenditure equal to the increase is to be treated, for the purposes of Part 2 or 6 of CAA 2001, as having been incurred by the person concerned in the adjustment period on an extension of, or addition to, the asset mentioned in subsection (2).
- (8) If there is a reduction in the allowance, the person concerned is to be treated, for the purpose of determining that person’s liability to income tax, as having received in the adjustment period, as income of the trade in connection with which the expenditure mentioned in subsection (2) was incurred, a sum equal to the amount of the reduction in the allowance.
- (9) In this section “regional development grant” has the meaning given by section 225K(6).

Tariff receipts etc

225M Tariff receipts etc

- (1) Subsection (5) applies to a sum which meets conditions A, B and C.
- (2) Condition A is that the sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator in an oil field.
- (3) Condition B is that the sum constitutes consideration in the nature of income rather than capital.
- (4) Condition C is that the sum would not, but for subsection (5), be treated as mentioned in that subsection.
- (5) The sum is to be treated as a receipt of the separate trade mentioned in section 16(1) (oil extraction and related activities).
- (6) So far as they would not otherwise be so treated, the activities—
 - (a) of a participator in an oil field, or
 - (b) of a person connected with the participator,in making available an asset in a way which gives rise to tariff receipts or tax-exempt tariffing receipts of the participator are to be treated for the purposes of this Chapter as oil extraction activities.
- (7) In determining for the purposes of subsection (2) whether a sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator, no account may be taken of any sum which—
 - (a) is in fact received or receivable by a person connected with the participator, and
 - (b) constitutes a tariff receipt or tax-exempt tariffing receipt of the participator.But in relation to the person by whom such a sum is actually received, subsection (2) has effect as if the person were a participator and as if condition A were met.
- (8) References in this section to a person connected with a participator include a person with whom the person is associated, within the meaning of paragraph 11 of Schedule 2 to the Oil Taxation Act 1983, but section 878(5) of this Act (application of definition of “connected” persons) does not apply for the purposes of this section.
- (9) In this section—
 - “tax-exempt tariffing receipt” has the meaning given by section 6A(2) of the Oil Taxation Act 1983, and
 - “tariff receipt” has the same meaning as in that Act.

Abandonment guarantees

225N Expenditure on and under abandonment guarantees

- (1) Subsection (2) applies if, as a result of section 3(1)(hh) of OTA 1975 (obtaining abandonment guarantee), expenditure incurred by a participator in an oil field is allowable (in whole or in part) for petroleum revenue tax purposes under section 3 of that Act.
- (2) So far as that expenditure is so allowable, it is to be allowed as a deduction in calculating the participator's ring fence income.
- (3) Subsection (4) applies if a payment is made by the guarantor under an abandonment guarantee.
- (4) So far as any expenditure for which the relevant participator is liable is met, directly or indirectly, out of the payment, the expenditure is not to be regarded for income tax purposes as having been incurred by the relevant participator or any other participator in the oil field concerned.
- (5) See also section 225P (payment under abandonment guarantee not immediately applied).
- (6) In this Chapter—
 - “abandonment guarantee” has the same meaning as it has for the purposes of section 105 of FA 1991 (see section 104 of that Act), and
 - “the guarantor” and “the relevant participator” have the same meaning as in section 104 of that Act.

225O Relief for reimbursement expenditure under abandonment guarantees

- (1) This section applies if—
 - (a) a payment (“the guarantee payment”) is made by the guarantor under an abandonment guarantee,
 - (b) as a result of the making of the guarantee payment, the relevant participator becomes liable under the terms of the abandonment guarantee to pay any sum to the guarantor, and
 - (c) expenditure is incurred, or consideration in money's worth is given, by the relevant participator in or towards meeting that liability.
- (2) In this section “reimbursement expenditure” means expenditure incurred as mentioned in subsection (1)(c) or consideration (or the value of consideration) given as so mentioned; and any reference to the incurring of reimbursement expenditure is to be read accordingly.
- (3) So much of any reimbursement expenditure as constitutes qualifying expenditure (see subsection (4)) is to be allowed as a deduction in calculating the relevant participator's ring fence income; and no part of the expenditure which is so allowed is to be otherwise deductible or allowable by way of relief for income tax purposes.

Status: This is the original version (as it was originally enacted).

- (4) The amount of reimbursement expenditure incurred in any tax year by the relevant participant which constitutes qualifying expenditure is determined by the formula—

$$A \times \frac{B}{C}$$

where—

A is the reimbursement expenditure incurred in the tax year,

B is so much of the expenditure represented by the guarantee payment as, had it been incurred by the relevant participant, would have been taken into account (by way of capital allowance or a deduction) in calculating the relevant participant's ring fence income, and

C is the total of the sums which, at or before the end of the tax year, the relevant participant is or has become liable to pay to the guarantor as mentioned in subsection (1)(b).

But this is subject to subsection (5).

- (5) In relation to the guarantee payment, the total of the reimbursement expenditure (whenever incurred) which constitutes qualifying expenditure may not exceed whichever is the less of B and C in subsection (4).
- (6) Any limitation on qualifying expenditure under subsection (5) is to be applied to the expenditure of a later tax year in preference to an earlier one.
- (7) For the purposes of this section, the expenditure represented by the guarantee payment is any expenditure—
- for which the relevant participant is liable, and
 - which is met, directly or indirectly, out of the guarantee payment (and which, accordingly, because of section 225N(4) is not to be regarded as expenditure incurred by the relevant participant).
- (8) See also—
- section 225P (payment under abandonment guarantee not immediately applied), and
 - section 225Q which excludes amounts from subsection (1).

225P Payment under abandonment guarantee not immediately applied

- (1) This section applies if—
- a payment made by the guarantor under an abandonment guarantee is not immediately applied in meeting any expenditure,
 - the payment is for any period invested (either specifically or together with payments made by persons other than the guarantor) so as to be represented by, or by part of, the assets of a fund or account, and
 - at a subsequent time, any expenditure for which the relevant participant is liable is met out of the assets of the fund or account.
- (2) The references in sections 225N(4) and 225O(7) to expenditure which is met, directly or indirectly, out of the payment are to be read as references to so much of the expenditure for which the relevant participant is liable as is met out of those assets of the fund or account which, at the subsequent

Status: This is the original version (as it was originally enacted).

time mentioned in subsection (1)(c), it is just and reasonable to attribute to the payment.

225Q Amounts excluded from section 225O(1)

- (1) This section applies if—
 - (a) the whole of the guarantee payment mentioned in section 225O, or of the assets which under section 225P are attributed to the guarantee payment, is not applied in meeting liabilities of the relevant participator so mentioned which fall within section 104(1)(a) and (b) of FA 1991, and
 - (b) a sum representing the unapplied part of the guarantee payment or of those assets is repaid, directly or indirectly, to the guarantor so mentioned.
- (2) Any liability of the relevant participator to repay that sum is to be excluded in determining the total liability of the relevant participator which falls within section 225O(1)(b).
- (3) The repayment to the guarantor of that sum is not to be regarded as expenditure incurred by the relevant participator as mentioned in section 225O(1)(c).

Abandonment expenditure

225R Introduction to sections 225S and 225T

- (1) Sections 225S and 225T apply if—
 - (a) paragraph 2A of Schedule 5 to OTA 1975 applies, or would apply if a claim under paragraph 2A(2) of that Schedule were made, and
 - (b) the default payment falls (in whole or part) to be attributed to the contributing participator under paragraph 2A(2) of that Schedule.
- (2) In section 225S “the additional abandonment expenditure” means the amount which is attributed to the contributing participator as mentioned in subsection (1)(b) (whether representing the whole or only part of the default payment).
- (3) In this Chapter “default payment”, “the defaulter” and “contributing participator” have the same meaning as in paragraph 2A of Schedule 5 to OTA 1975.

225S Relief for expenditure incurred by a participator in meeting defaulter’s abandonment expenditure

- (1) Relief by way of capital allowance, or a deduction in calculating ring fence income, is to be available to the contributing participator in respect of the additional abandonment expenditure if any such relief or deduction would have been available to the defaulter if—
 - (a) the defaulter had incurred the additional abandonment expenditure, and
 - (b) at the time that that expenditure was incurred the defaulter continued to carry on a ring fence trade.

Status: This is the original version (as it was originally enacted).

- (2) The basis of qualification for or entitlement to any relief or deduction which is available to the contributing participator under this section is to be determined on the assumption that the conditions in subsection (1)(a) and (b) are met.
- (3) But, subject to subsection (2), any such relief or deduction is to be available in the same way as if the additional abandonment expenditure had been incurred by the contributing participator for the purposes of the ring fence trade carried on by the contributing participator.

225T Reimbursement by defaulter in respect of certain abandonment expenditure

- (1) This section applies if expenditure is incurred, or consideration in money's worth is given, by the defaulter in reimbursing the contributing participator in respect of, or otherwise making good to the contributing participator, the whole or any part of the default payment.
- (2) In this section "reimbursement expenditure" means expenditure incurred as mentioned in subsection (1) or consideration (or the value of consideration) given as so mentioned; and any reference to the incurring of reimbursement expenditure is to be read accordingly.
- (3) Reimbursement expenditure is to be allowed as a deduction in calculating the defaulter's ring fence income (but this is subject to subsection (6)).
- (4) Reimbursement expenditure received by the contributing participator is to be treated as a receipt (in the nature of income) of the participator's ring fence trade for the relevant tax year (but this is subject to subsection (6)).
- (5) Any additional assessment to income tax required in order to take account of the receipt of reimbursement expenditure by the contributing participator may be made at any time not later than 4 years after the end of the calendar year in which the reimbursement expenditure is so received.
- (6) In relation to a particular default payment, reimbursement expenditure incurred at any time—
 - (a) is to be allowed as mentioned in subsection (3), and
 - (b) is to be taken into account as a result of subsection (4) in calculating the contributing participator's ring fence income,only so far as, when aggregated with any reimbursement expenditure previously incurred in respect of that default payment, it does not exceed so much of the default payment as falls to be attributed to the contributing participator as mentioned in section 225R(1)(b).
- (7) The incurring of reimbursement expenditure is not to be regarded, by virtue of section 532 of CAA 2001 (the general rule excluding contributions), as the meeting of the expenditure of the contributing participator in making the default payment.
- (8) In subsection (4) "the relevant tax year" means—
 - (a) the tax year in which the reimbursement expenditure is received by the contributing participator, or

Status: This is the original version (as it was originally enacted).

“CHAPTER 2

FINANCE LEASES WITH RETURN IN CAPITAL FORM

Introduction

614B Arrangements to which this Chapter applies

- (1) This Chapter applies to arrangements involving the lease of an asset that meet conditions A and B.
- (2) Condition A is that in accordance with generally accepted accounting practice the arrangements fall to be treated as a finance lease or loan.
- (3) Condition B is that the effect of the arrangements is that some or all of the return on investment in respect of the finance lease or loan—
 - (a) is or may be in the form of a sum that is not rent, and
 - (b) would not, apart from this Part and Part 21 of CTA 2010, be wholly brought into account for tax purposes as rent from the lease of the asset.
- (4) It does not matter—
 - (a) when the arrangements are or have been entered into, or
 - (b) whether they are or have been entered into by companies or other persons.

Status: This is the original version (as it was originally enacted).

614BA Purposes of this Chapter

- (1) This section sets out the main purposes of this Chapter where there are any arrangements to which this Chapter applies.
- (2) The first main purpose is to charge any person entitled to the lessor's interest under the lease of the asset to income tax on amounts of income determined as mentioned in subsections (3) and (4).
- (3) The amounts referred to in subsection (2) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.
- (4) The amounts referred to in subsection (2) are also determined taking into account the substance of the matter as a whole, including, in particular, the state of affairs—
 - (a) as between connected persons, or
 - (b) within a group of companies,as reflected or falling to be reflected in accounts of any of those persons or in consolidated group accounts.
- (5) The second main purpose of this Chapter is, if the sum mentioned in section 614B(3)(a) that is not rent falls due, to recover by reference to that sum the whole or any part of the capital expenditure reliefs.
- (6) In subsection (5) “the capital expenditure reliefs” means any reliefs, allowances or deductions that are or have been allowed or made in respect of capital expenditure incurred in respect of the leased asset.

Leases to which this Chapter applies

614BB Application of this Chapter

- (1) This Chapter applies if—
 - (a) a lease of an asset is or has been granted, and
 - (b) the conditions in section 614BC are or have been met in relation to the lease at some time in a period of account of the current lessor.
- (2) But this Chapter does not apply so far as, in relation to the current lessor, the lease falls to be regarded as a long funding lease for the purposes of Part 2 of CAA 2001 (plant and machinery allowances) in accordance with Chapter 6A of that Part (interpretation of provisions about long funding leases) (see section 70G of that Act).
- (3) If the conditions in section 614BC have been met at some time in a period of account of the person who was at that time the lessor, they are taken to continue to be met for the purposes of this Chapter unless and until one of the conditions in subsection (4) is met.
- (4) The conditions are that—
 - (a) the asset ceases to be leased under the lease, or

Status: This is the original version (as it was originally enacted).

- (b) the lessor's interest under the lease is assigned to a person who is not connected with any of the persons specified in subsection (5).
- (5) Those persons are—
 - (a) the assignor,
 - (b) any person who was the lessor at some time before the assignment, and
 - (c) any person who at some time after the assignment becomes the lessor pursuant to arrangements made by a person who was the lessor, or was connected with the lessor, at some time before the assignment.
- (6) If at any time the person who was the lessor at that time was a person within the charge to corporation tax on income, the reference in subsection (3) to the conditions in section 614BC having been met at that time includes a reference to the conditions in section 902 of CTA 2010 having been so met.
- (7) Nothing in subsection (3) prevents this Chapter from applying again in relation to the lease where the lessor's interest is assigned if the conditions for its application are met after the assignment.

614BC The conditions referred to in section 614BB(1)

- (1) This section sets out the conditions required by section 614BB(1) to be met for this Chapter to apply (conditions A to E).
- (2) Condition A is that at the relevant time—
 - (a) the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or a loan, and
 - (b) subsection (3) or (4) applies.
- (3) This subsection applies if the lessor ("L"), or a person connected with L, falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the finance lessor in relation to the finance lease or loan.
- (4) This subsection applies if the finance lease or loan falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as subsisting for the purposes of consolidated group accounts of a group of companies of which L is a member.
- (5) Condition B is that, under the leasing arrangements, there is or may be payable to L, or to a person connected with L, a sum (a "major lump sum") that is not rent but falls for accounting purposes to be treated, in accordance with generally accepted accounting practice—
 - (a) as to part, as repayment of some or all of the investment in respect of a finance lease or loan, and
 - (b) as to part, as a return on investment in respect of a finance lease or loan.
- (6) Condition C is that not all of that part of the sum that falls within subsection (5)(b) would, apart from this Chapter, fall to be brought into

Status: This is the original version (as it was originally enacted).

account for income tax purposes in tax years ending with the relevant tax year as the normal rent from the lease for periods of account of L.

- (7) Condition D is that, in relation to L at the relevant time—
- (a) the period of account of L in which the relevant time falls, or
 - (b) an earlier period of account of L during which L was the lessor,
- is a period of account for which the accountancy rental earnings in respect of the lease exceed the normal rent for the period.
- (8) Condition E is that at the relevant time—
- (a) arrangements within section 614BE(1) exist, or
 - (b) paragraph (a) does not apply and circumstances within section 614BE(3) exist.
- (9) Section 614BD supplements this section.

614BD Provisions supplementing section 614BC

- (1) In section 614BC—
- “the relevant tax year”, in relation to a major lump sum, means—
- (a) the tax year which is related to the period of account of the lessor (“L”) in which the major lump sum is or may be payable in accordance with the leasing arrangements, or
 - (b) if there are two or more such tax years, the latest of them, and
- “the relevant time” means the time as at which it must be determined for the purposes of section 614BB(1) or (3) whether the conditions in section 614BC are or, as the case may be, were met.
- (2) For the meaning of a tax year being related to a period of account, see section 614DB(4).
- (3) Subsection (4) applies for determining the normal rent for a period of account for the purpose of determining whether condition D in section 614BC is met as respects L unless subsection (5) applies.
- (4) Rent that falls to be brought into account for income tax purposes as it falls due is treated—
- (a) as accruing evenly throughout the period to which, in accordance with the terms of the lease, each payment falling due relates, and
 - (b) as falling due as it so accrues.
- (5) This subsection applies if any such payment as is mentioned in subsection (4)
- (a) falls due more than 12 months after the time at which any of the rent to which that payment relates is treated as accruing under subsection (4)(a).

614BE The arrangements and circumstances referred to in section 614BC(8)

- (1) The arrangements referred to in section 614BC(8)(a) are arrangements under which—
- (a) the lessee or a person connected with the lessee may acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and

Status: This is the original version (as it was originally enacted).

- (b) in connection with that acquisition, the lessor or a person connected with the lessor may receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.
- (2) In this section “qualifying lump sum” means any sum that is not rent but at least part of which would fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a return on investment in respect of a finance lease or loan.
 - (3) The circumstances referred to in section 614BC(8)(b) are circumstances which make it more likely—
 - (a) that the events described in subsection (4) will occur, than
 - (b) that the event described in subsection (5) will occur.
 - (4) The events mentioned in subsection (3)(a) are—
 - (a) that the lessee or a person connected with the lessee will acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and
 - (b) that, in connection with that acquisition, the lessor or a person connected with the lessor will receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.
 - (5) The event mentioned in subsection (3)(b) is that, before any such acquisition as is mentioned in subsection (4) takes place, the leased asset or, as the case may be, the asset representing the leased asset, will have been acquired, in a sale on the open market, by an independent third party.
 - (6) In subsection (5) “independent third party” means a person who—
 - (a) is not the lessor or the lessee, and
 - (b) is not connected with either of them.
 - (7) For the meaning of an asset representing the leased asset, see section 614DD.

Current lessor taxed by reference to accountancy rental earnings

614BF Current lessor taxed by reference to accountancy rental earnings

- (1) This section applies if, in the case of any period of account of the current lessor (“L”)—
 - (a) this Chapter applies in relation to the lease, and
 - (b) the accountancy rental earnings in respect of the lease for that period of account exceed the normal rent for that period.
- (2) For income tax purposes, L is treated as if in that period of account L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to those accountancy rental earnings (instead of the normal rent referred to in subsection (1)(b)).
- (3) Such rent from the lease of an asset is treated for income tax purposes—

Status: This is the original version (as it was originally enacted).

- (a) as if it had accrued at an even rate throughout so much of the period of account as falls within the period for which the asset is leased, and
- (b) as if L had become entitled to it as it accrued.

Reduction of taxable rent by cumulative rental excesses

614BG Reduction of taxable rent by cumulative rental excesses: introduction

- (1) This section and sections 614BH to 614BK provide for reductions of the taxable rent of a current lessor (“L”) under a lease to which this Chapter applies.
- (2) In this section and sections 614BH to 614BK “taxable rent”, in relation to a period of account of L, means the amount that would, apart from those sections, be treated for income tax purposes as rent from the lease that arises to L in that period of account for the purpose of determining L’s liability to tax for the related tax year or years.
- (3) The reductions of taxable rent under sections 614BH to 614BK depend on there being—
 - (a) a cumulative accountancy rental excess for the period of account of L in question, or
 - (b) a cumulative normal rental excess for the period of account of L in question.
- (4) For the meaning of “cumulative accountancy rental excess” and “cumulative normal rental excess”, see sections 614BH and 614BJ respectively.

614BH Meaning of “accountancy rental excess” and “cumulative accountancy rental excess”

- (1) For the purposes of this Chapter, there is an “accountancy rental excess” in relation to the lease for a period of account of the current lessor (“L”) if the taxable rent in relation to the lease for the period is as a result of section 614BF (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings.
- (2) The amount of the accountancy rental excess for the period is equal to the difference between the accountancy rental earnings for the period and the normal rent for the period.
- (3) But if the taxable rent for the period is reduced under section 614BK (reduction of taxable rent by the cumulative normal rental excess), there is only an accountancy rental excess for the period if—
 - (a) the accountancy rental earnings, reduced by an amount equal to the reduction under that section, exceed
 - (b) the normal rent.
- (4) And in that case the amount of the accountancy rental excess for the period is equal to that excess.
- (5) In this Chapter the “cumulative accountancy rental excess”, in relation to the lease and a period of account of L, means so much of the total of the accountancy rental excesses for previous periods of account of L (as

Status: This is the original version (as it was originally enacted).

increased under section 614BM: recovery of bad debts following reduction under section 614BL) as has not been—

- (a) set off under section 614BI (reduction of taxable rent by the cumulative accountancy rental excess) against the taxable rent for any such previous period,
- (b) reduced under section 614BL (relief for bad debts: reduction of cumulative accountancy rental excess), or
- (c) set off under section 37A of TCGA 1992 (consideration on disposal of certain leases) against the consideration for a disposal.

614BI Reduction of taxable rent by the cumulative accountancy rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—
 - (a) the normal rent in relation to the lease exceeds the accountancy rental earnings, and
 - (b) there is a cumulative accountancy rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative accountancy rental excess (but not so as to reduce that rent below the amount of the accountancy rental earnings).
- (3) But see section 614BL(3) and (4) (under which the amount of the cumulative accountancy rental excess which may be set against the taxable rent is limited in some circumstances).

614BJ Meaning of “normal rental excess” and “cumulative normal rental excess”

- (1) For the purposes of this Chapter, there is a “normal rental excess” in relation to a lease for any period of account of the current lessor (“L”) throughout which the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan if—
 - (a) the normal rent for the period, exceeds
 - (b) the accountancy rental earnings for the period.
- (2) The amount of the normal rental excess for that period is equal to that excess.
- (3) But if the taxable rent for the period is reduced under section 614BI (reduction of taxable rent by the cumulative accountancy rental excess), there is only a normal rental excess for the period if—
 - (a) the normal rent, reduced by an amount equal to the reduction under that section, exceeds
 - (b) the accountancy rental earnings.
- (4) And in that case the amount of the normal rental excess for the period is equal to that excess.
- (5) In this Chapter “cumulative normal rental excess”, in relation to the lease and a period of account of L, means so much of the total of the normal rental excesses for previous periods of account of L (as increased

Status: This is the original version (as it was originally enacted).

under section 614BO: recovery of bad debts following reduction under section 614BN) as has not been—

- (a) set off under section 614BK (reduction of taxable rent by the cumulative normal rental excess) against the taxable rent for any such previous period, or
- (b) reduced under section 614BN (relief for bad debts: reduction of cumulative normal rental excess).

614BK Reduction of taxable rent by the cumulative normal rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—
 - (a) the taxable rent in relation to the lease is as a result of section 614BF (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings, and
 - (b) there is a cumulative normal rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative normal rental excess (but not so as to reduce that rent below the amount of the normal rent).
- (3) But see section 614BN(3) and (4) (under which the amount of the cumulative normal rental excess which may be set against the taxable rent is limited in some circumstances).

Relief for bad debts by reduction of cumulative rental excesses

614BL Relief for bad debts: reduction of cumulative accountancy rental excess

- (1) This section applies if in relation to the lease for any period of account of the current lessor—
 - (a) there is a cumulative accountancy rental excess, and
 - (b) a bad debt deduction falls to be made in respect of rent from the lease.
- (2) If for that period—
 - (a) the accountancy rental earnings in relation to the lease exceed the normal rent, and
 - (b) the amount of the bad debt deduction exceeds the amount of the accountancy rental earnings,
 the cumulative accountancy rental excess for that period is reduced by the amount of the excess of that deduction over those earnings (but not so as to reduce the amount of that rental excess below nil).
- (3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease do not exceed the normal rent.
- (4) The amount of the cumulative accountancy rental excess that may be set against the taxable rent for that period under section 614BI(2) (reduction of taxable rent by the cumulative accountancy rental excess) is limited to the amount (if any) by which the normal rent exceeds the bad debt deduction.

Status: This is the original version (as it was originally enacted).

- (5) If for that period the bad debt deduction exceeds the normal rent, the cumulative accountancy rental excess for that period is reduced by the amount of that excess (but not so as to reduce the amount of that rental excess below nil).
- (6) In this section—
- “bad debt deduction”, in relation to a period of account of the lessor, means the total of any sums falling within section 35(1)(a), (b) or (c) of ITTOIA 2005 in respect of amounts in respect of rents from the lease of the asset which are deductible as expenses for that period, and
- “taxable rent” has the meaning given in section 614BG(2).

614BM Recovery of bad debts following reduction under section 614BL

- (1) This section applies if in relation to the lease—
- the cumulative accountancy rental excess for any period of account of the current lessor (“L”) has been reduced under section 614BL(2) or (5) because of a bad debt deduction,
 - in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
 - there is a cumulative accountancy rental excess for that subsequent period.
- (2) The cumulative accountancy rental excess for the subsequent period is increased.
- (3) If the relevant credit does not exceed the total of the reductions under section 614BL(2) or (5), the increase is by the relevant credit.
- (4) Otherwise, the increase is limited to that total.
- (5) In this section “bad debt deduction” has the meaning given in section 614BL(6).

614BN Relief for bad debts: reduction of cumulative normal rental excess

- (1) This section applies if in relation to the lease for any period of account of the current lessor—
- there is a cumulative normal rental excess, and
 - a bad debt deduction falls to be made in respect of rent from the lease.
- (2) If for that period—
- the accountancy rental earnings in the case of the lease do not exceed the normal rent, and
 - the amount of the bad debt deduction exceeds the amount of that rent,
- the cumulative normal rental excess for that period is reduced by the amount of the excess of that deduction over that rent (but not so as to reduce the amount of that rental excess below nil).

Status: This is the original version (as it was originally enacted).

- (3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease exceed the normal rent.
- (4) The amount of the cumulative normal rental excess that may be set against the taxable rent for that period under section 614BK (reduction of taxable rent by the cumulative normal rental excess) is limited to the amount (if any) by which the accountancy rental earnings exceed the bad debt deduction.
- (5) If for that period the bad debt deduction exceeds the accountancy rental earnings, the cumulative normal rental excess for that period is reduced by the amount of the excess (but not so as to reduce the amount of that rental excess below nil).
- (6) In this section, in relation to a period of account of the lessor—
 - “bad debt deduction” has the meaning given in section 614BL(6),
 - and
 - “taxable rent” has the meaning given in section 614BG(2).

614BO Recovery of bad debts following reduction under section 614BN

- (1) This section applies if in relation to the lease—
 - (a) the cumulative normal rental excess for any period of account of the current lessor (“L”) has been reduced under section 614BN(2) or (5) as a result of a bad debt deduction,
 - (b) in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
 - (c) there is a cumulative normal rental excess for that subsequent period.
- (2) The cumulative normal rental excess for the subsequent period is increased.
- (3) If the relevant credit does not exceed the total of the reductions under section 614BN(2) or (5), the increase is by the relevant credit.
- (4) Otherwise, the increase is limited to that total.
- (5) In this section “bad debt deduction” has the meaning given in section 614BL(6).

Effect of disposals

614BP Effect of disposals of leases: general

- (1) This section applies if the current lessor (“L”) or a person connected with L disposes of—
 - (a) the lessor’s interest under the lease,
 - (b) the leased asset, or
 - (c) an asset representing the leased asset (see section 614DD).
- (2) This Part has effect as if immediately before the disposal a period of account of L ended and another began.
- (3) If—

Status: This is the original version (as it was originally enacted).

- (a) two or more disposals within subsection (1) are made at the same time, and
 - (b) there is any cumulative accountancy rental excess for any period of account of L in which the disposal occurs,
- subsection (2) has effect in relation to those disposals as if they together constituted a single disposal.
- (4) In this section “dispose” and “disposal” are to be read in accordance with TCGA 1992.
- (5) In cases where there is any cumulative accountancy rental excess for L’s period of account in which the disposal occurs, section 37A of that Act (consideration on disposal of certain leases) makes provision for the purposes of that Act about the reduction of the consideration for the disposal by that excess in determining if a gain has accrued.

614BQ Assignments on which neither a gain nor a loss accrues

- (1) This section applies if—
- (a) the current lessor (“L”) assigns the lessor’s interest under the lease, and
 - (b) the assignment is a disposal on which, as a result of any of the no gain/no loss provisions, neither a gain nor a loss accrues.
- (2) This Part has effect as if—
- (a) a period of account of L (“L’s period”) ended with the assignment, and
 - (b) a period of account of the assignee (“A’s period”) began with the assignment.
- (3) Any cumulative accountancy rental excess for L’s period becomes the cumulative accountancy rental excess for A’s period.
- (4) Any cumulative normal rental excess for L’s period becomes the cumulative normal rental excess for A’s period.
- (5) If the assignee is a company subject to the charge to corporation tax on income, so far as this section relates to the assignee, it applies for the purposes of Part 21 of CTA 2010 as it would otherwise apply for the purposes of this Part.
- (6) In this section “the no gain/no loss provisions” has the same meaning as in TCGA 1992 (see section 288(3A) of that Act).

Capital allowances: claw-back of major lump sum

614BR Effect of capital allowances: introduction

- (1) This section and sections 614BS to 614BW apply if an occasion occurs on which a major lump sum falls to be paid in relation to the lease of the asset.
- (2) In those sections the occasion is called “the relevant occasion”.

614BS Cases where expenditure taken into account under Part 2, 5 or 8 of CAA 2001

- (1) This section applies if capital expenditure incurred by the current lessor (“L”) in respect of the leased asset is or has been taken into account for the purposes of any allowance or charge under—
 - (a) Part 2 of CAA 2001 (plant and machinery allowances),
 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The Part of that Act in question (“the relevant Part”) has effect as if the relevant occasion were an event (“the relevant event”) as a result of which a disposal value is to be brought into account of an amount equal to the amount or value of the major lump sum (but subject to any applicable limiting provision).
- (3) In this section “limiting provision” means a provision to the effect that the disposal value of the asset in question is not to exceed an amount (“the limit”) described by reference to capital expenditure incurred in respect of the asset.
- (4) Subsection (5) applies if—
 - (a) as a result of subsection (2), a disposal value (“the relevant disposal value”) falls or has fallen to be brought into account by a person in respect of the leased asset for the purposes of the relevant Part, and
 - (b) a limiting provision has effect in the case of that Part.
- (5) The limiting provision has effect (so far as it would not otherwise do so), in relation to the relevant disposal value and any simultaneous or later disposal value, as if—
 - (a) it did not limit any particular disposal value, but
 - (b) it limited the total amount of all the disposal values brought into account for the purposes of the relevant Part by L in respect of the leased asset.
- (6) In subsection (5) “simultaneous or later disposal value” means any disposal value which falls to be brought into account by L in respect of the leased asset as a result of any event occurring at the same time as, or later than, the relevant event.

614BT Cases where expenditure taken into account under other provisions of CAA 2001

- (1) This section applies if any allowance is or has been given in respect of capital expenditure incurred by the current lessor (“L”) in respect of the leased asset under any provision of CAA 2001 other than—
 - (a) Part 2 of CAA 2001 (plant and machinery allowances),
 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The amount specified in subsection (3) is treated, in relation to L, as if it were a balancing charge to be made on L for the chargeable period in which the relevant occasion falls.

Status: This is the original version (as it was originally enacted).

- (3) That amount is an amount equal to—
 - (a) the total of the allowances given as mentioned in subsection (1) (so far as not previously recovered or withdrawn), or
 - (b) if it is less, the amount or value of the major lump sum.
- (4) In this section “chargeable period” has the meaning given by section 6 of CAA 2001.

614BU Capital allowances deductions: waste disposal and cemeteries

- (1) This section applies if any deduction is or has been allowed to the current lessor (“L”) in respect of capital expenditure incurred in connection with the leased asset as a result of—
 - (a) section 165 or 168 of ITTOIA 2005 (preparation and restoration expenditure in relation to waste disposal site), or
 - (b) section 170 of that Act (cemeteries and crematoria: deduction for capital expenditure).
- (2) L is treated as if trading receipts arose to L from the trade in question on the relevant occasion.
- (3) The amount of those receipts is equal to the lesser of—
 - (a) the amount or value of the major lump sum, and
 - (b) the deductions previously allowed.

614BV Capital allowances deductions: films and sound recordings

- (1) This section applies if—
 - (a) any relevant deduction has been allowed to the current lessor (“L”) in respect of expenditure incurred in connection with the leased asset, and
 - (b) the amount or value of the major lump sum exceeds so much of that sum as was treated as receipts of a revenue nature under section 134(2) of ITTOIA 2005 (disposal proceeds of original master version of film or sound recording treated as receipt of a revenue nature).
- (2) In subsection (1) “relevant deduction” means any deduction as a result of—
 - (a) section 135 of ITTOIA 2005 (allocation of expenditure on master versions of films or sound recordings to periods), or
 - (b) section 138, 138A, 139 or 140 of that Act (relief for production or acquisition expenditure in respect of films).
- (3) L is treated as if receipts of a revenue nature arose to L from the trade or business in question on the relevant occasion.
- (4) The amount of those receipts is equal to the excess mentioned in subsection (1)(b).

614BW Contributors to capital expenditure

- (1) This section applies if—

Status: This is the original version (as it was originally enacted).

- (a) section 614BS or 614BT applies in relation to a leased asset,
 - (b) allowances are or have been made to a person (“the contributor”) as a result of sections 537 to 542 of CAA 2001 (allowances in respect of contributions to capital expenditure), and
 - (c) those allowances are or were in respect of the contributor’s contribution of a capital sum to expenditure on the provision of the leased asset.
- (2) Section 614BS or, as the case may be, section 614BT has effect in relation to the contributor and those allowances as it has effect in relation to the current lessor and allowances in respect of capital expenditure incurred by the current lessor in respect of the leased asset.

Schemes to which this Chapter does not at first apply

614BX Pre-26 November 1996 schemes where this Chapter does not at first apply

- (1) This section applies if—
- (a) the lease of an asset forms part of a pre-26 November 1996 scheme, but
 - (b) the conditions in section 614BC become met after 26 November 1996.
- (2) For the meaning of “forming part of a pre-26 November 1996 scheme”, see section 614D.
- (3) This Part has effect as if—
- (a) a period of account (“period 1”) of the current lessor (“L”) ended immediately before the time at which those conditions become met,
 - (b) another period of account of L (“period 2”) began immediately before that time and ended immediately after that time, and
 - (c) another period of account of L began immediately after that time.

OTHER FINANCE LEASES

Introduction

614C Introduction to Chapter

- (1) This Chapter applies to arrangements involving the lease of an asset that—

Status: This is the original version (as it was originally enacted).

- (a) fall to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan, but
 - (b) are not arrangements to which Chapter 2 applies.
- (2) It does not matter whether the arrangements are or have been entered into by companies or other persons.

614CA Purpose of this Chapter

- (1) The main purpose of this Chapter where there are arrangements to which this Chapter applies is to charge a person entitled to the lessor's interest under the lease of the asset to income tax on amounts of income determined as mentioned in subsection (2).
- (2) The amounts referred to in subsection (1) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.
- (3) The amounts referred to in subsection (1) are also determined taking into account the substance of the matter as a whole, including, in particular, the state of affairs—
 - (a) as between connected persons, or
 - (b) within a group of companies,
 as reflected or falling to be reflected in accounts of any of those persons or in consolidated group accounts.

Leases to which this Chapter applies

614CB Leases to which this Chapter applies

- (1) This Chapter applies if—
 - (a) a lease of an asset is or has been granted on or after 26 November 1996,
 - (b) the lease forms part of a post-25 November 1996 scheme,
 - (c) condition A in section 614BC is or has been met at some time on or after 26 November 1996 in relation to the lease in a period of account of the current lessor (“L”), and
 - (d) Chapter 2 does not apply in relation to the lease because of the other conditions in that section not all being, or having been, met as mentioned in section 614BB.
- (2) For the meaning of “forming part of a post-25 November 1996 scheme”, see section 614D.
- (3) This Chapter does not apply so far as, in relation to L, the lease falls to be regarded as a long funding lease for the purposes of Part 2 of CAA 2001 (plant and machinery allowances) in accordance with Chapter 6A of that Part (interpretation of provisions about long funding leases) (see section 70G of that Act).
- (4) If condition A in section 614BC has been met at any time on or after 26 November 1996 in a period of account of the person who was at that time the

Status: This is the original version (as it was originally enacted).

lessor, it is taken to continue to be met unless and until one of the conditions in subsection (5) is met.

- (5) The conditions are that—
 - (a) the asset ceases to be leased under the lease, or
 - (b) the lessor's interest under the lease is assigned to a person who is not connected with any of the persons specified in subsection (6).
- (6) Those persons are—
 - (a) the assignor,
 - (b) any person who was the lessor at some time before the assignment, and
 - (c) any person who at some time after the assignment becomes the lessor pursuant to arrangements made by a person who was the lessor, or was connected with the lessor, at some time before the assignment.
- (7) If at any time the person who was the lessor at that time was a person within the charge to corporation tax on income—
 - (a) the reference in subsection (4) to condition A in section 614BC having been met at that time includes a reference to condition A in section 902 of CTA 2010 having been so met, and
 - (b) the reference in subsection (1)(d) to the other conditions in section 614BC not having been met as mentioned in section 614BB includes a reference to the other conditions in section 902 of that Act not having been met as mentioned in section 901 of that Act.
- (8) Nothing in subsection (4) prevents this Chapter from applying again in relation to the lease where the lessor's interest is assigned if the conditions for its application are met after the assignment.

Current lessor taxed by reference to accountancy rental earnings

614CC Current lessor taxed by reference to accountancy rental earnings

- (1) This section applies if, in the case of any period of account of the current lessor ("L")—
 - (a) this Chapter applies in relation to the lease, and
 - (b) the accountancy rental earnings in respect of the lease for that period of account exceed the normal rent for that period.
- (2) For income tax purposes, L is treated as if in that period of account L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to those accountancy rental earnings (instead of the normal rent referred to in subsection (1)(b)).
- (3) Such rent from the lease of an asset is treated for income tax purposes—
 - (a) as if it had accrued at an even rate throughout so much of the period of account as falls within the period for which the asset is leased, and
 - (b) as if L had become entitled to it as it accrued.

Application of provisions of Chapter 2 for purposes of this Chapter

614CD Application of provisions of Chapter 2 for purposes of this Chapter

Sections 614BG to 614BQ apply for the purposes of this Chapter as they apply for the purposes of Chapter 2, but taking the references in sections 614BH(1) and 614BK(1)(a) to section 614BF as references to section 614CC.”

NEW LEASE OF LAND AFTER ASSIGNMENT OR SURRENDER

Overview

681B Overview

- (1) This Chapter provides that in certain circumstances where a lease of land is assigned or surrendered and another lease is granted or assigned—
- (a) consideration received for the assignment or surrender of the first lease is taxed as a receipt of a trade, profession or vocation or charged to income tax, and
 - (b) tax relief is allowed for rent under the other lease.

Status: This is the original version (as it was originally enacted).

- (2) The Chapter provides that in certain circumstances where a lease is varied it is treated as surrendered and another lease is treated as granted.

Application of the Chapter

681BA New lease after assignment or surrender

- (1) This Chapter has effect if each of conditions A to E is met.
- (2) Condition A is that—
- (a) a person (“L”) is a lessee of land under a lease which has 50 years or less to run (“the original lease”), and
 - (b) L is entitled in respect of the rent under the original lease to a deduction by way of relevant income tax relief.
- (3) Condition B is that—
- (a) L assigns the original lease to another person or surrenders it to L’s landlord, and
 - (b) the consideration for the assignment or surrender would not (apart from this Chapter) be taxable except as capital in L’s hands.
- (4) Condition C is that—
- (a) another lease (“the new lease”) is granted, or assigned, to L or a person linked to L, and
 - (b) the new lease is for a term of 15 years or less.
- (5) Condition D is that the new lease—
- (a) is of all or part of the land which was the subject of the original lease, or
 - (b) includes all or part of the land which was the subject of the original lease.
- (6) Condition E is that neither L nor a person linked to L had, before 22 June 1971, a right enforceable at law or in equity to the grant of the new lease.
- (7) If each of conditions A to D is met but condition E is not met, see the relevant provisions in Schedule 2 to CTA 2010 and Schedule 9 to TIOPA 2010.

Taxation of consideration

681BB Taxation of consideration

- (1) An appropriate amount must be found under subsection (3) or (4) of—
- (a) the consideration received by L for the assignment or surrender, or
 - (b) each instalment of the consideration (if it is paid in instalments).
- (2) For the purposes of the Income Tax Acts the appropriate amount must be treated in accordance with subsections (6) to (8) and not as a capital receipt.
- (3) If the term of the new lease is one year or less, the appropriate amount of the consideration or instalment is the whole of it.

Status: This is the original version (as it was originally enacted).

- (4) If the term of the new lease is more than one year, the appropriate amount of the consideration or instalment is the proportion of it found by the formula—

$$\frac{16 - N}{15}$$

- (5) In subsection (4) N is the term of the new lease expressed in years (taking part of a year as an appropriate proportion of a year).
- (6) The way the appropriate amount must be treated depends on whether the following conditions are met—
- (a) the consideration is received by L in the course of a trade, profession or vocation, and
 - (b) the rent payable by L, or a person linked to L, under the new lease is allowable as a deduction in calculating profits or losses of a trade, profession or vocation for tax purposes.
- (7) If the conditions are met the appropriate amount must be treated as a receipt of the trade, profession or vocation mentioned in subsection (6)(a).
- (8) If the conditions are not met the appropriate amount must be treated as an amount chargeable to income tax.
- (9) If income tax is charged under subsection (8)—
- (a) it must be charged on the proportion of the appropriate amount arising in the tax year,
 - (b) the person liable for the tax is L, and
 - (c) the amount charged must be treated for income tax purposes as an amount of income.

681BC Position where new lease does not include all original property

- (1) This section applies for the purposes of section 681BB if the property which is the subject of the new lease does not include all the property which was the subject of the original lease.
- (2) The consideration received by L must be treated as reduced to the portion of it found under subsection (3).
- (3) The portion is that which is reasonably attributable to such part of the original property as—
- (a) consists of the property which is the subject of the new lease, or
 - (b) is included in the property which is the subject of the new lease.
- (4) The original property is the property which was the subject of the original lease.

Relief for rent under new lease

681BD Relief for rent under new lease

- (1) This section applies if the rent under the new lease is payable by a person within the charge to income tax.

Status: This is the original version (as it was originally enacted).

- (2) This section also applies if—
 - (a) Chapter 2 of Part 19 of CTA 2010 (provision for corporation tax corresponding to this Chapter) has effect, and
 - (b) the rent under the new lease is payable by a person within the charge to income tax.
- (3) The provisions of ITTOIA 2005 providing for deductions or allowances by way of income tax relief in respect of payments of rent apply in relation to the rent under the new lease.

New lease treated as ending

681BE New lease treated as ending

- (1) Sections 681BF to 681BH treat the new lease as ending in certain circumstances for the purposes of this Chapter.
- (2) If any of those provisions apply in a given case, and the new lease is treated as ending on different dates, it must be treated as ending on the earlier or earliest of them.

681BF Position where rent reduces

- (1) If the rent for a relevant period exceeds the rent for the following comparable period, the term of the new lease must be treated as ending on the date when the relevant period ends.
- (2) For the purposes of this section—
 - (a) a relevant period is a rental period of the new lease ending before its fifteenth anniversary,
 - (b) the following comparable period (in relation to a relevant period) is the rental period which is of the same duration as the relevant period and which begins on the day following the end of the relevant period,
 - (c) the rent for a period is the total rent payable under the new lease in respect of the period,
 - (d) a rental period is a period in respect of which a payment of rent is to be made, and

 - (b) all rental periods of a month must be treated as being of the same duration.

Status: This is the original version (as it was originally enacted).

- (1) This section applies if under the new lease the lessor, or L or a person linked to L, has power to end the lease before the end of the term for which it was granted.
- (2) The term of the lease must be treated as ending on the earliest date with effect from which the lessor, or L or a person linked to L, could end the lease by exercising the power.

681BH Position where lease may be varied

- (1) This section applies if under the new lease L, or a person linked to L, has power to vary, in a manner beneficial to L or a person linked to L, obligations under the lease that are obligations of L or a person linked to L.
- (2) The term of the lease must be treated as ending on the earliest date with effect from which L, or a person linked to L, could vary the obligations by exercising the power.

681BI Lease treated as ending: rentcharge

- (1) Subsection (2) applies if a rentcharge payable by L, or a person linked to L, is secured on all or part of the property subject to the new lease.
- (2) For the purposes of sections 681BF to 681BH the rent payable under the new lease must be treated as equal to the sum of the rentcharge and the rent payable under the lease.

Lease varied to provide for increased rent

681BJ Lease varied to provide for increased rent

- (1) This section applies if each of conditions A to D is met.
- (2) Condition A is that—
 - (a) a person (“the lessee”) is a lessee of land under a lease which has 50 years or less to run (“the original lease”), and
 - (b) the lessee is entitled in respect of the rent under the original lease to a deduction by way of relevant income tax relief.
- (3) Condition B is that (by agreement with the landlord) the lessee varies the original lease.
- (4) Condition C is that under the variation—
 - (a) the lessee agrees to pay a rent greater than that payable under the original lease, and
 - (b) the lessee agrees to pay the greater rent in return for a consideration which would not (apart from this Chapter) be taxable except as capital in the lessee’s hands.
- (5) Condition D is that under the variation the period during which the greater rent is to be paid ends 15 years or less after the date on which—

Status: This is the original version (as it was originally enacted).

- (a) the consideration is paid to the lessee, or
 - (b) the last instalment of the consideration is paid to the lessee (if it is paid in instalments).
- (6) If this section applies the lessee must be treated for the purposes of this Chapter—
- (a) as having surrendered the original lease for the consideration mentioned in subsection (4)(b), and
 - (b) as having been granted a new lease for a term of 15 years or less but otherwise on the terms of the original lease varied as mentioned in subsection (3).

A relevant period is a post-spread period if for that relevant period, and every later relevant period, there are no payments within section 681CB(2).

Rule 4 — the deduction allowed in a relevant period

If a relevant period is not a post-spread period, the deduction allowed for the period is equal to the cumulative unrelieved expenses for the period, but is the commercial rent for the period if that is less (see section 681CE).

Rule 5 — relevant periods in which no deduction allowed

If a relevant period is a post-spread period, no deduction is allowed for the period.

 - (c) the rent gave a reasonable return for the asset’s market value at the relevant time, taking account of the actual lease’s terms and conditions.
- (4) The relevant time is the time when the actual lease was created.
- (5) An asset’s expected normal working life is the period which might be expected, when it is first put into use, to pass before it is finally put out of use as being unfit for further use.
- (6) In applying subsection (5) it must be assumed that the asset will be used in the normal way, and to the normal extent, throughout the period.
- (7) If the asset is used at the same time partly for the purposes of the trade mentioned in section 681CB(2)(b) and partly for other purposes, the

- (6) The modifications are—
 - (a) for references to the non-UK resident substitute references to the assumed company, and
