#### 10 Income tax for 1937-38

- (1) Income tax for the year 1937-38 shall be charged at the standard rate of five shillings in the pound, and, in the case of an individual whose total income exceeds two thousand pounds, at such higher rates in respect of the excess over two thousand pounds as Parliament may hereafter determine.
- (2) All such enactments as had effect with respect to the income tax charged for the year 1936-37 shall have effect with respect to the income tax charged for the year 1937-38.

#### 11 Higher rates of income tax for 1936-37

Income tax for the year 1936-37 in respect of the excess of the total income of an individual over two thousand pounds shall be charged at rates in the pound which respectively exceed the standard rate by amounts equal to the amounts by which the rates at which income tax was charged in respect of the said excess for the year 1935-36 respectively exceeded the standard rate for that year.

#### 12 Prevention of avoidance of tax by certain transactions in securities

- (1) Where the owner of any securities (in this and the next following subsection referred to as "the owner") agrees to sell or transfer those securities, and by the same or any collateral agreement—
  - (a) agrees to buy back or re-acquire the securities; or
  - (b) acquires an option, which he subsequently exercises, to buy back or re-acquire the securities;

then, if the result of the transaction is that any interest becoming payable in respect of the securities is receivable otherwise than by the owner, the following provisions shall have effect—

- (i) the interest payable as aforesaid shall, whether it would or would not have been chargeable to tax apart from the provisions of this section, be deemed for all the purposes of the Income Tax Acts to be the income of the owner and not to be the income of any other person; and
  - (ii) if the securities are of such a character that the interest payable in respect thereof may be paid without deduction of tax, the owner shall be chargeable to tax at the standard rate under Case VI of Schedule D in respect of the interest which is deemed to be his income as aforesaid, unless he shows that it has borne tax at the standard rate.
- (2) The references in the last foregoing subsection to buying back or re-acquiring the securities shall be deemed to include references to buying or acquiring similar securities, so, however, that where similar securities are bought or acquired, the owner shall be under no greater liability to tax than he would have been under if the original securities had been bought back or re-acquired.
- (3) Where any person carrying on a trade which consists wholly or partly in dealing in securities agrees to buy or acquire any securities, and by the same or any collateral agreement—

- (a) agrees to sell back or re-transfer the securities; or
- (b) acquires an option, which he subsequently exercises, to sell back or re-transfer the securities;

then, if the result of the transaction is that any interest becoming payable in respect of the securities is receivable by him, no account shall be taken of the transaction in computing for any of the purposes of the Income Tax Acts the profits arising from or loss sustained in the trade.

- (4) The last foregoing subsection shall have effect, subject to any necessary modifications, as if references to selling back or re-transferring the securities included references to selling or transferring similar securities.
- (5) This section shall not apply to any transaction where the relevant agreements were made before the sixth day of April, nineteen hundred and thirty-seven.
- (6) For the purpose of this section—
  - (a) the expression " interest " includes a dividend;
  - (b) the expression " securities " includes stocks and shares;
  - (c) securities shall be deemed to be similar if they entitle their holders to the same rights against the same persons as to capital and interest and the same remedies for the enforcement of those rights, notwithstanding any difference in the total nominal amounts of the respective securities or in the form in which they are held or the manner in which they can be transferred.
- (7) The Commissioners of Inland Revenue may by notice in writing require any person to furnish them within such time as they may direct (not being less than twenty-eight days), in respect of all securities of which he was the owner at any time during the period specified in the notice, such particulars as they consider necessary for the purposes of this section and for the purpose of discovering whether tax has been borne in respect of the interest on all those securities, and, if that person without reasonable excuse fails to comply with the notice, he shall be liable to a penalty not exceeding fifty pounds and after judgment has been given for that penalty to a further penalty of the like amount during every day on which the failure continues.

### **13 Amendment as to relief in respect of losses**

For the purposes of section thirty-four of the Income Tax Act, 1918 (which relates to relief in respect of certain losses) the amount of a loss sustained in a trade shall, in all cases, be computed in like manner as the profits or gains arising or accruing from the trade are computed under the rules applicable to Case I of Schedule D :

Provided that—

- (a) nothing in this section shall affect the provisions of paragraph (2) of Rule 15 of the Rules applicable to Cases I and II of Schedule D (which relates to losses of assurance companies carrying on life assurance business); and
- (b) where relief is claimed by virtue of this section in respect of a loss sustained in a trade which consists wholly or partly in dealing in securities, section twelve of this Act shall apply, for the purpose of computing the amount of the loss, as if subsection (5) thereof were omitted therefrom.

**14 Amendments of 12 and 13 Geo. 5. c. 17, s. 21**

- (1) Notwithstanding anything in subsection (6) of section twenty-one of the Finance Act, 1922, a company which is deemed for the purposes of that subsection to be under the control of not more than five persons shall not be deemed to be a subsidiary company, unless it can be deemed to be under the control of not more than five persons only by including among the persons mentioned in paragraph (a), (b) or (c) of subsection (1) of section nineteen of the Finance Act, 1936, or in subsection (3) of section twenty of that Act, a company to which the provisions of the said section twenty-one do not apply and which is not the nominee of any other person.
- (2) In the case of a company to which section twenty-one of the Finance Act, 1922, applies, being an investment company, the following provisions shall have effect:—
  - (a) the Special Commissioners may, if they think fit, give a direction under subsection (1) of that section if it appears to them that the company has not within any year of assessment distributed to its members, in such manner as to render the amount distributed liable to be included in the statements to be made by the members of the company of their total income for the purposes of surtax, a reasonable part of its actual income from all sources for that year;
  - (b) in determining for the purpose of this subsection whether the company has or has not distributed as aforesaid a reasonable part of its actual income from all sources for any year of assessment, the Special Commissioners shall deem all the said income to have become available for distribution as soon as it became due and payable to the company;
  - (c) where an order has been made or a resolution passed for the winding up of the company, the Special Commissioners may, if they think fit, treat either of the following periods, that is to say,—
    - (i) the period from the end of the last year or other period for which accounts of the company have been made up to the date of the order or resolution; or
    - (ii) the period from the end of the last year of assessment to the date of the order or resolution;as if it were a year of assessment for the purposes of this subsection;
  - (d) for the purposes of this subsection, the provisions of section twenty-one of the Finance Act, 1922, and any other enactment relating thereto shall apply as if a year of assessment, or a period which by virtue of this subsection is treated as a year of assessment, were a year or period for which accounts of the company have been made up, but subject to the modifications set out in the Third Schedule to this Act.
- (3) Where a direction is given under subsection (1) of section twenty-one of the Finance Act, 1922, with respect to an investment company, the Special Commissioners, in determining the respective interests of the members for the purpose of apportioning income in accordance therewith under paragraph 8 of the First Schedule to that Act, may, if it seems proper to them so to do, attribute to each member an interest corresponding to his interest in the assets of the company available for distribution among the members in the event of a winding up.
- (4) In this section and in any other provisions of this or any other Act relating to section twenty-one of the Finance Act, 1922, the expression " investment company " shall have the same meaning as in section twenty of the Finance Act, 1936, and any references to the date of the order or resolution for the winding up of a company shall be construed—

- (a) in the case of a company within the meaning of the Companies Act, 1929, or the Companies Act (Northern Ireland), 1932, as references to the time of the commencement of the winding up; and
  - (b) in the case of any other body corporate, as references to the time of the making of the order, or of the passing of the resolution, or of the signing of the instrument, or of the making of the application, or of the doing of the act, as the case may be, which initiates the winding up of the body corporate.
- (5) The provisions of this section shall have effect for the purposes of assessment to surtax for the year 1935-36 and subsequent years:

Provided that the provisions of subsection (2) of this section shall not have effect for the purposes of assessment to surtax for the year 1935-36 in relation to any company which before the twenty-first day of April, nineteen hundred and thirty-seven, made up accounts for a period ending in the year 1935-36.

## **15 Allowance for depreciation of mills, factories, and c**

- (2) For the purpose of the national defence contribution, the accounting periods of a trade or business shall be determined as follows :—
- (a) in a case where the accounts of the trade or business are made up for successive periods of twelve months, each of those periods shall be an accounting period;
  - (b) in a case where the accounts of the trade or business have been made up as aforesaid but have ceased to be so made up, the accounting periods from the end of the last period of twelve months for which they were so made up shall be such periods not exceeding twelve months as the Commissioners of Inland Revenue may determine;
  - (c) in any other case the accounting periods of a trade or business shall be such periods not exceeding twelve months as the Commissioners of Inland Revenue may determine;

and the expression " chargeable accounting period " means—

- (i) any accounting period determined as aforesaid which falls wholly within the five years beginning on the first day of April, nineteen hundred and thirty-seven; and
  - (ii) in a case where any such accounting period falls partly within and partly without the said five years, such part of that period as falls within those five years.
- (3) Where a chargeable accounting period is not a period for which the accounts of the trade or business have been made up, such division and apportionment to specific periods of the profits and losses for any period for which the accounts relating to the trade or business have been made up, and such aggregation of any such profits or losses or any apportioned part thereof, shall be made as appears necessary to arrive at the profits arising in the chargeable accounting period.
- (4) Any apportionment under the last foregoing subsection shall be made in proportion to the number of months or fractions of months in the respective periods, unless the Commissioners of Inland Revenue having regard to any special circumstances otherwise direct.

## **21 Exemption and abatement in respect of minimum profits**

- (1) Where the profits arising in any chargeable accounting period from a trade or business do not exceed two thousand pounds, those profits shall not be chargeable to the national defence contribution.
- (2) Where the profits arising in any chargeable accounting period from a trade or business exceed two thousand pounds but are less than twelve thousand pounds, those profits shall, for the purpose of assessment to the national defence contribution, be reduced by a sum equal to one-fifth of the difference between the amount of those profits and twelve thousand pounds.
- (3) In relation to a chargeable accounting period of less than twelve months, references in this section to two thousand pounds and twelve thousand pounds shall be construed as references to a sum which bears the same proportion to two thousand pounds or to twelve thousand pounds, as the case may be, as the length of the period bears to twelve months.

## **22 Provisions as to subsidiary companies**

- (1) Where a body corporate resident in the United Kingdom is a subsidiary of another body corporate so resident (hereafter in this section referred to as " the principal company ") the principal company may, by notice in writing given to the Commissioners of Inland Revenue before the expiration of any chargeable accounting period of the subsidiary or within two months thereafter, require that the provisions of subsection (2) of this section shall apply to the subsidiary as respects that period and all subsequent chargeable accounting periods throughout which it continues to be a subsidiary of the principal company:

Provided that, if the first chargeable accounting period of the subsidiary ended before the passing of this Act, a notice given as respects that period within two months from the passing of this Act shall have effect for the purposes of this section as if it had been given within two months from the end of that period.

- (2) Where such a notice is given, the profits or losses arising in any chargeable accounting period to which the notice relates from the trade or business carried on by the subsidiary shall be treated, for the purpose of the provisions of this Act relating to the national defence contribution other than the provisions of paragraph 2 and subparagraph (2) of paragraph 3 of the Fourth Schedule to this Act, as if they were profits or losses arising in, the corresponding chargeable accounting period from the trade or business carried on by the principal company.
- (3) For the purpose of this section—
- (a) a body corporate shall be deemed to be a subsidiary of another body corporate if and so long as not less than nine-tenths of its ordinary share capital is beneficially owned by that other body corporate;
  - (b) the expression " ordinary share capital " has the same meaning as in the Fourth Schedule to this Act;

## **23 Special provision as to building societies**

- (1) The amount of the national defence contribution chargeable on the profits arising in any chargeable accounting period from the business of a building society shall not exceed one and one-half per cent. of the amount of those profits computed in accordance with the provisions of this Part of this Act, but without allowing any deduction for interest paid on money borrowed by the society from members or depositors.
- (2) For the purpose of this section the expression " building society " means a society regulated by any of the Acts regulating building societies, or a society registered under the Industrial and Provident Societies Acts, 1893 to 1928, which carries on a business of such a nature that it could have been established under any of the Acts regulating building societies, and no other business.

## **24 Assessment, collection, appeals, and c**

- (1) The national defence contribution shall be assessed and collected by the Commissioners of Inland Revenue in accordance with the provisions of Part I of the Fifth Schedule to this Act, and shall be due and payable at the expiration of one month

from the date of the assessment, and shall be recoverable as a debt due to His Majesty from the person on whom it is assessed.

- (2) Any person who is dissatisfied with any such assessment may appeal subject to and in accordance with the provisions of Part II of the said Schedule.
- (3) The provisions of Part III of the said Schedule shall have effect for the purpose of carrying into effect the provisions of this section and of Parts I and II of the said Schedule and otherwise for supplementing those provisions.

- (2) Where an amount is allowed to be deducted as an expense by virtue of this section, any income tax overpaid in consequence thereof by any person shall be repaid to him.

  - (c) where exemption is granted as to a part of the estate duty leviable on or with reference to any death, the residue thereof shall be charged and borne in like manner as if the passing on the death, or the benefit accruing on the death, as the case may be, had been a passing, or a benefit accruing, wholly to the person or persons other than the National Trust mentioned in paragraph (a) of this subsection.

## FIRST SCHEDULE

Section 3.

## UNITED KINGDOM—CANADA TRADE AGREEMENT

The Governments of the United Kingdom and of Canada, recognizing that the revival and development of trade is an essential feature of the prosperity and well-being of all countries and to this end desiring further to facilitate trade and commerce between the United Kingdom and Canada, and having resolved to replace by the present Agreement the Agreement concluded between them at Ottawa on the 20th August, 1932, have agreed upon the following provisions :  
—

*ARTICLE 1.*

The Government of the United Kingdom undertake that goods grown, produced or manufactured in Canada and consigned from any part of the British Empire which are now free of duty, shall continue to enjoy entry free of customs duty into the United Kingdom, subject, however, to the reservations set forth in Schedule 1 appended hereto.

*ARTICLE 2.*

The Government of the United Kingdom undertake that the goods the manufacture of Canada enumerated in Schedule II appended hereto when consigned from any part of the British Empire shall not on importation into the United Kingdom be subjected to duties of customs higher than those specified in that Schedule.

*ARTICLE 3.*

The Government of the United Kingdom undertake in respect of the goods the growth, produce or manufacture of Canada enumerated in Schedule III appended hereto that the difference between the rate of the duties of customs on such goods on importation into the United Kingdom when consigned from any part of the British Empire and the rate upon similar goods the growth, produce or manufacture of any foreign country shall not be less than the rates set out in that Schedule :

Provided that the duty on either wheat in grain, copper, zinc or lead, as provided in this Agreement, may be removed if at any time Empire producers of wheat in grain, copper, zinc or lead respectively are unable or unwilling to offer these commodities on first sale in the United Kingdom at prices not exceeding the world prices and in quantities sufficient to supply the requirements of United Kingdom consumers; and,

Provided further that while the arrangements contained in the Report of the Import Duties Advisory Committee of the 2nd July, 1935, are in force, the duties on lead and zinc shall be in accord with the proposals in Appendices B and C of that Report.

*ARTICLE 4.*

The Government of the United Kingdom undertake that until the 19th August, 1942, tobacco grown, produced or manufactured in Canada and consigned from any part of the British Empire shall enjoy on importation into the United Kingdom the existing margin of preference over foreign tobacco, so long, however, as the duty on foreign unmanufactured tobacco does not fall below 2s. 0 ½ d. per lb., in which event the margin of preference shall be equal to the full duty.

*ARTICLE 5.*

The Government of Canada, recognizing that it is the present policy of the Government of the United Kingdom to promote the orderly marketing of bacon and hams and of meat in the United Kingdom with due regard to the normal development of trade, declare their willingness so far as their power extends to continue to assist the Government of the United Kingdom in carrying out this policy and, in particular, to furnish from time to time estimates of forthcoming shipments of bacon and hams and cattle and beef.

As regards bacon and hams, the Government of the United Kingdom undertake :

- (1) That any duty or levy which may be imposed on bacon and hams imported into the United Kingdom shall not apply to imports of Canadian bacon and hams when consigned from any part of the British Empire;
- (2) that there will be no regulation by them of such imports unless the rate at which the trade from Canada progresses towards two and one half million hundred-weight per annum should become abnormal and such as to endanger the effective working of the system of supply regulation;
- (3) that no such regulation would be put into effect without prior consultation with the Government of Canada.

As regards cattle and beef, the Government of the United Kingdom undertake:

- (1) That any duty or levy which may be imposed on cattle or beef imported into the United Kingdom shall not apply to imports of Canadian cattle or beef when consigned from any part of the British Empire;
- (2) that, if so requested, they will make themselves responsible for Canadian interests in any International Conference that may be set up to arrange for regulating supplies imported into the United Kingdom and will use their best endeavours to ensure that Canada secures an equitable share in the trade in cattle and beef;
- (3) that any Agreement for the setting up of such a Conference, to which they may become a party, will not provide for any reduction in imports of Canadian fat cattle and beef into the United Kingdom below recent levels;
- (4) that any such Agreement will recognize that special provision may become necessary for increased shipments of fat cattle and beef from Canada and will provide for specified reductions, if necessary, in shipments of chilled beef from foreign countries;
- (5) that there will be no regulation of imports of cattle or beef from Canada unless, after consultation with the Government of Canada, it appears to the Government of the United Kingdom that the effective working of a general scheme for the orderly marketing in the United Kingdom of meat cannot otherwise be secured.

*ARTICLE 6.*

The Government of Canada undertake that the goods the growth, produce or manufacture of the United Kingdom enumerated in Schedule 1V appended hereto, when conveyed without transshipment from any part of the British Empire enjoying the benefits of the British Preferential Tariff into lake or river port of Canada, shall not be subjected to duties of customs higher than those specified in that Schedule.

The Government of Canada undertake as regards goods the growth, produce or manufacture of the United Kingdom other than those enumerated in Schedule IV that, under the British Preferential Tariff, no new protective duty shall be imposed and no existing protective duty increased except after an inquiry at which United Kingdom producers shall enjoy full rights of audience.

*ARTICLE 7.*

The Government of Canada undertake that goods the growth, produce or manufacture of the United Kingdom enumerated in Schedule 1V, when not of a class or kind made in Canada and when subject to duties of customs on importation into Canada, shall, when conveyed without transshipment from any part of the British Empire enjoying the benefits of the British Preferential Tariff into a sea, lake or river port of Canada, enjoy the benefit of preferential tariff margins which, in the case of any such goods, shall not be less than the difference between the rate of duty provided for in this agreement and the rate of duty now levied upon like goods the growth, produce or manufacture of any foreign country, provided however that, if the duty on foreign goods becomes less than such preferential tariff margin, no duty shall be levied on the like goods of United Kingdom origin.

*ARTICLE 8.*

The Government of Canada undertake in respect of the goods the growth, produce or manufacture of the United Kingdom enumerated in Schedule V appended hereto that the difference between the rates of duties of customs on such goods on importation into Canada, when conveyed without transshipment from any part of the British Empire enjoying the benefits of the British Preferential Tariff into a sea, lake or river port of Canada, and the rates upon similar goods the growth, produce or manufacture of any foreign country shall not be less than the margins set out in that Schedule.

*ARTICLE 9.*

The two Governments undertake that, except as provided for in legislation already in force, goods the growth, produce or manufacture of either country covered by the provisions of Articles 1 and 2, or of the first paragraph of Article 6, as the case may be, shall not be subjected on importation into the other country to any imposts or charges other than the customs duties leviable in accordance with the provisions of the said Articles unless equal imposts or charges are imposed on similar goods the growth, produce or manufacture of the importing country.

*ARTICLE 10.*

Each Government reserve the right to suspend or modify the preferential margin specified in respect of any item in Schedule III or Schedule V, as the case may be, if, after inquiry, it appears to that Government that a predominating share of the trade in such item is controlled by any organisation or combine of exporters and that by virtue of the guaranteed margin that

organisation or combine is exercising this control to the prejudice of consumers or users of the goods in question.

*ARTICLE 11.*

Neither Government will, without the consent of the other Government, amend their regulations regarding qualification for preferential tariff treatment so as to increase above fifty per centum the prescribed proportion of the value of any class of manufactured articles which must be derived from expenditure in the British Empire in order to entitle the articles to preference.

*ARTICLE 12.*

The Government of Canada, recognizing that the entry of Canadian goods into the United Kingdom market free of duty, as assured in Article 1 of this Agreement and, in particular, their exemption from liability to any special or dumping duty, even if sold in that market at less than their comparable selling price in Canada, warrant more nearly reciprocal treatment of United Kingdom goods offered for sale in similar circumstances in Canada, agree to exempt particular classes of United Kingdom goods from special or dumping duty under the conditions set out in the following paragraphs.

If it appears to the Government of the United Kingdom that any goods enjoying entry free of duty into the United Kingdom under the provisions of Article 1 of this Agreement are exported from Canada to the United Kingdom at export or selling prices lower than the fair market value for home consumption, as determined on the bases laid down in Section 6 of the Customs Tariff of Canada, and that in consequence thereof the sale of similar United Kingdom goods is being prejudicially or injuriously affected, they may notify the Government of Canada of the facts of the case and request that United Kingdom goods of each or any class or kind normally manufactured by the Canadian industry manufacturing the goods in question shall be exempt from special or dumping duty on importation into Canada.

On receipt of such notification and request the Government of Canada will take suitable steps to correct the situation complained of and, if other measures are ineffectual, will exempt United Kingdom goods, as specified in the notification, from special or dumping duty for such period as may prove necessary. Recognizing that in certain circumstances it may be found necessary to exempt from special or dumping duty other United Kingdom goods of a class or kind normally manufactured by the Canadian industry manufacturing the goods in question, the Government of Canada agree that they will accord sympathetic consideration to any request that the United Kingdom Government may make under this Article for such exemption and will, in consultation with the United Kingdom Government, determine what measures shall be taken to restore fair trading conditions.

*ARTICLE 13.*

The Government of the United Kingdom will invite the Governments of the non-self-governing Colonies and Protectorates to continue to accord to Canada any preference which may for the time being be accorded to any other part of the British Empire :

Provided that the operation of this paragraph shall not extend to any preferences accorded by Northern Rhodesia to the Union of South Africa, Southern Rhodesia and the High Commission Territories in South Africa.

The Government of Canada undertake to accord to those non-self-governing Colonies, Protectorates and Mandated Territories, to which the benefits of the British Preferential Tariff

---

---

are at present accorded, and also to Malta, the benefit of any preferences for the time being accorded to any part of the British Empire :

Provided that nothing in this paragraph shall interfere with existing obligations or special arrangements already in force between Canada and other parts of the British Empire; and,  
Provided further that the Government of Canada shall not be bound to continue to accord any preferences to any Colony or Protectorate which, not being precluded by international obligations from according preferences, either (i) accords to Canada no preferences, or (ii) accords to some other part of the British Empire (in the case of Northern Rhodesia, excepting the Union of South Africa, Southern Rhodesia and the High Commission Territories in South Africa) preferences not accorded to Canada.

*ARTICLE 14.*

The Government of Canada undertake to accord to goods the growth, produce or manufacture of any of the non-self-governing Colonies, Protectorates or Mandated Territories of Togoland under British Mandate, the Cameroons under British Mandate, the Tanganyika Territory or Palestine, treatment not less favourable than that accorded to similar goods the growth, produce or manufacture of any foreign country.

*ARTICLE 15.*

The Government of the United Kingdom will invite the Governments of the Colonies and Protectorates shown in Schedule VI appended hereto to continue in operation the preferences accorded to Canada on the commodities and at the rates shown in that Schedule, and the Government of Canada will continue in operation the preferences accorded to the Colonies, Protectorates and Mandated Territories by Canada as set out in Schedule VII appended hereto :

Provided that the Government of Canada shall not be bound to continue to accord any preferences to any Colony or Protectorate which, not being precluded by international obligations from according preferences, either (i) accords to Canada no preferences, or (ii) accords to some other part of the British Empire (in the case of Northern Rhodesia, excepting the Union of South Africa, Southern Rhodesia and the High Commission Territories in South Africa) preferences not accorded to Canada; and,

Provided further that, in the event of the denunciation and termination of the Canada-West Indies Trade Agreement dated the 6th July, 1925, either Government shall be at liberty, on giving at least six months' notice, to terminate the provisions of this Article not earlier than the termination of that Agreement.

*ARTICLE 16.*

In the event of circumstances arising which in the judgment of the Government of the United Kingdom or of the Government of Canada, as the case may be, necessitate a variation in the terms of this Agreement, the proposal to vary those terms shall be the subject of consultation between the two Governments.

*ARTICLE 17.*

The Agreement will come into force on a date to be mutually agreed between the two Governments. On the coming into force of the present Agreement, the Agreement concluded between the two Governments at Ottawa on the 20th August, 1932, shall cease to have effect. Pending the coming into force of the present Agreement, the two Governments will apply its provisions as far as may be possible and will consult together with regard to the dates on

which particular provisions of the 1932 Agreement shall be deemed to have been replaced by provisions of the present Agreement. The Agreement will remain in force until the 20th August, 1940. Unless six months before the 20th August, 1940, notice of termination shall have been given by either Government to the other, the Agreement will remain in force until the expiry of six months from the date on which a notice of termination is given.

LETTER No. 1.

LETTER FROM CANADIAN SIGNATORY ON THE SUBJECT OF ZINC.

Ottawa,

February 23, 1937.

SIR,

With reference to Article 16 of the Trade Agreement signed this day, I have the honour to inform you that the Canadian Government, having taken note of the statements of the United Kingdom Government in the course of the recent discussions (1) that it is essential to the national security that the production of the zinc smelting industry in the United Kingdom should be maintained at a satisfactory level; (2) that at any enquiry into the question of the effects of imports of zinc from oversea Empire countries on the maintenance of the production of zinc in the United Kingdom at a satisfactory level having regard to the needs of national security, the Canadian zinc producers would have the opportunity of submitting evidence, and (3) that the Government of the United Kingdom would consult the Canadian Government before taking any decision to impose a customs duty on imports of Canadian zinc into the United Kingdom; agree that it will be open to the United Kingdom Government, after such enquiry and after consultation with the Canadian Government, and notwithstanding the provisions of Article 1 of the Trade Agreement, to impose a customs duty on imports of zinc produced or manufactured in Canada, without prejudice however, to the provisions of Article 3 of the Agreement.

It is understood that no customs duty will be imposed on Canadian zinc which is not equally applicable to zinc from other oversea Empire sources.

I have, etc.,

W. L. MACKENZIE KING.

## LETTER No. 2.

LETTER FROM CANADIAN SIGNATORY ON THE  
SUBJECT OF HOME CONSUMPTION DRAWBACKS.

Ottawa,

February 20, 1937.

SIR,

During the negotiations in London last summer, representations were made by the United Kingdom authorities to the effect that in certain cases tariff preferences accorded the United Kingdom by Canada had been rendered less effective than had been expected by reason of the drawbacks of duty for home consumption authorized by Schedule B to the Customs Tariff. At that time the Minister of Finance promised, on behalf of the Canadian Government, that fuller consideration would be given to the proposal of the United Kingdom that the preferential principle of tariff treatment be applied to the Drawback Schedule.

Since the return of the Canadian delegation, the competent Departments of the Canadian Government have been studying United Kingdom proposals, and such examination as has been made to date of the operation of Schedule B justifies the position taken in London by the Minister of Finance : that to apply suddenly a preferential scheme to the entire existing Schedule might, in many instances, work hardship upon Canadian consumers without necessarily ensuring any added advantage to United Kingdom interests.

Close examination of the existing Schedule reveals that frequently the home consumption drawback applies to raw materials imported for use in the manufacture of non-protected finished products, and in such instances the effect of abolishing or even restricting the full privilege of drawback might easily be disastrous to the industry concerned. There is the further fact that several of the items in the Schedule appear to have become inoperative (in so far as may be judged by the absence of claims thereunder), and such items are now the subject of review by the Canadian Government with a view to their possible cancellation. There is also to be borne in mind the fact that, under the last two or three Budgets, an effort has been made not merely to afford margins of preference by way of drawbacks, but actually to confine the operation of certain new drawback items to importations under the British Preferential Tariff.

The provision for home consumption drawbacks in the Canadian tariff is not one which this Government desires to see extended; on the contrary, were it feasible to do so immediately and at one stroke, the Government would prefer to dispense with the granting of such drawbacks, the administration of which is always costly and frequently difficult. To that end, as indicated, the Canadian Government already contemplates reducing the Schedule; and in this connection—and toward the same objective—it will undertake to give prompt and sympathetic consideration to any requests that may from time to time be put forward by the Government of the United Kingdom regarding the continuance or the operation of any particular item in the Schedule.

I have, etc.,

W. L. MACKENZIE KING.

## FOURTH SCHEDULE

Sections 20, 22.

ADAPTATIONS OF INCOME TAX PROVISIONS AS TO COMPUTATION  
OF PROFITS FOR PURPOSE OF NATIONAL DEFENCE CONTRIBUTION

- 1 The profits shall be taken to be the actual profits arising in the chargeable accounting period; and the principles of computing profits by reference to any other period and, save as provided in the next following paragraph, of allowing losses sustained in any other period to be carried forward, shall not be followed.
- 2 (1) Where a person carrying on a trade or business either solely or in partnership has, before the beginning of the first of the relevant accounting periods, sustained a loss (as computed for income tax purposes) in the trade or business, he may claim that so much of that loss shall be carried forward and deducted from or set off against the profits arising from the trade or business in any of the relevant accounting periods as could, under section thirty-three of the Finance Act, 1926, as amended by section nineteen of the Finance Act, 1932, be carried forward and deducted from or set off against the assessable income tax profits of the trade or business for the year of assessment corresponding to that accounting period :

Provided that, in ascertaining the amount (if any) that could be so carried forward and deducted from or set off against assessable income tax profits for a year of assessment corresponding to an accounting period—

- (a) the amount of the assessable income tax profits for that year shall be taken to be equal to the amount of the profits arising in that accounting period (computed in like manner as profits arising in a chargeable accounting period are computed for the purpose of the national defence contribution but before making any deduction for wear and tear under the next following paragraph);

---

*Status: This is the original version (as it was originally enacted).*

---

- (b) the amount of the assessable income tax profits for any previous year of assessment corresponding to a previous relevant accounting period shall be taken to be equal to the amount of the profits (computed as aforesaid) arising in that previous accounting period; and
  - (c) the amount of the deduction (if any) to be made from the assessable income tax profits under Rule 6 of the Rules applicable to Cases I and II of Schedule D for any year of assessment corresponding to a relevant accounting period shall be taken to be equal to the amount which, under the provisions of sub-paragraph (1) of the next following paragraph, falls to be deducted in computing the amount of the profits arising in that accounting period.
- (2) Where a person carrying on a trade or business either solely or in partnership has, in any relevant accounting period, sustained a loss in the trade or business (to be computed in like manner as profits arising in a chargeable accounting period are computed for the purpose of the national defence contribution) he may claim that that loss shall be carried forward and, as far as may be, deducted from or set off against the profits arising from the trade or business in the next relevant accounting period and, if and so far as it exceeds the profits so arising in that period, against the profits so arising in the next such period, and so on.

In the application of this sub-paragraph to a loss sustained by a partner in a partnership, references to losses or profits shall be construed as references to that partner's share in those losses or profits.

- (3) For the purpose of this paragraph—
- (a) the expression " assessable income tax profits " in relation to any year of assessment means the profits or gains of the trade or business assessable to income tax under Schedule D for that year;
  - (b) the expression " relevant accounting period " means any accounting period falling wholly or partly within the five years beginning on the sixth day of April, nineteen hundred and thirty-seven;
  - (c) the year of assessment following that in which an accounting period ends shall be deemed to correspond to that accounting period.
- 3 (1) There may be deducted in respect of any accounting period a sum (ascertained on the like basis as the amount of a deduction for wear and tear is ascertained under Rule 6 of the Rules applicable to Cases I and II of Schedule D) which represents the diminution in value by reason of wear and tear during that period of any plant or machinery in respect of which a deduction could be made under the said Rule 6, plus ten per cent. of that sum. '
- (2) Without prejudice to the foregoing provisions of this paragraph, there may, in the case of the first chargeable accounting period, be deducted any sum which, under paragraph (3) of the said Rule 6, falls to be added to the amount of the deduction for wear and tear to be made under that Rule in charging the profits or gains of the trade or business to income tax for the year 1937-1938 :

Provided that, if the amount of the deduction falling to be made under this sub-paragraph exceeds the amount of profits arising from the trade or business in the first chargeable accounting period, the excess shall, in lieu of being deducted in that chargeable accounting period, be deducted in the second chargeable accounting period if and in so far as there are profits arising in that period, and so on.

- 4 The principles of the Income Tax Acts under which deductions are not allowed for interest, annuities or other annual payments payable out of the profits, or

for royalties, or (in certain cases) for rent, and under which the annual value of lands, tenements, hereditaments or heritages occupied for the purpose of a trade or business is excluded, and under which a deduction may be allowed in respect of such annual value, shall not be followed :

Provided that nothing in this paragraph shall authorise any deduction in respect of—

- (a) any payment of dividend or distribution of profits; or
- (b) any interest, annuity or other annual payment paid to any person carrying on the trade or business, or any royalty or rent so paid;

and, for the purpose of paragraph (b) of this proviso, where the trade or business is carried on by a company the directors whereof have a controlling interest therein, the directors shall be deemed to be carrying on the trade or business.

5 The provisions of subsection (4) of section twenty-seven of the Finance Act, 1920 (which disallows deductions on account of the payment of dominion income tax) shall not apply.

6 Where, in respect of any profits arising from a trade or business, relief from income tax chargeable in the United Kingdom is granted by virtue of arrangements with the Government of any other country, being arrangements which for the time being have effect either—

- (a) under section eighteen of the Finance Act, 1923 (which as amended by section thirty-one of the Finance Act 1924, and section nine of the Finance Act, 1931, provides for the relief of shipping and air transport from double taxation); or
- (b) under section seventeen of the Finance Act, 1930 (which provides for the relief of certain agencies from double taxation);

those profits shall not be included in the profits arising from that trade or business, if and so long as the profits of trades or businesses which, by virtue of those arrangements, are relieved from income tax chargeable in that other country, are relieved from all taxes chargeable in that other country on the profits of trades or businesses.

7 Income received from investments or other property shall be included in the profits in the cases and to the extent provided in this paragraph, and not otherwise—

- (a) in the case of the business of a building society, or a banking business, assurance business or business consisting wholly or mainly in the dealing in or holding of investments or other property, the profits shall include all income received from investments or other property except:—
  - (i) income received directly or indirectly by way of dividend or distribution of profits from a body corporate carrying on a trade or business to which the section of this Act charging the national defence contribution applies; and
  - (ii) income to which the persons carrying on the trade or business are not beneficially entitled;
- (b) in the case of any other trade or business, being a trade or business carried on by a body corporate, the profits shall include all income received by way of dividend or distribution of profits from any other body corporate in which the first-mentioned body corporate has a controlling interest and which is not liable to be assessed to the national defence contribution:

9 No deduction shall be made on account of liability to pay or the payment of United Kingdom income tax or the national defence contribution.

10 No deduction shall be made in respect of any transaction or operation of any nature if and so far as it appears that the transaction or operation has artificially reduced the profits or created or increased a loss or would artificially reduce the profits or create or increase a loss.

11 In the case of a trade or business carried on in any chargeable accounting period by a company the directors whereof have a controlling interest therein, the deduction to be allowed in respect of the remuneration of the directors other than whole-time service directors shall not exceed fifteen per cent. of the profits arising from the trade or business in that period (computed before making any deduction in respect of the remuneration of the directors other than whole-time service directors), or fifteen hundred pounds, whichever is the greater, so, however, that the deduction shall in no case exceed fifteen thousand pounds:

Provided that in relation to a chargeable accounting period of less than twelve months any reference in this paragraph to fifteen hundred pounds or fifteen thousand pounds shall be construed as a reference to a sum which bears the same proportion to fifteen hundred pounds or fifteen thousand pounds, as the case may be, as the length of the period bears to twelve months.

12 (1) In the case of a trade or business carried on in any chargeable accounting period by an individual or individuals in partnership, he or they may claim that there shall be allowed as a deduction in respect of that period the greatest amount which could have been allowed as a deduction under the last foregoing paragraph in respect of the remuneration of the directors other than whole-time service directors, if the trade or business had been carried on in that period by a company the directors whereof had a controlling interest therein :

Provided that, where a deduction is made under this paragraph as respects any period, the profits arising from the trade or business in that period shall be chargeable to the national defence contribution at the rate applicable in the case of a trade or business carried on by a body corporate.

(2) Any claim under this paragraph shall be made by notice in writing given to the Commissioners of Inland Revenue within one month from the end of the chargeable accounting period in question.

- 14 Where the performance of a contract extends beyond the chargeable accounting period, there shall (unless the Commissioners of Inland Revenue owing to any special circumstances otherwise direct) be attributed to that period such proportion of the entire profit or loss which has resulted, or which it is estimated will result, from the complete performance of the contract as is properly attributable to that period, having regard to the extent to which the contract was performed in that period.

## PART III

### SUPPLEMENTARY PROVISIONS

- 1 Any surveyor appointed for the purposes of the Income Tax Acts may by notice in writing require any person who carries on or has carried on any trade or business to which the section of this Act charging the national defence contribution applies to deliver to him a return (in such form as the Commissioners of Inland Revenue may prescribe) of the profits arising from the trade or business in any period during which it was carried on by that person and to furnish him with any other particulars relating to the trade or business :

Provided that—

- (a) where any such person as aforesaid is dead, or is a body corporate which is being wound up, the notice may be given to the personal representative of the dead person or liquidator of the body corporate, as the case may be;
- (b) where the trade or business is or was being carried on by persons in partnership, the notice may be given in the partnership name, if any;
- (c) where the person who carries on or has carried on the trade or business is not resident in the United Kingdom, the notice may be given to any agent, manager or factor resident in the United Kingdom through whom he is or was carrying on the trade or business.

For the purpose of this paragraph, the expression " the precedent partner " has the same meaning as in paragraph (2) of Rule 10 of the rules applicable to Cases I and II of Schedule D in the Income Tax Act, 1918.

- 3 Where a body corporate is being wound up, the liquidator of the body corporate shall not distribute any of the assets of the body corporate to the members thereof unless he has made provision for the payment in full of any national defence contribution which may be found payable by the body corporate.
- 4 If any person without reasonable excuse contravenes or fails to comply with any of the foregoing provisions of this Part of this Schedule, he shall be liable on summary conviction to a fine not exceeding five hundred pounds, and, in a case where he fails to comply with the requirements of paragraph 2 of this Part of this Schedule, to a further fine not exceeding fifty pounds for every day on which the failure continues.
