Inspection of parking places and production of records

8. It shall be a condition of every licence—
- (a) that any person authorised in that behalf in writing by the local authority or by the county council may, subject to production if requested of his authority, at all reasonable hours enter upon and inspect the licensed parking place; and

but if any such person discloses to any other person otherwise than in the performance of his duty any information with regard to the operation of that parking place or to any trade secret obtained by him at that parking place or from any such examination, or if any member or officer of the local authority to whom any such information is disclosed by reason of his official position discloses that information to any other person otherwise than in the performance of his duty, that person or, as the case may be, that member or officer shall be liable on summary conviction to a fine not exceeding £100.

they shall inform the applicant in writing of the reasons for their decision at the same time as they inform him of that decision.

Transfer, surrender, variation and revocation of licences

10. Where a licence has been granted—
- (a) the local authority shall, if so requested by a successor in title to the business (so far as it consists of the operation of the licensed parking place) of the person to whom the licence was granted, transfer the licence to that successor in title, but a licence shall not otherwise be transferable;
 - (b) the holder of the licence may at any time surrender it by giving notice in writing for the purpose to the local authority which shall include a statement certifying either that the holder is the only person entitled to any interest in the licensed premises or that not less than twenty-one days before the date of the notice the holder has notified all other persons known to him to be so entitled of his intention to serve the notice;
 - (c) the local authority may at any time on the application or with the agreement of the holder of the licence vary any of the terms and conditions specified in the licence under Article 7(b) and (c) of this Order;
 - (d) in the case of a permanent licence, the local authority shall have the powers of revocation or variation of the licence conferred by Part II of the Schedule to this Order.

Appeals and compensation

11. The provisions of Parts III and IV of the Schedule to this Order shall have effect with respect to appeals and compensation in connection with certain decisions of a local authority under this Order; and the local authority shall comply with the prescribed requirements as to the giving to an applicant for a licence of information as to the rights conferred by the said Parts III and IV; and every person who applies for or is the holder of a licence in respect of any premises shall give to any other person known to him to be entitled to any interest in those premises information as soon as may be—

- (a) of the making of the application; and
- (b) of any decision of the local authority relating to the premises of which he is, or is deemed under paragraph 14(2) of the said Schedule to have been, notified by the local authority; and
- (c) of the bringing, and of the determination or abandonment, of any appeal from any such decision brought by that person under the said Part III.

Contravention of terms or conditions of licence by the holder—penalties

12. Subject to Article 16 of this Order and to the provisions of Part V of the Schedule to this Order, any holder of a licence who contravenes or fails to comply with any of the terms and conditions of the licence and who does not show that the contravention or failure was due to an act or omission of a person not connected with the operation of the licensed parking place which the persons so connected could not reasonably have been expected to prevent shall be liable on summary conviction—

- (a) in the case of a term imposed under Article 7(b) or a condition with respect to any of the matters referred to in Article 7 (c)(i), (ii), (iii) or (v) of this Order, to a fine not exceeding £100;
- (b) in any other case to a fine not exceeding £50;

and on the conviction of the holder of a licence of an offence under this Article the court before whom he is convicted may, if on an application made for the purpose by the local authority the court is satisfied that it is proper so to do by reason of the extent to which, or the period over which, or the frequency with which, the holder of the licence has contravened or failed to comply with the terms and conditions of the licence or by reason of the wilfulness of the offence, make an order for the revocation of the licence.

Suspension or revocation or variation of licence pending an appeal

13. Save as provided by Article 12 of this Order, or Part II of the Schedule to this Order, a licence shall not be revoked; and the revocation of a licence in pursuance of an order under that Article or the revocation or variation of a licence under the said Part II shall not take effect—

- (a) before the expiration of the period for giving notice of appeal from the order or, as the case may be, notice of appeal under Part III of that Schedule from the local authority's decision to revoke or, as the case may be, vary the licence; or
- (b) if such a notice of appeal is duly given, until the effectiveness or otherwise of the order or, as the case may be, the local authority's decision is finally determined in accordance with the relevant procedure.

Operation of parking place without a licence—penalties

14. Subject to Article 16 of this Order and to the provisions of Part V of the Schedule to this Order, any person who, in contravention of Article 5 of this Order operates a public off-street parking place without holding a licence for the purpose shall be liable on summary conviction—

- (a) to a fine not exceeding £200; or

- (b) in the case of a second or subsequent conviction of an offence under this Article, to a fine not exceeding £400.

Application of principles of the control to the county council's and the local authority's own parking places

15. The county council and the local authority for a controlled area shall have regard to any regulations for the time being in force under this Order when exercising in that area any of their respective functions under sections 28 to 32 of the Act of 1967; and where a public off-street parking place is provided in a controlled area by the county council or the local authority under the said section 28, any such regulations shall apply to the operation of that parking place with such modifications as may be prescribed for the purpose, being modifications appearing to the county council to be necessary to ensure that the parking place is operated by or on behalf of the county council or the local authority (as the case may be) with suitable provision as to the matters referred to in Article 7(b) and (c) (i) to (iv) of this Order in like manner as if it were being operated under a licence granted by the local authority.

Suspension of control in an emergency

16.—(1) Subject to the provisions of this Article, the Secretary of State may at any time, if it appears to him expedient so to do by reason of any emergency which appears to him to have arisen or to be likely to arise, by order in a statutory instrument which shall be laid before Parliament after being made, provide that this Article shall apply in relation to—

- (a) some or all of the areas for the time being designated as controlled areas in one or more particular counties specified in the order, or
- (b) such part or parts of any one or more of those areas as may be specified in the order, or
- (c) all areas for the time being designated as controlled areas in all counties in England or Wales.

(2) During the period while any order under paragraph (1) of this Article is in force in relation to any controlled area or part thereof—

- (a) any public off-street parking place in that area or part may be operated as if that area or part were not, or, as the case may be, were not comprised in, a controlled area; and
- (b) nothing in Article 12 or 14 of this Order shall apply to anything done at any such parking place during that period.

(3) Except where the order will relate to all areas for the time being designated as controlled areas in all counties in England or Wales, the Secretary of State shall, before making an order under paragraph (1) of this Article, consult with the county council or councils concerned.

(4) The power of the Secretary of State to make an order under paragraph (1) of this Article shall include power, exercisable in the same manner and subject to the same conditions, to vary or revoke any previous order under that paragraph.

THE SCHEDULE

CONTROL OF OFF-STREET PARKING

PART I

Provisions as to making of regulations

1.—(1) Before deciding to propose the making of regulations under this Order with respect to any matter, the county council shall consult with such representative organisations as they think fit and, if after such consultation they decide to make such a proposal, they shall cause to be published in the London Gazette and in one or more local newspapers circulating in the area to which the regulations will relate a notice stating that they propose to make such regulations, giving a summary of their effect, and specifying—

- (a) a place at which provisional draft regulations may be inspected at all reasonable hours and from which a copy of those draft regulations may be obtained on request; and
- (b) a date (not being earlier than six weeks after the date of publication of the notice) by which representations with respect to the draft regulations, which should include the grounds for any objection thereto, must be sent in writing to the county council;

and on causing such a notice to be published the county council shall send a copy of the notice and of the draft regulations to the Secretary of State and to each local authority the whole or part of whose area is for the time being, or would under the draft regulations become, a controlled area; and the county council shall not make any regulations in pursuance of the proposal to which the notice relates before the expiration of the period of twelve weeks beginning with the date when the notice is published.

(2) Before deciding to propose the designation of a controlled area under this Order, the county council shall consult organisations representative of the disabled.

2.—(1) As soon as may be after the date specified by the notice aforesaid for the making of representations with respect to the draft regulations, the county council shall send to the Secretary of State copies of all representations received by them by that date or, if no representations have been so received, shall inform the Secretary of State in writing of that fact.

(2) If representations are received by the county council from organisations representative of the disabled about the proposal to designate a controlled area, the county council shall send to the Secretary of State (together with copies of the other representations (if any) received as mentioned in sub-paragraph (1) of this paragraph) a statement of how parking requirements of the disabled arising from implementation of the proposal are met by existing facilities or, if in the opinion of the county council they are not already so met, how it is intended to meet them.

3. In the case of any proposal to make regulations under this Order, the Secretary of State may at any time before the expiration of the period of twelve weeks aforesaid give to the county council a direction in writing that, except with the consent of the Secretary of State, regulations shall not be made in pursuance of that proposal—

- (a) with respect to all, or with respect to such as may be specified, of the matters to which the proposal relates; or
- (b) in relation to, or to a specified part of, any specified area which has been or is proposed to be designated as a controlled area;

and on any such direction being given the Secretary of State shall cause notice thereof to be published in the London Gazette and the county council shall comply with that direction.

4.—(1) Where in the case of any such proposal as aforesaid to make regulations the Secretary of State has given such a direction as aforesaid, he shall as soon thereafter as he is in a position to do so notify the county council in writing with respect to each of the matters or areas to which the direction relates either—

- (a) that he consents to the making of regulations with respect to that matter or in relation to that area in pursuance of that proposal; or
- (b) that he is not prepared in any circumstances to consent to the making of such regulations in pursuance of that proposal; or
- (c) that subject to sub-paragraph (2) of this paragraph he is prepared to consider consenting to the making of such regulations in pursuance of that proposal if a revised draft is submitted to him for the purpose incorporating modifications of a specified nature or in other specified circumstances;

and before deciding the notification to be given to the county council under this paragraph with respect to any matter or in relation to any area the Secretary of State may if he thinks fit appoint a person to hold an inquiry in connection with that matter or area, and subsections (2) to (5) of section 250 of the Local Government Act 1972 shall apply to any such inquiry.

(2) The Secretary of State shall not consider any such revised draft as is referred to in sub-paragraph (1)(c) of this paragraph unless he is satisfied that the county council—

- (a) have taken appropriate steps to inform any persons affected by the modifications incorporated in the revised draft of the nature of those modifications and have afforded those persons a reasonable opportunity to make representations with respect to the revised draft regulations; and
- (b) have supplied the Secretary of State with copies of any such representations made.

5.—(1) In the case of any such proposal as aforesaid to make regulations the county council may if they think fit at any time after the expiration of the period of twelve weeks aforesaid make regulations in pursuance of that proposal with respect to any matter or in relation to any area which is not the subject of a direction under paragraph 3, or which is the subject of a consent under paragraph 4(1)(a), of this Schedule, being regulations either—

- (a) in the form of the provisional draft with any modifications necessary in consequence of any such direction with respect to any other matter or area; or
- (b) subject to sub-paragraph (2) of this paragraph, in the form of that draft modified in such manner as the county council thinks fit, whether as a result of any representations to which paragraph 2 of this Schedule applies or otherwise.

(2) The county council shall not make any regulations by virtue of sub-paragraph (1)(b) of this paragraph unless a draft of the regulations in the form in which they are to be made has been submitted to the Secretary of State and the Secretary of State has given his consent to their being made.

6. In deciding in the case of any such proposal as aforesaid whether or not to make any regulations in pursuance thereof by virtue of paragraph 5 of this Schedule the county council shall have regard to any representations to which paragraph 2 of this Schedule applies; and in deciding whether or not to give any consent under this Part of this Schedule to the making of regulations by the county council in pursuance of any such proposal, the Secretary of State shall have regard to any such representations, to the report of any person appointed to hold an inquiry under paragraph 4 of this Schedule in connection with the proposal in question, and to any such representations as are referred to in sub-paragraph (2) of the said paragraph 4; and the Secretary of State shall cause notice of the giving by him of any consent under this Part of this Schedule to be published in the London Gazette.

PART II

Revocation or variation of permanent licence

7. Subject to the provisions of Parts III and IV of this Schedule with respect to appeals and compensation, the provisions of this Part of this Schedule shall apply in relation to any permanent licence granted by the local authority.

8. If at any time it appears to the local authority expedient to do so in the interests of the proper planning of transport in the county of which their area forms part, they may by not less than twelve months notice in writing to the holder of the licence either—

- (a) revoke the licence; or
- (b) vary the terms and conditions thereof specified under Article 7(b) and (c) of this Order.

9. If at any time it appears to the local authority that the holder of a licence (whether the person for the time being holding that licence or a previous holder thereof) has discontinued making parking spaces available to the public at the licensed parking place and that the discontinuance has lasted for a period of not less than two years, then, subject to paragraph 13 of this Schedule, they may by notice in writing to the holder of the licence revoke it.

10. If at any time it appears to the local authority that for a period of not less than two years the person, or each of the persons, who was for the time being during that period the holder of a licence in respect of a licensed parking place has made available to the public at that parking place a substantially lower number of parking spaces than that authorised by the licence, then, subject to paragraph 13 of this Schedule, they may by notice in writing to the holder of the licence vary the terms and conditions of the licence specified under the said Article 7(b) and (c) so as to authorise the provision at the licensed parking place of only that number of parking spaces which it appears to the local authority was being provided at the date of the notice.

11. If in the case of a licensed parking place which was ready for operation at the date of the grant of the licence the local authority are satisfied at any time that for a period of not less than two years beginning with that date the person, or each of the persons, who was for the time being during that period the holder of the licence has not made any significant number of parking spaces available to the public at the licensed parking place, then, subject to paragraph 13 of this Schedule, they may by notice in writing to the holder of the licence revoke it.

12.—(1) Where at the date when the licence was granted the development as a public off-street parking place of the premises in respect of which the licence was granted had not been begun or had not been completed then, subject to paragraph 13 of this Schedule—

- (a) if there has been a period of not less than three years since that date without that development being begun, or
- (b) if there has been a period of not less than seven years since that date without that development being completed, or
- (c) if for a period of not less than two years beginning with the date of the completion of that development the person, or each of the persons, who was for the time being during that period the holder of the licence has not made any significant number of parking spaces available to the public at the licensed parking place,

the local authority may by notice in writing to the holder of the licence revoke it.

(2) For the purposes of the foregoing sub-paragraph, the development there referred to shall be taken to begin at the earliest date on which any specified operation within the meaning of section 43(2) of the Town and Country Planning Act 1971 comprised in that development begins to be carried out.

13. Where notice under paragraph 9, 10, 11 or 12(1) of this Schedule is given after the expiration of the relevant period referred to in the paragraph in question the notice shall be of no effect if it is given more than three months after the expiration of that period.

PART III

Rights of appeal

14.—(1) If a person who is, or who proposes to become, the operator of a public off-street parking place in a controlled area or any other person entitled to an interest in the premises used or proposed to be used for the purposes of that parking place is aggrieved by a decision of the local authority—

- (a) to refuse an application for the grant of a licence in respect of those premises; or
- (b) as to the terms and conditions to be specified under Article 7(b) and (c) of this Order in a licence granted in respect of those premises; or
- (c) to refuse an application for a variation of the terms and conditions so specified in a permanent licence granted in respect of those premises; or
- (d) to revoke a licence granted in respect of those premises; or
- (e) to vary under Part II of this Schedule any of the terms and conditions specified under the said Article 7(b) and (c) in a permanent licence granted in respect of those premises,

he may by notice served within such time (not being less than twenty-eight days from the date of notification of the decision to which it relates) and in such manner as the Secretary of State may by regulations under paragraph 17 of this Schedule direct, appeal to the Secretary of State from that decision.

(2) If in a case where—

- (a) a person makes an application to the local authority for a licence in respect of premises in respect of which a licence is not for the time being in force; or
- (b) the person who is the holder of a permanent licence in respect of any premises duly makes an application to the local authority for a specified variation of the terms and conditions of the licence specified under the said Article 7(b) and (c),

the local authority have not notified that person of their decision on his application by the expiration of the period of two months beginning with the date when they received the application or such longer period beginning with that date as may have been agreed for the purpose between that person and the local authority, the local authority shall be deemed for the purposes of this Schedule to have notified that person at the date of the expiration of that period that they have decided to refuse the application.

15. The Secretary of State shall not be required to entertain an appeal under this Part of this Schedule from any decision of a local authority if or to the extent that it appears to him that the decision was necessary in order to comply with the requirements of this Order or with any regulations made by the county council by virtue of Article 4 of this Order which are for the time being in force.

16.—(1) Subject to sub-paragraph (2) of this paragraph, before determining an appeal under this Part of this Schedule the Secretary of State shall, if either the appellant or the local authority so request, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(2) If the Secretary of State thinks fit in any case where such a request as aforesaid is made, he may, instead of complying with that request, appoint a person to hold an inquiry in connection with the appeal, and subsections (2) and (5) of section 250 of the Local Government Act 1972 shall apply to any such inquiry.

17.—(1) The Secretary of State may by regulations make provision as to the procedure to be followed in connection with appeals under this Part of this Schedule, including the procedure in connection with matters preparatory to, or subsequent to, the consideration of the appeal.

(2) Any such regulations shall include provision for the giving of notice to the county council of any appeal under this Part of this Schedule and of any request made under paragraph 16(1) thereof, and for enabling the county council to make representations with respect to the matter in question and to appear before and be heard by any person appointed by the Secretary of State for the purposes of sub-paragraph (1) or (2) of the said paragraph 16.

(3) Any regulations under this paragraph shall be made by statutory instrument and be subject to annulment in pursuance of a resolution of either House of Parliament.

18.—(1) On an appeal being brought under this Part of this Schedule from a decision of the local authority, the Secretary of State may either dismiss the appeal or substitute for that decision such other decision, as he thinks fit; and, subject to sub-paragraph (2) of this paragraph, the decision of the Secretary of State on the appeal shall be final and shall be binding both on the appellant and on the local authority, and the local authority shall take such steps as may be necessary to give effect to any such substituted decision.

(2) Subsection (1) of section 13 of the Tribunals and Inquiries Act 1971 (which relates to appeals on points of law from decisions of certain tribunals) shall apply to a decision of the Secretary of State on an appeal under this Part of this Schedule as it applies to a decision of any of the tribunals mentioned in that subsection, but as if the reference to any party to proceedings before such a tribunal were a reference to the local authority or any person who had, or if aggrieved would have had, a right to appeal to the Secretary of State under this Part of this Schedule, whether or not he has exercised that right, and accordingly references in subsections (1) and (3) of that section to a tribunal shall be construed in relation to such an appeal as references to the Secretary of State.

PART IV

Right to compensation in certain circumstances

19. Where a person who, at the date when an area is first designated as a controlled area by regulations of the county council under this Order, is the operator of a public off-street parking place at premises in that area which have at that date been used as such a parking place for a continuous period of not less than six months duly makes an application to the local authority for a licence in respect of those premises before the expiration of the period prescribed for such applications in respect of parking places in operation at that date, and the local authority decide either—

- (a) to refuse the application; or
- (b) to grant the applicant a licence on terms and conditions specified under Article 7(b) and (c) of this Order such that under the licence the applicant will not be able to operate the premises as a parking place to such advantage or potential advantage as immediately before he made his application,

paragraph 22 of this Schedule shall apply to that decision of the local authority.

20. Where—

- (a) at the date when notice of a proposal to make regulations under this Order designating an area as a controlled area is published by the county council under paragraph 1 of this Schedule—

EXPLANATORY NOTE

This Order applies, with appropriate modifications, the provisions of section 36 of, and Schedule 5 to, the Transport (London) Act 1969 (c. 35) to England (outside Greater London) and to Wales. These provisions deal with the control of public off-street parking.

The text of the Order follows closely the wording of the 1969 Act but incorporates the changes required or permitted by section 11 of the Transport Act 1978.

Articles 3 and 4 of the Order enable county councils in England and Wales by regulations to designate controlled areas in which under Article 5 the provision of public off-street parking places will require a licence from the relevant district council. The procedure for such designation is set out in Part I of the Schedule.

Articles 6 and 7 provide for permanent or limited licences and for the terms and conditions of licences.

Inspection of parking places is provided for in Article 8. Local authorities are required by Article 9 to give reasons for their decisions.

Article 10 and Part II of the Schedule deal with the transfer, surrender, variation and revocation of licences.

Provision for appeals against decisions with respect to licences and for compensation in certain cases is made in Articles 11 and 13 and in Parts III and IV of the Schedule.
