Under it—

he will act in relation to Wales and the Minister of Agriculture, Fisheries and Food in relation to England. But in the case of some functions relating to fisheries, water resources, water supply and land drainage Schedule 3 distinguishes not between England and Wales but between the Welsh National Water Development Authority and the Severn-Trent Water Authority and their areas.

To the extent that the Minister of Agriculture, Fisheries and Food alone is responsible for the administration of the Diseases of Animals Act 1950 throughout Great Britain he remains so responsible.
