**Power to acquire land**

**24.**—(1) The undertaker may acquire compulsorily—

- (a) so much of the land shown on the land plans within the limits of deviation for the scheduled works shown on those plans and described in the book of reference as may be required for the purposes of the authorised works, and
- (b) so much of the land specified in columns (1) and (2) of Schedule 2 to this Order (being land shown on the land plans and described in the book of reference) as may be required for the purpose specified in relation to that land in column (3) of that Schedule;

and may use any land so acquired for those purposes or for any other purposes connected with or ancillary to its transit system undertaking.

(2) This article is subject to article 29(8) below.

**Application of Part I of Compulsory Purchase Act 1965**

**25.**—(1) Part I of the 1965 Act, insofar as not modified by or inconsistent with the provisions of this Order, shall apply to the acquisition of land under this Order—

- (a) as it applies to a compulsory purchase to which the Acquisition of Land Act 1981(1) applies, and
- (b) as if this Order were a compulsory purchase order under that Act.

(2) Part I of the 1965 Act, as so applied, shall have effect as if—

- (a) section 4 (which provides a time limit for compulsory purchase of land) and paragraph 3(3) of Schedule 3 (which makes provision as to the giving of bonds) were omitted, and
- (b) in section 11(1) (which confers powers to enter on and to take possession of land subject to a notice to treat on giving not less than 14 days' notice) for the reference to 14 days' notice there were substituted—
  - (i) in a case where the notice to treat relates only to the acquisition of subsoil or the acquisition of an easement or other right over the land, a reference to notice of one month, or

---

(1) 1981 c. 67.

(ii) in any other case, a reference to notice of 3 months.

### **Powers to acquire new rights**

**26.**—(1) The undertaker may compulsorily acquire such easements or other rights over any land referred to in paragraph (1)(a) or (b) of article 24 (power to acquire land) above as may be required for any purpose for which that land may be acquired under that provision, by creating them as well as by acquiring easements or other rights already in existence.

(2) Subject to section 8 of the 1965 Act (as substituted by paragraph 5 of Schedule 6 to this Order), where the undertaker acquires a right over land under paragraph (1) above the undertaker shall not be required to acquire a greater interest in it.

(3) Schedule 6 to this Order shall have effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right.

### **Powers to acquire subsoil only**

**27.**—(1) The undertaker may compulsorily acquire so much of the subsoil of the land referred to in paragraph (1)(a) or (b) of article 24 above as may be required for any purpose for which that land may be acquired under that provision instead of acquiring the whole of the land.

(2) Where the undertaker acquires any part of the subsoil of land under paragraph (1) above the undertaker shall not be required to acquire an interest in any other part of the land.

(3) Paragraph (2) above shall not prevent article 31 below from applying where the undertaker acquires a cellar, vault, arch or other construction forming part of a house, building or factory.

### **Rights under or over streets**

**28.**—(1) The undertaker may enter upon and appropriate so much of the surface, subsoil of, or air-space over, any street shown on the land plans as may be required for the purposes of the authorised works and may use the surface, subsoil and air-space for those purposes or any other purpose connected with or ancillary to its transit system undertaking.

(2) The power under paragraph (1) above may be exercised in relation to a street without the undertaker being required to acquire any part of the street or any easement or right in the street.

(3) The undertaker shall not be required to pay any compensation for the exercise of the powers conferred by paragraph (1) above where the street is a highway; but where the street is not a highway any person suffering loss by the exercise of that power shall be entitled to compensation to be determined, in case of dispute, under Part I of the Land Compensation Act 1961.

(4) Paragraphs (2) and (3) above shall not apply in relation to—

- (a) any subway or underground building, or
- (b) any cellar, vault, arch or other construction in or on a street which forms part of a building fronting on to the street.

### *Temporary possession of land*

### **Temporary use of land for construction of works**

**29.**—(1) The undertaker may, in connection with the carrying out of the authorised works—

- (a) enter upon and take temporary possession of the land specified in columns (1) and (2) of Schedule 7 to this Order for the purpose specified in relation to that land in column (3) of that Schedule,
- (b) remove any buildings and vegetation from that land, and
- (c) construct temporary works (including the provision of means of access) and buildings on the land.

(2) Not less than 28 days before entering upon and taking temporary possession of land under this article the undertaker shall serve notice of the intended entry on the owners and occupiers of the land.

(3) The undertaker may not, without the agreement of the owners of the land, remain in possession of any land under this article after the end of the period of 2 years beginning with the date of completion of the work or works specified in relation to that land in column (4) of Schedule 7 to this Order.

(4) Before giving up possession of land of which temporary possession has been taken under this article, the undertaker shall remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land; but the undertaker shall not be required to replace a building removed under this article.

(5) The undertaker shall pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the powers conferred by this article.

(6) Any dispute as to a person's entitlement to compensation under paragraph (5) above, or as to the amount of the compensation, shall be determined under Part I of the Land Compensation Act 1961.

(7) Without prejudice to article 59 below, nothing in this article shall affect any liability to pay compensation under section 10(2) of the 1965 Act or under any other enactment in respect of loss or damage arising from the execution of any works, other than loss or damage for which compensation is payable under paragraph (5) above.

(8) The powers of compulsory acquisition of land conferred by this Order shall not apply in relation to the land referred to in paragraph (1) above except that the undertaker shall not be precluded from—

- (a) acquiring new rights over any part of that land under article 26 above, or
- (b) acquiring any part of the subsoil (or rights in the subsoil) of that land under article 27 above.

(9) Where the undertaker takes possession of land under this article, it shall not be required to acquire the land or any interest in it.

(10) In this article "building" includes structure or any other erection.

### *Compensation*

#### **Disregard of certain interests and improvements**

**30.—**(1) In assessing the compensation (if any) payable to any person on the acquisition from him of any land under this Order, the tribunal shall not take into account—

- (a) any interest in land, or
- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land,

if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In paragraph (1) above “relevant land” means the land acquired from the person concerned or any other land with which he is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

### *Supplementary*

#### **Acquisition of part of certain properties**

**31.**—(1) This article shall apply instead of section 8(1) of the 1965 Act (as applied by article 25 above) in any case where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming only part of a house, building or factory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”), and
- (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that he is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the notice to treat shall, unless the undertaker agrees to take the land subject to the counter-notice, be referred to the tribunal.

(5) If on such a reference the tribunal determine that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner shall be required to sell the land subject to the notice to treat.

(6) If on such a reference the tribunal determine that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat shall be deemed to be a notice to treat for that part.

(7) If on such a reference the tribunal determine that—

- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice, but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the undertaker is authorised to acquire compulsorily under this Order.

(8) If the undertaker agrees to take the land subject to the counter-notice, or if the tribunal determine that—

(a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house, and

(b) that the material detriment is not confined to a part of the land subject to the counter-notice, the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the undertaker is authorised to acquire compulsorily under this Order.

(9) In any case where by virtue of a determination by the tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so shall pay to the owner compensation for any loss or expense occasioned to him by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the undertaker shall pay him compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.

### **Extinction or suspension of private rights of way**

**32.—**(1) All private rights of way over land subject to compulsory acquisition under this Order other than in relation to the land numbered 106, 108 and 111 on the land plans and in the book of reference shall be extinguished—

(a) as from the acquisition of the land by the undertaker, whether compulsorily or by agreement, or

(b) on the entry on the land by the undertaker under section 11(1) of the 1965 Act, whichever is sooner.

(2) All private rights of way over land owned by the undertaker which, being within the limits of land which may be acquired shown on the land plans, is required for the purposes of this Order shall be extinguished on the appropriation of the land for any of those purposes by the undertaker.

(3) All private rights of way over land of which the undertaker takes temporary possession under this Order shall be suspended and unenforceable for as long as the undertaker remains in lawful possession of the land.

(4) Any person who suffers loss by the extinguishment or suspension of any private right of way under this article shall be entitled to compensation to be determined, in case of dispute, under Part I of the Land Compensation Act 1961.

(5) This article does not apply in relation to any right of way to which section 271 or 272 of the Town and Country Planning Act 1990 (extinguishment of rights of statutory undertakers, etc.) or paragraph 2 of Schedule 9 (provisions relating to statutory undertakers, etc.) to this Order applies.

### **Public Open Space**

**33.**—(1) The special category land shall not vest in the undertaker until the undertaker has acquired the exchange land and Salford City Council has certified that a scheme for the provision of a replacement play area on the exchange land has been implemented to its satisfaction.

(2) Upon the requirements of paragraph (1) being satisfied, the exchange land shall vest in Salford City Council subject to the like rights, trusts and incidents as attached to the special category land; and the special category land shall thereupon be discharged from all rights, trusts and incidents to which it was previously subject.

(3) In this article—

“the special category land” means the land described as public open space on the plan entitled “Public Open Space Plan” attached to the land plans;

“the exchange land” means the land described as exchange land on the plan entitled “Public Open Space Plan” attached to the land plans.

### **Time limit for exercise of powers of acquisition**

**34.**—(1) The powers conferred by this Order to acquire land or rights over land compulsorily, and the power conferred by article 29 above to enter upon and take temporary possession of land, shall cease at the end of the period of 5 years beginning on the day on which this Order comes into force.

(2) Paragraph (1) above shall not prevent the undertaker remaining in possession of land in accordance with article 29 above after the end of that period, if the land was entered and possession of it was taken before the end of that period.
