**1997 No. 1729**

**The Animals and Animal Products (Examination for Residues and Maximum Residue Limits) Regulations 1997**

**PART V**

**MISCELLANEOUS**

**Responsibilities of processors**

**30.** The owner of an establishment of initial processing of animal products shall, in respect of each animal or animal product brought into that establishment, ensure that—

- (a) it does not contain—
  - (i) a residue level which exceeds the maximum permitted limit;
  - (ii) any unauthorised substance or product; and
- (b) any appropriate withdrawal period has been observed.
