#### Time at which applications are taken to be made

### **Applications not in order**

**16.**—(1) If an application is not in order the registrar may raise such requisitions as he considers necessary, specifying a period (being not less than twenty business days) within which the applicant must comply with the requisitions.

(2) If the applicant fails to comply with the requisitions within that period, the registrar may cancel the application or may extend the period when this appears to him to be reasonable in the circumstances.

(5) Where a person is objecting to an application in response to a notice given by the registrar, he may alternatively do so in the manner and to the address stated in the notice as provided by rule 197(1)(c).

(6) In this rule the appropriate office is the same office as the proper office, designated under an order under section 100(3) of the Act, for the receipt of an application relating to the land in respect of which the objection is made, but on the assumption that if the order contains exceptions none of the exceptions apply to that application.

**Consent to registration of a caution against first registration**

47. For the purposes of section 18(2) of the Act a person consents to the lodging of a caution against first registration if before the caution is entered in the cautions register—

- (a) he has confirmed in writing that he consents to the lodging of the caution, and
- (b) that consent is produced to the registrar.

**Alteration of the cautions register by the court**

48.—(1) If in any proceedings the court decides that the cautioner does not own the relevant interest, or only owns part, or that such interest either wholly or in part did not exist or has come to an end, the court must make an order for alteration of the cautions register under section 20(1) of the Act.

(2) An order for alteration of the cautions register must state the caution title number of the individual caution register affected, describe the alteration that is to be made, and direct the registrar to make the alteration.

(3) For the purposes of section 20(2) of the Act an order for alteration of the cautions register may only be served on the registrar by making an application for him to give effect to the order.

**Alteration of the cautions register by the registrar**

49. If the registrar is satisfied that the cautioner does not own the relevant interest, or only owns part, or that such interest did not exist or has come to an end wholly or in part, he must on application alter the cautions register under section 21(1) of the Act.

**Alteration of the cautions register—alteration of cautioner**

51.—(1) A person who claims that the whole of the relevant interest described in an individual caution register is vested in him by operation of law as successor to the cautioner may apply for the register to be altered under section 21(1) of the Act to show him as cautioner in the cautioner's register in place of the cautioner.

(2) If the registrar does not serve notice under rule 50(2) or if the cautioner does not object within the time specified in the notice, the registrar must give effect to the application.

#### **Definition of “the cautioner”**

**52.** For the purpose of Chapter 2 of Part 2 and section 73(2) of the Act, the other person referred to in sections 22 and 73(2) of the Act shall be the person for the time being shown as cautioner in the cautioner’s register, where that person is not the person who lodged the caution against first registration.

(2) The request referred to in paragraph (1) is one by the cautioner to the registrar setting out why the longer period referred to in that paragraph should be allowed.

(3) If a request is received under paragraph (2), the registrar may, if he considers it appropriate, seek the views of the person who applied for registration or cancellation, as the case may be, and if, after considering any such views and all other relevant matters, he is satisfied that a longer period should be allowed he may allow such period (not exceeding a period ending at 12 noon on the thirtieth business day after the date of issue of the notice) as he considers appropriate, whether or not the period is the same as any period requested by the cautioner.

(4) A request under paragraph (2) must be made before the period ending at 12 noon on the fifteenth business day after the date of issue of the notice has expired.

## **PART 6**

### **REGISTERED LAND: APPLICATIONS, DISPOSITIONS AND MISCELLANEOUS ENTRIES**

#### *Applications*

#### **Outline applications**

**54.—**(1) An outline application is an application made in accordance with this rule.

(2) Subject to Schedule 2, any application may be made by outline application if it satisfies the following conditions—

(a) the application must not be—

- (i) an application which can be protected by an official search with priority within the meaning of rule 147,
- (ii) an application for first registration,
- (iii) an application for a caution against first registration or in respect of the cautions register,
- (iv) an application dealing with part only of the land in a registered title, whether or not also involving any other registered title,

- (v) an application under Part 13, and
  - (b) the right, interest or matter the subject of the application must exist at the time the application is made.
- (3) During the currency of any notice given under Schedule 2, and subject to and in accordance with the limitations contained in that notice, an outline application may be made by—
- (a) an oral application,
  - (b) telephone, or
  - (c) electronic means.
- (4) An outline application must contain the following particulars when made—
- (a) the title number(s) affected,
  - (b) if there is only one proprietor or applicant for first registration and that person is an individual, his surname, otherwise the proprietor's or such applicant's full name or the full name of one of the proprietors or such applicants, as appropriate,
  - (c) the nature of the application,
  - (d) the name of the applicant,
  - (e) the name and address of the person or firm lodging the application,
  - (f) any other particulars specified in any notice made under Schedule 2.
- (5) Every outline application must be allocated an official reference number and must be identified on the day list as such and must be marked with the date and time at which the application is taken as made and the registrar must acknowledge receipt of any outline application by notifying the applicant, as soon as practicable, of the official reference number allocated to it.
- (6) Without prejudice to the power of the registrar to cancel an application under rule 16, the outline application must be cancelled by the registrar unless there is delivered at the appropriate office before the expiry of the reserved period the relevant application form prescribed by these rules, duly completed in respect of the outline application, quoting the official reference number of the outline application and accompanied by the appropriate documentation and the prescribed fee.
- (7) If the outline application has been cancelled before the form required by paragraph (6) is delivered at the appropriate office, the registrar shall accept the form as an application in its own right.
- (8) In this rule the “appropriate office” is the same office as the proper office, designated under an order under section 100(3) of the Act, for the receipt of an application relating to the land in respect of which the outline application is made, but on the assumption that if the order contains exceptions none of the exceptions apply to the application.
- (9) In this rule “reserved period” means the period expiring at 12 noon on the fourth business day following the day that the outline application was taken as made.

### **Priority of applications**

- 55.**—(1) Where two or more applications relating to the same registered title are under the provisions of rule 15 taken as having been made at the same time, the order in which, as between each other, they rank in priority shall be determined in the manner prescribed by this rule.
- (2) Where the applications are made by the same applicant, they rank in such order as he may specify.
- (3) Where the applications are not made by the same applicant, they rank in such order as the applicants may specify that they have agreed.

(4) Where the applications are not made by the same applicant, and the applicants have not specified the agreed order of priority, the registrar must notify the applicants that their applications are regarded as having been delivered at the same time and request them to agree, within a specified time (being not less than fifteen business days), their order of priority.

(5) Where the parties fail within the time specified by the registrar to indicate the order of priority of their applications the registrar must propose the order of priority and serve notice on the applicants of his proposal.

(6) Any notice served under paragraph (5) must draw attention to the right of any applicant who does not agree with the registrar's proposal to object to another applicant's application under the provisions of section 73 of the Act.

(7) Where one transaction is dependent upon another the registrar must assume (unless the contrary appears) that the applicants have specified that the applications will have priority so as to give effect to the sequence of the documents effecting the transactions.

### **Dispositions affecting two or more registered titles**

**56.**—(1) A disposition affecting two or more registered titles may, on the written request of the applicant, be registered as to some or only one of the registered titles.

(2) The applicant may later apply to have the disposition registered as to any of the other registered titles affected by it.

### **Duty to disclose unregistered interests that override registered dispositions**

**57.**—(1) Subject to paragraph (2), a person applying to register a registrable disposition of a registered estate must provide information to the registrar about any of the interests that fall within Schedule 3 to the Act that—

- (c) a local land charge, or
- (d) a leasehold estate in land if—
  - (i) it is within paragraph 1 of Schedule 3 to the Act, and
  - (ii) at the time of the application, the term granted by the lease has one year or less to run.

(3) In this rule and in Form AP1, a “disclosable overriding interest” is an interest that the applicant must provide information about under paragraph (1).

(4) The applicant must produce to the registrar any documentary evidence of the existence of a disclosable overriding interest that is under his control.

the whole of that rent shall be payable out of the land remaining in title number (*title number of retained land*) and none of it shall be payable out of the Property”.

(2) Where in a transfer of part of a registered leasehold estate which is held under an old tenancy that part is, without the consent of the lessor, expressed to be exonerated from the entire rent, and the covenants in paragraph 20(4) of Schedule 12 to the Act are included, that paragraph shall apply as if—

(a) the reference in paragraph 20(4)(a) to the rent apportioned to the part retained were to the entire rent, and

(b) the covenants in paragraphs 20(4)(b) and (c) extended to a covenant to pay the entire rent.

(3) Where in a transfer of part of a registered leasehold estate which is held under an old tenancy that part is, without the consent of the lessor, expressed to be subject to or charged with the entire rent, and the covenants in paragraph 20(3) of Schedule 12 to the Act are included, that paragraph shall apply as if—

**66.** Where a transfer of a registered leasehold estate which is an old tenancy modifies or negatives any covenants implied by paragraphs 20(2) and (3) of Schedule 12 to the Act, an entry that the covenants have been so modified or negated must be made in the register.

### **Covenants implied under Part I of the Law of Property (Miscellaneous Provisions) Act 1994 and under the Law of Property Act 1925**

(2) Where in a transfer to which section 77(1)(B) of the LPA 1925 does not apply, part of a registered estate affected by a rentcharge is, without the consent of the owner of the rentcharge, expressed to be exonerated from the entire rent, and the covenants in paragraph (ii) of Part VIII of Schedule 2 to the LPA 1925 are included, that paragraph shall apply as if—

- (b) it is appropriate (for instance, because of a registrable disposition of part of the registered estate, or on a sub-division or amalgamation of a registered title) when describing the registered estate to do so by reference to the land where the mines or minerals are or may be situated.

(2) After the description required to be made in the property register under rule 5(a) the registrar may make an entry to the effect that the description is an entry made under that rule and is not a note that the registered estate includes the mines or minerals to which paragraph 2 of Schedule 8 to the Act refers.

**Note as to inclusion of mines or minerals in the registered estate**

**71.**—(1) This rule applies where a registered estate includes any mines or minerals but there is no note in the register to that effect and the registered proprietor of the registered estate applies for a note to be entered that the registered estate includes the mines or minerals or specified mines or minerals.

(2) An application for the entry of the note must be accompanied by evidence to satisfy the registrar that the mines or minerals were vested in the applicant for first registration of the registered estate at the time of first registration and were so vested in the same capacity as the remainder of the estate in land then sought to be registered.

(3) If the registrar is satisfied that mines or minerals were so vested in that applicant he must enter the appropriate note.

(3) The registrar may, instead of making the entry referred to in paragraph (1)(a), make a new edition of the registered title out of which the transfer or charge is made and, if the registrar considers it desirable, he may allot a new title number to that registered title.

(4) This rule only applies to a charge of part of a registered estate in a registered title if the registrar decides that the charged part will be comprised in a separate registered title from the uncharged part.

#### **Application for register entries for express appurtenant rights over unregistered land**

(2) The registrar may enter details of the right claimed in the property register with such qualification as he considers appropriate.

#### **Note as to rights of light or air**

76. If it appears to the registrar that an agreement prevents the acquisition of rights of light or air for the benefit of the registered estate, he may make an entry in the property register of that estate.

#### **No entry on reversionary title of a right of entry in lease**

77. Where a right of re-entry is contained in a lease the registrar need not make any entry regarding such right in the registered title of the reversionary estate.

**117.** In this Part, except in rule 121, “boundary” includes part only of a boundary.

#### **Application for the determination of the exact line of a boundary**

**118.**—(1) A proprietor of a registered estate may apply to the registrar for the exact line of the boundary of that registered estate to be determined.

(2) An application under paragraph (1) must be made in Form DB and be accompanied by—

(a) a plan, or a plan and a verbal description, identifying the exact line of the boundary claimed and showing sufficient surrounding physical features to allow the general position of the boundary to be drawn on the Ordnance Survey map, and

(b) evidence to establish the exact line of the boundary.

### **Procedure on an application for the determination of the exact line of a boundary**

**119.**—(1) Where the registrar is satisfied that—

- (a) the plan, or plan and verbal description, supplied in accordance with rule 118(2)(a) identifies the exact line of the boundary claimed,
- (b) the applicant has shown an arguable case that the exact line of the boundary is in the position shown on the plan, or plan and verbal description, supplied in accordance with rule 118(2)(a), and
- (c) he can identify all the owners of the land adjoining the boundary to be determined and has an address at which each owner may be given notice,

he must give the owners of the land adjoining the boundary to be determined (except the applicant) notice of the application to determine the exact line of the boundary and of the effect of paragraph (6).

(2) Where the evidence supplied in accordance with rule 118(2)(b) includes an agreement in writing as to the exact line of the boundary with an owner of the land adjoining the boundary, the registrar need not give notice of the application to that owner.

(3) Subject to paragraph (4), the time fixed by the notice to the owner of the land to object to the application shall be the period ending at 12 noon on the twentieth business day after the date of issue of the notice or such longer period as the registrar may decide before the issue of the notice.

(4) The period set for the notice under paragraph (3) may be extended for a particular recipient of the notice by the registrar following a request by that recipient, received by the registrar before that period has expired, setting out why an extension should be allowed.

(5) If a request is received under paragraph (4) the registrar may, if he considers it appropriate, seek the views of the applicant and if, after considering any such views and all other relevant matters, he is satisfied that a longer period should be allowed he may allow such period as he considers appropriate, whether or not the period is the same as any period requested by the recipient of the notice.

(6) Unless any recipient of the notice objects to the application to determine the exact line of the boundary within the time fixed by the notice (as extended under paragraph (5), if applicable), the registrar must complete the application.

(7) Where the registrar is not satisfied as to paragraph (1)(a), (b) and (c), he must cancel the application.

- (b) subject to paragraph (2), add to the title plan of the applicant’s registered title and, if appropriate, to the title plan of any superior or inferior registered title, and any registered title affecting the other land adjoining the determined boundary, such particulars of the exact line of the boundary as he considers appropriate.

(2) Instead of, or as well as, adding particulars of the exact line of the boundary to the title plans mentioned in paragraph (1)(b), the registrar may make an entry in the individual registers mentioned in paragraph (1)(a) referring to any other plan showing the exact line of the boundary.

#### **Relationship between determined and undetermined parts of a boundary**

- (b) there is a common boundary, and
- (c) there is sufficient information in the disposition to enable the registrar to determine the exact line of the common boundary.

(2) The registrar may determine the exact line of the common boundary and if he does he must—

- (a) make an entry in the individual registers of the affected registered titles stating that the exact line of the common boundary is determined under section 60 of the Act, and
- (b) subject to paragraph (3), add to the title plan of the disponor's affected registered title (whether or not the disponor is still the proprietor of that title, or still entitled to be registered as proprietor of that title) and to the title plan of the registered title under which the disposition is being registered, such particulars of the exact line of the common boundary as he considers appropriate.

(3) Instead of, or as well as, adding particulars of the exact line of the common boundary to the title plans mentioned in paragraph (2)(b), the registrar may make an entry in the individual registers of the affected registered titles referring to the description of the common boundary in the disposition.

(4) In this rule—

“common boundary” means any boundary of the land disposed of by a disposition which adjoins land in which the disponor at the date of the disposition had a registered estate in land or of which such disponor was entitled to be registered as proprietor, and

“disposition” means a transfer or grant mentioned in paragraph (1)(a).

#### **Agreement about accretion or diluvion**

**123.**—(1) An application to register an agreement about the operation of accretion or diluvion in relation to a registered estate in land must be made by, or be accompanied by the consent of, the proprietor of the registered estate and of any registered charge, except that no such consent is required from a person who is party to the agreement.

**125.**—(1) An entry under section 64 of the Act that a right to determine a registered estate in land is exercisable shall be made in the property register.

(2) An application for such an entry must be supported by evidence to satisfy the registrar that the applicant has the right to determine the registered estate and that the right is exercisable.

(3) Subject to paragraph (4), the registrar must make the entry on receipt of an application which relates to a right to determine the registered estate on non-payment of a rentcharge.

(4) Before making an entry under this rule the registrar must give notice of the application to the proprietor of the registered estate to which the application relates and the proprietor of any registered charge on that estate.

(9) The response must—

- (a) state whether or not the recipient opposes the request,
- (b) if he does, state in full the grounds for that opposition,
- (c) give an address to which communications may be sent, and
- (d) be signed by the recipient or his conveyancer.

(10) The registrar must determine the matter on the basis of: the written request and any response submitted to him, all the circumstances including the conduct of the parties, and the result of any enquiries he considers it necessary to make.

(11) The registrar must send to all parties his written reasons for any order he makes under paragraph (1).

- (a) require a party against whom it is made to pay to the requesting party the whole or such part as the registrar thinks fit of the costs incurred in the proceedings by the requesting party,
- (b) specify the sum to be paid or require the costs to be assessed by the court (if not otherwise agreed), and specify the basis of the assessment to be used by the court.

### *Retention and return of documents*

#### **Retention of documents on completion of an application**

**203.**—(1) Subject to paragraphs (2) to (5), on completion of any application the registrar may retain all or any of the documents that accompanied the application and must return all other such documents to the applicant or as otherwise specified in the application.

(2) When making an application, an applicant or his conveyancer may request the return of all or any of the documents accompanying the application.

(3) Except on an application for first registration, a person making a request under paragraph (2) must deliver with the application certified copies of the documents which are the subject of the request.

(4) On an application for first registration, a person making a request under paragraph (2) for the return of any statutory declaration, subsisting lease, subsisting charge or the latest document of title must deliver with the application certified copies of any such documents as are the subject of the request, but shall not be required to deliver copies of any other documents.

(5) Subject to the delivery of any certified copies required under paragraphs (3) or (4), the registrar must comply with any request made under paragraph (2).

(6) The registrar may destroy any document retained under paragraph (1) if he is satisfied that either—

- (a) he has made and retained a sufficient copy of the document, or
- (b) further retention of the document is unnecessary.

(7) If the registrar considers that he no longer requires delivery of certified copies of documents, or classes of documents, under this rule he may, in such manner as he thinks appropriate for informing persons who wish to make applications, give notice to that effect and on and after the date specified in such notice—

- (a) the requirement under this rule to deliver certified copies of the documents covered by the notice no longer applies, and
- (b) the registrar may amend any Schedule 1 form to reflect that fact.

(8) In paragraph (4) the “latest document of title” means the document vesting the estate sought to be registered in the applicant or where the estate vested in the applicant by operation of law the most recent document that vested the estate in a predecessor of the applicant.

#### **Request for the return of certain documents**

**204.**—(1) This rule applies to all documents on which any entry in the register of title is or was founded and which are kept by the registrar on the relevant date.

(2) During the period of 5 years beginning with the relevant date any person who delivered a document to the registrar may request the return of that document.

(3) Where at the time of the delivery of the document the person delivering the document was the registered proprietor, or was applying to become the registered proprietor, of any registered estate or registered charge in respect of which the entry referred to in paragraph (1) was made, a person

who is at the date of the request the registered proprietor of any part of the same registered estate or registered charge may make a request under paragraph (2) for the document to be returned to him.

(4) Subject to paragraph (5), if, at the date of the request under paragraph (2), the document is kept by the registrar he must return it to the person making the request.

(5) If the registrar receives more than one request under paragraph (2) in respect of the same document, he may either retain the document or, in his discretion, return it to one of the persons making a request.

(6) At the end of the period mentioned in paragraph (2) if there is no outstanding request in relation to the document the registrar may destroy any document if he is satisfied that—

- (a) he has retained a copy of the document, or
- (b) further retention of the document is unnecessary.

(7) Where a request is made for the return of a document after the end of the period mentioned in paragraph (2), the registrar may treat the request as a request under paragraph (2).

(8) The “relevant date” for the purpose of this rule is the date on which these rules come into force.

#### **Release of documents kept by the registrar**

**205.** The registrar may release any document retained under rule 203(1) or to which rule 204 applies upon such terms, if any, for its return as he considers appropriate.

### *Forms*

#### **Use of forms**

**206.**—(1) Subject to paragraph (4) and to rules 208 and 209, the Schedule 1 forms must be used where required by these rules and must be prepared in accordance with the requirements of rules 210 and 211.

(2) Subject to paragraph (4) and to rules 208 and 209, except where these rules require the use of a Schedule 1 form, the Schedule 3 forms must be used in all matters to which they refer, or are capable of being applied or adapted, with such alterations and additions as are desired and the registrar allows.

(3) Subject to rule 208(2), the forms of execution in Schedule 9 must be used in the execution of dispositions in the scheduled forms in the cases for which they are provided, or are capable of being applied or adapted, with such alterations and additions, if any, as the registrar may allow.

(4) A requirement in these rules to use a scheduled form is subject, where appropriate, to the provisions in these rules relating to the making of applications and issuing results of applications other than in paper form, during the currency of a notice given under Schedule 2.

#### **Adaptation of certain Schedule 1 forms to provide for direct debit**

**207.**—(1) This rule applies where—

- (a) a Schedule 1 form has a payment of fee panel which does not provide for payment by direct debit, and
- (b) a fee order made under section 102 of the Act and sections 2 and 3 of the Public Offices Fees Act 1879<sup>(55)</sup> permits, where there is an agreement with the registrar, payment by direct debit of the fee for the matter in respect of which that form is prescribed, and

(c) the registrar intends to enter into an agreement under the fee order which will enable a person to pay that fee by direct debit.

(2) Where paragraph (1) applies the registrar may amend the payment of fee panel of the affected form to include provision for payment by direct debit and make any consequential amendments to the form.

(3) Where a form has been amended under paragraph (2) a person not paying by direct debit may use the form as amended or as unamended.

### **Welsh language forms**

**208.**—(1) Where the registrar, in exercise of his powers under section 100(4) of the Act, publishes an instrument as the Welsh language version of a scheduled form, the instrument shall be regarded as being in the scheduled form.

(2) In place of the form of execution provided by Schedule 9, an instrument referred to in paragraph (1) may be executed using a form of execution approved by the registrar as the Welsh language version of the Schedule 9 form.

(3) An instrument containing a statement approved by the registrar as the Welsh language version of a statement prescribed by these rules shall be regarded as containing the prescribed statement.

(4) An instrument containing a provision approved by the registrar as the Welsh language version of a provision prescribed by these rules shall be regarded as containing the prescribed provision.

### **Use of non-prescribed forms**

**209.**—(1) This rule applies where—

(a) an application should be accompanied by a scheduled form and a person wishes to make an application relying instead upon an alternative document that is not the relevant scheduled form, and

(b) it is not possible for that person to obtain and lodge the relevant scheduled form (duly executed, if appropriate) at the land registry or it is only possible to do so at unreasonable expense.

(2) Such a person may make a request to the registrar, either before or at the time of making the application which should be accompanied by the relevant scheduled form, that he be permitted to rely upon the alternative document.

(3) The request must contain evidence to satisfy the registrar as mentioned in paragraph (1)(b) and include the original, or, if the request is made before the application, a copy, of the alternative document.

(4) If, after considering the request, the registrar is satisfied as mentioned at paragraph (1)(b) and that neither the rights of any person nor the keeping of the register are likely to be materially prejudiced by allowing the alternative document to be relied upon instead of the relevant scheduled form, he may permit such reliance.

(5) If the registrar allows the request it may be on condition that the person making the request provides other documents or evidence in support of the application.

(6) This rule is without prejudice to any of the registrar's powers under the Act.

### **Documents in a Schedule 1 form**

**210.**—(1) Subject to rule 211, any application or document in one of the Schedule 1 forms must—

(a) be printed on durable A4 size paper,

- (b) be reproduced as set out in the Schedule as to its wording, layout, ruling, font and point size, and
- (c) contain all the information required in an easily legible form.

(2) Where on a Schedule 1 form (other than Form DL) any panel is insufficient in size to contain the required insertions, and the method of production of the form does not allow the depth of the panel to be increased, the information to be inserted in the panel must be continued on a continuation sheet in Form CS.

(3) When completing a Schedule 1 form containing an additional provisions panel, any statement, certificate or application required or permitted by these rules to be included in the form for which the form does not otherwise provide and any additional provisions desired by the parties must be inserted in that panel or a continuation of it.

(4) Where the form consists of more than one sheet of paper, or refers to an attached plan or a continuation sheet, all the sheets and any plan must be securely fastened together.

### **Electronically produced forms**

**211.**—(1) Where the method of production of a Schedule 1 form permits—

- (a) the depth of a panel may be increased or reduced to fit the material to be comprised in it, and a panel may be divided at a page break,
- (b) instructions in italics may be omitted,
- (c) inapplicable certificates and statements may be omitted,
- (d) the plural may be used instead of the singular and the singular instead of the plural,
- (e) panels which would contain only the panel number and the panel heading may be omitted, but such omission must not affect the numbering of subsequent panels,
- (f) “X” boxes may be omitted where all inapplicable statements and certificates have been omitted,
- (g) the sub-headings in an additional provisions panel may be added to, amended, repositioned or omitted,
- (h) “Seller” may be substituted for “Transferor” and “Buyer” for “Transferee” in a transfer on sale,
- (i) the vertical lines which define the left and right boundaries of the panel may be omitted.

### **Documents where no form is prescribed**

**212.**—(1) Documents for which no form is prescribed must be in such form as the registrar may direct or allow.

- (2) A document prepared under this rule must not bear the number of a Schedule 1 form.
- (3) A document affecting a registered title must refer to the title number.

### *Documents accompanying applications*

### **Identification of part of the registered title dealt with**

**213.**—(1) Subject to paragraphs (4) and (5) of this rule, a document lodged at the land registry dealing with part of the land in a registered title must have attached to it a plan identifying clearly the land dealt with.

- (2) Where the document is a disposition, the disponent must sign the plan.

- (3) Where the document is an application, the applicant must sign the plan.
- (4) If the land dealt with is identified clearly on the title plan of the registered title, it may instead be described by reference to that title plan.
- (5) Where a disposition complies with this rule, the application lodged in respect of it need not.

#### **Lodging of copy instead of an original document**

**214.**—(1) Subject to paragraphs (2), (3) and (4), where a rule requires that an application be accompanied by an original document (for instance, a grant of representation) the applicant may, instead of lodging the original, lodge a certified or office copy of that document.

- (2) This rule does not apply to—
  - (a) any document required to be lodged under Part 4,
  - (b) a scheduled form,
  - (c) a document that is a registrable disposition.

(3) This rule does not apply also where the registrar considers that the circumstances are such that the original of a document should be lodged and the applicant has possession, or the right to possession, of that original document.

(4) Where this rule permits a certified or office copy of a document to be lodged the registrar may permit an uncertified copy of the document to be lodged instead.

#### **Documents and other evidence in support of an application**

- 215.**—(1) This rule applies where—
- (a) the lodging of a document (not being a scheduled form) or other evidence in support of an application is required by these rules, and
  - (b) the document or other evidence is in the particular case unnecessary or the purpose of the lodging of the document or other evidence can be achieved by another document or other evidence.

(2) An applicant may request the registrar to be relieved of the requirement.

(3) The request must contain evidence to satisfy the registrar as mentioned in paragraph (1)(b).

(4) If, after considering the request, the registrar is satisfied as mentioned at paragraph (1)(b) and that neither the rights of any person nor the keeping of the register are likely to be materially prejudiced by relieving the applicant of the requirement, he may so relieve the applicant.

(5) If the registrar allows the request it may be on condition that the applicant provides other documents or evidence in support of the application.

(6) This rule is without prejudice to any of the registrar's powers under the Act.

#### *Land Registry—when open to public*

#### **Days on which the Land Registry is open to the public**

**EXPLANATORY NOTE**

*This note is not part of the Rules)*

These Rules are made under the Land Registration Act 2002 (2002 c. 9) (the Act). The Act repeals the Land Registration Act 1925 (1925 c. 21). These Rules perform a similar function to the Land Registration Rules 1925 (S.R. & O. 1925/1093) made under the Land Registration Act 1925.

Part 1 of the Rules makes provisions about the form and arrangement of the register to be kept under the Act. Part 2 makes provision about the indices to be kept under the Act. Part 3 makes provisions about applications to the registrar and objections to them; Part 4 deals with applications for first registration of land. Part 5 of the Rules makes provisions about cautions against first registration. Part 6 makes further provisions about applications to the registrar, dispositions of registered land, and the making of miscellaneous entries in the register.

Part 7 of the Rules makes provisions about notices within the meaning of section 32 of the Act. Part 8 of, and Schedule 4 to, the Rules deal with restrictions within the meaning of section 40 of the Act. Part 9 makes provisions relating to charges. Part 10 of the Rules makes provisions about applications to the registrar to determine the exact line of a boundary, and agreements about accretion and diluvion. Part 11 of the Rules deals with applications to the registrar to upgrade the quality of title under section 62 of the Act and the use of the register to record defects in title. Part 12 makes provisions as to alterations of the register and correction of mistakes in an application or accompanying document.

Part 13 of, and Schedules 2, 5 and 6 to, the Rules make provisions about delivery of applications to the registrar by electronic means; inspection and copying of registers and documents; official copies; exempt information documents; and transitional period documents. The Part also deals with applications in connection with: court proceedings, insolvency and tax liability; information about the day list, electronic discharges of charges and inspection of title plans; historical information; official searches; and information requested about official searches.

Part 14 of the Rules covers a number of miscellaneous and special cases, and in particular makes provisions about (together with Schedule 7) strict settlements under the Settled Land Act 1925

(1925 c. 18) and (together with Schedule 8) applications for registration in connection with adverse possession of land and rentcharges.

Part 15 of the Rules makes provisions about: the content, address for service, and service of notices given by the registrar; use of specialist assistance by the registrar; production of documents to, and the making of orders for costs by, the registrar; the retention and return of documents by the registrar; the use of forms prescribed by the Rules; documents accompanying applications; and when the land registry is to be open to the public. Rule 217 is a general interpretation rule and Part 16 makes transitional provisions about cautions against dealings under the Land Registration Act 1925, and rentcharges.

Schedule 1 to the Rules contains the various Forms prescribed by them. Schedules 3 and 9 to the Rules prescribe certain forms of declaration, execution etc.
