

SCHEDULES

SCHEDULE 8

PART 3

Reporting information to be supplied by a producer
or authorised representative from 1st January 2019

27. The national identification code of the producer.
28. The compliance period to which the reporting information relates.
29. The amount of EEE by reference to each of the categories listed in Schedule 3.
30. For each category referred to in paragraph 29, specify the amount in tonnes of EEE placed on the national market by that producer or authorised representative.
31. For each category referred to in paragraph 29, specify the amount in tonnes of EEE that has, during the compliance period referred to in paragraph 2, been—
 - (a) separately collected;
 - (b) recycled (including prepared for re-use);
 - (c) recovered and disposed of within a Member State; or
 - (d) shipped to another destination within or outside the Union.
