## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Wireless Telegraphy (Register) Regulations 2012 (S.I. 2012/2186, amended by S.I. 2013/640 and S.I. 2015/1400), which require the Office of Communications (“OFCOM”) to establish and maintain a public register of relevant information relating to certain classes of wireless telegraphy licences and grants of recognised spectrum access.

These Regulations add licences in respect of wireless telegraphy stations operating within certain frequency bands.

A full regulatory impact assessment of the effect that these Regulations will have on the costs to business is available to the public from the Office of Communication’s (“OFCOM”) Library at Riverside House, 2A Southwark Bridge Road, London, SE1 9HA (Tel: 020 7981 3000) and on OFCOM’s website at [www.ofcom.org.uk](http://www.ofcom.org.uk). Copies of this assessment have also been placed in the library of the House of Commons.
