EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the National Health Service (Optical Charges and Payments) Regulations 1997 (“the principal Regulations”), which provide for a scheme of payments to be made by Health Authorities and National Health Service Trusts, by means of a voucher system, towards the costs incurred by certain categories of person in connection with sight tests and the supply, replacement and repair of optical appliances.

Regulation 2 amends the definition of “NHS sight test fee” in regulation 1(2) of the principal Regulations to reflect the values of the two levels of fee for National Health Service sight tests payable to ophthalmic medical practitioners and opticians at the time these regulations come into force. These amounts are relevant to determination of eligibility for, and the redemption value of, a voucher towards the cost of a sight test.
