

COMMISSION DECISION

of 7 December 1970

amending the Commission Decision of 19 December 1969 on adaptation of the methods of administrative co-operation introduced for the purpose of applying Article 9 (2) of the EEC Treaty to the new rules applicable in the field of Community transit

(71/14/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first subparagraph of Article 10 (2) thereof;

Whereas the Commission Decision of 19 December 1969¹ on adaptation of the methods of administrative co-operation introduced for the purpose of applying Article 9 (2) of the EEC Treaty to the new rules applicable in the field of Community transit establishes the rules for the issue and use of movement certificate DD3;

Whereas, in view of the need to ensure effectiveness of the controls to which agricultural products coming under the common organisation of markets and listed in Article 1 (3) of that Decision are subject so that the relevant Community provisions are correctly applied, it is provided in the same Article that no movement certificate DD3 shall be issued in respect of those products:

Whereas, for the same reason, this rule should be extended to products coming under Council Regulation (EEC) No 727/70² of 21 April 1970 on the common organisation of the market in raw tobacco, and also to products coming under Council Regulation (EEC) No 816/70³ of 28 April 1970 laying down additional provisions for the common organisation of the market in wine, as amended by Council Regulation (EEC) No 1253/70⁴ of 29 June 1970;

HAS ADOPTED THIS DECISION:

by addition, after the last indent, of the following:
