COMMISSION

COMMISSION DECISION

of 19 February 1981

authorizing the French Republic not to apply Community treatment to cotton yarn, not put up for retail sale, originating in Pakistan

(Only the French text is authentic)

(81/157/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 80/47/EEC of 20 December 1979 on surveillance and protective measures which Member States may be authorized to take in respect of imports of certain products originating in third countries and put into free circulation in another Member State⁽¹⁾, and in particular Article 3 thereof,

Whereas, on 13 February 1981, a request was made under the first paragraph of Article 115 of the Treaty by the French Government to the Commission of the European Communities for authorization not to apply Community treatment to cotton yarn, not put up for retail sale, falling within heading No 55.05 of the Common Customs Tariff (category 1), originating in Pakistan and in free circulation in the other Member States ;

Whereas the importation into the Community of the products in question originating in Pakistan is covered by an Agreement negotiated between the Community

and that country ; whereas, under that Agreement, Pakistan has undertaken to take all necessary steps to limit its exports of the products in question to the Community within certain ceilings ;

Whereas, in order to implement that Agreement and take account of its characteristics, the Council adopted Regulation (EEC) No 3059/78⁽²⁾ introducing specific common rules for imports of certain textile products ;

Whereas the differences in market conditions within the Community and the particular sensitivity of this branch of Community industry have been taken into account in allocating the abovementioned Community ceilings between the Member States ;

Whereas, for this reason, disparities still exist between the conditions governing the importation of the products in question into the different Member States ; whereas uniformity can only be brought about gradually ;

Whereas these disparities in the commercial policy measures applied by the Member States have resulted in deflections of trade, in that since 1 January 1981 France has admitted 125 tonnes of the products in question in free circulation, originating in the said third country ;

⁽¹⁾ OJ No L 16, 22. 1. 1980, p. 14.

⁽²⁾ OJ No L 365, 27. 12. 1978, p. 1.

Whereas, with regard to the situation of the industry concerned, the information received by the Commission indicates that total imports of the products in question originating in third countries have increased from 16 259 tonnes in 1978 to 25 425 tonnes in 1979; whereas the market share taken by those imports has risen from 9 % in 1978 to 14 % in 1979;

Whereas the prices of the products in question originating in Pakistan are considerably below the prices of like products manufactured in France;

Whereas output of like products in France has fallen from 160 870 tonnes in 1978 to 159 326 tonnes in 1979; whereas the domestic industry's share of the home market has fallen from 86 % in 1978 to 80 % in 1979;

Whereas there have been redundancies, and short-time working has increased considerably;

Whereas further indirect imports, in addition to those already admitted or planned, would be likely to aggravate these difficulties and jeopardize the aims of the abovementioned commercial policy measures;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Decision 80/47/EEC, and in particular Article 3 thereof;

Whereas applications for import documents covering 62 tonnes are duly pending with the authorities of the Member State having made the request; whereas these applications do not need to be covered by such authorization,

HAS ADOPTED THIS DECISION:
