to permit the Isle of Man authorities to apply a system of special

COUNCIL DECISION

of 19 July 1982

authorizing the United Kingdom to permit the Isle of Man authorities to
apply a system of special import licences to sheepmeat and beef and veal

(82/530/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Communities,

Having regard to Protocol 3 to the 1972 Act of Accession, and in particular Article 1 (2) and the second subparagraph of Article 5 thereof,

Having regard to the proposal from the Commission,

Whereas Community rules concerning trade with third countries in agricultural products subject to a common organization of the market apply to the Isle of Man in accordance with Article 1 (2) of Protocol 3 to the Act of Accession and with Regulation (EEC) No 706/73⁽¹⁾;

Whereas livestock production is a traditional activity in the Isle of Man and plays a central part in the Island's agriculture;

Whereas, prior to the introduction of the common organization of the market in sheepmeat and goatmeat within the Community, Isle of Man, as part of its local market organization, applied certain mechanisms to control imports of sheepmeat into the Island in order to ensure that the need to supply the requirements of the trade could be met whilst avoiding distortions in the pattern of sheep production and, indirectly, in cattle production on the Island and in its own agricultural support system;

Whereas in the context of the trade arrangements with certain third countries pursuant to the common organization of the market which apply to the Isle of Man, subject to the Community provisions which govern the relationship between the Island and the Community, it is desirable to permit the Island authorities to apply certain measures in order to protect its own production and the working of its own agricultural support system;

Whereas, therefore, the United Kingdom should be permitted to authorize the Isle of Man Government to apply a system of special licences for imports of sheepmeat and beef and veal originating in third countries and in Member States of the Community, without prejudice to the measures concerning trade with third countries provided for by Regulations (EEC) No 805/68⁽²⁾ and (EEC) No 1837/80⁽³⁾;

Whereas it appears desirable to provide for such system to apply for two years, with the possibility of reviewing the situation at the end of that period,

Status: Point in time view as at 01/01/2006.
