COMMISSION DECISION
of 20 March 1997
laying down the arrangements for the transmission of information
to the Commission by the Member States under the Communities'
own resources system
(97/245/EC, Euratom)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 94/728/EC, Euratom of 31 October
1994 on the system of the European Communities’ own resources (1),
and in particular Article 8 (2) thereof,

Having regard to Council Regulation (EEC, Euratom) No 1552/89 of
29 May 1989 implementing Decision 88/376/EEC, Euratom on the
system of the Communities’ own resources (2), as last amended by
Regulation (Euratom, EC) No 1355/96 (3), and in particular Articles 6
and 17 thereof,

Having consulted the Advisory Committee on Own Resources,

Whereas, in Regulation (Euratom, EC) No 1355/96, the Council
adopted provisions designed to improve certain parts of the
arrangements for Member States to report to the Commission about
action they have taken to recover own resources, in particular where
fraud and irregularities are involved;

Whereas these improvements mainly concern the production of monthly
and quarterly statements of accounts of own resources, the description
of cases of fraud and irregularities already detected involving enti-
tlements in excess of ECU 10 000 and the content of the annual report;

Whereas the details of these reporting procedures are to be laid down by
the Commission after the Advisory Committee on Own Resources has
been consulted;

Whereas the Member States must be allowed a suitable length of time to
apply the reporting procedures,

HAS ADOPTED THIS DECISION:

1150/2000 ●

2. The first such statements to be produced using the models referred
