

Commission Decision of 17 June 1998 on a common technical Regulation
for public land-based enhanced radio message system (ERMES)
receiver requirements (second edition) (notified under document
number C(1998) 1615) (Text with EEA relevance) (98/522/EC)

COMMISSION DECISION

of 17 June 1998

on a common technical Regulation for public land-based enhanced
radio message system (ERMES) receiver requirements (second edition)

(notified under document number C(1998) 1615)

(Text with EEA relevance)

(98/522/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Directive 98/13/EC of the European Parliament and of the Council of 12 February 1998 relating to telecommunications terminal equipment and satellite earth station equipment, including the mutual recognition of their conformity⁽¹⁾,

Whereas the Commission has adopted the measure identifying the type of terminal equipment for which a common technical regulation is required, as well as the associated scope statement;

Whereas the corresponding harmonised standards, or parts thereof, implementing the essential requirements which are to be transformed into common technical regulations should be adopted;

Whereas in order to ensure continuity of access to markets for manufacturers, it is necessary to allow for transitional arrangements regarding equipment approved according to Commission Decision 95/290/EC⁽²⁾;

Whereas the common technical Regulation adopted in this Decision is in accordance with the opinion of ACTE,

HAS ADOPTED THIS DECISION:

Status: This is the original version (as it was originally adopted).
