

Commission Decision of 26 October 2007 concerning protection measures in relation to highly pathogenic avian influenza in Canada (notified under document number C(2007) 5202) (Text with EEA relevance) (2007/693/EC)

Article 2

Imports of commodities referred to in Article 1 shall be authorised from the territory referred to in Annex II of this Decision provided that in the import certificates accompanying consignments of these commodities, it is clearly indicated that:

- (a) they come from the territory of code 'CA-1' where the freedom from avian influenza must be certified.
- (b) 'This consignment is in compliance with Commission Decision 2007/693/EC.'

Changes to legislation:

There are currently no known outstanding effects for the Commission Decision of 26 October 2007 concerning protection measures in relation to highly pathogenic avian influenza in Canada (notified under document number C(2007) 5202) (Text with EEA relevance) (2007/693/EC), Article 2.
