

Commission Decision of 6 November 2007 concerning certain protection measures against foot-and-mouth disease in Cyprus (notified under document number C(2007) 5452) (Text with EEA relevance) (2007/718/EC)

Article 1

Live animals

1 Without prejudice to the measures taken by Cyprus within the framework of Directive 2003/85/EC, and notably the establishment of a temporary control zone in accordance with Article 7(1) and a movement ban as provided for in Article 7(3) of that Directive, Cyprus shall ensure that the conditions set out in paragraphs 2 to 7 of this Article are met.

2 No live animals of the bovine, ovine, caprine and porcine species and other biungulates shall move between the areas listed in *Annex I* and *Annex II*.

3 No live animals of the bovine, ovine, caprine and porcine species and other biungulates shall be dispatched from or moved through the areas listed in *Annex I* and *Annex II*.

4 By way of derogation from paragraph 3, the competent authorities of Cyprus may authorise the direct and uninterrupted transit of biungulate animals through the areas listed in *Annex I* and *Annex II* on main roads and railway lines.

5 The health certificates, as provided for in Directive 64/432/EEC for live bovine and porcine animals and in Directive 91/68/EEC for live ovine and caprine animals, accompanying animals consigned from parts of the territory of Cyprus not listed in *Annex I* and *Annex II* to other Member States shall bear the following words:

Animals conforming to Commission Decision 2007/718/EC of 6 November 2007 concerning certain protection measures against foot-and-mouth disease in Cyprus.

6 The health certificates accompanying biungulates other than those covered by the certificates referred to in paragraph 5, consigned from parts of the territory of Cyprus not listed in *Annex I* and *Annex II* to other Member States shall bear the following words:

Live biungulates conforming to Commission Decision 2007/718/EC of 6 November 2007 concerning certain protection measures against foot-and-mouth disease in Cyprus.

7 Animals accompanied by an animal health certificate as referred to in paragraphs 5 and 6 may be moved to other Member States only if the local veterinary authority in Cyprus has, three days before the move, notified the central and local veterinary authorities in the Member State of destination.

8 By way of derogation from paragraph 2 the competent authorities of Cyprus may authorise the transport of animals of species susceptible to foot-and-mouth disease from holdings situated in areas listed in *Annex II* to a slaughterhouse situated in the areas listed in *Annex I*.

Changes to legislation:

Commission Decision of 6 November 2007 concerning certain protection measures against foot-and-mouth disease in Cyprus (notified under document number C(2007) 5452) (Text with EEA relevance) (2007/718/EC), Article 1 is up to date with all changes known to be in force on or before 08 December 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations.
