of 15 December 2008

amending Council Directive 2002/56/EC as regards the date laid down in Article 21(3) until which Member States are authorised to extend the validity of decisions concerning equivalence of seed potatoes from third countries

(2008/973/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 2002/56/EC of 13 June 2002 on the marketing of seed potatoes⁽¹⁾, and in particular the second subparagraph of Article 21(3) thereof,

Whereas:

- (1) Directive 2002/56/EC provides that, with effect from certain dates, Member States may no longer determine for themselves the equivalence of seed potatoes harvested in third countries with seed potatoes harvested within the Community and complying with that Directive.
- (2) However, as work to establish a Community equivalence for seed potatoes from all the third countries concerned had not been completed, Directive 2002/56/EC permitted Member States to extend until 31 March 2008 the validity of equivalence decisions which they had already taken for seed potatoes from certain third countries not covered by a Community equivalence. This date was chosen by reference to the end of the period where seed potatoes are placed on the market.
- (3) Since this work still has not been completed and as a new marketing season will start by the end of the year 2008, it is necessary to authorise Member States to extend the validity of their national equivalence decisions.
- (4) Directive 2002/56/EC should therefore be amended accordingly.
- (5) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Seeds and Propagating Material for Agriculture, Horticulture and Forestry,
