COMMISSION DECISION

of 30 November 2009

amending Decision 2007/116/EC as regards the introduction
of additional reserved numbers beginning with '116'

(notified under document C(2009) 9425)

(Text with EEA relevance)

(2009/884/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Directive 2002/21/EC of the European Parliament and of the Council of 7 March 2002 on a common regulatory framework for electronic communications networks and services (Framework Directive)⁽¹⁾, and in particular Article 10(4) thereof,

Whereas:

- (1) Commission Decision 2007/116/EC⁽²⁾ reserves the national numbering range beginning with '116' for harmonised numbers for harmonised services of social value. The Annex to that Decision contains a list of specific numbers within this numbering range and the services for which each number is reserved. This list may be adapted in accordance with the procedure referred to in Article 22(3) of Directive 2002/21/EC.
- (2) Two services, namely Helpline for victims of crime and Non-emergency medical on-call service, have been identified as services of social value that may qualify for harmonised numbers. For these reasons, Decision 2007/116/EC should be updated and additional reserved numbers introduced. The number for Non-emergency medical on-call service is not intended to replace 112 or national emergency call numbers in life-threatening situations.
- (3) Decision 2007/116/EC should therefore be amended accordingly.
- (4) The measures provided for in this Decision are in accordance with the opinion of the Communications Committee,

HAS ADOPTED THIS DECISION:
