Commission Decision of 29 March 2010 concerning preventive vaccination against low pathogenic avian influenza in mallard ducks in Portugal and certain measures restricting the movements of such poultry and their products (notified under document C(2010) 1914) (Only the Portuguese text is authentic) (2010/189/EU)

*Article 7*

**Health certification for trade within the Union in  
mallard ducks derived from vaccinated mallard ducks**

Portugal shall ensure that health certificates for trade within the Union in poultry intended for restocking supplies of game referred to in Article 6(2)(b) include the following sentence:

The animal health conditions of this consignment are in accordance with Commission Decision 2010/189/EU.

**Changes to legislation:**

There are currently no known outstanding effects for the Commission Decision of 29 March 2010 concerning preventive vaccination against low pathogenic avian influenza in mallard ducks in Portugal and certain measures restricting the movements of such poultry and their products (notified under document C(2010) 1914) (Only the Portuguese text is authentic) (2010/189/EU), Article 7.
