

Commission Decision of 9 November 2010 on modules for the procedures for assessment of conformity, suitability for use and EC verification to be used in the technical specifications for interoperability adopted under Directive 2008/57/EC of the European Parliament and of the Council (notified under document C(2010) 7582) (Text with EEA relevance) (2010/713/EU)

Article 1

Subject matter

The modules for procedures for assessment of conformity and suitability for use of the interoperability constituents and for EC verification of subsystems, as set out in Annex I, are hereby adopted.

A list of terms used in the conformity assessment modules specific for railways and their equivalent in generic modules defined in Decision No 768/2008/EC is set out in Annex II.

A correlation table of the modules used is attached in Annex III.
