

Council Decision of 24 April 2012 on the position to be taken by the European Union in the EEA Joint Committee concerning an amendment to Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement (2012/227/EU)

COUNCIL DECISION

of 24 April 2012

on the position to be taken by the European Union in the EEA Joint Committee concerning an amendment to Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement

(2012/227/EU)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 114 and Article 218(9) thereof,

Having regard to Council Regulation (EC) No 2894/94 of 28 November 1994 concerning arrangements for implementing the Agreement on the European Economic Area⁽¹⁾, and in particular Article 1(3) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) Annex II to the Agreement on the European Economic Area⁽²⁾ ('the EEA Agreement'), contains specific provisions and arrangements concerning technical regulations, standards, testing and certification.
- (2) Regulation (EC) No 110/2008 of the European Parliament and of the Council of 15 January 2008 on the definition, description, presentation, labelling and the protection of geographical indications of spirit drinks⁽³⁾ should be incorporated into the EEA Agreement.
- (3) Commission Recommendation 2010/133/EU of 2 March 2010 on the prevention and reduction of ethyl carbamate contamination in stone fruit spirits and stone fruit marc spirits and on the monitoring of ethyl carbamate levels in these beverages⁽⁴⁾ should be incorporated into the EEA Agreement.
- (4) Regulation (EC) No 110/2008 repealed Council Regulation (EEC) No 1576/89 of 29 May 1989 laying down general rules on the definition, description and presentation of spirit drinks⁽⁵⁾ which is incorporated into the EEA Agreement and should therefore be repealed under the EEA Agreement.
- (5) Commission Regulation (EEC) No 1014/90 of 24 April 1990 laying down detailed implementing rules on the definition, description and presentation of spirit drinks⁽⁶⁾,

which is incorporated into the EEA Agreement, has become obsolete⁽⁷⁾ and should therefore be deleted from the EEA Agreement.

- (6) In order to reduce the problems alcohol consumption may cause, EFTA States may prohibit, on a non-discriminatory basis, the placing on their national market of spirit drinks for direct human consumption which exceed an alcoholic strength of 60 %.
- (7) Due to the special features of the system of registration of geographical indications for spirit drinks and the fact that a very low number of registrations are expected from the EFTA States, paragraph 4(d) of Protocol 1 to the EEA Agreement is not to be applied for these matters. As a consequence, the procedures for application and registration of geographical indications will be carried out by the Commission also in relation to applications from the EFTA states which are parties to the EEA Agreement.
- (8) The position of the Union in the EEA Joint Committee should therefore be based on the attached draft Decision,

HAS ADOPTED THIS DECISION:

Article 1

The position to be taken by the European Union within the EEA Joint Committee on the proposed amendments to Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement shall be based on the draft Decision of the EEA Joint Committee attached to this Decision.

Article 2

This Decision shall enter into force on the day of its adoption.

DRAFT

DECISION No .../2012 OF THE EEA JOINT COMMITTEE

of ...

amending Annex II (Technical regulations, standards,
testing and certification) to the EEA Agreement

THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area⁽⁸⁾, as amended by the Protocol adjusting the Agreement on the European Economic Area, hereinafter referred to as 'the EEA Agreement', and in particular Article 98 thereof,

Whereas:

- (1) Regulation (EC) No 110/2008 of the European Parliament and of the Council of 15 January 2008 on the definition, description, presentation, labelling and the protection of geographical indications of spirit drinks⁽⁹⁾ should be incorporated into the EEA Agreement.
- (2) Commission Recommendation 2010/133/EU of 2 March 2010 on the prevention and reduction of ethyl carbamate contamination in stone fruit spirits and stone fruit marc spirits and on the monitoring of ethyl carbamate levels in these beverages⁽¹⁰⁾ should be incorporated into the EEA Agreement.
- (3) Regulation (EC) No 110/2008 repealed Council Regulation (EEC) No 1576/89 of 29 May 1989 laying down general rules on the definition, description and presentation of spirit drinks⁽¹¹⁾ which is incorporated into the EEA Agreement and should therefore be repealed under the EEA Agreement.
- (4) Commission Regulation (EEC) No 1014/90⁽¹²⁾, which is incorporated into the EEA Agreement, has become obsolete⁽¹³⁾ and should therefore be deleted from the EEA Agreement.
- (5) Due to the special features of the system of registration of geographical indications for spirit drinks and the fact that a very low number of registrations are expected from the EFTA States, it seems reasonable to disapply paragraph 4(d) of Protocol 1 to the EEA Agreement for these matters. This shall be without prejudice to other Joint Committee Decisions.
- (6) This Decision concerns legislation regarding spirit drinks. Legislation regarding spirit drinks does not apply to Liechtenstein as long as the application of the Agreement between the European Community and the Swiss Confederation on trade in agricultural products⁽¹⁴⁾ is extended to Liechtenstein, as stated in the introduction to Chapter XXVII of Annex II to the EEA Agreement. This Decision should therefore not apply to Liechtenstein.
- (7) Annex II to the EEA Agreement should be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

Chapter XXVII of Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement is hereby amended as follows:

The provisions of Regulation (EC) No 110/2008 shall, for the purposes of this Agreement, be read with the following adaptations:

- (b) The EFTA States shall be invited to send observers to the meetings of the Committee for Spirit Drinks, as referred to in Article 25, dealing with matters which fall within acts referred to in the EEA Agreement.
