THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1290/2005 of 21 June 2005 on the financing of the common agricultural policy⁽¹⁾, and in particular Articles 30 and 32 thereof,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) Under Article 30 of Regulation (EC) No 1290/2005, the Commission, on the basis of the annual accounts submitted by the Member States, accompanied by the information required for the clearance of accounts and a certificate regarding the integrity, accuracy and veracity of the accounts and the reports established by the certification bodies, clears the accounts of the paying agencies referred to in Article 6 of the said Regulation.
- (2) Pursuant to the second subparagraph of Article 5(1) of Commission Regulation (EC) No 883/2006 of 21 June 2006 laying down detailed rules for the application of Council Regulation (EC) No 1290/2005 as regards the keeping of accounts by the paying agencies, declarations of expenditure and revenue and the conditions for reimbursing expenditure under the EAGF and the EAFRD⁽²⁾, account is taken for the 2011 financial year of expenditure incurred by the Member States between 16 October 2010 and 15 October 2011.
- (3) The first subparagraph of Article 10(2) of Commission Regulation (EC) No 885/2006 of 21 June 2006 laying down detailed rules for the application of Council Regulation (EC) No 1290/2005 as regards the accreditation of paying agencies and other bodies and the clearance of the accounts of the EAGF and of the EAFRD⁽³⁾ lays down that the amounts that are recoverable from, or payable to, each Member State, in accordance with the accounts clearance decision referred to in the first subparagraph of Article 10(1) of the said Regulation, shall be determined by deducting the monthly payments

Status: Point in time view as at 27/04/2012.

Changes to legislation: There are currently no known outstanding effects for the Commission Implementing Decision of 27 April 2012 on the clearance of the accounts of the paying agencies of Member States concerning expenditure financed by the European Agricultural Guarantee Fund (EAGF) for the 2011 financial year (notified under document C(2012) 2891) (2012/240/EU). (See end of Document for details)

in respect of the financial year in question, i.e. 2011, from expenditure recognised for that year in accordance with paragraph 1. The Commission shall deduct that amount from or add it to the monthly payment relating to the expenditure effected in the second month following that in which the accounts clearance decision is taken.

- (4) The Commission has checked the information submitted by the Member States and it has communicated to the Member States before 31 March 2012 the results of its verifications, along with the necessary amendments.
- (5) The annual accounts and the accompanying documents permit the Commission to take, for certain paying agencies, a decision on the completeness, accuracy and veracity of the annual accounts submitted. Annex I lists the amounts cleared by Member State and the amounts to be recovered from or paid to the Member States.
- (6) The information submitted by certain other paying agencies requires additional inquiries and their accounts cannot be cleared in this Decision. Annex II lists the paying agencies concerned.
- (7) Under Article 9(4) of Regulation (EC) No 883/2006, any overrun of deadlines during August, September and October is to be taken into account in the clearance of accounts decision. Some of the expenditure declared by certain Member States during these months in the year 2011 was effected after the applicable deadlines. This Decision should therefore fix the relevant reductions.
- (8) The Commission, in accordance with Article 17 of Regulation (EC) No 1290/2005 and Article 9 of Regulation (EC) No 883/2006, has already reduced or suspended a number of monthly payments on entry into the accounts of expenditure for the 2011 financial year. In order to avoid any premature, or temporary, reimbursement of the amounts in question, they should not be recognised in this Decision and they should be further examined under the conformity clearance procedure pursuant to Article 31 of Regulation (EC) No 1290/2005.
- (9) Pursuant to Article 32(5) of Regulation (EC) No 1290/2005, 50 % of the financial consequences of non-recovery of irregularities shall be borne by the Member State concerned if the recovery of those irregularities has not taken place within four years of the primary administrative or judicial finding, or within eight years if the recovery is taken to the national courts. Article 32(3) of the said Regulation obliges Member States to submit to the Commission, together with the annual accounts, a summary report on the recovery procedures undertaken in response to irregularities. Detailed rules on the application of the Member States' reporting obligation of the amounts to be recovered are laid down in Regulation (EC) No 885/2006. Annex III to the said Regulation provides the table that had to be provided in 2012 by the Member States. On the basis of the tables completed by the Member States, the Commission should decide on the financial consequences of non-recovery of irregularities older than four or eight years respectively. This decision is without prejudice to future conformity decisions pursuant to Article 32(8) of Regulation (EC) No 1290/2005.
- (10) Pursuant to Article 32(6) of Regulation (EC) No 1290/2005, Member States may decide not to pursue recovery. Such a decision may only be taken if the costs already and likely

If that decision has been taken within four years of the primary administrative or judicial finding or within eight years if the recovery is taken to the national courts, 100 % of the financial consequences of the non-recovery should be borne by the EU budget. In the summary report referred to in Article 32(3) of Regulation (EC) No 1290/2005, the amounts for which the Member State decided not to pursue recovery and the grounds for the decision are shown. These amounts are not charged to the Member States concerned and are consequently borne by the EU budget. This decision is without prejudice to future conformity decisions pursuant to Article 32(8) of the said Regulation.
