- I. Paragraph I of Protocol 1 to the Agreement between the French Republic, the European Atomic Energy Community and the International Atomic Energy Agency for the Application of Safeguards in Connection with the Treaty for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (‘the Safeguards Agreement’) is replaced by the following:
- I. (A) Until such time as
- (1) French Protocol I territories have, in peaceful nuclear activities, nuclear material in quantities exceeding the limits stated, for the type of material in question, in Article 35 of the Agreement between France, the Community and the Agency for the Application of Safeguards in Connection with the Treaty for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (hereinafter referred to as ‘the Agreement’), or
 - (2) the decision has been taken to construct or authorize construction of a facility, as defined in the Definitions, in French Protocol I territories,
- the implementation of the provisions in Part II of the Agreement shall be held in abeyance, with the exception of Articles 31-37, 39, 47, 48, 58, 60, 66, 67, 69, 71-75, 81, 83-89, 93 and 94.
- (B) The information to be reported pursuant to paragraphs (a) and (b) of Article 32 of the Agreement may be consolidated and submitted in an annual report; similarly, an annual report shall be submitted, if applicable, with respect to the import and export of nuclear material described in paragraph (c) of Article 32.
- (C) In order to enable the timely conclusion of the Subsidiary Arrangements provided for in Article 37 of the Agreement, the Community shall:
- (1) notify the Agency sufficiently in advance of its having nuclear material in peaceful nuclear activities in French Protocol I territories in quantities that exceed the limits referred to in section (A) hereof, or
 - (2) notify the Agency as soon as the decision to construct or to authorize construction of a facility in French Protocol I territories has been taken,
- whichever occurs first. At such time, procedures for cooperation in the application of the safeguards provided for under the Agreement shall be agreed upon, as necessary, between France, the Community and the Agency.’.
- II. Paragraph I of Protocol 2 to the Safeguards Agreement is replaced by the following:
- I. Such procedures will amplify certain provisions of the Agreement and, in particular, specify the conditions and means according to which the cooperation referred to above shall be implemented in such a way as to avoid unnecessary duplication of safeguards activities. The procedures shall be, to the extent practicable, based upon those then in force under Protocols to, and the subsidiary arrangements of, other safeguards agreements between Member States of the Community, the Community and the Agency, including the related special understandings agreed upon by the Community and the Agency.’.
