## ANNEX

### MODEL ACCESSIBILITY STATEMENT

#### Instructions

Text in italics should be deleted and/or changed as appropriate by the public sector body.

All endnotes should be deleted before publication of the accessibility statement.

The accessibility statement should be easy to find for the user. A link to the accessibility statement should be prominently placed on the homepage of the website or made available on every web page, for example in a static header or footer. A standardised URL may be used for the accessibility statement. For mobile applications, the statement should be located as indicated in the third subparagraph of Article 7(1) of Directive (EU) 2016/2102. The statement may also be available from within the mobile application.
