COUNCIL**COUNCIL DIRECTIVE**

of 28 June 1973

on the abolition of restrictions on freedom of establishment and freedom to provide services in respect of self-employed activities of banks and other financial institutions

(73/183/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 54 (2) and (3), Article 61 (2) and Article 63 (2) and (3) thereof;

Having regard to the General Programme for the abolition of restrictions on freedom of establishment ⁽¹⁾, and in particular Title IV A thereof;

Having regard to the General Programme for the abolition of restrictions on freedom to provide services ⁽²⁾, and in particular Title V C 2 (b) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament ⁽³⁾;

Having regard to the Opinion of the Economic and Social Committee ⁽⁴⁾;

Having regard to the Opinion of the Monetary Committee;

Whereas, as regards banks and other financial institutions, the General Programmes provide for the

abolition, before the end of the second year of the second stage, of restrictions on freedom of establishment and freedom to provide services not linked with capital movements and the abolition, at the same rate as the liberalization of capital movements, of restrictions on banking services linked with such capital movements;

Whereas, as regards services linked with capital movements, a series of closely specified activities should be liberalized in an initial stage, having regard to the Opinion of the Monetary Committee; whereas the list of such activities will be supplemented, particularly on the basis of progress in liberalizing capital movements;

Whereas the provider of a service may, in order to provide his service, temporarily pursue his activity in the country in which the service is supplied under the same conditions as those applied by that country to its own nationals;

Whereas the activities of brokers pose particular problems because of the rules governing the taking-up and pursuit of such activity in the various countries; whereas the liberalization of this activity should be the subject of a future Directive;

⁽¹⁾ OJ No 2, 15. 1. 1962, p. 36/62.

⁽²⁾ OJ No 2, 15. 1. 1962, p. 32/62.

⁽³⁾ OJ No 201, 5. 11. 1966, p. 3472/66.

⁽⁴⁾ OJ No 224, 5. 12. 1966, p. 3799/66.

Whereas the activities of self-employed intermediaries in the sector of banks and other financial institutions is not covered by the Council Directive of 25 February 1964 relating to the achievement of freedom of establishment and the freedom to provide services in respect of the activities of intermediaries in commerce, industry and small craft industries ⁽¹⁾; whereas such activities should therefore be included in this Directive;

Whereas, however, in the present state of the various bodies of legislation, the activities of intermediaries moving to another Member State in order to provide services there would pose problems difficult to resolve; whereas there should therefore be a further Directive on the liberalization of the provision of services by such intermediaries;

Whereas, pending coordination, this Directive does not alter the provisions of the Member States laid down by law, regulation or administrative action which, applicable without condition as to nationality, forbid natural persons and companies or firms constituted in certain forms to pursue any one of the activities covered by this Directive;

Whereas the General Programme for the abolition of restrictions on freedom of establishment provides that restrictions on the right to join professional or trade organizations must be abolished where the professional activities of the person concerned necessarily involve the exercise of this right;

Whereas, although the provisions laid down by law, regulation or administrative action relating to the taking-up and pursuit of the activities covered by this Directive should be coordinated as soon as possible, restrictions can be abolished without prior or simultaneous reference to this coordination;

Whereas it should be guaranteed that there is joint examination of the problems which will face the authorities responsible in the Community and the Member States for implementing banking regulations, concerning supervision of the activities covered by this Directive and to this end close cooperation should be established between the Commission and the Member States and among the latter;

Whereas measures that a Member State might take in order to implement joint decisions taken in the

framework of monetary cooperation between the Member States do not constitute restrictions within the meaning of this Directive;

HAS ADOPTED THIS DIRECTIVE:

Article 1
