

Council Directive of 13 December 1977 establishing the Community criteria for national plans for the accelerated eradication of brucellosis, tuberculosis and enzootic leukosis in cattle (78/52/EEC)

CHAPTER II

**Specific provisions relating to brucellosis in cattle**

*Article 10*

Member States shall ensure that official serological testing is carried out in type B<sub>1</sub> and type B<sub>2</sub> herds until such time as they become type B<sub>3</sub> or type B<sub>4</sub>.
