

Council Directive of 13 December 1977 establishing the Community criteria for national plans for the accelerated eradication of brucellosis, tuberculosis and enzootic leukosis in cattle (78/52/EEC)

CHAPTER II

Specific provisions relating to brucellosis in cattle

Article 12

Member States shall ensure that:

- official control measures are taken to prevent a herd in which brucellosis has been eliminated from being re-infected from other sources of infection,
- all movements of cattle into and within herds covered by an eradication plan are subject to official monitoring,
- the movement control measures referred to in the second indent can be applied without prejudice to existing Community measures concerning movement into and out of brucellosis-free and officially brucellosis-free herds.
