

Council Directive 92/118/EEC of 17 December 1992 laying down animal health and public health requirements governing trade in and imports into the Community of products not subject to the said requirements laid down in specific Community rules referred to in Annex A (I) to Directive 89/662/EEC and, as regards pathogens, to Directive 90/425/EEC

## CHAPTER III

### Provisions applicable to imports into the Community

#### *Article 13*

- 1 Member States may, by issuing an appropriate licence, permit the importation from third countries of products of animal origin referred to in [F1[X1Annex I]] in the form of trade samples.
- 2 The licence mentioned in paragraph 1 must accompany the consignment and contain full details of the specific conditions under which the consignment may be imported, including any derogations from the checks provided for by Directive 90/675/EEC.
- 3 Where the consignment enters one Member State for onward transmission to a second Member State, the first Member State shall ensure that the consignment is accompanied by the appropriate licence. Movement shall take place in accordance with the provisions of Article 11 (2) of Directive 90/675/EEC. The responsibility for ensuring that the consignment complies with the conditions of the licence (and whether entry into its territory should be permitted) shall rest with the Member State which issues the licence.
