

Directive 2000/14/EC of the European Parliament and of the Council of 8 May 2000 on the approximation of the laws of the Member States relating to the noise emission in the environment by equipment for use outdoors

Article 10

Legal remedies

Any measure taken by a Member State pursuant to this Directive which restricts the placing on the market or putting into service of equipment covered by this Directive shall state the exact reasons on which it is based. Such a measure taken shall be notified as soon as possible to the party concerned, who shall at the same time be informed of the legal remedies available to him under the laws in force in the Member State concerned and of the time limits to which such remedies are subject.
