

## ANNEX II

### PROCEDURES FOR THE APPLICATION OF RAPEX AND GUIDELINES FOR NOTIFICATIONS

3. Member States notifying under Article 12 shall provide all available details. In particular, the notification shall contain the information stipulated in the guidelines referred to in point 8 and at least:
  - (a) information enabling the product to be identified;
  - (b) a description of the risk involved, including a summary of the results of any tests/analyses and of their conclusions which are relevant to assessing the level of risk;
  - (c) the nature and the duration of the measures or action taken or decided on, if applicable;
  - (d) information on supply chains and distribution of the product, in particular on destination countries.

Such information must be transmitted using the special standard notification form and by the means stipulated in the guidelines referred to in point 8.

When the measure notified pursuant to Article 11 or Article 12 seeks to limit the marketing or use of a chemical substance or preparation, the Member States shall provide as soon as possible either a summary or the references of the relevant data relating to the substance or preparation considered and to known and available substitutes, where such information is available. They will also communicate the anticipated effects of the measure on consumer health and safety together with the assessment of the risk carried out in accordance with the general principles for the risk evaluation of chemical substances as referred to in Article 10(4) of Regulation (EEC) No 793/93<sup>(1)</sup> in the case of an existing substance or in Article 3(2) of Directive 67/548/EEC<sup>(2)</sup> in the case of a new substance. The guidelines referred to in point 8 shall define the details and procedures for the information requested in that respect.
