

Directive 2001/96/EC of the European Parliament and of the Council of 4 December 2001 establishing harmonised requirements and procedures for the safe loading and unloading of bulk carriers (Text with EEA relevance)

Article 11

Verification and reporting

1 Member States shall regularly verify that terminals comply with the requirements of Article 5(1), Article 7(2) and Article 8. The procedure of verification shall include the carrying-out of unannounced inspections during loading or unloading operations.

In addition, Member States shall verify that terminals comply with the requirements of Article 5(4), at the end of the period provided for therein, and for newly established terminals at the end of the period provided in Article 6.

2 Member States shall provide the Commission every three years with a report on the results of such verification. The report shall also provide an assessment of the effectiveness of the harmonised procedures for cooperation and communication between bulk carriers and terminals as provided for in this Directive. The report shall be transmitted at the latest by 30 April of the year following the period of three calendar years upon which it reports.
