

Directive 2003/37/EC of the European Parliament and of the Council of 26 May 2003 on type-approval of agricultural or forestry tractors, their trailers and interchangeable towed machinery, together with their systems, components and separate technical units and repealing Directive 74/150/EEC (Text with EEA relevance) (repealed)

Article 1	Scope
Article 2	Definitions
Article 3	Application for EC type-approval
Article 4	The EC type-approval process
Article 5	Amendments to EC type-approvals
Article 6	Certificate of conformity and EC type-approval mark
Article 7	Registration, sale and entry into service
Article 8	Exemptions
Article 9	Vehicles produced in small series
Article 10	End-of-series vehicles
Article 11	Incompatibility of vehicles, systems, components or separate technical units
Article 12	Equivalence
Article 13	Arrangements to ensure conformity of production
Article 14	Obligation to provide information
Article 15	Safeguard clauses
Article 16	Failure to conform to the approved type
Article 17	Verification of non-conformity
Article 18	Notification of decisions and legal remedies available
Article 19	Amendment of the Annexes to this Directive or of the separate directives
Article 20	Committee
Article 21	Notification of the EC type-approval authorities and technical services
Article 22	Implementation
Article 23	Enforcement measures for the EC type-approval
Article 24	Repeal
Article 25	Entry into force
Article 26	Addressees
