Mobility of students

1 Without prejudice to Articles 12(2), 16 and 18(2), a third-country national who has already been admitted as a student and applies to follow in another Member State part of the studies already commenced, or to complement them with a related course of study in another Member State, shall be admitted by the latter Member State within a period that does not hamper the pursuit of the relevant studies, whilst leaving the competent authorities sufficient time to process the application, if he/she:

- a meets the conditions laid down by Articles 6 and 7 in relation to that Member State; and
- b has sent, with his/her application for admission, full documentary evidence of his/her academic record and evidence that the course he/she wishes to follow genuinely complements the one he/she has completed; and
- c participates in a Community or bilateral exchange programme or has been admitted as a student in a Member State for no less than two years.

2 The requirements referred to in paragraph 1(c), shall not apply in the case where the student, in the framework of his/her programme of studies, is obliged to attend a part of his/her courses in an establishment of another Member State.

3 The competent authorities of the first Member State shall, at the request of the competent authorities of the second Member State, provide the appropriate information in relation to the stay of the student in the territory of the first Member State.
