2006 on the common system of value added tax

TITLE XI

**OBLIGATIONS OF TAXABLE PERSONS
AND CERTAIN NON-TAXABLE PERSONS**

CHAPTER 1

Obligation to pay

Section 1

Persons liable for payment of VAT to the tax authorities

Article 193

VAT shall be payable by any taxable person carrying out a taxable supply of goods or services, except where it is payable by another person in the cases referred to in Articles 194 to 199 and Article 202.

Article 194

1 Where the taxable supply of goods or services is carried out by a taxable person who is not established in the Member State in which the VAT is due, Member States may provide that the person liable for payment of VAT is the person to whom the goods or services are supplied.

2 Member States shall lay down the conditions for implementation of paragraph 1.

Article 195

VAT shall be payable by any person who is identified for VAT purposes in the Member State in which the tax is due and to whom goods are supplied in the circumstances specified in Articles 38 or 39, if the supplies are carried out by a taxable person not established within that Member State.

Article 196

VAT shall be payable by any taxable person to whom the services referred to in Article 56 are supplied or by any person identified for VAT purposes in the Member State in which the tax is due to whom the services referred to in Articles 44, 47, 50, 53, 54 and 55 are supplied, if the services are supplied by a taxable person not established in that Member State.

Article 197

1 VAT shall be payable by the person to whom the goods are supplied when the following conditions are met:

- a the taxable transaction is a supply of goods carried out in accordance with the conditions laid down in Article 141;

- b the person to whom the goods are supplied is another taxable person, or a non-taxable legal person, identified for VAT purposes in the Member State in which the supply is carried out;
- c the invoice issued by the taxable person not established in the Member State of the person to whom the goods are supplied is drawn up in accordance with Articles 220 to 236.

2 Where a tax representative is appointed as the person liable for payment of VAT pursuant to Article 204, Member States may provide for a derogation from paragraph 1 of this Article.

Article 198

1 Where specific transactions relating to investment gold between a taxable person who is a member of a regulated gold bullion market and another taxable person who is not a member of that market are taxed pursuant to Article 352, Member States shall designate the customer as the person liable for payment of VAT.

If the customer who is not a member of the regulated gold bullion market is a taxable person required to be identified for VAT purposes in the Member State in which the tax is due solely in respect of the transactions referred to in Article 352, the vendor shall fulfil the tax obligations on behalf of the customer, in accordance with the law of that Member State.

2 Where gold material or semi-manufactured products of a purity of 325 thousandths or greater, or investment gold as defined in Article 344(1) is supplied by a taxable person exercising one of the options under Articles 348, 349 and 350, Member States may designate the customer as the person liable for payment of VAT.

3 Member States shall lay down the procedures and conditions for implementation of paragraphs 1 and 2.

Article 199

1 Member States may provide that the person liable for payment of VAT is the taxable person to whom any of the following supplies are made:

- a the supply of construction work, including repair, cleaning, maintenance, alteration and demolition services in relation to immovable property, as well as the handing over of construction works regarded as a supply of goods pursuant to Article 14(3);

- f the supply of goods following the cession of a reservation of ownership to an assignee and the exercising of this right by the assignee;
- g the supply of immovable property sold by a judgment debtor in a compulsory sale procedure.

2 When applying the option provided for in paragraph 1, Member States may specify the supplies of goods and services covered, and the categories of suppliers or recipients to whom these measures may apply.

3 For the purposes of paragraph 1, Member States may take the following measures:

- a provide that a taxable person who also carries out activities or transactions that are not considered to be taxable supplies of goods or services in accordance with Article 2 shall be regarded as a taxable person in respect of supplies received as referred to in paragraph 1 of this Article;
- b provide that a non-taxable body governed by public law, shall be regarded as a taxable person in respect of supplies received as referred to in points (e), (f) and (g) of paragraph 1.

4 Member States shall inform the VAT Committee of national legislative measures adopted pursuant to paragraph 1 in so far as these are not measures authorised by the Council prior to 13 August 2006 in accordance with Article 27(1) to (4) of Directive 77/388/EEC, and which are continued under paragraph 1 of this Article.

Article 200

VAT shall be payable by any person making a taxable intra-Community acquisition of goods.

Article 201

On importation, VAT shall be payable by any person or persons designated or recognised as liable by the Member State of importation.

Article 203

VAT shall be payable by any person who enters the VAT on an invoice.

Article 204

1 Where, pursuant to Articles 193 to 197 and Articles 199 and 200, the person liable for payment of VAT is a taxable person who is not established in the Member State in which the VAT is due, Member States may allow that person to appoint a tax representative as the person liable for payment of the VAT.

Furthermore, where the taxable transaction is carried out by a taxable person who is not established in the Member State in which the VAT is due and no legal instrument exists, with the country in which that taxable person is established or has his seat, relating to mutual assistance similar in scope to that provided for in Directive 76/308/EEC⁽¹⁾ and Regulation (EC) No 1798/2003⁽²⁾, Member States may take measures to provide that the person liable for payment of VAT is to be a tax representative appointed by the non-established taxable person.

However, Member States may not apply the option referred to in the second subparagraph to a non-established taxable person, within the meaning of point (1) of Article 358, who has opted for the special scheme for electronically supplied services.

2 The option under the first subparagraph of paragraph 1 shall be subject to the conditions and procedures laid down by each Member State.

Article 205

In the situations referred to in Articles 193 to 200 and Articles 202, 203 and 204, Member States may provide that a person other than the person liable for payment of VAT is to be held jointly and severally liable for payment of VAT.

Section 2

Payment arrangements

Article 206

Any taxable person liable for payment of VAT must pay the net amount of the VAT when submitting the VAT return provided for in Article 250. Member States may, however, set a different date for payment of that amount or may require interim payments to be made.

Article 207

Member States shall take the measures necessary to ensure that persons who are regarded as liable for payment of VAT in the stead of a taxable person not established in their respective territory, in accordance with Articles 194 to 197 and Articles 199 and 204, comply with the payment obligations set out in this Section.

Member States shall also take the measures necessary to ensure that those persons who, in accordance with Article 205, are held to be jointly and severally liable for payment of the VAT comply with these payment obligations.

Article 208

Where Member States designate the customer for investment gold as the person liable for payment of VAT pursuant to Article 198(1) or if, in the case of gold material, semi-manufactured products, or investment gold as defined in Article 344(1), they exercise the option provided for in Article 198(2) of designating the customer as the person liable for payment of VAT, they shall take the measures necessary to ensure that he complies with the payment obligations set out in this Section.

Article 209

Member States shall take the measures necessary to ensure that non-taxable legal persons who are liable for payment of VAT due in respect of intra-Community acquisitions of goods, as referred to in Article 2(1)(b)(i), comply with the payment obligations set out in this Section.

Article 210

Member States shall adopt arrangements for payment of VAT on intra-Community acquisitions of new means of transport, as referred to in Article 2(1)(b)(ii), and on intra-Community acquisitions of products subject to excise duty, as referred to in Article 2(1)(b)(iii).

Article 211

Member States shall lay down the detailed rules for payment in respect of the importation of goods.

In particular, Member States may provide that, in the case of the importation of goods by taxable persons or certain categories thereof, or by persons liable for payment of VAT or certain categories thereof, the VAT due by reason of the importation need not be paid at the time of importation, on condition that it is entered as such in the VAT return to be submitted in accordance with Article 250.

Article 212

Member States may release taxable persons from payment of the VAT due where the amount is insignificant.

CHAPTER 2

Identification

Article 213

1 Every taxable person shall state when his activity as a taxable person commences, changes or ceases.

Member States shall allow, and may require, the statement to be made by electronic means, in accordance with conditions which they lay down.

2 Without prejudice to the first subparagraph of paragraph 1, every taxable person or non-taxable legal person who makes intra-Community acquisitions of goods which are not subject to VAT pursuant to Article 3(1) must state that he makes such acquisitions if the conditions, laid down in that provision, for not making such transactions subject to VAT cease to be fulfilled.

Article 214

1 Member States shall take the measures necessary to ensure that the following persons are identified by means of an individual number:

- a every taxable person, with the exception of those referred to in Article 9(2), who within their respective territory carries out supplies of goods or services in respect of which VAT is deductible, other than supplies of goods or services in respect of which VAT is payable solely by the customer or the person for whom the goods or services are intended, in accordance with Articles 194 to 197 and Article 199;
- b every taxable person, or non-taxable legal person, who makes intra-Community acquisitions of goods subject to VAT pursuant to Article 2(1)(b) and every taxable person, or non-taxable legal person, who exercises the option under Article 3(3) of making their intra-Community acquisitions subject to VAT;
- c every taxable person who, within their respective territory, makes intra-Community acquisitions of goods for the purposes of transactions which relate to the activities referred to in the second subparagraph of Article 9(1) and which are carried out outside that territory.

2 Member States need not identify certain taxable persons who carry out transactions on an occasional basis, as referred to in Article 12.

Article 215

Each individual VAT identification number shall have a prefix in accordance with ISO code 3166 — alpha 2 — by which the Member State of issue may be identified.

Nevertheless, Greece may use the prefix 'EL'.

Article 216

Member States shall take the measures necessary to ensure that their identification systems enable the taxable persons referred to in Article 214 to be identified and to ensure the correct application of the transitional arrangements for the taxation of intra-Community transactions, as referred to in Article 402.

CHAPTER 3

Invoicing

Section 1

Definition

Article 217

For the purposes of this Chapter, 'transmission or provision by electronic means' shall mean transmission or provision to the addressee of data using electronic equipment for processing (including digital compression) and storage, and employing wire, radio, optical or other electromagnetic means.

Section 2

Concept of invoice

Article 218

For the purposes of this Directive, Member States shall accept documents or messages on paper or in electronic form as invoices if they meet the conditions laid down in this Chapter.

Article 219

Any document or message that amends and refers specifically and unambiguously to the initial invoice shall be treated as an invoice.

Section 3

Issue of invoices

Article 220

Every taxable person shall ensure that, in respect of the following, an invoice is issued, either by himself or by his customer or, in his name and on his behalf, by a third party:

- (1) supplies of goods or services which he has made to another taxable person or to a non-taxable legal person;
- (2) supplies of goods as referred to in Article 33;

- (3) supplies of goods carried out in accordance with the conditions specified in Article 138;
- (4) any payment on account made to him before one of the supplies of goods referred to in points (1), (2) and (3) was carried out;
- (5) any payment on account made to him by another taxable person or non-taxable legal person before the provision of services was completed.

Article 221

1 Member States may impose on taxable persons an obligation to issue an invoice in respect of supplies of goods or services made in their territory, other than those referred to in Article 220.

Member States may, in respect of the invoices referred to in the first subparagraph, impose fewer obligations than those laid down in Articles 226, 230, 233, 244 and 246.

2 Member States may release taxable persons from the obligation laid down in Article 220 to issue an invoice in respect of supplies of goods or services which they have made in their territory and which are exempt, with or without deductibility of the VAT paid at the preceding stage, pursuant to Articles 110 and 111, Article 125(1), Article 127, Article 128(1), Articles 132, 135, 136, 371, 375, 376 and 377, Article 378(2), Article 379(2) and Articles 380 to 390.

Article 223

In accordance with conditions to be laid down by the Member States in whose territory goods or services are supplied, a summary invoice may be drawn up for several separate supplies of goods or services.

Article 224

1 Invoices may be drawn up by the customer in respect of the supply to him, by a taxable person, of goods or services, if there is a prior agreement between the two parties and provided that a procedure exists for the acceptance of each invoice by the taxable person supplying the goods or services.

2 The Member States in whose territory the goods or services are supplied shall determine the terms and conditions of such prior agreements and of the acceptance procedures between the taxable person and the customer.

3 Member States may impose further conditions on taxable persons supplying goods or services in their territory concerning the issue of invoices by the customer. They may, in particular, require that such invoices be issued in the name and on behalf of the taxable person.

The conditions referred to in the first subparagraph must always be the same wherever the customer is established.

Article 225

Member States may impose specific conditions on taxable persons supplying goods or services in their territory in cases where the third party, or the customer, who issues

invoices is established in a country with which no legal instrument exists relating to mutual assistance similar in scope to that provided for in Directive 76/308/EEC and Regulation (EC) No 1798/2003.

Section 4

Article 231

For control purposes, Member States may require invoices in respect of supplies of goods or services in their territory and invoices received by taxable persons established in their territory to be translated into their national languages.

Section 5

Sending invoices by electronic means

Article 232

Invoices issued pursuant to Section 2 may be sent on paper or, subject to acceptance by the recipient, they may be sent or made available by electronic means.

Article 233

1 Invoices sent or made available by electronic means shall be accepted by Member States provided that the authenticity of the origin and the integrity of their content are guaranteed by one of the following methods:

- a by means of an advanced electronic signature within the meaning of point (2) of Article 2 of Directive 1999/93/EC of the European Parliament and of the Council of 13 December 1999 on a Community framework for electronic signatures⁽³⁾;

Invoices may, however, be sent or made available by other electronic means, subject to acceptance by the Member States concerned.

2 For the purposes of point (a) of the first subparagraph of paragraph 1, Member States may also ask for the advanced electronic signature to be based on a qualified certificate and created by a secure-signature-creation device, within the meaning of points (6) and (10) of Article 2 of Directive 1999/93/EC.

3 For the purposes of point (b) of the first subparagraph of paragraph 1, Member States may also, subject to conditions which they lay down, require that an additional summary document on paper be sent.

Article 234

Member States may not impose on taxable persons supplying goods or services in their territory any other obligations or formalities relating to the sending or making available of invoices by electronic means.

Article 235

Member States may lay down specific conditions for invoices issued by electronic means in respect of goods or services supplied in their territory from a country with which no legal instrument exists relating to mutual assistance similar in scope to that provided for in Directive 76/308/EEC and Regulation (EC) No 1798/2003.

Article 236

Article 237

The Commission shall present, at the latest on 31 December 2008, a report and, if appropriate, a proposal amending the conditions applicable to electronic invoicing in order to take account of future technological developments in that field.

Section 6

Simplification measures

1 After consulting the VAT Committee, Member States may, in accordance with conditions which they may lay down, provide that in the following cases some of the information required under Article 226 and 230, subject to options taken up by Member States under Articles 227, 228 and 231, need not be entered on invoices in respect of supplies of goods or services in their territory:

- a where the amount of the invoice is minor;

- b where commercial or administrative practice in the business sector concerned or the technical conditions under which the invoices are issued make it difficult to comply with all the obligations referred to in Articles 226 and 230.
- 2 Invoices must, in any event, contain the following information:
- a the date of issue;
 - b identification of the taxable person;
 - c identification of the type of goods or services supplied;

- 3 The simplified arrangements provided for in paragraph 1 may not be applied to the transactions referred to in Articles 20, 21, 22, 33, 36, 138 and 141.

Article 239

In cases where Member States make use of the option under point (b) of the first subparagraph of Article 272(1) of not allocating a VAT identification number to taxable persons who do not carry out any of the transactions referred to in Articles 20, 21, 22, 33, 36, 138 and 141, and where the supplier or the customer has not been allocated an identification number of that type, another number called the tax reference number, as defined by the Member States concerned, shall be entered on the invoice instead.

Article 240

Where the taxable person has been allocated a VAT identification number, the Member States exercising the option under point (b) of the first subparagraph of Article 272(1) may also require the invoice to show the following:

Article 245

1 For the purposes of this Directive, the taxable person may decide the place of storage of all invoices provided that he makes the invoices or information stored in accordance with Article 244 available to the competent authorities without undue delay whenever they so request.

2 Member States may require taxable persons established in their territory to notify them of the place of storage, if it is outside their territory.

Member States may also require taxable persons established in their territory to store within that territory invoices issued by themselves or by their customers or, in their name and on their behalf, by a third party, as well as all the invoices that they have received, when the storage is not by electronic means guaranteeing full on-line access to the data concerned.

Article 246

The authenticity of the origin and the integrity of the content of the invoices stored, as well as their legibility, must be guaranteed throughout the storage period.

In respect of the invoices referred to in the second subparagraph of Article 233(1), the details they contain may not be altered and must remain legible throughout the storage period.

Article 247

1 Each Member State shall determine the period throughout which taxable persons must ensure the storage of invoices relating to the supply of goods or services in its territory and invoices received by taxable persons established in its territory.

2 In order to ensure that the conditions laid down in Article 246 are met, the Member State referred to in paragraph 1 may require that invoices be stored in the original form in which they were sent or made available, whether paper or electronic. Additionally, in the case of invoices stored by electronic means, the Member State may require that the data guaranteeing the authenticity of the origin of the invoices and the integrity of their content, as provided for in the first paragraph of Article 246, also be stored.

Member States may, however, set different tax periods provided that those periods do not exceed one year.

Sweden may apply a simplified procedure for small and medium-sized enterprises, whereby taxable persons carrying out only transactions taxable at national level may submit VAT returns three months after the end of the annual direct tax period.

Article 254

In the case of supplies of new means of transport carried out in accordance with the conditions specified in Article 138(2)(a) by a taxable person identified for VAT purposes for a customer not identified for VAT purposes, or by a taxable person as defined in Article 9(2), Member States shall take the measures necessary to ensure that the vendor communicates all the information needed for VAT to be applied and its application checked by the tax authorities.

Article 255

Where Member States designate the customer of investment gold as the person liable for payment of VAT pursuant to Article 198(1) or if, in the case of gold material, semi-manufactured products or investment gold as defined in Article 344(1), they exercise the option provided for in Article 198(2) of designating the customer as the person liable for payment of VAT, they shall take the measures necessary to ensure that he complies with the obligations relating to submission of a VAT return set out in this Chapter.
