

Council Directive 2006/112/EC of 28 November  
2006 on the common system of value added tax

TITLE XIII

**DEROGATIONS**

CHAPTER 2

**Derogations subject to authorisation**

Section 1

**Simplification measures and measures to prevent tax evasion or avoidance**

*Article 394*

Member States which, at 1 January 1977, applied special measures to simplify the procedure for collecting VAT or to prevent certain forms of tax evasion or avoidance may retain them provided that they have notified the Commission accordingly before 1 January 1978 and that such simplification measures comply with the criterion laid down in the second subparagraph of Article 395(1).

*Article 395*

1 The Council, acting unanimously on a proposal from the Commission, may authorise any Member State to introduce special measures for derogation from the provisions of this Directive, in order to simplify the procedure for collecting VAT or to prevent certain forms of tax evasion or avoidance.

Measures intended to simplify the procedure for collecting VAT may not, except to a negligible extent, affect the overall amount of the tax revenue of the Member State collected at the stage of final consumption.

2 A Member State wishing to introduce the measure referred to in paragraph 1 shall send an application to the Commission and provide it with all the necessary information. If the Commission considers that it does not have all the necessary information, it shall contact the Member State concerned within two months of receipt of the application and specify what additional information is required.

Once the Commission has all the information it considers necessary for appraisal of the request it shall within one month notify the requesting Member State accordingly and it shall transmit the request, in its original language, to the other Member States.

3 Within three months of giving the notification referred to in the second subparagraph of paragraph 2, the Commission shall present to the Council either an appropriate proposal or, should it object to the derogation requested, a communication setting out its objections.

4 The procedure laid down in paragraphs 2 and 3 shall, in any event, be completed within eight months of receipt of the application by the Commission.
